

Magisterium: The Iron Trial (Magisterium Series Book 1)

Discover the dark and seductive realm of faerie in the first book of New York Times bestseller Holly Black's critically acclaimed Modern Faerie Tales series, where one girl must save herself from the sinister magic of the fey courts, and protect her heart in the process. Sixteen-year-old Kaye is a modern nomad. Fierce and independent, she drifts from place to place with her mother's rock band until an ominous attack forces them back to Kaye's childhood home. But Kaye's life takes another turn when she stumbles upon an injured faerie knight in the woods. Kaye has always been able to see faeries where others could not, and she chooses to save the strange young man instead of leaving him to die. But this fateful choice will have more dire consequences than she could ever predict, as Kaye soon finds herself the unwilling pawn in an ancient and violent power struggle between two rival faerie kingdoms—a struggle that could very well mean her death.

Call is one of the most feared students in the history of the Magisterium, thought to be responsible for a devastating death and an ever-present threat of war. As a result, Call has been imprisoned and interrogated. Everyone wants to know what Constantine was up to -- and how he lives on.

The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black. Tana lives in a world where walled cities called Coldtowns exist. In them, quarantined monsters and humans mingle in a decadently bloody mix of predator and prey. The only problem is, once you pass through Coldtown's gates, you can never leave. One morning, after a perfectly ordinary party, Tana wakes up surrounded by corpses. The only other survivors of this massacre are her exasperatingly endearing ex-boyfriend, infected and on the edge, and a mysterious boy burdened with a terrible secret. Shaken and determined, Tana enters a race against the clock to save the three of them the only way she knows how: by going straight to the wicked, opulent heart of Coldtown itself. The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black.

On one side of the Rift is a technological paradise without famine or want. On the other side is a mystery. Sixteen-year-old Glenn Morgan has lived next to the Rift her entire life and has no idea of what might be on the other side of it. Glenn's only friend, Kevin, insists the fence holds back a world of monsters and witchcraft, but magic isn't for Glenn. She has enough problems with reality: Glenn's mother disappeared when she was six, and soon after, she lost her scientist father to his all-consuming work on the mysterious Project. Glenn buries herself in her

The Shadowhunter's Codex

Ricky, the Rock That Couldn't Roll

I Want to Go Home

The Golden Tower

In this mischievous and utterly original debut, Hansel and Gretel walk out of their own story and eight other classic Grimm-inspired tales. As readers follow the siblings through a forest brimming with menacing foes, they learn the true story behind (and beyond) the bread crumbs, edible houses, and outwitted witches. Fairy tales have never been more irreverent or subversive as Hansel and Gretel learn to take charge of their destinies and become the clever architects of their own happily ever after.

Do you believe in faeries? Not the soft, gentle kind, but the sinister, feral kind ~ the ones that bring havoc on everything in their path... A fairy-tale series with a difference from Holly Black, bestselling author of *The Spiderwick Chronicles* and *The Cruel Prince*. When Valerie Russell runs away to New York City, she's trying to escape a life that has utterly betrayed her. Taking on a new identity, she finds refuge with a gang of squatters who live in the city's labyrinthine subway system. But there's something eerily beguiling about Val's new friends ... Lolli talks of monsters in the subway tunnels and uses shimmering amber-coloured powder that makes the shadows around her dance. While Luis claims to make deals with creatures that no one else can see. And when Luis's brother, Dave, makes the mistake of letting Val tag along as he makes a delivery to a woman who turns out to have goat hooves instead of feet, Val knows that there's magic at play in the subway tunnels... A bewildered Val allows Lolli

her into tracking down the hidden lair of the creature for whom Luis and Dave have been working. Cassel has to find herself bound into service by a troll named Ravus. He is as hideous as he is honourable. As Val grows to know him, she finds herself torn between affection for him and fear of what he and the others are becoming because of him...

The first installment in The Curse Workers series from New York Times bestselling author Holly Black. "Urban fantasy, con story—whatever you call it, read it" (Kirkus Reviews, starred review). Cassel is from a family of con artists and grifters, all of them curse workers but him. On top of that, Cassel is plagued by guilt that he killed his best friend, Lila, years ago. When Cassel begins to have strange dreams about a white cat and people around him are losing their memories, he starts to wonder what really happened to Lila, and what that means about his actions. In Cassel's search for answers about Lila and himself, he realizes that his brothers have been conning him for years, and that the family's quest in their quest for power is about to fall into place. Cassel has other ideas. He's going to create a more elaborate trap and, with Lila's help, con a bunch of magic using conmen. This "beautifully realized dark fantasy...with prose that moves from stark simplicity to almost surreal intensity" (Publishers Weekly, starred review) is rife with the unexpected. "Readers will be hooked" (Booklist) on White Cat.

Discovering his rare ability to summon demons from another world, blacksmith's apprentice Finn is practicing his skills at a magical academy where he prepares to serve his Empire in the war against the Orcs. A first novel. Simultaneous eBook.

A teen from Ohio discovers he's the last in a long line of magical warriors chosen to fight to protect the world. Before he knew about the Roses, sixteen-year-old Jack lived an unremarkable life in the small town of Trinity. Only the medicine he has to take daily and the thick scar above his heart set him apart.

the other high-schoolers. Then one day Jack skips his medicine. Suddenly, he is stronger, fiercer, more confident than ever before. And it feels great—until he loses control of his own strength and kills another player during soccer team tryouts. Soon, Jack learns the startling truth about himself: he is Weirind; part of an underground society of magical people who live among us. At the head of this magical society sit the feuding houses of the Red Rose and the White Rose, whose power is maintained by playing The Game: a magical tournament in which each house sponsors a warrior to fight to the death. The winning house rules the Weir. As if his bizarre magical heritage isn't enough, Jack finds out that he's not just another member of Weirind—he's one of the last of the warriors, at a time when both houses are scouting for a player.

