An alien race attacked her people... they wanted her world. Now, payback is coming after them. And she's a bitch in every sense of the word. \*\* AMAZON Top 100 Best Selling Author \*\*  
Bethany Anne Nacht was changed on Earth almost two hundred years in the past. The Kurtherians engage in the cosmic great game, where whole worlds are torn asunder in their efforts to prove their own supremacy. For hundreds of millennia, the Kurtherians at the top have reigned unfettered as they destroyed countless civilizations time and time again. Now, a new group is entering the game. Bethany Anne and her people are playing against extreme odds, but when has that EVER stopped the Queen Bitch? It's time to fight for the future of the Universe... ARE YOU READY? --- NOTE: This book contains cursing. Perhaps humorous cursing, but cursing nevertheless. If this offends you, I don't suggest reading this book.

It is finished... Sweat dripping off her brow as the threads started long ago start to fuse together. It's time to make plans, hide the truth, and get the HELL off her throne. But, how to accomplish creating a Federation, when those coming together want to gut her Empire? Anyone who understands the Queen Bitch, knows she won't accept that condition without a fight. However, to accomplish meeting her love again in a system far away, she will accomplish the impossible. Her eyes start to glow red. No one will stop her from getting back to Michael. Grab Life Goes On and complete the massive story today! A battle. A spaceship crashes on an alien planet. Its combat troops deploy. The aliens run for their lives. Until they can run no more. Then they fight back. Against a superior enemy, technology is key. But the aliens don't have better tech. They

have grit and catlike reflexes. And tails. Taj fights to unite a determined populace against a professional military vying for the planet's future.

You take out one annoying vampire in revenge, and now you have to clean up the mess? What a pain in the ... something. Bethany Anne and crew are back! They need to grab a ship, figure out who is trying to dig into her businesses, get their hands around the potential for creating an A.I. and the ongoing mess with Anton and South America. One of these days, she will get a break. Fortunately for us, it wasn't today. Got an attitude? That's nice. Just don't show it around Bethany Anne.

When she slaps a face off, the whole head goes with it. Bite This, The Kurtherian Gambit 04 follows the story after Love Lost. If you haven't read the preceding books YOU PRETTY MUCH HAVE TO. These are a series and many of the characters have been introduced in preceding volumes.

is real. Yes, this could happen. Dammit. Who wants to really dwell on these things? This story was written by Craig Martelle, based on the original WWDE Document as authored by Jeff Morris. You get both in this one short story which gives you insight into how a fiction author takes a technical document and makes a story out of it. Otherwise, I would label this, "Crap, I don't want to ever, ever, ever think about."

Whether they are ready or not, the people are about to find out what the Queen's promise is worth. When Bethany Anne stepped down as Empress, she swore to return if the Federation was ever in danger from outside evil. That time has come. Bethany Anne's refusal to be restricted by the impossible has made her plan to protect the Federation a reality, and the return of the Superdreadnought Reynolds brings a long-awaited reunion and an opportunity. Pulling together old friends and family members from all over the Federation and...beyond, Bethany Anne is ready to leave the Interdiction to build a military whose numbers can rival the

Ookens. But is her plan impossible enough to succeed?

What if you were given an offer you shouldn't refuse? Seraphina Waters craves the opportunity to protect Bethany Anne's growing Etheric Empire. Thrown a lifeline when she needs it most, she's given a chance to prove herself. If she can. Pulled into alien politics, and a life beyond her imagination, Phina might just have a chance to have the one thing she's always wanted. Now, she just needs to pull it off without getting killed.

The future just went upside down, when a nascent AI is added against Bethany Anne's wishes. Then, there is David and his issues to take care of, permanently. Bethany Anne has had it with Terrorists. Not encumbered with law, she seeks only justice for those who were killed in France. *Calls for performance measures and metrics sound good, but public sector organizations often lack the tools required to assess the organization as a whole and create true change. In order to implement an integrated cycle of assessment, planning, and improvement, government agencies at all levels need a usable framework for organizational assessment that speaks to their unique needs. Organizational Assessment and Improvement in the Public Sector provides that framework, an understanding of assessment itself, and a methodology for assessment focused on the public sector. The book introduces the concept of organizational assessment, its importance, and its significance in public sector organizations. It addresses the organizational theory that underlies assessment, including change management, organizational and individual learning, and*

*organizational development. Building on this, the author focuses on the processes and demonstrates how the communication that results from an assessment process can create a widely accepted case for change. She presents a model grounded in the Malcolm Baldrige National Quality Program criteria but adapted for the culture of government organizations. She also addresses the criteria that form the basis for assessment and implementation and provides examples and best practices. Facing decreasing budgets and an increasing demand for services, government agencies must increase their capabilities, maximize their available fiscal and human resources, and increase their effectiveness and efficiency. They often operate in an atmosphere that prizes effectiveness but measures it in silos assigned to individual programs and a structure that encourages people to do more with less while systematically discouraging efficiency. Stressing the significant and important differences between a business and a government, this book supplies the knowledge and tools necessary to create a culture of assessment in government organizations at all levels.*

Garrett have set off to visit the outlying settlements this side of the Madlands and make sure their people are safe. It's not just the Skrima and the remnant they're fighting - the people they find out there have lost all hope and see no way out. Julianne needs to teach them to fight. More than that, she needs to remind them why it's worth it. Set on the foundation laid by the Kurtherian Gambit Series, *Broken Skies* tells a new story in the Age of Magic. NOTE: This book contains cursing. Perhaps humorous cursing, but cursing nevertheless. If this offends you, I don't suggest reading this book.

Michael has moved on, can his Justice Enforcer make a difference? Does the Sun come up in the morning? The New York City-State wakes up and their world has been shaken to its core. The Enforcers have been scattered, but they aren't finished. This vampire is but a bump in their road to keeping the city-state in the hands of the CEO's. The Were's are involved, some leave, some stay and new alliances are made and an old one broken. However, in the end, it always comes back to heart and determination. Something that you often have to find for yourself, when life beats you down and Valerie is made of the right material to see

it through. Claimed By Honor is part of The Kurtherian Gambit Universe. \*\* As noted in other series set in the Kurtherian Universe, there IS cursing in this book, occasionally, it's funny, too. \*\*

Europe is erupting in tension and violence. David is only adding to the conflagration by setting a trap, one that our team will trip to save those people still alive. There is one thing every enemy of Bethany Anne finds out. They will be ground down under her heels. Read the series one Amazon Reviewer says: "I have absolutely DEVoured this series in a period of 36 hrs, and am considering knocking on the author's door to ask him to hurry up with the rest of the series."
