

Lady Mechanika Volume 1: Mystery Of The Mechanical Corpse

After suffering a tragic loss, Lady Mechanika finds solace in a remote Mexican village where the locals share with her their D’a de los Muertos traditions. But tragedy strikes again when the festivities are interrupted by the bloodthirsty Jinetes del Infierno. How can one mortal woman hope to stop the fabled Infernal Riders and their unholy reign of terror over the Mexican countryside? And will the fight for peace end up costing Lady Mechanika her own tortured soul? This volume collects the complete Lady Mechanika Day of the Dead special mini-series, plus a gorgeous cover art gallery.

The tabloid dubbed her "Lady Mechanika", the sole survivor of a mad scientist's horrific experiments which left her with mechanical limbs. Having no memory of her captivity or her former life, Lady Mechanika eventually built a new life for herself as an adventurer and private investigator, using her unique abilities to solve case the proper authorities couldn't or wouldn't handle. But she never stopped searching for the answers to her own past.

David Smith is giving his life for his art—literally. Thanks to a deal with Death, the young sculptor gets his childhood wish: to sculpt anything he can imagine with his bare hands. But now that he only has 200 days to live, deciding what to create is harder than he thought, and discovering the love of his life at the 11th hour isn't making it any easier! This is a story of desire taken to the edge of reason and beyond; of the frantic, clumsy dance steps of young love; and a gorgeous, street-level portrait of the world's greatest city. It's about the small, warm, human moments of everyday life...and the great surging forces that lie just under the surface. Scott McCloud wrote the book on how comics work; now he vaults into great fiction with a breathtaking, funny, and unforgettable new work.

A pair of sisters seek payback on a supervillain syndicate - but all is not as it seems! Combining action, engaging characters, and a unique concept involving high-tech illusions, noted writer Paul Dini has crafted a compelling tale of mystery, revenge, and deception. Madame Mirage features stunning artwork by Top Cow's latest find, Kenneth Rocafort.

Lady Mechanika TP Vol 03

The bestselling author of Pledged returns with a groundbreaking look at the pressure to achieve faced by America's teens In Pledged, Alexandra Robbins followed four college girls to produce a riveting narrative that read like fiction. Now, in The Overachievers, Robbins uses the same captivating style to explore how our high-stakes educational culture has spiraled out of control. During the year of her ten-year reunion, Robbins goes back to her high school, where she follows heart-tuggingly likeable students including "AP" Frank, who grapples with horrifying parental pressure to succeed; Audrey, whose panicked perfectionism overshadows her life; Sam, who worries his years of overachieving will be wasted if he doesn't attend a name-brand college; Taylor, whose ambition threatens her popular girl status; and The Stealth Overachiever, a mystery junior who flies under the radar. Robbins tackles teen issues such as intense stress, the student and teacher cheating epidemic, sports rage, parental guilt, the black market for study drugs, and a college admissions process so cutthroat that students are driven to suicide and depression because of a B. With a compelling mix of fast-paced narrative and fascinating investigative journalism, The Overachievers aims both to calm the admissions frenzy and to expose its escalating dangers.

Garrett, a human detective, tries to track down the heir to a fortune in silver in a world of gnomes, centaurs, and vampires

Amongst a frightening menagerie of monstrous-looking creatures, a young Lady Mechanika meets a seemingly bright light in the dark halls of the Ministry of HealthÉMiss Katherine Winter.

Bruce Lee never died. And he hasn't aged. But he has no idea who he is, what's happened in the world in the past 40+ years, or why so many "thugs" want a piece of him. With the help of a fly BFF from the '70s - Joe Toomey, P.I. -- and a pair of precocious Teens, Bruce will find himself forced to do battle with both an enigmatic Villain and his very own conscience.

Lady Mechanika 1

A History of India in 50 Lives

Lantern City #1

Zodiac P.I. Volume 1

Sometimes the friend you've always needed is the sister you've always had. Throughout the years, sisters Gracie and Juliette Bennett have let life's changes pull them in opposite directions. But when their beloved grandmother Mimi passes away, they're drawn back together in the most unexpected way. Set to inherit the family home, a charming Craftsman with an overgrown garden and lush fruit trees near the beach in Santa Barbara, the estranged sisters learn there's a catch: the house can be theirs, but only if they agree to live in it for one year—together. Suddenly Gracie, a pragmatic paralegal who's always stayed close to home, and Juliette, an intrepid recent NYU grad in search of the next thrill, are living under one roof. Forced to reexamine their relationship, they find themselves confronting their pasts and bonding over love, heartbreak, and deeply held secrets. Soon they'll discover whether a sister's love is what they need to get them through their darkest hours—and if their grandmother's clever plan can preserve more than just a piece of family history. It just might preserve the friendship of a lifetime...and reveal the sisters and women they were always meant to be. Revised edition: This edition of A Sister's Place includes editorial revisions.