From the imaginations of bestselling authors Holly Black and Cassandra Clare comes a heart-stopping plunge into the magical unknown. Think you know magic? Think again. The Magisterium awaits . . . Most people would do anything to get into the Magisterium and pass the Iron Trial. Not Callum Hunt. Call has been told his whole life that he should never trust a magician. And so he tries his best to do his worst – but fails at failing. Now he must enter the Magisterium. It's a place that's both sensational and

sinister. And Call realizes it has dark ties to his past and a twisty path to his future. The Iron Trial is just the beginning. Call's biggest test is still to come . . .

When federal agents learn that seventeen-year-old Cassel Sharpe, a powerful transformation worker, may be of use to them, they offer him a deal to join them rather than the mobsters for whom his brothers work.

In this second book in the Narnia-inspired Indigenous middle-grade fantasy series, Eli and Morgan journey once more to Misewa, travelling back in time. Back at home after their first adventure in the Barren Grounds, Eli and Morgan each struggle with personal issues: Eli is being bullied at school, and tries to hide it from Morgan, while Morgan has to make an important decision about her birth mother. They turn to the place where they know they can learn the most, and make the journey to Misewa to visit their animal friends. This time they travel back in time and meet a young fisher that might just be their lost friend. But they discover that the village is once again in peril, and they must dig deep within themselves to find the strength to protect their beloved friends. Can they carry this strength back home to face their own challenges?

The New York Times bestseller from Darynda Jones, Seventh Grave and No Body, puts Charley Davidson in the line of more fires than she may be able to handle... Twelve. Twelve of the deadliest beasts ever forged in the fires of hell have escaped onto our plane, and they want nothing more than to rip out the jugular of Charley Davidson and serve her lifeless, mangled body to Satan for dinner. So there's that. But Charley has more on her plate than a mob of testy hellhounds. For one thing, her father has disappeared, and the more she retraces his last steps, the more she learns he was conducting an investigation of his own, one that has Charley questioning everything she's ever known about him. Add to that an ex-BFF who is haunting her night and day, a rash of suicides that has authorities

baffled, and a drop-dead sexy fiancé who has attracted the attentions of a local celebrity, and Charley is not having the best week of her life. But all of that combined barely scratches the surface of her problems. Recent developments—and a few distressing prophecies—have forced her to become a responsible adult. Exactly the kind of adult she's never aspired to be. To conquer such a monumental task, she's decided to start small. Really small. She gets a pet. But how can she save the world against the forces of evil when she can't even keep a goldfish alive? A tad north of hell, a hop, skip, and a jump past the realm of eternity, is a little place called Earth, and Charley Davidson, grim reaper extraordinaire, is determined to do everything in her power to protect it. We're doomed.

From Holly Black and Cassandra Clare comes the second installment in the New York Times bestselling series that defies what you think you know about the worlds of good and evil. Callum Hunt's summer break isn't like other kids'. His closest companion is a Chaos-ridden wolf, Havoc. His father suspects him of being secretly evil. And, of course, most kids aren't heading back to the magical world of the Magisterium in the fall. It's not easy for Call . . . and it gets even harder after he checks out his basement and discovers that his dad might be trying to destroy both him and Havoc. Call escapes to the Magisterium -- but things only intensify there. The Alkahest -- a copper gauntlet capable of separating certain magicians from their magic -- has been stolen. And

in their search to discover the culprit, Call and his friends Aaron and Tamara awaken the attention of some very dangerous foes -- and get closer to an even more dangerous truth. As the mysteries of the Magisterium deepen and widen, bestselling authors Holly Black and Cassandra Clare take readers on an extraordinary journey through one boy's conflict -- and a whole world's fate. Tanya is no ordinary girl. She can see fairies. But not the fairies we imagine. Evil fairies who cast spells on her, rousing her from her sleep and propelling her out of bed. At wit's end with her daughter's inexplicable behavior, Tanya's mother sends her away to live with her grandmother at Elvesden Manor, a secluded countryside mansion on the outskirts of a peculiar Essex town. There is plenty to explore, as long as Tanya stays away from Hangman's Wood- a vast stretch of forest, full of catacombs and notorious for people losing their lives. Fifty years ago a girl vanished in the woods, a girl Tanya's grandmother will not speak of. As Tanya learns more about this girl, she finds herself dangerously close to vanishing into the fairy realm forever. Debut author Michelle Harrison weaves an intricate mystery into a beautiful and haunting fantasy that captures a rich world of fairy lore where only the color red can offer protection.

In book three of the Curse Workers series, "the perfect end to this gem of a trilogy" (Kirkus Reviews, starred review), trust is a priceless commodity and the lines between right and wrong become dangerously blurred. Cassel Sharpe knows he's been used as an assassin, but he's trying to put all that behind him. He's trying to be good, even though he grew up in a family of con artists and cheating comes as easily as breathing to him. He's trying to do the right thing. And he's trying to convince himself that working for the

government is the right choice, even though he's been raised to believe they are the enemy of all curse workers. But with a mother on the lam, the girl he loves about to take her place in the Mob, and all new secrets coming to light, what's right and what's wrong become increasingly hard to tell apart. When the Feds ask him to do the one thing he said he would never do again, he starts to wonder if they really are the good guys, or if it's all a con. And if it is, Cassel may have to make his biggest gamble yet—on love. Love is dangerous and trust is priceless in Holly Black's "powerful, edgy, dark" fantasy series (Publishers Weekly).
