

Manning: A Father, His Sons And A Football Legacy

The story of the first Illeniel wizard continues. Tyrion's life among the She'Har had become quiet, but the sins of his youth have returned to haunt him. The Mordan wardens have discovered one of his children, and the other groves are racing to find and claim the rest of his illegitimate offspring. Unable to stand by and watch as his children are used as pawns against one another, Tyrion makes a hard choice, one that will set him against everyone and everything he cares for. Others' love had made his children strong, but his hate would make them powerful.

Tracing the footsteps of Ernest C. Manning, premier of Alberta for 25 years, and his son, Preston Manning, this book explores the lives of these two Canadian political figures, focusing on their similarities and differences. The volume reveals how both Ernest and Preston Manning were shaped by—and shaped—Alberta's "Bible belts."

Legendary football coach and Super Bowl champion with the Denver Broncos, Wade Phillips, recalls his life in football and memories of his father, NFL head coach Bum Phillips, in a book perfect for a Father's Day gift. "Having played for and against Wade Phillips, the first word that comes to my mind is respect. SON OF BUM is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family."—Peyton Manning In his memoir Son of Bum, decorated NFL coach Wade Phillips shows that the roots of his knowledge come from his father, Bum Phillips. A beloved character in NFL history, Bum taught Wade from the beginning that "coaching isn't bitching," as well as how to have perspective on the game during tough times. These are lessons that apply both on the field and off, and Wade has passed this wisdom down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players to be winners on and off the field. And though his defensive concepts are revolutionary, he would say they begin with common sense. Son of Bum is more than one man's memoir—it's a story of family and football and a father who inspired his son.

In his gripping debut novel, acclaimed picture book author John Coy presents the high stakes world of high school football, where doing what it takes to win doesn't always mean doing the right thing. When Miles Manning, a successful high school football player, discovers his teammates are using steroids—and one of them is his best friend—he's faced with a tough decision: Is he willing to do what it takes to win? Football is his life, and his family, especially his dad, is pinning its hopes on him. It's a lot of pressure for a high school junior to bear. This gripping look into the world of high school boys and athletes—and their struggle to be the best—is provocative and searingly honest.

A Father, His Sons and a Football Legacy

The Silent Tempest

Lessons My Dad Taught Me About Football and Life

My First Coach

Manning Up

The Blizzard Party

From the New York Times bestselling author of Brady vs. Manning and dean of football writers - a book that explores the many interesting facets to NFL quarterbacks and their relationships with their fathers. Tom Brady's father is an estate planner. Jim Harbaugh's father had a long career as a college coach. Archie Manning played fourteen years in the NFL and never made the playoffs, but his sons Peyton and Eli won a combined four Super Bowls. Joe Montana is considered by many to be the greatest quarterback of all time, but his two sons bounced around college football with limited success. Jameis Winston's father supported his family working overnight highway construction in Alabama. Derek Carr's father moved the family to Houston after Derek's older brother, David, was drafted by the Texans. MY FIRST COACH goes behind the scenes to explore the unique relationship between these and other quarterbacks and their fathers, as well as investigate various approaches to parenting through their stories. Can young athletes overcome helicopter parents? How did the kids with NFL aspirations deal with their fathers who'd already made it? What kind of pressure did they have to overcome? What kind of pressure did the father who succeeded put on his son to be an athlete? Would the expectations be lower and the results greater if the father was an attorney or doctor? Was it better for the fathers to be overbearing, or borderline disinterested? MY FIRST COACH tells the compelling, real-life stories of some of the country's most famous quarterbacks and how they took advantage of or overcame their relationships with their fathers.

Wonderwise books bridge the gap between stories and facts, perfect for building children's love of learning and reading.

