

Law Of Attraction: For Weight Loss: Change Your Relationship With Food, Stop Torturing Yourself With "Dieting" And Transform Your Body With LOA! (Law Of Attraction, Quantum Physics Book 2)

Do you want to Start Losing Weight Fast and Naturally without having to go to the Gym every day? Then, keep reading... Here's the deal... You've probably already tried to stick to countless strict diets that have had no positive effects on your body. Instead, they stressed you so much that the situation has just been worsened. You quickly lost focus and discipline, and you've restarted gaining weight day after day. That is because you focused on the wrong things. You believe that weight loss should include 'weight' and 'weight loss' terms. But, if you do, you will attract what you feel, and you will attract precisely what you don't want. According to the 'Law of Attraction', your relentless emphasis will not only add to your weight fixation but also to clever rationalizations, such as feeling slim inside. A much more optimistic, exciting, and inspiring goal is to make a loss of weight a subcategory of a marvelous, detailed lifestyle target. Your happiness and success in life are primarily influenced by the emotions in your subconscious mind. Positive statements are essential phrases used to build a positive internal dialogue. You create positive unconscious thoughts by constantly repeating positive affirmations to yourself. Such fresh, hopeful, constructive thoughts would naturally happen throughout your entire life. Whenever they are repeated, they will reinforce the new positive inner picture of yourself and your life in general. If you replace the old, negative thinking with new, positive subconscious ideas, you can access the endless resources of positive energy in yourself. Thus, you can create for yourself a new, positive reality. This all starts by looking inwards at your own thought processes and turning them around to focus more on losing weight and keeping it off. Losing weight is an especially tricky process because, in addition to overweight, the person often suffers from a lack of self-confidence. The failure to trust oneself makes the loss of weight much harder than it should be. In such situations, affirmations work wonderfully to give you the encouragement and motivation to continue your weight loss and exercises routines. If others are not going to support you, you have to be there for yourself. By reading this book, you will learn: The Winning Mindset that Will help you to Stay Fit for Life 8 Critical Tips to Help you Healing your Relationship with Food Powerful positive affirmations to Activate Your Subconscious Mind 8 Guided Meditation & Hypnosis sessions to learn Self Control and Stop Emotional Eating 20+ Tips to make the most out of your Sessions Great Successful Habits to finally Start loving your Body Your journey starts by becoming aware of the natural processes that already exist within our bodies. From there, we will move onto how to include healthy habits in your life for weight loss, to find the motivation to reach your goals. Ready to get Started? I Finally Understand! is a personal weight loss story and guide to help others realistically lose weight. I'm a 47 year old middle class working wife and mother of two. My battle with weight didn't begin until I was 20 years old and started dieting to lose 10 pounds. Six years later those 10 pounds had soared to 40!! I share my story and experiences with traditional diets, exercise, etc., but mainly focus on the realistic, common sense approach that finally worked for me as well as the tips, tricks and philosophies I learned along the way. I also discuss the importance of developing a healthy mind and spirit and its vital role in achieving success. My system advocates a realistic, "socially forgiving" approach that promotes a positive, personalized mind/body/soul methodology. I lost 35 pounds in 5 months and have been able to keep it off for 20 years! About a year after writing this book, I was introduced to the Law of Attraction via Oprah's show on "The Secret". I'd never heard of the Law of Attraction before but was immediately captivated. I couldn't believe what I was hearing! I know this stuff!! This is the same type of thing I wrote about in my book!! I quickly realized I had, unknowingly, used many principals of the Law of Attraction before, during and after I lost weight and was even inspired to write a book about it! That's when I knew I had to publish this book! You'll find my story and its relationship to the Law of Attraction featured in the book, Living the Law of Attraction, Real stories of People Manifesting Health, Wealth and Happiness by Rich German and Robin Hoch.

your relationship with food, diets, and weight loss programs. You will feel empowered to transform your body in a balanced, and enjoyable way while learning how to re-program your subconscious mind and get rid of negative feelings (guilt, comparing yourself to other people, hating your body).

If you would like to learn how to love (or love and transform) your body, then this book is for you. Rhonda Ryder has studied Abraham-Hicks and the Law of Attraction for over 12 years. While each part of her life improved beyond measure practicing these teachings, there was one area she still struggled with: her weight. In her quest to learn how to love and transform her body, she decided to interview 25 women who successfully used these teaching to do just that. Each woman she interviewed released anywhere from 25 to 140 pounds. What Rhonda discovered during these interviews was something that would change more than her clothing size. She learned the true secret of freedom from the obsession with food and body size: Self-love. This book is broken down into two parts: Part One includes the five steps to learning how to love (or love and transform) your body using Abraham-Hicks and the Law of Attraction. These steps are based on the success stories, as well as Rhonda's studies of Abraham-Hicks' views on releasing pounds and improving one's relationship with food and body image. Part Two includes 25 personal stories of women who released between 25 and 140 pounds each using these teachings, but more importantly, how they learned to love their bodies and their food, maybe for the first time in their adult lives. If you're sick and tired of the "dieting/deprivation/disappointment" cycle and are ready to discover how to tap into something much more meaningful and joyful (your own Inner Guidance), you are in the right place. Get ready to experience the delicious alignment of learning how to love your body, your food and your entire life!

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

This Leading Edge work by Esther and Jerry Hicks, who present the teachings of the Non-Physical consciousness Abraham, explains that the two subjects most chronically affected by the powerful Law of Attraction are financial and physical well-being. This book will shine a spotlight on each of the most significant aspects of your life experience and then guide you to the conscious creative control of every aspect of your life, and also goes right to the heart of what most of you are probably troubled by: money and physical health. Not having enough money or not having good health puts you in the perfect position for creating more of that which you do not have. This book has been written to deliberately align you with the most powerful law in the universe - the Law of Attraction - so that you can make it work specifically for you. Also included is a download link for free audio (excerpted from a live Abraham-Hicks workshop) that features the Art of Allowing your physical and financial well-being to come through.
