

March: Book Two

The story of Congressman John Lewis, earliest days as a young man is at the center of the new graphic novel March Book One. Like the calm at the eye of a hurricane, a whirlwind of stories, people, violence, and history changing action spins around the heart, mind, and soul of the man at its center.

New York Times bestselling author Meghan March continues the utterly addictive Legend Trilogy in House of Scarlett. Gabriel Legend is unlike any other man I've ever met. He came into my life like a hurricane, shattering all my assumptions and preconceived notions. I wasn't prepared for him. I wasn't prepared for any of it. But life doesn't wait until you're ready. Whatever happens next, I know one thing for certain. I will never be the same Scarlett I was before I met him. House of Scarlett is the second book in the Legend Trilogy and should be read after The Fall of Legend, book one in the utterly addictive Legend Trilogy.

---WINNER OF THE 2009 EISNER AWARD FOR BEST NEW GRAPHIC NOVEL ---NOMINATED FOR THREE 2009 EISNER AWARDS INCLUDING BEST GN & BEST CARTOONIST!---WINNER OF THE 2008 IGNATZ AWARD FOR "OUTSTANDING DEBUT!" --ONE OF YALSA'S "GREAT GRAPHIC NOVELS FOR TEENS!" --FINALIST FOR THE LA TIMES BOOK PRIZE!

---Swallow Me Whole is the first graphic novel since 1992's Maus to be nominated for its prize in any category. --WINNER OF THE 2009 IGNATZ AWARD FOR "OUTSTANDING ARTIST!" "Nate Powell's Swallow Me Whole, a disturbed, haunting book, is impossible to describe... It's not an easy book, but its dark brilliance marks its creator as a writer-artist of genius."--Neel Mukherjee, The Times (UK) "Scaldingly dark... Powell's flowing, impressionistic artwork, with its ravenson expanses of negative space, swirls the reader's perspective through his characters' perceptions and back out again."--Douglas Wolk, The New York Times "Honest and lovingly portrayed. Every word in this graphic novel is carefully chosen, dialogue is realistic, and background "noise" masterfully done.

Powell's detailed pen-and-ink drawings are well executed with lettering and images so brilliantly intertwined that they are one and the same."--Lara McAllister, School Library Journal "Darkly sublime."--Booklist "His layouts, his touch with shadow and darkness, the way he brings you close enough to Ruth that you can watch her sleep without disturbing her dreams, all that stuff is amazing. ... Nate Powell can do it all. In his hands, even the high-school parking lots and the booths at the local diner are equal parts eerie and foreboding."--Steve Davin, The Oregonian "Swallow Me Whole" achieves some stunning effects with the art and the lettering. ... Powell has a look half way between Charles Burns and Craig Thompson, and at times, Swallow Me Whole enters that rarified sphere of art comics where the page design alone achieves the mood and meaning that that the artist is shooting for... Swallow Me Whole captures the desperation of the clinically obsessed, and how from the right angle, it can look like genius."--The AV Club "Both provocative and thoughtful! ... not since Robert Altman's Images has a medium so perfectly conveyed the experience of schizophrenia ... It's the best graphic novel since Craig Thompson's Blankets."--Chris DeVito, CD Syndicated Swallow Me Whole is a love story carried by rolling fog, terminal illness, hallucination, insect armies, secrets held, unshakable faith, and the search for a master pattern to make sense of one's unraveling. In his most ambitious book to date, Nate Powell quietly explores the dark corners of adolescence -- not the cliché melodramatic outbursts of rebellion, but the countless tiny moments of madness, the vague relief of medication, and mixed feelings of family ties. As the story unfolds, two stepsiblings hold together amidst schizophrenia, obsessive compulsive disorder, family breakdown, animal behavior, misguided love, and the tiniest hope that everything will someday make sense. Deliberately paced,

delicately drawn, and drenched in shadows, Swallow Me Whole is a landmark achievement for Nate Powell and a superb short story that will haunt readers long after its final pages.

The classic story by E. B. White, author of the Newbery Honor Book Charlotte's Web and The Trumpet of the Swan, about one small mouse on a very big adventure. Now available as an ebook! Illustrations in this book appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure. Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures far from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? Stuart Little joins E. B. White favorites Charlotte's Web and The Trumpet of the Swan as classic illustrated novels that continue to speak to today's readers. Whether you curl up with your young reader to share these books or hand them off for independent reading, you are helping to create what are likely to be all-time favorite reading memories.

