

Let's Talk About Sex

Ronald Rolheiser makes sense of what is frequently a misunderstood word: spirituality. In posing the question "What is spirituality?" Father Rolheiser gets quickly to the heart of common difficulties with the subject, and shows through compelling anecdotes and personal examples how to channel that restlessness, that deep desire, into a healthy spirituality. This book is for those searching to understand what Christian spirituality means and how to apply it to their own lives. Rolheiser explains the nonnegotiables--the importance of community worship, the imperatives surrounding social action, the centrality of the Incarnation, the sustenance of the spiritual life--and how spirituality necessarily impacts every aspect of human experience. At the core of this readable, deeply revealing book is an explanation of God and the Church in a world that more often than not doubts the credibility of both.

From the expert team behind IT'S PERFECTLY NORMAL and IT'S SO AMAZING! comes a book for younger children about their bodies — a resource that parents, teachers, librarians, health care providers, and clergy can use with ease and confidence. Young children are curious about almost everything, especially their bodies. And young children are not afraid to ask questions. What makes me a girl? What makes me a boy? Why are some parts of girls' and boys' bodies the same and why are some parts different? How was I made? Where do babies come from? Is it true that a stork brings babies to mommies and daddies? IT'S NOT THE STORK! helps answer these endless and perfectly normal questions that preschool, kindergarten, and early elementary school children ask about how they began. Through lively, comfortable language and sensitive, engaging artwork, Robie H. Harris and Michael Emberley address readers in a reassuring way, mindful of a child's healthy desire for straightforward information. Two irresistible cartoon characters, a curious bird and a squeamish bee, provide comic relief and give voice to the full range of emotions and reactions children may experience while learning about their amazing bodies. Vetted and approved by science, health, and child development experts, the information is up-to-date, age-appropriate, and scientifically accurate, and always aimed at helping kids feel proud, knowledgeable, and comfortable about their own bodies, about how they were born, and about the family they are part of.

Collects portraits of whale culture, including humpback whales that build nets with bubbles, social networks within the sea, and details of whale sex.

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say.

Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the *Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Let's Talk Sex & STDs

This book uses the emerging and cutting-edge area of leisure research to highlight the importance of sexuality and sexual activity and its relevance to leisure studies. It brings to the fore some complex issues associated with this topic using a range of substantive, epistemological, theoretical and methodological approaches. Drawing on international scholarship, the book examines sexuality from multiple, and at times, competing directions, exploring the continuum of sex from work through to carnal pleasure, and across specific sexual practices including BDSM, pornography, stripping, and sex work. Drawing on critical, feminist, queer, and post theoretical perspectives, the book charts a new direction for leisure studies and sex research, including diverse understandings of leisure practice, sex positivity, fringe and deviant sex practices. Critically, the book moves beyond merely establishing sex as a leisure pursuit to focusing on the compelling and complex intersections between sexuality and leisure. This is fascinating reading for any student or researcher with an interest in leisure, sexuality, gender, cultural studies or sociology.

Let's face it. Sexuality is all around us. It's even on billboards, and television commercials. Sadly, it's a topic many men have to discover on their own because too many churches or pastors won't touch it. *Let's Talk About Sex* was written so men no longer have to discover the answers to the tough questions about sex on their own.

WARNING: The only way to make your sexy dreams come true is to talk about them. Are you ready to turn up the heat and sizzle in your sex life? Nothing is as erotically powerful as sexy conversations with your lover. Whether you're stuck in stale sexual patterns and want to explore fantasies with your partner, or you're in a new relationship and eager to learn your lover's desires, this

book of sexy questions and conversation starters will spark sultry discussions between you and that special someone. Explore what turns you both on, and inspire new sexual adventures in and out of the bedroom. Use this book to: Explore and discuss desires and sexual fantasies Discover your partner's sexual secrets and comfortably reveal your own Create healthy and open communication patterns about sexual needs Expand sexual possibilities for the both of you Whether a hetero or same-sex couple, newly dating or married for a decade, there's something here for everyone. Ignite your passion and crank up the erotic energy as you push each other's boundaries and discover secret desires while asking and discussing these sexy questions. Perfect for sexy birthday, bridal shower, or anniversary gifts!

Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist with an unforgettable voice sure to resonate with readers. Alice had her whole summer planned. Nonstop all-you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulting—working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed she's asexual). Alice is done with dating—no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated—or understood. Claire Kann's debut novel *Let's Talk About Love*, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be something more. Praise for *Let's Talk About Love* from the Swoon Reads community: "A sweet and beautiful journey about self-discovery and identity!" —Macy Filia, reader on SwoonReads.com "There aren't many novels that have asexual characters and it's something people need more of." —Alice, reader on SwoonReads.com "I want this on my shelf where I can admire it every day." —Kiara, reader on SwoonReads.com

Let's Talk about Sex Workbook

Sex, Masturbation, and More from a Biblical Standpoint

Don't Mom Alone

The Teen's Guide to Sex, Relationships, and Being a Human

A 6-Week Course (Participant's Guide)

This book will shed light on what the bible actually says about sex, masturbation, fornication and the like. This book will liberate those who are

sexually oppressed.

A groundbreaking look at improving desire, arousal, and sexual satisfaction through mindfulness. Studies show that approximately half of all women experience some kind of sexual difficulty at one point in their lives, with lack of interest in sex being by far the most common--and the most distressing. And when sex suffers, so do all other areas of life. But it doesn't have to be that way. In *Better Sex through Mindfulness*, acclaimed psychologist and sex researcher Lori A. Brotto, offers a groundbreaking approach to improving desire, arousal, and satisfaction inside--and outside of--the bedroom. A pioneer in the use of mindfulness for treating sexual difficulties, Brotto has helped hundreds of women cultivate more exciting, fulfilling sexual experiences. In this accessible, relatable book, she explores the various reasons for sexual problems, such as stress and incessant multitasking, and tells the stories of many of the women she has treated over the years. She also provides easy, effective exercises that readers can do on their own to increase desire and sexual enjoyment, whether their goal is to overcome a sexual difficulty or simply give their love life a boost.

Being a good mom isn't about doing everything right to create a set of perfect trophy children--though every mom has felt the pressure to do just that and to do it all on her own. To ask for help feels like defeat. Yet when we try to do it all by our own strength, we end up depleted, lonely, and ineffective. Heather MacFadyen wants you to know that you are not meant to go it alone. Sharing her most vulnerable, hard mom moments, she shows how moms can be empowered by God, supported by others, and connected with their children. With encouragement and insight, she helps you foster the key relationships you need to be the mom you want to be. Whether you work or stay home, whether you have teenagers or babes in arms, you'll find here a compassionate friend who wants the best--not just for your kids but for you.

'Let's Talk About Sex' is a much-needed resource for providing information to groups and individuals with intellectual disabilities in order that they are aware of the risks and intricacies of sexual health, sexual relationships and all that goes with this. This need may arise during adolescence, following a period away from the community (e.g. hospitalisation, incarceration) or later in life. The manual provides a sexual health education programme that can be used with adolescents and adults with intellectual disabilities. Its detailed guidance and resources can be used to run a group programme delivered as individual stand-alone sessions, in a pick and mix style, or as a 16-week programme, according to the needs of those attending. It can also be used as a basis for working with individuals on sexual health matters. The programme covers topics including physiology, puberty, personal hygiene, health screening, sexual orientation and gender identity,

dignity and respect, sexual education, consent, relationships, and exploitation, delivered in a non-judgemental, informative, supportive approach. Each session incorporates different methods of learning, including facilitator-led discussion, active participation and visual aids to enhance learning and can be adapted to meet the learning needs of participants. Online, printable resources are included to reinforce learning. Guidance is provided to facilitators on supporting individuals during and after sessions.

It's Perfectly Normal

Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the biggest barriers for them considering Christianity. Sam Allberry, author of many books including Is God Anti-gay sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the Bible's positive blueprint for love, sex and marriage and ideal for giving away to people who may see this as a stumbling block for belief.

Argues that hip hop has become a primary way to talk about race in America, examining the links between hip hop, violence, and sexism and whether or not hip hop's portrayal of black culture undermines black advancement.

Provides an introduction to human sexual development and sexuality meant to be read together by a parent and child, with a section that provides guidance for parents.

