

Law For Small Business For Dummies UK

The Small Business Start-Up Kit gives clear, step-by-step instructions for aspiring entrepreneurs who want to launch a small business quickly, easily, and with confidence. User-friendly and loaded with practical tips and essential information, the book explains how to choose the best business structure and name for your business, write an effective business plan, get the proper licenses and permits, file the right forms in the right places, understand the deal with taxes, learn good bookkeeping and money-management skills, market your business effectively, and more. The newest edition includes new laws and trends affecting how small businesses are regulated, as well as guidance on updating your business 's digital strategy in a post-pandemic world.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Handbook on the Law of Small BusinessA Practice Guide for AttorneysArgyle Publishing Company Incorporated

A seasoned business lawyer teaches you about the process of buying a small business. Learn about what happens before, during, and after the closing of the deal. Learn what typical purchase agreement provisions mean. Educating yourself about the process, what to expect, and how to resolve common issues can help reduce stress, save time, and save on legal fees.

Business Law I Essentials

Everything a Small-business Person Must Know, from Start-up Employment Laws to Financing and Selling a Business

This book is for current and aspiring entrepreneurs, as well as managers and other key small business employees, who want answers to everyday legal questions all business face, without paying a fortune in legal fees. The book helps owners and managers successfully start and run a small business, from raising startup money to protecting personal assets to negotiating leases and contracts.

Each year, the federal government awards billions of dollars in small-business contracts. Government law attorney Steven J. Koprince teaches readers to look beyond winning a piece of the \$500 billion pie and concentrate instead on the crucial but complex Federal Acquisition Regulation (FAR) and other rules required for keeping the contract alive and avoiding penalties. The Small-Business Guide to Government Contracts puts a wealth of specialized legal counsel at readers' fingertips, answering the most important compliance questions like: Is a small business really small? Who is eligible for HUBZone, 8(a), SDVO, or WOSB programs? What salaries and benefits must be offered? What ethical requirements must be followed? When does affiliation become a liability?Small-business contracts are both the lifeblood of hundreds of thousands of companies and a quagmire of red tape. No one can afford to be lax with the rules or too harried to heed them. The Small-Business Guide to Government Contracts empowers contractors to avoid missteps, meet their compliance obligations--and keep the pipeline flowing.

Advising the Small Business is a valuable guide for general practitioners, small firm attorneys, and young lawyers engaged in providing legal counsel to small, privately held businesses.

Addresses such important concerns as business organization and planning, financing, collections, franchises, product liability, insurance, trademarks, and taxes

"The purpose of this volume is to bring together experienced government and private practitioners to provide a practical, condensed, overview of the key areas of litigation small business contractors may face. This volume also includes detailed appendices that will help provide context and a quick reference for practitioners. Our hope is that this guide will assist both contractors in understanding their options and practitioners in efficiently assisting them across the federal space"--

The all-in-one business law book Whether you're just starting a small business, or your business is already up and running, legal questions crop up on an almost daily basis. Ignoring them can threaten your enterprise—but hiring a lawyer to help with routine issues can devastate the bottom line.

The Legal Guide for Starting & Running a Small Business has helped more than a quarter million entrepreneurs and business owners master the basics, including how to: raise start-up money decide between an LLC or other business structure save on business taxes get licenses and permits choose the right insurance negotiate contracts and leases avoid problems if you're buying a franchise hire and manage employees and independent contractors attract and keep customers (and get paid on time), and limit your liability and protect your personal assets. The 15th edition is completely updated with the latest legal information and tax rules for small businesses. Whether you're a sole proprietor or an LLC or corporation, or a one-person business operating out of your home, or a company with a large staff leasing space, this book will help you start and run a successful business.

Invaluable Insight into LLCs Featuring updated forms and financial templates now available via download, this comprehensive toolkit provides step-by-step instructions for planning, organizing, forming, operating and maintaining a limited liability company (LLC) in any state. LLCs are one of the most flexible business formations available and for many businesses, offer the best of both worlds. As in partnerships, taxation passes through to the business, avoiding the double taxation problem with corporations. And like corporations, LLCs offer liability protection for owners and their assets. However, LLCs aren't for everyone. To help you make an informed decision, business legal guru Michael Spadaccini provides invaluable insight, offering tips from the pros, practical experience and lists of advantages and disadvantages. This hands-on reference offers: Instructions on how to start and maintain an LLC, including detailed requirements for every state The pros, cons, and uses of different business formations – including LLCs, corporations, sole proprietorships, and partnerships Details on how and when LLCs are best used for minimizing taxes, increasing liability protection and shielding assets Contact information and summaries of incorporations laws for the 50 states and Washington, DC, including requirements and costs for creating LLCs.

*Includes sample documents for clear guidance and inspiration Understand your rights and responsibilities as an employer British small business owners can't afford to learn from their mistakes, especially as regards employment law. This book keeps you inside with the law and outside with your staff too. From hiring and firing through to dealing with wages, pensions, and maternity leave, you'll discover what to do, what not to do, and how to get it right first time. Discover how to * Recruit and retain a happy workforce * Draw up a fair employment contract * Understand Health and Safety Laws * Make redundancies the right way * Manage staff holiday and disciplinary issues*

Ultimate Guide to Forming an LLC in Any State, Second Edition

A Step-by-Step Legal Guide

Forms and Advice for the Legal Practitioner

When you start a new business, legal questions are the last thing on your mind. This book shows you how to get the right help. It introduces to basic business legal concepts so that you have the background to ask the right questions. All the number of small businesses in the United States is astounding. According to the most recent U.S Census data, there are more than 8.8 million businesses with less than 20 employees, with more than 21.3 million employees spread out over 100 million individuals who do not work for a massive corporation is growing exponentially every year and the result is a lot of confusion on the part of small business owners who are struggling to understand the complicated federal employment law requirements for their employees. With this comprehensive A-Z guide to the federal employment laws that dictate the practices you must follow, you will learn every possible detail you will ever need to know to stay ahead of the government's requirements and meet or exceed them. More than 20 Federal acts that are designed to keep the workers of this country protected against various forms of discrimination, poor treatment, and negligence on the part of the employer. You will learn the intricate details of each of these laws and how they apply to your business. You will learn everything that applies to you in regards to age discrimination, disability discrimination, equal pay requirements, affirmative action, civil rights enactments, worker retraining, and dozens more acts such as OSHA and NLRA acts that enforce the standards of employment for millions of companies around the nation. You will learn which laws your company specifically must follow and how state laws might further designate what you need to know to stay on top. You will run down of each kind of business and how certain laws, such as OSHA and other worker safety laws will apply more restrictively to you. You will be shown exactly how each of these laws is enforced and what you can expect if you fail to follow them, such as sanctions, or even loss of licensing in certain cases. Many industry professionals have been interviewed to share their insights on the employment laws in this country, providing a more complete view of how you can adhere to and follow the laws. This book includes, including the forms and agency addresses and contacts, to comply with these laws are provided in their entirety, along with the federal and state agencies that you will be dealing with intricately in the weeks to come. A comprehensive list of laws is provided to make the right decisions and complete the necessary steps for each hire you make is also provided, annotated to show you which laws coincide with which resources. If you are considering starting your own business or are starting to expand your business, this book will provide every detail you need to effectively manage and maintain your growing workforce.