March: Book One

Book One of the Spark City Cycle (Large Print)

Midas

When a meteorite lands in Surrey, the locals don't know what to make of it. But as Martians emerge and begin killing bystanders, it quickly becomes clear—England is under attack. Armed soldiers converge on the scene to ward off the invaders, but meanwhile, more Martian cylinders land on Earth, bringing reinforcements. As war breaks out across England, the locals must fight for their lives, but life on Earth will never be the same. This is an unabridged version of one of the first fictional accounts of extraterrestrial invasion. H. G. Wells's military science fiction novel was first published in book form in 1898, and is considered a classic of English literature.

From New York Times, Wall Street Journal, and USA Today bestselling author Meghan March comes a sexy duet with a hero you won't want to miss. I've had my fair share of bad boys, but nothing prepared me for what it was like to be with a real good man. Logan Brantley changed everything. Somewhere along the way, what started as a fling became the best part of my life. He makes me want all the things I've never had, like forever and happily ever after, but nothing worth having comes easily. Everyone is betting on us to fail, but I'm ready to fight for this real good love. Real Good Love is the conclusion of the Real Good Duet and should be read after Real Good Man. The Dirty Billionaire Trilogy, Dirty Billionaire's Dirty Together, The Dirty Girl Duet: Dirty Girl Dirty Love The Real Dirty Duet: Real Dirty Real Sexy "Fans of Meghan March will go CRAZY over Logan Brantley! He's so damn sexy, rugged, and an all around good guy. You will fall in LOVE with him instantly!" --Shayna Renee's Spicy Reads "Loved this story by Meghan March! Don't hesitate to one click this baby!" --author Amy Daws "I'm going to keep this short and sweet. Make Meghan a one-click author now! No story will disappoint and Real Good Man is no different!" -- Beauty and Her Books "All the stars for this book! Another MUST READ!"

---Goodreads reviewer Topics: Alpha, alpha male, mechanic, alpha male mechanic, rich heroine, strong heroine, big city, New York City, NYC, long distance relationship, country boy, city girl, high society city girl, small town, small town romance, Kentucky romance, marine, soldier, country, blue collar, blue collar romance, hard working, hard working alpha, romantic comedy, opposites attract.

A bold retelling of the life of the Their Eyes Were Watching God author Peter Bagge has defied the expectations of the comics industry by changing gears from his famous slacker hero Buddy Bradley to documenting the life and times of historical 20th century trailblazers. If Bagge had not already had a New York Times bestseller with his biography of Margaret Sanger, his newest biography, Fire! The Zora Neale Hurston Story, would seem to be an unfathomable pairing of author and subject. Yet through Bagge's skilled cartooning, he turns what could be a rote biography into a bold and dazzling graphic novel, creating a story as brilliant as the life itself. Hurston challenged the norms of what was expected of an African American woman in early 20th century society. The fifth of eight kids from a Baptist family in Alabama, Hurston's writing prowess blossomed at Howard University, and then Barnard College, where she was the sole black student. She arrived in NYC at the height of the Harlem Renaissance and quickly found herself surrounded by peers such as Langston Hughes and Wallace Thurman. Hurston went on to become a noted folklorist and critically acclaimed novelist, including her most provocative work Their Eyes Were Watching God. Despite these landmark achievements, personal tragedies and shifting political winds in the midcentury rendered her almost forgotten by the end of her life. With admiration and respect, Bagge reconstructs her vivid life in resounding full-color.

Every summer the trucks roll in, bringing the carnival and its infinite possibilities to town. This year Tessa and her younger sister Lulu are un-chaperoned and want to be first in line to experience the rides, the food . . . and the boys. Except this summer, jealousy will invade their relationship for the first time, setting in motion a course of events that can only end in tragedy, putting everyone's love and friendship to the test. Alternating chapters of prose and comics are interwoven in this extraordinary novel that will break your heart and crack it wide open at the same time.