Let's Talk about It

The Search for a Christian Spirituality

Written for adolescents, this book provides frank, up-to-date and reassuring information on all aspects of growing up, puberty, sex and sexual health.

In *True Love Dates*, Debra Fileta encourages singles not to “kiss dating goodbye” but instead to experience a season of dating as a way to find real love. Through reading powerful, real-life stories (including the author’s personal journey) and gaining insights from Fileta’s experience as a professional counselor, readers will discover that it is possible to find true love through dating. Christians are looking for answers to finding true love. They are disillusioned with the church that has provided little practical application in the area of love and relationships. They’ve been bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end offer little real relationship help. *True Love Dates* provides honest help for dating by guiding readers into vital relationship essentials for finding true love. Debra is a young, professional Christian counselor, and *True Love Dates* offer sound advice grounded in Christian spirituality. It delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued finding true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

Sex. Purity. Virginity. Love. *Moral Revolution* seeks to inspire a culture of love, honor and respect with people who walk in purity, passion and power. This intimate and honest book addresses the root causes of purity issues rather than merely communicating to the masses to “abstain from having sex.” It will call you to a higher standard of living, imparting value for your heart and encouraging you to walk in all God has created you to be. Many who have given in to the power of peer pressure and the lure of distorted cultural values will find hope and courage to start over again. *Moral Revolution* is written for radical and passionate people who dream of being catalysts to a different kind of sexual revolution--one that transforms the way the world views sexuality, defines the unborn and embraces the family. Join the Moral Revolution!

The only way to make your sexy dreams come true is to talk about them. Decades of research on sexual communication confirms the shocking fact that rates of sexual self-disclosure between partners are surprisingly low. In this stimulating 3-book compilation, author J.R. James offers proven methods that are guaranteed to help any couple spice up their love life through powerfully sexy conversation. Join your partner in erotic sexual exploration as you discuss previously taboo areas and secret desires. Now's your opportunity to talk about those things you've always wanted to try. No matter your gender or sexual orientation, there are discussions in here for everyone. All three *Let's Talk About... sexy questions* book are contained in this one 340-page volume: Book 1: *Fantasies and Desires*: Spice up your sex life as you delve into sexual fantasies and examine your sexual interests. Explore your partner's sexual past and discover what really arouses them. The erotic energy is cranked up as you uncover things never revealed and express your true sexual turn-ons! Book 2: *Non-Monogamy: Interested in Open Relationships, Swinging, or Polyamory?* If you're exploring or already enjoying

ethical non-monogamy of any kind, these revealing conversational questions will help you and your partner mutually examine and discuss sexual desires, boundaries, and expectations. Book 3: Kinks and Fetishes: Are you looking to expand sexual horizons with your lover? Do you want to get freaky in the bedroom, but don't know where to start? If you've got an inner wild child just aching to get out, then this section is for you. In Let's Talk Sexy, you will experience conversations about arousing sexual situations, new sex positions, and the erotic fantasies that you've always dreamed about. Improve your sex life, show your partner how sexy they are, and supercharge your love making. Scroll Up and Order Now.

Better Sex Through Mindfulness

Fads and fashions come and go, but sex has remained atop the charts of humankind's obsessions for more than ten thousand years, and a great deal has been said on the subject. This collection brings together some of history's choicest quotations on sex and its many themes and implications. Sources range as wide as the topics, encompassing entries from writers, researchers, public figures, entertainers, respondents to sex surveys, and philosophers. By turns witty, sophisticated, playful, and provocative, this treasury of more than 600 observations offers many unique perspectives on an endlessly intriguing subject.

