Book two in the #1 New York Times best-selling Descendants series—now in the wickedly fun, action-packed graphic novel! Mal's an expert at intimidating her enemies, but she's broken the habit since leaving her villainous roots behind. So when she and her friends Evie, Carlos, and Jay all receive threatening messages demanding they return home, Mal can't believe it. Sure, she's King Ben's girlfriend now, and she's usually nice to her classmates, but she still didn't think anyone would be silly enough to try to push her around. The thing is, it kind of worked. Especially since she and her friends have a sneaking suspicion that their villainous parents are behind the messages. And when Evie looks into her Magic Mirror, what she sees only confirms their fears. Maleficent's just a tiny lizard after her run-in with Mal at Ben's Coronation, but she's the worst villain in the land for a reason. Could she have found a way to escape? Whatever's going on, Mal, Evie, Carlos, and Jay know they have to sneak back to the Isle and get to the bottom of it. Without its infamous leader, the island's even worse than when they left it, but the comforts of home—even a home as gloomy as the Isle of the Lost—can be hard to resist for recently reformed villains. Will the kids be able to beat the evil bubbling at the Isle's wicked core, or will the plot to destroy Auradon succeed?

While Jessie is helping Zuri take care of Lucy, the classroom bunny, Lucy goes missing! Will Jessie track down the runaway rabbit before Zuri realizes Lucy has escaped? Then in an attempt to help Zuri succeed in school, Jessie shows her the importance of winning over her teacher, Mrs. Falkenberg. But instead of impressing the teacher, Jessie's name ends up on the Naughty Board! Will Jessie go from teacher's pest to teacher's pet? Or will the Naughty Board prevail? Ride with the tide! Deep beneath the waves, King Triton's powerful trident has passed through the magical barrier that surrounds the Isle of the Lost—keeping villains in and magic out. And when Mal's longtime rival Uma, daughter of Ursula, gets wind of this, she can't believe her luck. The tide has dragged in something good for a change, and Uma is determined to get her wicked hands on it. But first, she needs a pirate crew. A storm is brewing back in Auradon, and when Mal, Evie, Carlos, and Jay hear that the trident has been washed away, they realize they'll have to find it before anyone from the Isle does. Luckily, they seem to have a talent for locating missing magical objects. As Uma readies for the high seas alongside Harry, son of Captain Hook, Gil, son of Gaston, and the toughest rogues on the Isle of the Lost, the reformed villains of Auradon devise their own master plan. And with King Ben away on royal business, they won't have to play by all the rules. Using bad for good can't be totally evil, right? The thrilling, perilous race to the trident pits old friends—and current enemies—against each other with the future of Auradon on the line. Both teams might like to make waves, but only one will come out on top of this one.

Mal, Evie, Carlos, and Jay may be the children of terrible villains, but they're fitting in amazingly well on Auradon. Well, at least most of them are. For Mal, the pressure to be royally perfect is too intense, so she returns to her rotten roots on the Isle of the Lost. But Mal soon finds that her archenemy, Uma, the daughter of Ursula, has taken her spot as self-proclaimed Princess of Evil. Even worse, Uma has a plan to destroy Auradon—and a gnarly gang of pirates to back her up! It's a classic battle between wicked and evil . . . and these kids are made for trouble.

They're charged with helping Mal introduce their own cultures to a whole new audience... but how? As far as Mal sees it, they can only really truly understand the issues that the people of Auradon and the Isle of the Lost will face by first experiencing it for themselves, which means that Audrey will need to live a day in Uma's life on the Isle and Uma in Audrey's shoes in Auradon. This experience - full of embarrassing missteps and unexpected situations - opens up Audrey and Uma's eyes to just how inattentive they'd been to the challenges faced by those who'd grown up elsewhere and inspires them to join forces with Mal to find a better solution to truly integrate their cultures.