Book Two of the Spark City Cycle (Large Print)

Real Good Love

The Queen of Katwe

The War of the Worlds

Four sisters face new beginnings in this heartfelt modern take on Little Women by New York Times bestselling author Virginia Kantra. Amy March is more like her older sister Jo than she'd like to admit. An up-and-coming designer in New York's competitive fashion industry, ambitious Amy is determined to get out of her sisters' shadows and keep her distance from their North Carolina hometown. But when Jo's wedding forces Amy home, she must face what she really wants...and confront the One Big Mistake that could upend her life and forever change her relationship with Jo. Gentle, unassuming Beth grew up as the good girl of the family. A talented singer-songwriter, she's overcome her painful anxiety to tour with country superstar Colt Henderson. But life on the road has taken its toll on her health and their relationship. Maybe a break to attend her sister's wedding will get her out of her funk. But Beth realizes that what she's looking for and what she needs are two very different things... With the March women reunited, this time with growing careers and families, they must once again learn to lean on one another as they juggle the changes coming their way. DIVINE YORK TIMES BESTSELLER AND NATIONAL BOOK AWARD FINALIST A lyrical and authentic book that recounts the story of a border-town family in Brownsville, Texas in the 1980's, as each member of the family desperately tries to assimilate and escape life on the border to become "real" Americans, even at the expense of their shared family history. This is really un-mined territory in the memoir genre that gives in-depth insight into a previously unexplored corner of America!

Marooned on a barbaric world, Prince Roger MacClintock, the Royal Brat, and his Royal Marines take on barbarian hordes and fierce monsters as they make their way to a distant port that holds their only hope for escape.

Winner of the NAACP Image Award for Outstanding Literary Work/Biography. In Across That Bridge, Congressman John Lewis draws from his experience as a prominent leader of the Civil Rights Movement to offer timeless wisdom, poignant recollections, and powerful principles for anyone interested in challenging injustices and inspiring real change toward a freer, more peaceful society. The Civil Rights Movement gave rise to the protest culture we know today, and the experiences of leaders like Congressman Lewis, a close confidant to Martin Luther King, Jr., have never been more relevant. Despite more than forty arrests, physical attacks, and serious injuries, John Lewis has remained a devoted advocate of the discipline and philosophy of nonviolence. Now, in an era in which the protest culture he helped forge has resurfaced as a force for change, Lewis' insights have never been more relevant. In this heartfelt book, Lewis explores the contributions that each generation must make to achieve change.

An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

"I read Virginia's novel in one sitting and was so captured by it I knew I had to make it and play Mrs. March. As a character, she is fascinating, complex, and deeply human and I can't wait to sink my teeth into her." --Elisabeth Moss A Jenny Lawson "Fantastic Strangeling Book Club" Selection Oprah Daily • Best of the Month USA Today • Books Not to Miss Who is Mrs. March? George March's latest novel is a smash. No one could be prouder than his dutiful wife, Mrs. March, who revels in his accolades. A careful creature of routine and decorum, she lives a precariously controlled existence on the Upper East Side until one morning, when the shopkeeper of her favorite patisserie suggests that her husband's latest protagonist—a detestable character named Johanna—is based on Mrs. March herself. Clutching her ostrich leather pocketbook and mint-colored gloves, she flees the shop. What could have merited this humiliation? That one casual remark robs Mrs. March of the belief that she knew everything about her husband—and herself—thus sending her on an increasingly paranoid journey that begins within the pages of a book. While snooping in George's office, Mrs. March finds a newspaper clipping about a missing woman. Did George have anything to do with her disappearance? He's been going on a lot of "hunting trips" up north with his editor lately, leaving Mrs. March all alone at night with her tormented thoughts, and the cockroaches that have suddenly started to appear, and strange breathing noises . . . As she begins to decode her husband's secrets, her deafening anxiety and fierce determination threaten everyone in her wake—including her stoic housekeeper, Martha, and her unobtrusive son, Jonathan, whom she loves so profoundly, when she remembers to love him at all. Combining a Hitchcockian sensibility with wickedly dark humor, Virginia Feito, a brilliantly talented and, at times, mischievous newcomer, offers a razor-sharp exploration of the fragility of identity. A mesmerizing novel of psychological suspense and casebook insecurity turned full-blown neurosis, Mrs. March will have you second-guessing your own seemingly familiar reflection in the mirror.

