50 easy and unique mandala designs ! Perfect gift for kids.

A relaxing and therapeutic mandala coloring book for children! This coloring book contains 30 hand drawn mandala style coloring pages for kids. With thicker lines and bigger open spaces for coloring to appeal to any coloring skill level. Having been proven to promote relaxation and aid in stress relief, the soothing mandala coloring pages have symmetrical designs and repeating patterns are one of the more satisfying subjects to color. With a more grown up approach to coloring, but designed to appeal to children. Each of the mandala coloring

pages inside this book range in complexity, from designs with much thicker lines and bigger open spaces, to more complex and detailed designs that require ore concentration and patience to complete. This allows the artist to either work their way up to the more difficult designs or jump straight wherever they like if they're a more confident budding artist! Each coloring page is printed single sided, so the user can easily remove the pages once they have been colored and they can proudly display them on their walls! This also allows the user to remove the pages before coloring if you are planning to use a messier coloring medium, so you don't run the risk of ruining any of the other coloring pages inside this book! So whatever your coloring tool of choice is (crayons, pencils, pens, markers, paints etc) you don't have to worry about bleeding through onto the other designs. The very popular mandala coloring patterns have proven very useful in stress relief and aiding in relaxation for adults, as well as in children with autism, adhd, ocd or other such conditions. But also allows any user to promote creative expression in themselves, learn about color theory and create beautiful works of art while doing so. This also makes this the perfect coloring activity book for more advanced children too. Alternively, if you are a coloring book loving parent, but your kids are always coloring your books in for you because they enjoy the intereting and fun patterns, then this book will be a great gift for your child so you can both color your own books together!

" "This is Volume 10 in the MANDALA COLORING BOOKS series. It is a similar level of difficulty as Volumes 1, 4, and 7, which is fairly easy, and suitable for both kids and adults. Although it should be noted volumes 10 and 7 contain less kids level easy designs, and more adult level designs than volumes 1 and 4. " "Designs are quite simple, and suitable for beginner to intermediate level colorists. >Come on a fun and mystical journey into the world of mandalas! >Fifty unique and beautiful mandala images just waiting for you to color! >One mandala design per sheet of paper, for the best coloring experience (colors do not bleed through to other pages when using felt tipped pens). >Frame each colored mandala as your own work of art! PRESS RELEASE Mandalas to Color for Kids and Adults Volume 10 Now Available Online "Are you looking for an excellent bonding activity that you and your kids will enjoy? Ironpower Publishing has just released Mandalas to Color Volume 10" Ironpower Publishing, owned by Richard Hargreaves, is excited to announce the release of Mandalas to Color for Kids and Adults Volume 10 on Amazon. Volume 10 is suitable for colorists in the beginner and intermediate levels. Coloring is a simple and fun activity which can have lifelong benefits for children. Children can spend an hour just sitting down busying themselves with crayons and coloring worksheets. But aside from it being a favorite past time of kids, it has advantages that promote a positive personality among them. Coloring books can stimulate and exercise the right hemisphere of our brains which is responsible for creativity, visual imagery, color and emotions. Children who spend more time coloring books have better motor skills because coloring promotes hand and eye coordination, strength and grip. This practice also allows children to be familiar with colors and experiment on various color combinations. Mandala coloring books have so many patterns to choose from to maximize one's creativity and imagination. Coloring books also give children the chance to express their creative side by letting them go in choosing colors, strokes and patterns. Another important value that can be developed through coloring is patience and focus. Kids learn to patiently finish their artworks and master the art of concentrating by focusing on the patterns and shapes of their worksheets. Mandala coloring books have designs tailored for beginners and experts so children and adults can both enjoy the experience. After focusing on coloring, kids feel a sense of accomplishment with their finished art project, thus boosting their confidence and self-esteem. Mandalas to Color are now released online in the book category of Amazon's website. This current release, Mandalas to Color for Kids and Adults Volume 10, has the same level of difficulty as Volumes 1, 4 and 7 which is fairly easy. This volume can be used both by kids and adults but take note that this volume has more adult level designs compared to the other volumes. Another good thing about the mandala coloring book is that it only has one mandala design per sheet so you could put it in a frame and display the finished artwork. Mandala coloring book for kids ages 5-9 This coloring book for kids ages 5-9 years is full of easy and more advanced geometric, animal and flower mandala designs for everyday coloring. It includes 31 unique mandalas with thick lines. The illustrations are presented in the order of complexity. Each mandala is printed on one side only. The back of each mandala page is black. Good for coloring with colored pencils, crayons, gel pens, fine liners. For coloring with water and alcohol based markers we would recommend use additional protective layer below current working page to avoid bleed-through. The coloring book begins with very simple designs for kids ages 5-6 years, and mandalas complexity gradually increases. We have included in this book geometric mandalas with simple shapes, mandalas with flowers and foliage, animal mandalas with cute hedgehog, squirrels, sea shells, fishes, hummingbird and butterflies. This book provides hours of joyful coloring for your children, developing creativity skills, artistry, aesthetic vision and fine motor skills. Let your child's imagination run wild! Yet this book can be perfect for adults who prefer to color more calmly and leisurely, and want something less intricacy and detailed. Unleash your inner kid! I look forward to your feedback, let me know what you would like to see in forthcoming books! Thank you for choosing this book! Enjoy!!! So, what is a mandala basically? A Mandala is basically a Sanskrit word that loosely translates to mean "circle" or "center". Most of the time we associate the word that is mandala with the circular designs that have repeating colors, shapes, and some sort of patterns that always radiate from the center of the design. Mandalas can be quite precise, carefully measured to look visually appealing, geometric, and perfectly symmetrical, or in contrast, free-flowing, organic-looking, and asymmetrical. These mandalas are often drawn in circles but they can also be drawn in squares. This coloring book contains several beautiful illustrations of mandalas that are both visually appealing and fun for kids to color and have fun with their friends or do it alone for several hours at a time.