A dual biography of two coaching legends -- Bear Bryant and Nick Saban -- who built the Alabama Crimson Tide into a true football dynasty. Both Bear Bryant and Nick Saban are undeniable kings of college football, two coaches at Alabama who have each won more national championships-six apiece-than anyone else in the history of the game. Chasing the Bear examines how they did it, revealing along the way their similarities in style, background, football philosophy, and recruiting methods, while providing readers a rare inside look at two of the greatest leaders in the history of sports. Bear Bryant and Nick Saban never met, but they have more in common than either of them realize. Both grew up in small towns-Bryant in Moro Bottom, Arkansas, a dot on the map, and Saban from Monongah, West Virginia, population five hundred. As a child, Saban pumped gas at his father's service station, washing and waxing cars and doing anything he could to help the business. Bryant's father suffered from multiple physical ailments, which forced Bryant to work to keep the family farm going. Both men knew the value of hard work from the time they were young boys, and both understood that there were no shortcuts to success. But both dreamed of escaping their hometowns, and both used football as the means to do so. Separated by two generations, Bear Bryant and Nick Saban are mythic figures linked by a school, a town, and a barroom debate centering on one question: Which is the greatest college coach of all time?

It's impossible to overstate Peyton Manning's football legacy. He holds every major record for an NFL quarterback, including most career touchdown passes, most touchdown passes in a single season, most passing yards in a single season, and most games with a perfect passer rating. On February 7, 2016, he capped his already incredible list of accomplishments by becoming the oldest quarterback to win a Super Bowl at the age of thirty-nine. Through words and images, this book commemorates the career of one of the greatest quarterbacks ever to play professional football. Jim Saccomano and Craig Kelley trace Peyton Manning's

legendary career from his early years as a high school star in New Orleans to his standout seasons at the University of Tennessee. The authors chronicle Manning's selection as the number one pick in the 1998 draft by the Indianapolis Colts, his stellar seasons with the blue and white, his MVP performance in the Colts' Super Bowl XLI victory, and his record-setting years with the Denver Broncos, which culminated in his second championship in Super Bowl 50. The authors celebrate Manning's career in a fully illustrated scrapbook-style album with passionate and vivid prose, supreme photographic images and memorabilia, call-out quotes, and dozens of personal anecdotes and recollections about Manning from prominent members of the NFL community. This unique collection captures the magic of Manning's career, making it an essential addition to every football fan's library and a fitting tribute to one of the game's greatest players. This book is a trip through the years of Manning's career as a quarterback who defined the game and his era.

Like Father, Like Son

The Last Rodeo

From the #1 New York Times best-selling author of Travel Team, Heat and Million Dollar Throw comes a cheer-worthy, family-friendly novel about 14-year-old Jake Cullen, who lives in the shadows of his father and older brother until he becomes the starting quarterback for the high school football team and finally gets his chance to shine.

Is an impostor robbing you of God's love? We've bought into the lie that we are worthy of God's love only when our lives are going well. If our families are happy or our jobs are meaningful, life is a success. But when life begins to fall through the cracks and embarrassing sins threaten to reveal our less-than-perfect identity, we scramble to keep up a good front to present to the world—and to God. We hide until we can rearrange the mask of perfection. Sadly, it is then that we wonder why we lack intimate relationships and a passionate faith. All this time God is calling us to take the mask off and come openly to Him. He longs for us to know in the depth of our beings that He loves us and accepts us as we are. When we are our true selves, we can finally claim our identity as God's child—Abba's child—and experience His pure pleasure in who we are. Brennan Manning encourages us to let go of the impostor lifestyle and freely accept our belovedness as a child of the heavenly Father. In Him there is life.

On March 12, 1926, the doors of the Savoy Ballroom swung open in Harlem. It was a night to remember, when blacks and whites, rich and poor, all came together to dance! This inspiring story of the world-famous dancing palace and home of the Lindy Hoppers is told from a father to his son, Happy Feet. It's Happy Feet's favorite story--after all, he was born on the very night the Savoy opened. And he hopes that one day he'll make his own dancing debut at the legendary ballroom . . . because with a lot of hard work and a little Savoy magic, anything is possible. Includes an author's note with biographies of Swing-Era dancers.

No other family has conquered football like the Mannings. Discover their amazing story in this biography that includes stats and the achievements of the Mannings, on and off the football field. It all started with the dad, Archie, a former pro quarterback who taught his sons Peyton and Eli to play football. Now, the brothers have a legacy of their own as pro quarterbacks, starting with two stunning Super Bowl wins. This exciting Matt Christopher biography gives readers the story behind this famous football family, as well as thrilling recaps of some of the most awesome games in NFL history.

