With simple, step-by-step directions and a visually rich design, this unique series of instruction books for LEGO® creations helps young children learn and have fun simultaneously. The Build It! series of 16 visually rich instruction books for LEGO® models is perfect for children ages 5 and up. Inside Volume 1 you'll find a range of creative models to put together--from animals to airplanes, street scenes to

seascapes and much more, created using the LEGO® Classic set 10693, or bricks you already have at home. Each book in this interactive series contains 3-5 projects featuring a diverse range of models. Full color diagrams guide you through the process, enhancing the fun.

LEGOs are great fun but expensive. This book creates hours of fun, new worlds and new toys from the collection of LEGOs kids already have. Each project includes a parts list so you can verify that you have all the pieces and even buy supplemental pieces if you want, but most projects avoid specialty pieces and feature ones likely to be in most people's collections. The book engages kids with fun, kid-friendly language and cool facts about the things they are making. Like other popular LEGO idea books, our book is packed with characters and life-like scenes, but takes the next step with detailed step-by-step instruction photos to help kids build more complex animals, robots, vehicles and buildings. The book features full-size photos of life-like scenes that are simple enough for kids to build on their own. Also included are a few no-instruction challenges where kids can create a unique toy using only the photo as inspiration. Frugal Fun with LEGO Creations is the perfect play-time guide for parents, relatives, siblings and care-takers, and the activities are also simple enough that kids can create and play independently. This family-friendly book is sure to spark the imagination of your kids and keep them entertained for hours.

Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America's most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you'd swear are anything but. It only takes one look to see why people go crazy for Gina's food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started “skinny-fying” her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.
