You cannot escape the results of your thoughts. What you are thinking plays out in your life. If your thoughts are full of anger, you will experience anger in your life. Adversely if you understand absolute love and live it, you will find peace and joy. The suffering we experience, is mainly due to our holding on to past pains, resentments, and anger. As long as we remain in the past in our thinking, we will suffer. As long as the cultures across the globe remain locked into systems, which no longer work for their citizens the people of this world will continue to suffer. You have the miracle of mind in your grasp. Change your perception, and how you identify with life and you will be the revolution that is needed. This book explores the areas of life, which keep you in bondage, and slavery. It shows you how with thinking alone you can free yourself, and family. The bumps in the road, the heartache, and suffering can be eliminated out of your life. It is the Miracles of Mind, which

A perfectly pitched bedtime story and counting book for sleepy train lovers, illustrated in dramatic 3D sculptures! A little boy climbs into bed with a book and starts counting the train cars in it, between the engine and caboose. "Ten sleepy cars going clickety-clack," reads the refrain. But as the boy counts cars and gets sleepier and sleepier, his room looks more and more like one of the train cars from his book--the sleeping car, of course! Rhythmically told by the author of the Froggy books, Sleep Train is also stunning to look at. 3D illustrator, Lauren Eldridge, has sculpted an entire train full of intricate details. Part bedtime story, part
