*I've been selling on line for over five years now, and I gotta tell you – It's one of the greatest gigs I've ever had. I started my career selling on this little website you might have heard about – eBay. In less than six months I was pulling down over two grand a month. From there I moved on to Amazon and in less than three months, I doubled my income. Two years ago I heard about this website called Fiverr where people were selling services starting at only five bucks, and I knew I had to take a shot at this crazy game. I started out designing covers for Kindle books, and in less than six months I cranked out over 1700 covers for just over \$25,000 with extras. How crazy is that! With all of that said, probably the best money maker I've discovered to date is writing Kindle books. There are guys cranking out a book a week and pulling down some serious cash. Me! I've written over a dozen books using several pen names. Some of them consistently pull down \$300 to \$500 a month. Some of them are turkeys, and I'm lucky to pull in ten bucks a month on them, but it all adds up. What I'm trying to say here is: I make some really good cash working on line, and you can too. Read my book. Follow the directions, and you can make some serious cash.*

Do you want to be able to work from home, create your own hours, do what you want when you want to? Sure, sounds too good to be true right? The only people that make this kind of money is VPs and CEOs, right? Are you under the impression that the only way to make money in this world is to work a 9-5 job just as you've been told? Grasping onto a belief that if you work hard enough and long enough that you'll be able to create freedom for yourself and finally live the life you have always wanted? Listen, I realize that this type of mentality and set of beliefs is easy to buy into and that it is really hard to break free from - believe me, I used to think the same thing myself. *A Proven, Step-By-Step System To Mastering eBay and Amazon and make an income!This book contains proven strategies on how to take simple steps to making serious money on eBay, amazon and beyond without money or products.So this obviously is about making profits on eBay and Amazon but without any funds or products. I saw people make a lot of money on eBay and Amazon, and I kept asking; "how did they do that?" "How did they get the products in the first place?" "How did they have the funds?" "How can they have all those products up-front?" And so is this one In this book, I will show you the all the tools that I use, the majority of them are free, so no cost. There's one tool that I'd like to explain that does cost, and I will be probably up front about that, and explain how much it costs. I will explain drop-shipping, which is the traditional method within eBay and Amazon. But I will show you the method that I use that's sort of a high-bred drop-shipping. Finally, I will explain the (drum roll please) master plan. You can keep this system ticking over month after month in your spare time and make some pocket money! And that's fine, because it does involve some time. Or you can really step this up big time and spend several hours a week and probably make close to, if not exceeding, your full time income. It really is up to you.