From Sandy "Pepa" Denton—rap legend and outspoken star of VH1's smash-hit reality show—comes the juicy tell-all in which she talks about sex, music, life, love, fame, and so much more. The spiciest ingredient in the legendary rap group Salt-N-Pepa, fans know Sandy Denton as Pep, or Pepa, the fun-loving half of Salt-N-Pepa. But behind the laughs and the smiles is a whole lot of pain, and for the first time in Let's talk About Pep, she candidly talks about her troubled childhood, surviving abuse, her first encounters with Cheryl "Salt" James, instant success, her failed marriages and escape from domestic abuse, and her triumphant comeback on reality shows like The Surreal Life and The Salt-N-Pepa Show. Filled with surprising insights, outrageous anecdotes, and celebrity cameos—including Queen Latifah, Martin Lawrence, Janice Dickinson, Missy Elliott, L.L. Cool J, Ron Jeremy, Lisa "Left Eye" Lopez, and many others—Let's Talk About Pep offers a fascinating glimpse behind the fame, family, failures, and success...and into the faithful heart of a woman who will always treasure the good friends she found along the way. Every bit as captivating and provocative as her Grammy Award-winning music, this story reveals the real Pepa—upfront, uncensored, unstoppable—a true pioneer, survivor, and inspiration to women everywhere.

"An outstanding book. . . . Meets the needs of those in-between or curious kids who are not ready, developmentally or emotionally, for It's Perfectly Normal." —Booklist (starred review) How does a baby begin? What makes a baby male or female? How is a baby born? Children have plenty of questions about reproduction and babies—and about sex and sexuality, too. It's So Amazing! provides the answers—with fun, accurate, comic-book-style artwork and a clear, lively text that reflects the interests of children age seven and up in how things work, while giving them a healthy understanding of their bodies. Created by the author and illustrator of It's Perfectly Normal, this forthright and funny book has been newly updated for its fifteenth

anniversary.

Aimed at 8 to 12 year olds, this book presents factual information about babies, bodies, love, sex, reproduction and families in a non-threatening, easy to understand way.

Introduces human sexuality, describes the changes brought about by puberty, and discusses sexual abuse, sexually transmitted diseases, AIDS, and pregnancy.

A renowned sexologist shows us we're not alone when it comes to problems of sex and love. Ann-Marlene Henning has improved the sex lives of thousands through her TV show and advice blog. Now, readers can experience her sought-after talk therapy in Let's Talk About Sex, which illuminates common bedroom plights with real client stories. Meeting with couples of diverse identities and sexual orientations, Henning offers a rare window into the therapist's mind. She shares her first impressions, explains her thinking as she decides what to ask now (and what to save for later), and solves problems that range from disagreements over fetishes to a lackluster sex life. The result is a timely portrait of modern sex, one that raises as many questions as it offers real, tangible solutions.

"A truly vital and nuanced guide that is as empowering as it is educational." —School Library Journal (starred review) You deserve clear, accurate information about sexual consent! Let this honest and empowering book be your go-to guide. Let's get real: Sex is complicated. Like, really complicated. And as a teen, you need trusted resources to help you navigate sexual issues without shame, guilt, or judgment. But if you're like many teens, you may not have someone in your life that you can talk to openly about complicated sexual situations, and what consent really means—and this information is crucial for your health, safety, and happiness. Real Talk About Sex and Consent is a comprehensive guide with essential information about setting boundaries, coercion, reciprocity, and communication. You'll also find hard facts about sex and trauma, the effects of pornography and cultural expectations, and much more. With this book, you'll learn how to make sexual decisions that honor your sense of values and cultivate rewarding and emotionally supportive relationships throughout your life. This book goes past simple definitions of sex and consent and explores the hidden pressures, misrepresented expectations, and realities of sex—and what to do about it all. It's time to get informed and take control of your sexual self. This book will give you the tools you need to make decisions that are right for you.

Illustrated throughout with witty, but always accurate cartoons, this book provides thorough, frank, up-to-date and reassuring information on all aspects of growing up, puberty, sex and sexual health.

A Modern Approach to Sex Education

A shame-free, illustrated guide for people with vaginas—from periods to basic hygiene to safe sex—from TikTok's Dr. Lincoln. Dr. Lincoln has been

sharing her expertise as an OB-GYN to her millions of followers on TikTok, and now in this accessible, illustrated guide she answers real questions about vaginal, sexual, and reproductive health for fans and new readers alike. Let's Talk About Down There is like the health class you wish you had—think evidence-based, myth-busting sex ed where shame gets tossed out the window—in a format that's as approachable as a fifteen-second video. Addressing topics such as hormones, menstrual cups, and birth control, all with the help of infographics and illustrations, this succinct, vibrant handbook answers the questions that you may have been too embarrassed to ask, so you'll be empowered to make more informed health choices and truly care for yourself.