He's lethal with a sword. She's deadly with her bow. But will it be enough in the coming war? Eroh must return to Spark City to warn of the approaching army. Growing ever stronger, the reluctant warrior and his fierce companion must elude bandits and soldiers in a mad dash against time. Across the map his father, Magnus, rallies his troops to march for the first time in two decades as he seeks to avenge his son, presumed dead. But with unrest and injustice exploding within Spark City, and their foes marching towards its gates, they may already be too late. The Spark City Cycle continues with The March of Magnums; the eagerly awaited sequel to #1 bestselling Spark City, from top fantasy author Robert J Power.

An introduction to a broad range of topics in deep learning, covering mathematical and conceptual background, deep learning techniques used in industry, and research perspectives. "Written by three experts in the field, Deep Learning is the only comprehensive book on the subject." --Eilon Musk, cochair of OpenAI; cofounder and CEO of Tesla and SpaceX Deep learning is a form of machine learning that enables computers to learn from experience and understand the world in terms of a hierarchy of concepts. Because the computer gathers knowledge from experience, there is no need for a human computer operator to formally specify all the knowledge that the computer needs. The hierarchy of concepts allows the computer to learn complicated concepts by building them out of simpler ones; a graph of these hierarchies would be many layers deep. This book introduces a broad range of topics in deep learning. The text offers mathematical and conceptual background, covering relevant concepts in linear algebra, probability theory and information theory, numerical computation, and machine learning. It describes deep learning techniques used by practitioners in industry, including deep feedforward networks, regularization, optimization algorithms, convolutional networks, sequence modeling, and practical methodology; and it surveys such applications as natural language processing, speech recognition, computer vision, online recommendation systems, bioinformatics, and videogames. Finally, the book offers research perspectives, covering such theoretical topics as linear factor models, autoencoders, representation learning, structured probabilistic models, Monte Carlo methods, the partition function, approximate inference, and deep generative models. Deep Learning can be used by undergraduate or graduate students planning careers in either industry or research, and by software engineers who want to begin using deep learning in their products or platforms. A website offers supplementary material for both readers and instructors.

How Computer Programming Is Changing Writing

#1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."--The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the child received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far. If there was still a way home. "The beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"--Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theKimm • Library Journal • LibraryReads • Book Riot • Pamela Paul, RQED • New York Public Library

RUN, the Eisner Award-Winner for Best Graphic Memoir, is one of the most heralded books of the year including being named a: New York Times Top 5 YA Books of the Year. Top 10 Great Graphic Novels for Teens (Young Adult Library Services Association) - Washington Post Best Books of the Year - Variety Best Books of the Year - School Library Journal Best Books of the Year - Kirkus Reviews Best Books of the Year - Amazon Best History Book of 2021 • Top Ten Title of the Year (in the Margins Book Award) - In the Margins Book Award for Nonfiction winner - Top Ten Graphic Novels for Adults (American Library Association) - Best Books for Young Readers (U of Penn Graduate School of Education) - Books All Year Georgians Should Read (Georgia Center for the Book) First you march, then you run. From the #1 bestselling, award-winning team behind

March comes the first book in their new, groundbreaking graphic novel series, Run: Book One. "Run recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis's story has always been a complicated narrative of bravery, loss, and redemption, and Run gives vivid, energetic voice to a chapter of transformation in his youth, already unimagined by the shaggy story. It is my hope that as generations participate in the democratic process and help build a more perfect Union here in America."--Congressman John Lewis The sequel to the #1 New York Times bestselling graphic novel series March—the continuation of the life story of John Lewis and the struggles seen across the United States after the voting rights campaign. To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate highways as an original Freedom Rider. It was after becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after leading the march from Selma to Montgomery on what became known as "Bloody Sunday." All too often, the depiction of history ends with a great victory. But John Lewis knew that victories are just the beginning. In Run: Book One, John Lewis and longtime collaborator Andrew Aydin retcan with Nate Powell—the award-winning illustrator of the March trilogy—and are joined by L. Fury—making an astonishing graphic novel debut—to tell this often overlooked chapter of civil rights history.