A Novel

During a trip to visit both sets of grandparents in Mississippi, brothers Eli, Cooper, and Peyton, and their father, former NFL star Archie Manning, take advantage of every opportunity to play football, practice plays, or play sports trivia games.

Describes the life and career of Peyton Manning, quarterback for the Indianapolis Colts, who was named Super Bowl MVP in 2007.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

The Furious Longing of God

The Savoy Ballroom Lindy Hoppers and Me

The Daughter In Law

Peyton Manning

Them Before Us has flipped the script on adult-centric attitudes toward marriage, parenthood, and reproductive technologies by framing these issues around a child's right to be raised by both their mother and father. Set against a backdrop of sound research, the compelling stories throughout each chapter confirm that a child's mental, physical, and emotional well-being depends on being loved by the two people responsible for their existence. It's a paradigm shift that will impact the personal and the political, and reframe every marriage and family conversation across the globe. **Them Before Us** dispels many prevalent, harmful myths concerning children's rights, such as: • Kids need only love and safety—moms and dads are optional. • Love makes a family—biology is irrelevant. • Marriage is about adults—it has nothing to do with kids. • Children are resilient and will “get over” divorce. • Studies show “no difference” in outcomes for kids with same-sex parents. • Sperm and egg donor kids are fortunate because they are so wanted. • Surrogacy is a great way to help wannabe parents have a baby. • Reproductive technologies are just like adoption. Are you tired of a culture that views adults as victims in family matters, when it's clear that kids are the ones who truly pay the price? If so, we are your people, and this is your movement.

As a boy, Mick Manning listened to his father's hair-raising tales about life as an RAF airgunner during the Second World War. Now, years later, he has carefully recreated his father's stories, writing them down as if his dad was speaking the words. In collaboration with Brita, he has illustrated them too. It's for Charlie's grandchildren ? and for everyone. Find out what it was really like to: Put up with food rationing ? Undergo RAF Training? Take off in a bomber? Face enemy fighters? Survive the Battle of the Bulge

Traces the decade-long recovery of a September 11 survivor who suffered burns on over eighty percent of her body, describing her experience during the attacks and how she changed to renew her commitments to life and her loved ones.

The story of America's most sacred and carefully constructed football dynasty is revealed in this unflinching family portrait. For generations, American athletes have enjoyed the ever-escalating celebrity lavished upon them when they combine on-the-field talent with off-the field charisma, but never before have we seen as transformative a sports dynasty as the Mannings: a bloodline of strong arms, Southern values, and savvy business instincts—each man compelling in his own right, made whole by family. But how, in just fifty years, did this private trio achieve football immortality? A gripping and definitive account, *In the Name of the Father* traces Archie, Peyton, and Eli's roots from red-clay Mississippi to the bright lights of the Super Bowl to reveal the truth of their grit and dedication, their inherent ability, and the drama they endured behind closed doors. As New York Times Notable biographer Mark Ribowsky meticulously chronicles, the road to football stardom was not paved smoothly for patriarch Archie. The most celebrated and beloved athlete to emerge from tiny Drew, Mississippi, Archie lost his father to suicide during his heyday at Ole Miss. Then, despite his playing through the pain, a string of surgeries prematurely ended a storied NFL career, most memorably spent with the New Orleans Saints. Similar savior-like expectations were passed to Archie's eldest, Cooper, the most gifted of his brood, but the shocking discovery of a spinal condition prevented Cooper from ever playing a single snap of college ball. Luckily, Archie had been raising all three of his sons to love the gridiron, throwing deep balls to them off the front porch, and there were two more heir apparents in the wings. Raised watching dusty old game films in the family den, Peyton was swiftly hailed as a generational talent, his record-breaking tenure at Tennessee paving a clear path to the NFL. Winning Super Bowls with both the Indianapolis Colts and the Denver Broncos, he was able to overcome a debilitating neck injury—after barely being able to hold a football—to eclipse Archie in football success. It was Peyton who would first pair his football cachet with capitalism, selecting commercials and appearances to show off his humor and expand the now-ubiquitous Manning brand into mainstream popular culture. And finally there was quiet Eli, with an arm and a career to match his big brother's but a reserved and enigmatic affect all his own. The good-boy who followed his father to Ole Miss, Eli entered the NFL even more carefully managed than his brother was, forcing a trade when the lackluster San Diego Chargers selected him with the first pick in the draft. Even with two dramatic Super Bowl wins with the New York Giants, Eli's lows have been catastrophic, and he has never been quite the media darling his brother is. But even as their football careers wind down, the power of the Manning name only grows. Drawing on new interviews and research, Ribowsky reveals a family of transcendent talent and intense loyalty dedicated to maintaining an all-American façade that has, on occasion, shown cracks. From the family's past steeped in problematic parts of Southern identity, to locker-room scandal turned lawsuit, to flashes of fraternal jealousy, Ribowsky leaves no stone unturned. Rich in gridiron dramatics and familial intrigue, *In the Name of the Father* is a quintessentially American saga of a multifaceted lineage that has forever changed the game.