From the author of *How Are You Feeling Today?* and *Will You Be My Friend?* comes a brand new picture book all about the birds and the bees (sex education). It's natural for young children to have questions about their bodies and where they came from, but it can seem a daunting task to answer honestly so that they understand the subtleties of puberty, sex, reproduction and relationships, and are comfortable with their bodies. This book uses clear, easy to understand language to answer complex questions about sex and relationships, and covers all manner of tricky subjects from puberty to consent with delicate accuracy and honesty. Filled with bright, fun illustrations and helpful advice for parents and carers, *Let's Talk About the Birds and the Bees* is the perfect book for explaining the facts of life to small children.

SEXTING. VIRGINITY. CONSENT. THE BIG O... Sex-positive vlogger Hannah Witton covers it all. Nobody really has sex all figured out. So Hannah Witton wrote a book full of honest, hilarious (and sometimes awkward) anecdotes, confessions, and revelations. Hannah talks about doing it safely. Doing it joyfully. Doing it when you're ready. Not doing it. Basically, doing it the way you want, when you want (if you want). *Doing It* works as an introduction to sex as well as a guidebook for those who are already sexually active, with insight on topics such as healthy relationships, porn, contraception, sex shaming, and more. Approachable and empowering, this is a go-to resource for all things s-e-x.

Sex ed shouldn't start and end with putting a condom on a banana. This is the pleasure-focused sex ed that you deserved to get at school - in all its challenging, messy, awkward, hilarious, enjoyable glory - from the sex educator you deserved to have. Welcome to sex ed, where everyone is invited to the party.

What Every Teen Needs to Know

Let's Talk about Sex!

The Hip Hop Wars

Menopause and the Vindication of Natural Life

There comes a time when every person has to learn about sex; typically, students learn within their middle school years about sex education. Unfortunately, by then they have been influenced by others with the wrong information, or have heard rumors that are mostly untrue. *Let's Talk Sex and STDs: The Student Edition* is here to lay all of the misleading information and stories to rest and provide easy to understand facts and guidelines about sex. This guide breaks down all the essentials: STDs, myths, Q&A, visuals and other important facts. The tools provided will assist with sexually transmitted disease prevention, unexpected and teen pregnancy, as well as sexually uneducated students teaching other students. Dr. Davis-Kennedy has created this self-help medical advisory so that when students are learning about sex, they can educate themselves with the proper information in order to protect themselves in the future.

“Many days I believe menopause is the new (if long overdue) frontier for the most compelling and necessary philosophy; Darcey Steinke is already there, blazing the way. This elegant, wise, fascinating, deeply moving book is an instant classic. I’m about to buy it for everyone I know.” –Maggie Nelson, author of *The Argonauts* A brave, brilliant, and unprecedented examination of menopause *Menopause* hit Darcey Steinke hard. First came hot flashes. Then insomnia. Then depression. As she struggled to express what was happening to her, she came up against a culture of silence. Throughout history, the natural physical transition of menopause has been viewed as something to deny, fear, and eradicate. Menstruation signals fertility and life, and childbirth is revered as the ultimate expression of womanhood. Menopause is seen as a harbinger of death. Some books Steinke found promoted hormone replacement therapy. Others encouraged acceptance. But Steinke longed to understand menopause in a more complex, spiritual, and intellectually engaged way. In *Flash Count Diary*, Steinke writes frankly about aspects of Menopause that have rarely been written about before. She explores the changing gender landscape that comes with reduced hormone levels, and lays bare the transformation of female desire and the realities of prejudice against older women. Weaving together her personal story with philosophy, science, art, and literature, Steinke reveals that in the seventeenth century, women who had hot flashes in front of

others could be accused of being witches; that the model for Duchamp's famous *Étant donnés* was a post-reproductive woman; and that killer whales—one of the only other species on earth to undergo menopause—live long post-reproductive lives. *Flash Count Diary*, with its deep research, open play of ideas, and reverence for the female body, will change the way you think about menopause. It's a deeply feminist book—honest about the intimations of mortality that menopause brings while also arguing for the ascendancy, beauty, and power of the post-reproductive years.
