Asterix is celebrating 60 sensational years as an international comics superstar, and in the first collected edition from Papercutz, the stories are newly translated into American English for a new generation of fans! The story of Asterix starts here. These are the first three adventures of Asterix as he defends his tiny village from the overwhelming forces of the Roman Empire. Join the short, spunky, and super-powerful warrior from Gaul and his faithful friends--including the boar-eating delivery man Obelix and the ecologically-minded canine, Dogmatix--as they battle to protect their village against impossible odds. Asterix Omnibus volume one collects "Asterix the Gaul," "Asterix and the Golden Sickle," and "Asterix and the Goths." Three classic adventures in one great volume. We all know Lucky Luke, the man who shoots faster than his own shadow. But even he was once a child, and back then he was already having grand adventures in the Old West! The young boy is travelling with an old, grumpy, alcoholic prospector in search of gold, when a conflict with the local Indian tribe leads to kidnapping - and he now finds himself the adopted son of a nagging native mother! "At last, old enough to join Dad on a wild turkey hunt, Luke is bursting with excitement from the start. When he finally sees his

first turkey roaming wild in the woods, he has to overcome his excitement and make sure he can take a good shot. What an adventure, what a day!"--Page 4 of cover.

The Swamp

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

One of the main problems facing the Old West's inhabitants was the lack of women in frontier territory. Entire towns were populated only by men, while many unmarried young women languished on the east coast. As a remedy to that situation, marriages were arranged over mail. And now we find a reluctant Lucky Luke in charge of protecting a convoy of brides on their way west. Can he, too, be in danger of finding a wife?

Three founding volumes in which Luke loses his cartoon character appearance to become a true Western hero. A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia

with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—Lance Armstrong, Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Cowboy Lucky Luke upholds the law of the Wild West. Always accompanied by his loyal and dapper horse Jolly Jumper, Lucky dedicates his life to serving justice—and beating his bumbling but persistent foes, the Dalton brothers. Does Lucky Luke know what he's getting himself into when he arrives at Froggy Town on a stormy night? As in many cities of the Wild West, a handful of men pursue the madcap dream of finding gold. Luke is just looking for a place where he can make a quick stop to replenish his tobacco supplies. But he can't refuse the request for help made by a committee of citizens to find the gold that was stolen the previous week from the poor miners. With the help of Doc Wednesday, Lucky Luke leads a dangerous investigation while facing up to the ruthless siblings - the Bones brothers. Join Luke and his family in Lucky Luke's Hunting Adventures: The Swamp as he experiences all the wonders of hunting in the great outdoors. In this tale, Luke is finally old enough to join his family on his first whitetail deer hunt, and he has all kinds of advice from his fellow hunters. When Luke's dad brings him deep into a Northern Minnesota swamp for a magical morning hunt, Luke finds adventure and nature at every turn in the trail. One thing's for sure—you won't believe who gets the big buck!

Tremble, crooks, here's Mr. Invincible! This new protagonist helps widows and orphans as any self-respecting hero would, but also dogs, cats, grandmothers, the mayor's son, and, well, the rest of

the city. Masked and caped, like any good superhero, he thwarts the mad scientists and bad guys without much worry. Not only is he unbeatable, but his super-power makes him the only true comic book hero -- he can reach outside the panels and affect both space and time! A wholly unique and creative twist on conventional comic-book reading experience, this wacky Middle Grade title will put your imagination to the test!

Kid Luck, still travelling with Old Timer, arrives in Mushroom City. After months in the wild, they're both glad to find a place where they can have some fun! While the old gold miner has every intention to enjoy himself, though, he immediately sends Luke ... straight to school! A horrible sentence for the young cowboy-in-the-making, who is about to meet a quartet of already nasty little brats, and a pistolero with somewhat ... flexible morals!

**This third volume in the collection brings us to the very edge of absolute greatness, with two later, far more mature solo outings – Doc Doxey’s Elixir (including Manhunt) and Phil Wire (including Lucky Luke and Pill) were first published in 1955 and 1956, and already Luke was much closer to the cowboy that we now have in mind – followed by Rails on the Prairie, the first collaboration between Morris and Goscinny, that would usher in 30 years of a legendary collaboration. These stories are prefaced by a staggering 46 pages of extra material – biographies, essays, interviews, illustrations – that will delight**

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*