MAGDALENA

For all of India ’ s myths, stories and moral epics, Indian history remains a curiously unpeopled place. In Incarnations, Sunil Khilnani fills that space, recapturing the human dimension of how the world ’ s largest democracy came to be. His trenchant portraits of emperors, warriors, philosophers, film stars and corporate titans—some famous, some unjustly forgotten—bring feeling, wry humour and uncommon insight to dilemmas that extend from ancient times to our own.

CEMETERY GIRL: THE PRETENDERS Charlaïne Harris, the #1 New York Times bestselling author of the Sookie Stackhouse novels and the Harper Connelly Mysteries, and New York Times bestselling author Christopher Golden present an original graphic novel illustrated by acclaimed comic book artist Don Kramer—first in a brand-new trilogy. She calls herself Calexa Rose Dunhill—names taken from the grim surroundings where she awoke, bruised and bloody, with no memory of who she is, how she got there, or who left her for dead. She has made the cemetery her home, living in a crypt and avoiding human contact. But Calexa can ’ t hide from the dead—and because she can see spirits, they can ’ t hide from her. Then one night, Calexa spies a group of teenagers vandalizing a grave—and watches in horror as they commit murder. As the victim ’ s spirit rises from her body, it flows into Calexa, overwhelming her mind with visions and memories not her own. Now Calexa must make a decision: continue to hide to protect herself—or come forward to bring justice to the sad spirit who has reached out to her for help...

Rori Lane is trying to start a new life when she reunites with her mother in Japan, but ancient creatures lurking in the shadows of Tokyo sense something hidden deep within her, threatening everything she holds dear. Can she unlock the secrets of her power before it's too late? Jim Zub (Conan-Red Sonja) and Steve Cummings (Deadshot) create a supernatural spectacle that combines the camaraderie and emotion of shows like Buffy with Japan's engaging culture and mythic monsters.

"She wanted an adventure. She never imagined it would go this far. It begins with a reality TV show. Twelve contestants are sent into the woods to face challenges that will test the limits of their endurance. While they are out there, something terrible happens--but how widespread is the destruction, and has it occurred naturally or is it man-made? Cut off from society, the contestants know nothing of it. When one of them--a young woman the show's producers call Zoo--stumbles across the devastation, she can imagine only that it is part of the game"--Provided by publisher.

Cemetery Girl: Book One

Sander Jorve just wants to keep his wife and son safe. Living in the brutalized lower class of Lantern City means living in near constant darkness, the enormous walls of the city always looming overhead, while the upper class enjoys the elevated, interconnected towers and airships above. When Sander’s brother-in-law, the persuasive activist Kendal, convinces him to infiltrate the brutal ranks of the Guard, he’s set on a dangerous path that will test his abilities and beliefs, all in the name of making a difference for his family and his caste.

Imagine a sexually transmitted disease that makes those infected better looking... a disease people want. That disease is real, and it’s called the Beauty. Two years after the Beauty burst onto the scene, over half of America is infected. Now, it looks like the downside may be far worse than anyone suspected. Detectives Vaughn and Foster find themselves on the front line of the battle against the Beauty, embroiled in a conspiracy they never knew existed. Collects THE BEAUTY #1-6.

Lady Mechanika Volume 2

The Pretenders

After the Dragons

The Mystery of the Mechanical Corpse. Volume 1

The Last One

A boy with synesthesia—a condition that causes him to see colors when he hears sounds—tries to uncover what happened to his beautiful new neighbor—and if he was ultimately responsible in this “compelling and emotionally charged mystery that warrants comparisons to Mark Haddon’s *The Curious Incident of the Dog in the Night-Time*” (Library Journal). In this highly original “fantastic debut” (Publishers Weekly, starred review), thirteen-year-old Jasper Wishart lives in a world of dazzling color that no one else can see, least of all his dad. Words, numbers, days of the week, people’s voices—everything has its own unique shade. But recently Jasper has been haunted by a color he doesn’t like or understand: the color of murder. Convinced he’s done something terrible to his neighbor, Bee Larkham, Jasper revisits the events of the last few months to paint the story of their relationship from the very beginning. As he struggles to untangle the knot of untrustworthy memories and colors that will lead him to the truth, it seems that there’s someone else out there determined to stop him—at any cost. Full of page-turning suspense and heart-wrenching poignancy—as well as plenty of humor—*The Color of Bee Larkham’s Murder* is “completely original and impossible to predict” (Benjamin Ludwig, author of *Ginny Moon*) with a unique hero who will stay with you long after you turn the last page.

Two strangers find themselves inextricably tied together by inexplicable superpowers. Fighting their connection could mean destroying the world.

After preventing the violent robbery of two college sweethearts who stumbled onto a priceless archaeological find, P.I. Mike Hammer takes on Islamic terrorists and Israeli extremists out to seize the relic for their own purposes.

In a Victorian asylum full of grotesque inmates, sadistic guards, and a fanatical doctor, a young lady wakes to find her arms and legs have been replaced with mechanical limbs. But who among this gruesome menagerie is the true monster of the Ministry of Hell? The origins of the notorious adventuress known as Lady Mechanika!