Now a major motion picture starring Academy Award winner Lupita Nyong'o and David Oyelowo, directed by Mira Nair. The "astounding" (The New York Times Book Review) and "inspirational" (Sheff Awareness) true story of Phiona Mutegi—a teenage chess prodigy from the slums of Uganda. One day in 2005 while searching for food, nine-year-old Ugandan Phiona Mutegi followed her brother to a dusty veranda where she met Robert Katende, a war refugee turned missionary, had an improbable romance: to empower kids in the Katwe slum through chess—a game so foreign there is no word for it in their native language. Laying a chessboard in the dirt, Robert began to teach. At first children came for a free bowl of porridge, but many grew to love the game that—like their daily lives—requires persevering against great obstacles. Of these kids, one girl stood out as an immense talent: Phiona. By the age of eleven Phiona was her country's junior champion, and at fifteen, the national champion. Now a Woman Candidate Master—the first female titled player in her country's history—Phiona dreams of becoming a Grandmaster, the most elite level in chess. But to reach that goal, she must grapple with everyday life in one of the world's most unstable countries. The Queen of Katwe is a "remarkable" (NPR) and "riveting" (New York Post) book that shows how "Phiona's story transcends the limitations of the chessboard" (Robert Hess, US Grandmaster).

Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents March, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for Swallow Me Whole). March is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, mediating in the modern age on the distance traveled since his days of nonviolence. Rooted in Lewis' personal story, it also reflects on the broader civil rights movement. Book One spans John's youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book Martin Luther King and the Montgomery Story. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

Honors and awards for this book: National Book Award Winner, Young People's Literature, 2016; #1 New York Times and Washington Post Bestseller; First graphic novel to receive a Robert F. Kennedy Book Award; Winner of the Eisner Award; A Coretta Scott King Honor Book; One of YALSA's Outstanding Books for the College Bound • One of the Top 100 Graphic Novels Every Grown-Up Should Read.

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

As the sun sets on the 1970s, the spirit of the Love Generation still lingers among the aging hippies of one "intentional community" high in the Ozarks. But what's missing? Under impossibly close scrutiny, two families wrestle with long-repressed secrets... while deep within those Arkansas hills, something monstrous stirs, ready to feast on village whispers. National Book Award-winner Nate Powell returns with a haunting tale of intimacy, guilt, and collective amnesia.

After an escape from the dungeons of the Tower of London, King MacGillis is set to take the throne. As everyone vies for the throne, King's Court is more rife than ever with its family dramas, power struggles, ambitions, jealousy, violence and betrayal. An heir must be chosen from among the children, and the ancient Dynasty Sword, the source of all their power, will have a chance to be wielded by someone new. But all this might be upended: the murder weapon is recovered, and the noose tightens on finding the assassin. Simultaneously, the MacGills face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for The Hundred, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence? And will Thor finally learn the secret of his destiny? With its sophisticated world-building and characterization, A MARCH OF KINGS is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 60,000 words. Book #3 in the series will be published soon.

The Year of the Beasts

Across That Bridge

A Memoir

Stuart Little

Kevin Knight

A stunning graphic novel adaptation of Walter Dean Myers's New York Times bestseller Monster. Monster is a multi-award-winning, provocative coming-of-age story about Steve Harmon, a teenager awaiting trial for a murder and robbery. As Steve anticipates to juvenile detention and goes to trial, he envisions how his ordeal would play out on the big screen. Guy A. Sims, the acclaimed author of the Brotherman series of comic books, collaborated with his brother, the illustrator Dawud Anyabwile, in this thrilling black-and-white graphic novel adaptation of Monster. Monster was the first-ever Michael L. Printz Award recipient, an ALA Best Book, a Coretta Scott King Honor selection, and a National Book Award finalist. Monster is also now a major motion picture called All Rise starring Jennifer Hudson, Kelvin Hersey, Nas, and ASAP Rocky. Fans of Monster and of the work of Walter Dean Myers—and even kids who think they don't like to read—will devour this graphic adaptation.