In the Name of the Father: Family, Football, and the Manning Dynasty

A Season with Mom

How the Rise of Women Has Turned Men into Boys

"An eloquent, honest tribute to a sports genius." —Publishers Weekly, Best 100 Books of 2013 As the coach during professional football's most storied era, Tom Landry transformed the gridiron from a no-holds-barred battlefield to the highly-technical chess match it is today. With his trademark fedora and stoic facade, he was a man of faith and few words, for twenty-nine years guiding "America's Team" from laughingstock to well-oiled machine, with an unprecedented twenty consecutive winning seasons and two Super Bowl titles. Now, more than a decade after Landry's death, acclaimed biographer Mark Ribowsky takes a fresh look at this misunderstood legend, telling us as much about our country's obsession with football as about Landry himself, the likes of whom we'll never see again.

This powerfully intimate, plain-spoken memoir about fathers and sons, fortitude, and football from the face and voice of college football—Kirk Herbstreit—is not just "a window into the game, but also a peek into what makes him special: his heart" (David Shaw, head coach, Stanford University). Kirk Herbstreit is a reflection of the sport he loves, a reflection of his football-crazed home state of Ohio, where he was a high school star and Ohio State captain, and a reflection of another Ohio State football captain thirty-two years earlier: his dad Jim, who battled Alzheimer's disease until his death in 2016. In *Out of the Pocket*, Herbstreit does what his father did for him: takes you inside the locker rooms, to the practice fields, to the meeting rooms, to the stadiums. Herbstreit describes how a combination of hard work, perseverance, and a little luck landed him on the set of ESPN's iconic *College GameDay* show, surrounded by tens of thousands of fans who treat their Saturdays like a football Mardi Gras. He takes you into the television production meetings, on to the *GameDay* set, and into the broadcast booth. You'll live his life during a football season, see the things he sees, experience every chaotic twist and turn as the year unfolds. Not to mention the relationships he's established and the insights he's learned from the likes of coaches and players such as Nick Saban, Tim Tebow, Dabo Swinney, and Peyton Manning, as well as his colleagues, including Chris Fowler, Rece Davis, and his "second dad," the beloved Coach Lee Corso. Yes, Kirk Herbstreit is the undeniable face and voice of college football—but he's also a survivor. He's the quiet kid who withstood the collapse of his parents' marriage. The boy who endured too many overbearing stepdads and stepmoms. The painfully shy student who always chose the last desk in the last row of the classroom. The young man who persevered through a frustrating Ohio State playing career. The new college graduate who turned down a lucrative sales job after college to pursue a "no way you'll make it" dream career in broadcasting. Inspiring and powerful, *Out of the Pocket* "proves the importance of perseverance and family" (Peyton Manning).

The inspiring personal story of a family, an athletic tradition, and fifty years of a great all-American game.

