From Parks and Recreation star Aubrey Plaza and creative partner Dan Murphy comes the long lost tale of the Christmas Witch, Santa Claus's much

misunderstood twin sister. The perfect gift for the holiday season and beyond! Gather 'round the fire to hear a Christmas legend that has never been told before...until now. Determined to find her long lost twin, she set out on a perilous journey across oceans to find him. But what she found instead was a deep-seated fear of her powers and a confrontation that would leave the fate of Christmas hanging in the balance. From award-winning producer and actress Aubrey Plaza and her creative partner Dan Murphy comes a holiday story unlike any told before. With all the richness of classic folklore, they've woven a tale of bravery, love and magic. Whatever you thought you knew about Christmas...think again.

A Ragamuffin Christmas

Supplemented by an informative introduction, short excerpts from Bonhoeffer's letters, and passages from his Christmas sermons, these daily devotions are timeless and moving reminders of the true gift of Christmas.

Children can join in with the story of Mary and Joseph, their journey to Bethlehem, and the birth of Jesus as they lift the flaps on every page to see what is hiding beneath. This favorite Bible story is illustrated with warm and endearing artwork.

A Christmas card from Aunt Jeanne starts a chain of events that sends Tommy on a journey to places he has never been and guides him to a wonderful surprise.

This anthology of holiday material provides you with a complete collection of resources for drama, worship, and young people. It includes a wide range of resources from across the denominational spectrum."Copying privileges are included for all six segments." "Come See What God Has Done" is a Thanksgiving children's event designed to heighten awareness of God's many blessings. Six learning centers -- each including posters, projects, a guided experience, follow-up activities, and a closing prayer -- focus on such topics as families, nature, our religious heritage, and our bodies. Intended for kindergarten through sixth grade, this is an ideal activity for your church school and can be held during a single session. "A Chrismon Service" portrays the drama of redemption through symbols of Jesus in the form of Christmas ornaments. (The word "Chrismon" is a combination of the words "Christ" and "monogram.") As appropriate scripture passages are read, each symbol is presented and explained; worshipers participate in the service by hanging them on the Chrismon tree. Eighteen designs are included so that you can make your own Chrismons based on such

symbols as the Epiphany star, the Christmas rose, and the angel. "The ABC's Of Christmas" offers four easy programs for Christmas worship, celebrating angels, bells, colors, and gifts. Each incorporates scripture, carols, and simple props together with dramatic readings to create a meaningful worship experience that will linger in the memory long after Christmastime passes. "The Angels' Point Of View" is a play in two acts that looks at Jesus' conception, birth, and flight into Egypt from their perspective. Originally developed for a junior high Sunday school class, this piece is excellent for older youth and can be performed in a variety of settings. There are thirteen speaking roles, and complete directions for assembling props, costume, and scenery are included. "In Search Of Christmas" is a light, contemporary drama that intersperses a series of brief dialogues between a husband and wife, two teenagers, and others illustrating how we can lose the real meaning of Christmas with faith-affirming conversations among individuals who have kept the season's true spirit of joy and giving. Roles can be doubled up for the small congregation, and only a few basic props are needed. "Last Year In Bethlehem: The Story Of Eli The Shepherd" reminds us that the story of Christ's birth is more than a holiday tradition. It combines a dramatic monologue with hymns and candlelight for a moving Christmas Eve worship experience. On the first anniversary of the first Christmas, a gruff but friendly shepherd tells of the night that changed his life. Suggestions for costuming, makeup, and staging are included, along with historical background on shepherds during Jesus' time. "O Holy Night" brings together scripture, song, and poetic readings to create a touching Christmas Eve worship service that can involve several participants without requiring

lengthy rehearsal. It is an especially attractive option for smaller churches without many resources, but this enchanting service will be a glorious experience for any congregation.

Soon there was frost on the windows and snow on the ground, but Laura and her folks were warm and cozy in their snug little house in the Big Woods. Christmas in America

This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand opening of Emelia's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing

situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. What if the real nativity story didn't look anything like we imagine it today? Nativity scenes have become an iconic and beloved tradition of the Christmas season, but most Christians don't realize how much the story of Jesus' birth doesn't match up with the story we tell every Christmas season. That's why in *Reimagining the Nativity*, you will: - Explore several fictionalized elements of the nativity story that are not mentioned in the Bible - Examine what the Scripture does tell us happened when Jesus was born and why some traditional elements of the story don't match up with Scripture - Be challenged to use the Bible as our foundation of knowledge before relying on Christmas traditions or assumptions. Prepare to dismiss false facts so that you can shift your focus on the real reason we celebrate the birth of Jesus - the miracle of His incarnation, which should cause us to celebrate, not just on Christmas, but all year long.

Jesus Calling®: The Story of Christmas uniquely teaches the Christmas story to your children by starting at creation and sharing that Jesus has always been present and that God has always had a plan for Christmas. Bible verses and Jesus Calling devotions are on every spread of this beautifully illustrated book with foil and glitter on the cover. Teach your children the story of Christmas . . . starting from creation! In Jesus Calling®: The Story of Christmas, children will discover that God always had a plan for Christmas. Christ was chosen before the world was made. —1 Peter 1:20 The Christmas story began long, long ago. Before the angel Gabriel told Mary she would have God's Son. Before the shepherds saw the angels and before the wise men saw the star. Even before the sun and the moon shone for the first time, before the first cows ever mooed and the first monkeys ever climbed! Before Adam and Even took their first walk in the Garden of Eden, God had a plan for Christmas. From the

beginning of time, God had a plan to save his children. That plan was Jesus! Curl up with your little ones around the Christmas tree with Jesus Calling®: The Story of Christmas.

A heartwarming story that will become a Christmas tradition. Calvin is the youngest, and littlest, tree on Stumpstinkle's Tree Farm. He longs to be a Christmas tree. While the other trees encourage him, one grumpy older tree is very discouraging. Calvin never gives up. Illustrated to engage a child's wonderful world of imagination and create fond lasting childhood memories.

Greta and Gracie are sisters. Greta is chatty while Gracie is quiet. It s all fine until, one day, everything changes. It s almost Christmas, and the sisters decorate the tree, shop for presents, and go ice-skating on the pond. Greta, of course, "always" knows best. Then on Christmas Eve, while Greta is sleeping, Gracie hears a funny noise. She creeps downstairs to investigate, and the next morning her very special revelation leaves chitty-chatty Greta lost for words!"

What if you had been there on the night that Jesus was born? What if you could have held the infant Son of God, when He was only a few minutes old? How would it feel to have God Himself in your arms, vulnerable, approachable, and unassuming? In "A Ragamuffin

Christmas” Craig Daliessio provides just that view of the Nativity. Far from the usual retelling of a baby, some shepherds, and the Virgin Mary; this is the story of criminals, broken hearted moms, scandalous characters, and legendary Saints, each granted their own visit with the newborn King of Kings. The people and images are unmistakable...and the result of each interaction is life changing. This is the Christmas story as it’s never been told before.
