

Lachlan (Immortal Highlander Book 1): A Scottish Time Travel Romance

Rich in Dickensian flavor and packed with fascinating historical details, this compelling alternate-history novel by the author of "The Year of the Hangman" takes readers into the plot to assassinate President Lincoln.

An ancient highlander who's never been allowed to love. A modern woman who keeps men at arm's length. Can their passion overcome their pasts? Althea Jarden's botanical fieldwork keeps her happily busy, but it has kept her from relationships as well-by design. Because deep passions can overwhelm her, she concluded long ago that a conventional life was not for her. She's learned to depend on herself. But all the self-reliance in the world can't prepare her for being taken to ancient Scotland and what she finds there. Chieftain Brennus Skaraven would like nothing better than to remain dead, his legendary clan buried and forgotten. Anything would be preferable to suffering the manipulations of the druids. But when a strange lass comes crashing into his life, he discovers more than a reason to live. He finds the one thing that had always been denied to him and his kind-love.

All hell breaks loose in Meljean Brook's erotic, supernatural debut novel. Lilith, a demon, has spent 2,000 years tempting men and guaranteeing their eventual damnation. That is, until she meets her greatest temptation: the man whose life mission has been to kill her.

Kyra is the youngest Markswoman in the Order of Kali, one of a handful of sisterhoods of highly trained elite warriors. Armed with blades whose metal is imbued with magic and guided by a strict code of conduct, the Orders are sworn to keep the peace and protect the people of Asiana. Kyra has pledged to do so—yet she secretly harbors a fierce desire to avenge her murdered family. When Tamsyn, the powerful and dangerous Mistress of Mental Arts, assumes control of the Order, Kyra is forced on the run. She is certain that Tamsyn committed murder in a twisted bid for power, but she has no proof. Kyra escapes through one of the strange Transport Hubs that are the remnants of Asiana’s long-lost past and finds herself in the unforgiving wilderness of a desert that is home to the Order of Khur, the only Order composed of men. Among them is Rustan, a disillusioned Marksman whose skill with a blade is unmatched. He understands the desperation of Kyra’s quest to prove Tamsyn’s guilt, and as the two grow closer, training daily on the windswept dunes of Khur, both begin to question their commitment to their Orders. But what they don’t yet realize is that the line between justice and vengeance is thin . . . as thin as the blade of a knife.

In a place she doesn't belong, in a time that is not her own, a shattered woman risks everything for the one thing she's never had—love. When Kinley Chandler abruptly lands in medieval Scotland, there isn't much she's leaving behind. With her body shattered and her military career over, Kinley has resigned herself to death. Not only does the mysterious lass save his life, she awakens his heart in a way he'd thought no longer possible. But the druid spells that allow Lachlan's clan to live forever have a dark side as well. He and his men know all too well that the magic folk never give without taking. Though he is sworn to protect them, the price of his loyalty may finally be too high.

Start with a clan of immortal highlanders. Add my Angels cheerleading squad. Mix in druids and time travel, and that's just where our story begins. Did I mention that our plane to Scotland crashed? It wasn't part of the plan. But when all the members of the Highland Angels cheerleading team came through the portal, the plan didn't matter. We'd finally returned to Clan McGillean, the immortal warriors who'd been waiting for us in medieval Scotland. Did I mention they're gorgeous? But they weren't the only ones on the lookout for us. Let's just say that coaching the squad involved dealing with shape-shifters, dark magic, and crazy new powers, not to mention some romantic tangles that got a bit...complicated. Talk about a rough landing.