"Exquisitely written and richly detailed, *My Notorious Life* is a marvel. Kate Manning's rags-to-riches Dickensian saga brings to vivid life the world of nineteenth-century New York City, in all its pitiful squalor and glittering opulence. I loved this novel." —Christina Baker Kline, *New York Times* bestselling author of *Orphan Train* A brilliant rendering of a scandalous historical figure, Kate Manning's *My Notorious Life* is an ambitious, thrilling novel introducing Axie Muldoon, a fiery heroine for the ages. Axie's story begins on the streets of 1860s New York. The impoverished child of Irish immigrants, she grows up to become one of the wealthiest and most controversial women of her day. In vivid prose, Axie recounts how she is forcibly separated from her mother and siblings, apprenticed to a doctor, and how she and her husband parlay the sale of a few bottles of "Lunar Tablets for Female Complaint" into a thriving midwifery business. Flouting convention and defying the law in the name of women's reproductive rights, Axie rises from grim tenement rooms to the splendor of a mansion on Fifth Avenue, amassing wealth while learning over and over never to trust a man who says "trust me." When her services attract outraged headlines, Axie finds herself on a collision course with a crusading official—Anthony Comstock, founder of the Society for the Suppression of Vice. It will take all of Axie's cunning and power to outwit him in the fight to preserve her freedom and everything she holds dear. Inspired by the true history of an infamous female physician who was once called "the Wickedest Woman in New York," *My Notorious Life* is a mystery, a family saga, a love story, and an exquisitely detailed portrait of nineteenth-century America. Axie Muldoon's inimitable voice brings the past alive, and her story haunts and enlightens the present.

The Mannings

Struggling for Freedom in the Civil War

Reflections on Fatherhood from Today's Leaders, Icons, and Legendary Dads

Why We Need a Global Children's Rights Movement

The Cry of the Heart for Intimate Belonging

NEW YORK TIMES BESTSELLER • From Lars Anderson comes a revealing portrait of the first family of American sports. What the

Kennedys are to politics, the Mannings are to football. Two generations have produced three NFL superstars: Archie Manning, the Ole Miss hero-turned-New Orleans Saint; his son Peyton, widely considered one of the greatest quarterbacks ever to play the game; and Peyton's younger brother, Eli, who won two Super Bowl rings of his own. And the oldest Manning child, Cooper—who was forced to quit playing sports after he was diagnosed at age eighteen with a rare spinal condition—might have been the most talented of them all. In *The Mannings*, longtime *Sports Illustrated* writer Lars Anderson gives us, for the first time, the never-before-told story of this singular athletic dynasty—a story that shows us how finding strength in the face of catastrophe can be the key to success on and off the playing field. Growing up, the three Manning brothers dream of playing side by side on the gridiron at Ole Miss. But with Cooper forced to the bench before his prime, Peyton must fight to win glory for them both. Meanwhile, Eli is challenged by his college coach to stop trailing in the footsteps of others and forge his own path. With Archie's achievements looming over them, the brothers begin the climb to football history. From the Manning family backyard to the bright lights of Super Bowl 50, *The Mannings* is an epic, inspiring saga of a family of tenacious competitors who have transfixed a nation. Praise for *The Mannings* “Anderson, an accomplished storyteller, writes about the Manning football legacy—warts and all—with style and verve, backed by an abundance of research and scholarship.”—Publishers Weekly “An expertly written impressionistic account of the first family of football.”—Library Journal “This is one of the most beautifully written and memorable books I've read in years—stunningly spectacular. I couldn't put it down. Once again, Lars Anderson has shown why he is one of the seminal sportswriters of this generation. *The Mannings* is an absolute masterpiece.”—Paul Finebaum, ESPN college football analyst and New York Times bestselling author of *My Conference Can Beat Your Conference* “Lars Anderson drills to the core of the Manning family. I love this book because it's not just about football; it's about how to raise a family.”—Bruce Arians, head coach of the Arizona Cardinals “Anderson's yarn never wobbles. . . . A winner for fans of modern football.”—Kirkus Reviews “Anyone who has paid attention to the NFL over the last five decades understands the significance of the Mannings. They are to America's best-loved game what the Holbeins are to portraiture, what the Bachs are to classical music, what the Kardashians are to mindless reality television, an unsurpassed dynasty. In *The Mannings*, Lars Anderson delivers an incisive, honest, and thorough chronicle of the first family of football.”—Jeremy Schaap, New York Times bestselling author of *Triumph: The Untold Story of Jesse Owens and Hitler's Olympics* Even before shots were fired at Fort Sumter, slaves recognized that their bondage was at the root of the war, and they began running to the Union army. By the war's end, nearly half a million had taken refuge behind Union lines in improvised “contraband camps”. These were crowded and dangerous places, with conditions approaching those of a humanitarian crisis, yet families and individuals took unimaginable risks to reach them, and they became the first places where many Northerners would come to know former slaves en masse. Drawing on records of the Union and Confederate armies, the letters and diaries of soldiers, transcribed testimonies of former slaves, and more, Manning sweeps us along, from the contraband camps, sharing insight and stories of individuals and armies on the move, to debates in the halls of Congress. The alliances between former slaves and Union soldiers which were warily begun in the contraband camps would forge a dramatically new but highly imperfect alliance between the government and the African Americans. That alliance would outlast the war, and help destroy slavery and ward off the very acute and surprisingly tenacious danger of re-enslavement. It also raised, for the first time, humanitarian questions about refugees in wartime and legal questions about civil and military authority with which we still wrestle, as well as redefined American citizenship, to the benefit but also to the lasting cost of African Americans. --

