If that's not crazy enough, she explains Lily's brother, James, has been kidnapped and the Paranormal Investigation Bureau needs Lily's help finding him. And the craziest part? The Englishwoman tells Lily she's a witch too. Before she can say, "Where's my coffee?" she's on a plane bound for Westerham, England. He knows all her buttons to press, and she's not sure if she wants to kiss him or strangle him, or maybe both. Then tracking down the PIB's suspect puts Lily's new friendship at risk, and, if that's not enough, it finally brings Lily face-to-face with death. Can Lily solve the crime before someone dies? And will the universe give her a break before she loses what's left of her sanity? Unfortunately, coffee alone can't fix things this time. Witch Undercover in Westerham: Book 3 Deciding to have more fun in Westerham, Lily takes up life-drawing classes with her friend Olivia. But trouble isn't far away; the art teacher goes missing after the second class. Tracking down the art teacher is proving impossible, and the PIB's best lead is murdered before they can find out everything he knows. Yet again, Lily's unique witchy skills are called upon to help. The problem? It's dangerous for her to reveal her talents. She's already the target of a secret organisation intent on kidnapping her, and now those closest to her fear a threat inside the PIB itself. My book does answer the questions on the cover about how to understand the mystery of suffering, how to feel joy while suffering, and how to make a difference wherever, forever. My spiritual director told me to write a journal. That journal has become, over several years, this book. In this book, I spread my life out to you and the world and say things about myself that I have not told even my best friends. My friend of forty-three years does not know some of what is in here.

Una volta lì, Emily e sua madre Linda scoprono che il cottage nasconde una sorpresa: era la sede di un'agenzia di investigazioni, ormai del tutto abbandonata almeno finché, quasi per gioco, Emily gira il segnale "Chiuso" affisso alla porta. Ed ecco che, quella notte, il primo mistero bussava alla porta di mamma e figlia: a Sherrington Lodge, austera dimora alle porte del paese, avvengono sinistri episodi. E il proprietario, il maggiore Trevor Sherrington, ha il terrore che la casa sia infestata dagli spiriti. Emily e Linda dapprima rifiutano l'incarico, ma il destino sembra avere in serbo per loro un disegno diverso.

Heavenly Letters from Mum captures in its pages the messages that Anne Noelette Andre received by automatic writing from her mum, Daisy Gerda Andre, for five years following her death in 2003. By presenting these messages, Heavenly Letters from Mum offers relief and peace to all who have lost loved ones to death, As the author writes in the Preface, "Do not be sad. Your loved ones on the other side-in the other dimensions-are near you. As long as they exist in your heart, they don't depart." After telling how her mum died and how she faced the loss, the author then presents a series of chapters that alternately report transcriptions of the spirit writings she shared with her mum and offer reflections on the influence and impact of these messages. Heavenly Letters from Mum also presents a selection of images that reproduce the original handwritten records of these conversations, along with several other pictures of the author and her mum. If you have found your life touched by the death of someone you have loved, then Heavenly Letters from Mum: A True Story will offer to you the encouragement to seek the abiding presence of your loved one, to listen for messages, and to enter into conversations that transcend the limitations of one's daily routines.

A twisty, compelling new novel about one woman's complicated relationship with her mother-in-law that ends in death... From the moment Lucy met her husband's mother, she knew she wasn't the wife Diana had envisioned for her perfect son. Exquisitely polite, friendly, and always generous, Diana nonetheless kept Lucy at arm's length despite her desperate attempts to win her over. And as a pillar in the community, an advocate for female refugees, and a woman happily married for decades, no one had a bad word to say about Diana...except Lucy. That was five years ago. Now, Diana is dead, a suicide note found near her body claiming that she no longer wanted to live because of the cancer wreaking havoc inside her body. But the autopsy finds no cancer. It does find traces of poison, and evidence of suffocation. Who could possibly want Diana dead? Why was her will changed at the eleventh hour to disinherit both of her children, and their spouses? And what does it mean that Lucy isn't exactly sad she's gone?