Named one of the best graphic novels of the year by The AV Club, Comic Book Resources, Complex, and Graphic Novel Reporter! "The most prodigiously talented graphic novelist of his [generation]... Powell's exceptional visual-storytelling gift transforms a potentially obvious antiwar parable into a ravishingly beautiful, emotionally resonant, thoughtful, and provocative work of art."--Booklist (starred review) "Vivid and imaginative... The timely, innovative storytelling and captivating artwork should particularly appeal to fans of Craig Thompson's Blankets and David Small's Stitches. Highly recommended for both adults and young adults."--Library Journal (starred review) "Any Empire by Nate Powell is everything a graphic novel should be, and few are. Spare, to the point dialog, fluid and effortless visual storytelling devoid of pretensions, and a story with characters that stick with you. I very rarely read graphic novels because I usually can't get past the first few pages, but Any Empire drew me in from the start and didn't let up."--Larry Ham, author of GI Joe comics since 1982 "At times poignant, at at others spare, any Empire is an engaging, never preachy work about childhood, centering on those secret currents that define our youthful rivalries and the games we play."--MTV Geek "We've all experienced the world's endless cycle of innocence shattered, and Powell renders it all in lovely chiaroscuro... he crafts memorable and heartfelt characters that linger in the mind and scar the heart..."--Under the Radar Nate Powell, hailed by the London Times as "a writer-artist of genius," is back. His new book, Any Empire, is a vivid examination of war and violence, and their trickle-down effects on middle America. First, a group of small-town kids find themselves bound together by geography, boredom, and a string of mysterious local mutilations. Years later, with Army tanks rolling through the streets of their hometown, these young adults are forced to confront painful questions of privilege, duty, betrayal, and courage. Any Empire recalls aimless summers of Nancy Drew and GI Joe, trebuchises and army surplus stores... but when fantasy starts to bleed into reality, whose mission will be accomplished?"

"Now Top Shelf has teamed up with the Fellowship of Reconciliation to produce the first ever fully-authorized . . . edition[]" of this historic comic book, as a companion to the bestselling graphic novel March: Book One."--Publisher's website.

New York Times bestselling author Meghan March continues the story of untold truths and one man's redemption in the Dirty Mafia Duet. I never expected to be anyone's white knight. That's not a role I've ever played. But when the Casso crime family shifts into uncharted territory, they're looking for a new hero, and they're looking for me—Cannon Freeman, the black sheep. But my time in disgrace is at an end as I'm torn to rise up and save the people who matter most to me. Even if my family has never given a damn about me, I will not let them fall. More than anything, I will not let her fall. White Knight is the second book in the Dirty Mafia Duet and should be read after Black Sheep.

The award-winning national bestseller, Walking with the Wind, is one of the most important records of the American civil rights movement as told by a true American hero, John Lewis, who Cornel West called a "national treasure." An eloquent and gripping first-hand account of the turbulent struggle for civil rights and the willingness and courage to change the course of history. Forty years ago, a teenaged boy named John Lewis stepped off a cotton farm in Alabama and into the epicenter of the struggle for civil rights in America. The ideals of nonviolence which guided that critical time of American history established him as one of the movement's most charismatic and courageous leaders. Lewis's leadership in the Nashville Movement—a student-led effort to desegregate the city of Nashville using sit-in techniques based on the teachings of Gandhi—established him as one of the movement's defining figures and set the tone for the major civil rights campaigns of the 1960s. During this decade, he was repeatedly a victim of violence and intimidation, but his singular belief in non-violent action, inspired by his mentor, Dr. Martin Luther King, was a defining characteristic of his leadership and vision. In 1986, he ran and won a congressional seat in Georgia, and remains in office to this day. Walking with the Wind is the story of an American hero. A boy from rural Alabama whose journey led him to Washington, and whose vision and perseverance changed a nation.

Twenty years after Germany's victory in World War II, while the entire country prepares for the U.S. president's visit, Berlin Detective Xavier March attempts to solve the murder of a high-ranking Nazi commander. Reprint.

Eroh has a plan. A simple plan. It'll never work. Despite his family's warrior pedigree, he'd rather gamble and drink while living from one tavern to the next. But when his wanderings bring him upon a gruesome slaughter of innocents he is torn from carefree ways. Spark City is on the horizon and with it the mysterious trials of The Cull. After a life spent rejecting his birth right, the time has come to pick up his sword and accept his destiny. With an army marching forward, and unlikely companions buy his side, does Eroh have what it takes to stop the coming war? Spark City is the gripping first novel in Robert J Power's best selling epic fantasy series. If you like spectacular combat, unlikely heroes, and slow burn romance, you'll love this thrilling tale. Now available in Large Print Buy Spark City to embrace your calling today!