Jack is at the top of his game. He's a senior running back on the football team, dominating every opponent in his way. To everyone else, Jack is totally in control. In reality, he struggles with an eating disorder that controls every aspect of his daily life. When Jack starts using steroids, he feels invincible, but will the steroids help him win the big game, or will he lose everything he's ever worked for?

A panoramic novel set in New York City during the catastrophic blizzard of February 1978 On the night of February 6, 1978, an overwhelming nor'easter struck the city of New York. On that night, on the Upper West Side of Manhattan, in a penthouse apartment of the stately Apelles, a crowd gathered for a grand party. And on that night Mr. Albert Haynes Caldwell—a partner emeritus at Swank, Brady & Plescher; Harvard class of '26; father of three; widower; atheist; and fiscal conservative—hatched a plan to fake a

medical emergency and toss himself into the Hudson River, where he would drown. Jack Livings's The Blizzard Party is the story of that night.

Tail-End Charlie

A Biography

A Book about the Earth Beneath Us

The Last Cowboy: A Life of Tom Landry

Abba's Child

Son of Bum

A young princess' guardian angel offers to give her anything she could imagine and she takes him up on his offer.

A heartwarming and enlightening collection of advice, wisdom, and practical skills featuring an all-star cast of fathers from the popular online community Life of Dad.

Becoming a dad gives men a VIP pass into the greatest club on earth: fatherhood. Its rewards are unmatched, its challenges, uncharted. The experience can reach euphoric highs and gut-punching lows. For those moments (and everything in between), The Life of Dad has your back. The Life of Dad is an all-encompassing, entertaining distillation of the full dad experience, through a collection of interviews, podcasts, online chats, Facebook Lives, and more, dispensing collective wisdom from dads who have been in the trenches. From Shaquille O'Neal explaining how he's taught his kids to be grateful, or Michael Strahan highlighting the importance of accountability, or Jim Gaffigan discussing the challenges of having a house full of kids, The Life of Dad has it all. Including thoughts from Ice Cube, Henry Winkler, Chris Jericho, Denis Leary, Freddie Prinze Jr, Charles Tillman, Mark Feuerstein, and many, many more, you'll find plenty of camaraderie in the hardest—but most rewarding—job of your life!

This endearing story is about a mother and her two sons, who must say goodbye to the father when he leaves on a military mission. The brothers, Cory and Kyler, continue their lives, uncertain when their father will return home. One night their guardian angel appears and says, "I know how you're feeling, but you must have faith and keep on believing. Even when you think you're all on your own, remember and know you're not alone." The boys listen to their angel and accept things the way they are, finding ways to be happy. Even though things aren't how they want them to be, they have faith their father will be able to come home. The question is, "When?"

