

Let's Go For A Drive! (An Elephant And Piggie Book)

Scolded by his mother for his vain attention to a large hat collection and for not learning life's lessons, a piglet proves the hats teach him determination, bravery, patience, and kindness.

Elephant Gerald and Piggie want to go for a drive, but as Gerald thinks of one thing after another that they will have to take along, they come to realize that they lack the most important thing of all.

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald worries so that Piggie does not have to. Gerald and Piggie are best friends. Read all of Elephant & Piggie's funny adventures with the complete collection of all 25 titles. Create an instant Elephant & Piggie library with the sturdy metallic Elephant & Piggie bookends included with each set. Mo Willems' number one New York Times best-selling Elephant & Piggie series has won two Theodor Seuss Geisel Awards and five Theodor Seuss Geisel Honors! Collect them all in this deluxe box set.

Amanda and her alligator have lots of fun playing together and surprising each other, but when Amanda's grandfather buys her a panda, Alligator must learn to make new friends.

"Let's go on a steam train / And choo-choo through the land / We wait down at the station / Where we hold each other's hand." Toddlers will enjoy this simple rhyming text with vivid illustrations as they learn about trains!

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

Benjamin Orr was the co-founder, co-lead singer, and bassist for the platinum-selling rock band The Cars. This first biography of Orr draws together interviews with over 120 of his family members, friends, and music associates, as well as many never-before-seen photos, to reveal an intimate portrait of one of classic rock's greatest talents.

From an inauspicious beginning at the tiny Left Bank Theatre de Babylone in 1953, followed by bewilderment among American and British audiences, *Waiting for Godot* has become one of the most important and enigmatic plays of the past fifty years and a cornerstone of twentieth-century drama. As Clive Barnes wrote, "Time catches up with genius ... *Waiting for Godot* is one of the masterpieces of the century." The story revolves around two seemingly homeless men waiting for someone—or something—named Godot. Vladimir and Estragon wait near a tree, inhabiting a drama spun of their own consciousness. The result is a comical wordplay of poetry, dreamscapes, and nonsense, which has been interpreted as mankind's inexhaustible search for meaning. Beckett's language pioneered an expressionistic minimalism that captured the existential post-World War II Europe. His play remains one of the most magical and beautiful allegories of our time.

Benjamin Orr and The Cars

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it 's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

Introducing the Fly Guy and Fly Girl series! YIPPEEZZZ!

" Let ' s Make Coloring Great Again! " AS SEEN ON CNN! Whether he ' s crossing the Delaware or playing chess with Putin, see Donald Trump like you ' ve never seen him before! Don't Let the Pigeon Drive the Bus!

The Trump Coloring Book

I'm a Frog!

Lets Go

Describes the experiences of a young boy and his mother when they go to a theater to see a movie.

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

All the kids want to be in a book -- but it might not be as much fun as they think! On their way home from a field trip, the class meets a famous writer who says he is looking for a kid to put in a book. Hailey volunteers, so the writer flattens her out, folds her up, and stuffs her in. But Hailey feels folded and scrunched and trapped and stuck, and asks the kids to get her out of the book. They try all kinds of things, but nothing works, until finally they have an idea — and turn the tables on the famous writer! Put Me in a Book! was inspired by a project that a grade two classroom in North Bay created and mailed to Robert Munsch -- now they really ARE in a book!

Includes discussion of practice techniques, chassis set-up, and working with your pit chief.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

From everyday apps to complex algorithms, Ruha Benjamin cuts through tech-industry hype to understand how emerging technologies can reinforce White supremacy and deepen social inequity. Benjamin argues that automation, far from being a sinister story of racist programmers scheming on the dark web, has the potential to hide, speed up, and deepen discrimination while appearing neutral and even benevolent when compared to the racism of a previous era. Presenting the concept of the “New Jim Code,” she shows how a range of discriminatory designs encode inequity by explicitly amplifying racial hierarchies; by ignoring but thereby replicating social divisions; or by aiming to fix racial bias but ultimately doing quite the opposite. Moreover, she makes a compelling case for race itself as a kind of technology, designed to stratify and sanctify social injustice in the architecture of everyday life. This illuminating guide provides conceptual tools for decoding tech promises with sociologically informed skepticism. In doing so, it challenges us to question not only the technologies we are sold but also the ones we ourselves manufacture. Visit the book's free Discussion Guide here.

With an introduction by Anne Enright Shortlisted for the Guardian First Book award, a story of civil war and a family's unbreakable bond. How you see a country depends on whether you are driving through it, or live in it. How you see a country depends on whether or not you can leave it, if you have to. As the daughter of white settlers in war-torn 1970s Rhodesia, Alexandra Fuller remembers a time when a schoolgirl was as likely to carry a shotgun as a satchel. This is her story - of a civil war, of a quixotic battle with nature and loss, and of a family's unbreakable bond with the continent that came to define, scar and heal them. Shortlisted for the Guardian First Book Award in 2002, Alexandra Fuller's classic memoir of an African childhood is suffused with laughter and warmth even amid disaster. Unsentimental and unflinching, but always enchanting, it is the story of an extraordinary family in an extraordinary time.

I Am Going! (An Elephant and Piggie Book)

The new editions of the Let's Go student books and workbooks feature the original syllabus in a new design. The teacher's books, with mid-term and final tests, have been completely rewritten with almost twice as much material. They now include special tips for teachers and reproducible activities for the classroom. New recordings of the cassettes and CDs feature more of the student book language, while the wall charts (for levels 1-2 only) have been revised to match the student's books.

Hog is careful. Harold is not. Harold cannot help smiling. Hog can. Hog worries so that Harold does not have to. Harold and Hog are best friends. But can Harold and Hog's friendship survive a game of pretending to be Elephant & Piggie?

Little ones will learn about six different rescue trucks in this fun, rhyming read-aloud book with two spinning wheels!

The singer, guitarist, and songwriter—best known for his work with Wilco—opens up about his past, his songs, the music, and the people who have inspired him in this personal memoir. This ideal addition to your Wilco collection also makes a perfect gift for music lovers. *A New York Times Bestseller* *A Rolling Stone Best Music Books of 2018 selection* *A Pitchfork Pick: Best Music Books of 2018* Few bands have encouraged as much devotion as the Chicago rock band Wilco, and it's thanks, in large part, to the band's singer, songwriter, and guiding light: Jeff Tweedy. But while his songs and music have been endlessly discussed and analyzed, Jeff has rarely talked so directly about himself, his life, or his artistic process. Until now. In his long-awaited memoir, Jeff will tell stories about his childhood in Belleville, Illinois; the St. Louis record store, rock clubs, and live-music circuit that sparked his songwriting and performing career; and the Chicago scene that brought it all together. He also talks in-depth about his collaborators in Uncle Tupelo, Wilco, and more; and writes lovingly about his parents; wife, Susie; and sons, Spencer and Sammy. Honest, funny, and disarming, Tweedy's memoir will bring readers inside both his life and his musical process, illuminating his singular genius and sharing his story, voice, and perspective for the first time.