March

Are you ready to head to New Orleans? Fall in love with the sexy series readers call "deliciously addictive" and "binge-worthy" from New York Times, Wall Street Journal, and USA Today bestselling author Meghan March. I've always known she was too good for me, but that never stopped me from wanting her. And then I finally had her for one night. A night I don't remember. I figured I'd blown my shot. But now she's walked back into my life, and this time, I have the upper hand. I want my second chance. Will she be able to see the man beneath this ink? Beneath This Ink is the second book in the Beneath series, but each of these hot contemporary romances can be enjoyed as a stand alone. Then again, why would you want to miss out on all the alpha heroes and the women who bring them to their knees? After all, there's something for everyone in New Orleans... The entire Beneath series is now live and each book in the Beneath series can be read as a standalone. Beneath This Mask, Beneath #1 (Now FREE) Beneath This Ink, Beneath #2 Beneath These Chains, Beneath #3 Beneath These Scars, Beneath #4 Beneath These Lies, Beneath #5 Beneath These Shadows, Beneath #6 Beneath The Truth, Beneath #7 "YES. This had the WOW-ING, EXTRAMILE, MIND-BEING-BLOWN, and the whole SHA-BANG. I can honestly say it had me captivated with every page." -- Sleepless, Readmore "I loved this book and it was an amazing installment in this series. This book was sweet, sexy, angry, full of twists and turns, suspenseful, and had one tatted bad boy who will make you swoon... HARD!" --Brianna @ Renee Entress's Blog "Absolutely LOVED it! Con and Vanessa sizzle!" --Kendall Ryan, NYT and USA Today bestselling author Topics: Alpha romance, tattooed alpha, tattooed alpha male, tattoo shop, tattoo shop owner, tattooed hero, New Orleans, New Orleans romance, romance in New Orleans, French Quarter, rich heroine, strong heroine, second chance romance, second chance, contemporary romance, new adult, romance, military, Navy, billionaire, conspiracy, conspiracy

Major Lewis Cayce will need to use every weapon in his arsenal to keep his stranded men alive on a deadly alternate Earth in this gripping new adventure set in the world of the New York Times bestselling Destroyermen series. It is 1848, and a full year after being shipwrecked on another, far stranger and more dangerous Earth on their way to fight Santa Anna in the Mexican-American War, Lewis Cayce and his small group of artillerymen, infantrymen, and dragoons have made friends in the Yucatán, helped build an army, and repulsed the first efforts of the blood-drenched Holy Dominion to wipe their new friends out. As an even more radical cult of Blood Priests arises and begins to pursue its own path to power, the Dominion can't let its defeat stand. It must crush the heretics and expel them from the land it has claimed. Fortunately, Lewis Cayce is a professional. He understands defense can only result in a stalemate at best, and a stalemate with the more populous Dominion will only lead to defeat in the end. The lucky few will be enslaved. The rest will be sacrificed in the most horrific way imaginable. The only hope his new allies have is to win—and to do that, his little army must attack the most powerful and diabolical enemy on the planet in its own territory. Achieving victory will take all Lewis's imagination, the courage and trust of his soldiers—and all the round shot and canister his tiny band of artillerymen can slam out.

The significantly expanded and updated new edition of a widely used text on reinforcement learning, one of the most active research areas in artificial intelligence. Reinforcement learning, one of the most active research areas in artificial intelligence, is a computational approach to learning whereby an agent tries to maximize the total amount of reward it receives while interacting with a complex, uncertain environment. In Reinforcement Learning, Richard Sutton and Andrew Barto provide a clear and simple account of the field's key ideas and algorithms. This second edition has been significantly expanded and updated, presenting new topics and updating coverage of other topics. Like the first edition, this second edition focuses on core online learning algorithms, with the more mathematical material set off in shaded boxes. Part I covers as much of reinforcement learning as possible without going beyond the tabular case for which exact solutions can be found. Many algorithms presented in this part are new to the second edition, including UCB, Expected Sarsa, and Double Learning. Part II extends these ideas to function approximation, with new sections on topics as artificial neural networks and the Fourier basis, and offers expanded treatment of off-policy learning and policy-gradient methods. Part III has new chapters on reinforcement learning's relationships to psychology and neuroscience, as well as an updated case-studies chapter including AlphaGo and AlphaGo Zero, Atari game playing, and IBM Watson's wagering strategy. The final chapter discusses the future societal impacts of reinforcement learning.

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: how to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.