Peyton Manning is America's quarterback. And America loves a great comeback story. Less than two years after Manning was fired from the Indianapolis Colts, he led the Denver Broncos to the Super Bowl and won pro football's Most Valuable Player award for the fifth time. In 2013, Manning broke the league record for touchdown passes in a single season, despite a body weakened by multiple neck surgeries that threatened to end his career. Manning did it against all odds, in a manner inspirational to any football fan—or anybody who has ever lost a job and been forced to start over. Peyton Manning: The Last Rodeo follows Manning's remarkable season with the Broncos on a wild ride to the championship game. Through it all, from the suspension of a star teammate to the heart ailment of his head coach, Manning carried the Broncos and reminded us why he is one of America's most beloved role models.

Love, Loss, and the Ultimate Baseball Adventure

The Life of Dad

Frankie Manning

The Road

Happy Feet

On the Field with...Peyton and Eli Manning

In Manning Up, Manhattan Institute fellow and City Journal contributing editor Kay Hymowitz argues that the gains of the feminist revolution have had a dramatic, unanticipated effect on the current generation of young men. Traditional roles of family man and provider have been turned upside down as "pre-adult" men, stuck between adolescence and "real" adulthood, find themselves lost in a world where women make more money, are more educated, and are less likely to want to settle down and build a family. Their old scripts are gone, and young men find themselves adrift. Unlike women, they have no biological clock telling them it's time to grow up. Hymowitz argues that it's time for these young men to "man up."

Whether you've put your dreams on hold, recovering from your own illness or lost someone you care about, discover how to jumpstart your next amazing season in life through this heartfelt, relatable memoir. After surviving both Hodgkin's lymphoma and melanoma, sports enthusiast Katie Russell Newland knows the struggles of overcoming challenges both on and off the field. This book offers readers an intimate, true story about the bond shared between a mother and daughter, a road trip to all 30 Major League Baseball (MLB) parks, and the importance of relishing every joy and struggle along the way. A Season with Mom is highly recommended for: mothers and daughters cancer survivors baseball and sports fans of all ages anyone who has experienced loss, and maybe found love along the way Join Katie as she travels more than 30,000 miles to all 30 MLB parks in a single season, a rare feat covered by ESPN. Along with black-and-white photographs, Katie shares letters written to her mom, who died of cancer before the two of them could go on this adventure of a lifetime together. A Season with Mom reminds readers that in life, as in baseball, sometimes you strike out, but sometimes you hit home runs. Even if

the wait is longer than you'd hoped, dreams can come true.

In the early days of swing dancing, Frankie Manning stood out for his moves and his innovative routines; he created the "air step" in the Lindy hop, a dance that took the U.S. and then the world by storm. In this fascinating autobiography, choreographer and Tony Award winner (Black and Blue) Frankie Manning recalls how his first years of dancing as a teenager at Harlem's Savoy Ballroom led to his becoming chief choreographer and a lead dancer for "Whitey's Lindy Hoppers," a group that appeared on Broadway, in Hollywood musicals, and on stages around the globe. Manning brings the Swing Era vividly back to life with his recollections of crowded ballrooms and of Lindy hoppers trying to outdo each other in spectacular performances. His memories of the many headliners and film stars, as well as uncelebrated dancers with whom he shared the stage, create a unique portrait of an era in which African American performers enjoyed the spotlight, if not a star's prerogatives and salary. With collaborator Cynthia Millman, Manning traces the evolution of swing dancing from its early days in Harlem through the post-World War II period, until it was eclipsed by rock 'n' roll and then disco. When swing made a comeback, Manning's 30-year hiatus ended. He has been performing, choreographing, and teaching ever since.

Imagine a stormy day at sea, your ship yielding to a relentless wind, pummeled by crashing waves, subject to the awesome force of nature. A force that is both fierce and majestic. A power that is nothing short of furious. Such is God's intense, consuming love for His children. It's a love that knows no limits, and no boundaries. A love that will go to any lengths, and take any risks, to pursue us. Renowned author and ragamuffin Brennan Manning presents a love story for the brokenhearted. For those who are burdened by heavy religion. For those who feel they can never measure up. It is a provocative and poignant look at the radical, no-holds-barred love of our Heavenly Father. It is a message that will forever change how you view God.

A Ragamuffin Story

Unmeasured Strength

From the inspirational author of *The Ragamuffin Gospel* comes a powerful contemporary retelling of the Parable of the Prodigal Son. Jack Chisholm is "the people's pastor." He leads a devoted and growing megachurch, has several best-selling books, and a memorable slogan, "We have got to do better." Jack knows how to preach, and he understands how to chastise people into performing. What he doesn't know is anything about grace. This year, when it comes time for the Christmas sermon, the congregation at Grace Cathedral will look to the pulpit, and Jack will not be there. Of course, they will have seen plenty of him already—on the news. After an evening of debauchery that leads to an affair with his beautiful assistant, Jack Chisholm finds himself deserted with chilling swiftness. The church elders remove him from his own pulpit. His publisher withholds the royalties from his books. Worst of all, his wife disappears with their eight-year-old daughter. But just as Jack is hitting bottom, hopeless and penniless, drinking his way to oblivion, who should appear but his long-estranged father, imploring his prodigal son: "Come home." A true companion piece to *The Ragamuffin Gospel*, *The Prodigal* illustrates the power of grace through the story of a broken man who finally saw Jesus not because he preached his greatest sermon or wrote his most powerful book, but because he failed miserably. Jack Chisholm lost everything—his church, his family, his respect, and his old way of believing—but he found grace. It's the same grace that Brennan Manning devoted his life to sharing: profound in nature and coming from a God who loves us just as we are, and not as we should be. "A wonderfully written story that is as entertaining as it is thought provoking." —Publishers Weekly, starred review ". . . the consummate final tale. What they have created is the Ragamuffin at his best, full of hope, full of love, and finally, full of belief in the goodness of God." —Phyllis Tickle, founding editor, Religion Department, Publishers Weekly "Brennan Manning's last work continues the powerful message of grace and forgiveness that has transformed so many lives. *The Prodigal* will transform you too." —Mark Batterson, New York Times best-selling author of *The Circle Maker*

Discover The Inspirational Story of Football Superstar Peyton Manning! Read on your PC, Mac, smart phone, tablet or Kindle device! You're about to discover the incredibly inspirational story of football superstar Peyton Manning. If you're reading this then you must be a Peyton Manning fan, like so many others. As a fan, you must wonder how this man is so talented and want to know more about him. Peyton Manning is considered as one of the greatest football players in the world and it's been an honor to be able to watch him play throughout his career. 'Compelling and claustrophobic, Nina is an exciting new voice and definitely one to watch' Phoebe Morgan, author of *The Girl Next Door* 'Chilling and creepy. An atmospheric

and addictive debut.' Diane Jeffrey, author of The Guilty Mother No one is good enough for her son... As a single mother, Annie has an especially close relationship with her son, Ben. They have always been together. Just the two of them. So, when Ben brings home his mysterious beautiful new wife, Daisy, immediately Annie doesn't trust her. Who is this woman who has taken her son away from her? And what is she hiding? She'll protect him with her life... When Ben disappears, suddenly Annie and Daisy are all the other one has. Alone in Annie's big, remote house, just the two of them, the tension is rising. And like any protective mother, Annie will stop at nothing to expose her new daughter in law, and the secrets she is hiding... A gripping, psychological page-turner, perfect for fans of Sally Hepworth's The Mother In Law, Lisa Jewell and K.L. Slater. 'Totally addictive. I couldn't put it down!' Darren O'Sullivan, author of Closer Than You Think 'A claustrophobic, nail-biting thriller that draws you in and doesn't let go.' Naomi Joy, author of The Liars 'Clever, emotionally draining and totally gripping. I absolutely loved this book!' D E White, author of Remember Me What readers are saying about The Daughter In Law: 'I give this book 5 Wows!' 'Absolutely fantastic had me gripped!!! Loved it! Can't wait for more from this author.' '5 stars! What a great book!' 'This did not disappoint. Lots of twists and turns and I loved the ending. Cannot wait to read more from this author.' 'There is quite a few twists in this story but the biggest twist is the one at the end and I didn't have a clue.' 'A ridiculously good book. I loved every single page and couldn't put it down.' 'Fantastic, creepy, dark and chilling.' 'This book was excellent!' Fast paced, with twists and some turns you can see coming this is the perfect beach read.' 'A page turner that I couldn't put down!!!' 'I couldn't put it down'
