

Meghan: A Hollywood Princess

From royal expert Katie Nicholl, author of the bestselling William and Harry and Kate comes the most intimate and informative portrait yet of Prince Harry, his marriage to Meghan Markle, and how their union is modernizing the Royal Family. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world, while his marriage to Meghan Markle has only endeared him further. In Harry and Meghan, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. She uncovers new information about Harry's past relationships and reveals the true story of his romance with Meghan Markle, the smart and spirited American who captured his heart. Harry and Meghan: Life, Loss, and Love features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl reveals behind-the-scenes details about the run up to the couple's spectacular wedding day, their first tours as a married couple, and their preparations for the arrival of the youngest new royal. Harry and Meghan is a compelling portrait of the Royal Family's most popular royal couple and the story of the most gripping royal romance in a decade. Previously published as Harry: Life, Loss, and Love.

#1 NEW YORK TIMES BESTSELLER Meghan, The Duchess of Sussex’s first children’s book, The Bench, beautifully captures the special relationship between father and son, as seen through a mother’s eyes. The book’s storytelling and illustration give us snapshots of shared moments that evoke a deep sense of warmth, connection, and compassion. This is your bench Where you ‘ll witness great joy. From here you will see the growth of our boy. In the Bench, Meghan, The Duchess of Sussex, touchingly captures the evolving and expanding relationship between father and son and reminds us of the many ways that love can take shape and be expressed in a modern family. Evoking a deep sense of warmth, connection, and compassion, The Bench gives readers a window into shared and enduring moments between a diverse group of fathers and sons—moments of peace and reflection, trust and belief, discovery and learning, and lasting comfort. Working in watercolor for the first time, Caldecott-winning, bestselling illustrator Christian Robinson expands on his signature style to bring joy and softness to the pages, reflecting the beauty of a father’s love through a mother’s eyes. With a universal message, this thoughtful and heartwarming read-aloud is destined to be treasured by families for generations to come.

The New York Times bestselling biography of Meghan Markle, the American actress who won Prince Harry's heart. Women who smash the royal mold have always fascinated the public, from Grace Kelly to Princess Diana. Now acclaimed royal biographer Andrew Morton, the New York Times bestselling author of Diana: Her True Story, brings us a revealing, juicy, and inspiring look at Meghan Markle, the confident and charismatic duchess whose warm and affectionate engagement interview won the hearts of the world. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in July 2016, little did they know that the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Morton goes back to Meghan's roots to uncover the story of her childhood growing up in The Valley in Los Angeles, her studies at an all-girls Catholic school, and her fraught family life—a painful experience mirrored by Harry's own background. Morton also delves into her previous marriage and divorce in 2013, her struggles in Hollywood as her mixed heritage was used against her, her big break in the hit TV show Suits, and her work for a humanitarian ambassador—the latter so reminiscent of Princess Diana's passions. Finally, we see how the royal romance played out across two continents but was kept fiercely secret, before the news finally broke and Meghan was thrust into the global media's spotlight. Drawing on exclusive interviews with her family members and closest friends, and including never-before-seen photographs, Morton introduces us to the real Meghan as he reflects on the impact that she has already had on the rigid traditions of the House of Windsor, as well as what the future might hold.

The life of the Princess of Wales based on interviews with those closest to her. Details of her beauty routine, her diet, how she relaxed and her likes and dislikes.

Brothers and Wives

Things are not always as they seem, in a world where social labels and perceptions often define who we are, how we view each other. With a B.A. in sociology, and an M.A. in counseling, Samantha never thought she would find herself caught in between the cross hairs of media mayhem, as she defends herself, and her father, by dispelling social labels, and "fake news", when her sister marries a Duke, and a Royal fairy plummeted from the tea towels. Samantha holds firmly our perceptions, "tips" and "ulimatams". The truth is stranger than fiction.

MEGHAN MARKLE AND KATE MIDDLETON: The Wives of Windsor - 2 Books In 1 Featuring... "Meghan Markle/Kate Middleton 2 Great Books In 1! Meghan Markle In 2017, American cable television actress Meghan Markle topped Google's annual list of the most searched actors of the year. This would be her second year in a row. She bested, for example, the likes of box office record-breaking Wonder Woman, Gal Gadot, and the living legend herself, multiple Academy Award winner Meryl Streep. Compared to these two names, Ms. Markle's acting resume is thin. As a matter of fact, for many people, it's only a handful of things can propel a person from relative obscurity to a name in lights. Even little girls all over the world would know the answer to this - a dashing Prince Charming must have found his Cinderella against all odds. They will marry in a beautiful, lavish ceremony before an adoring public and live happily ever after. Kate Middleton In the lead up to the 20th anniversary of his mother's death, Prince Harry - brother in law to Kate Middleton - made some interesting observations about the monarchy. He firstly said that the younger generation of royals feels that it is their role to modernize the monarchy. In so doing, these royals believe, they will maintain it's popularity and sustain it's role for doing good. They consider that, by bringing the House of Windsor into line with 21st century thinking, attitudes and lifestyles, they will enhance their own standing-up. In extending the idea of duty and responsibility to Great Britain, to the Commonwealth and, where possible, the world, he recognized that they one day one of the young royals would be monarch themselves. It was just that, none of them wanted to do it. They knew that they would have to, but just as hovering the sitting room or putting out the bins has to be done but is not much fun, it is a necessary but unappealing job. We can wonder whether this thought was anywhere in the mind of Kate Middleton, Berkshire lass, when she agreed to marry Prince William? And one day become his queen.

Ever since the royal wedding, the high-drama, estrogen-infused world of cosmetics, and you have What Pretty Girls Are Made Of—a hilarious debut novel from a writer who's lived it, in the make-up world. Life and love are never cruelty-free... After living in New York City for four years and reaching a dead end on her acting career, Alison Kraatz needs a new role—time for a career change. When she reads about the world-famous Sally Steele Cosmetics studio, Alison quickly swoops in to make a good impression and lands a job as an assistant to the diva herself. Surrounded by fantastic new hues of blushes, eye shadows, and glosses, Alison loves her new job and the new swag. Even better, she discovers she's actually really good at it! But in the midst of juggling her love life, crazy family members, and the grueling demands of a jealous, jolly boss who could put Miranda Priestly to shame, Alison starts to question her choices. How long before the pretty face cracks for good? As Californian TV star Meghan Markle becomes a British princess, is this the dawn of a bright new era for the ancient House of Windsor...or a dangerous, destabilizing step too far? Sixty-five years after Elizabeth II's Coronation, and thirty-seven years after Diana's ill-fated nuptials, the House of Windsor is embarking on a momentous marital experiment. The imminent adulation of Meghan Markle from California to the planet's most illustrious and revered royal lineage has so far been billed as an "old world" celebrity curiosity. But in truth, it's a historic landmark for the British Crown, marking either a 21st-century renaissance or final proof that the dynasty after Elizabeth may be fated to a slow demise. Either way, America now has a stake in royal fortunes unprecedented since Wallis Simpson took her divisive first step onto Buckingham Palace's red carpet. In 2018, PATRICK JEPHSON marks the thirteenth anniversary of his appointment to the British Royal Household. As private secretary/chief of staff to Princess Diana, he witnessed the royal family in some of its least-royal moments and helped to chart the course of Diana's unique global ascendancy. Now a naturalized U.S. citizen and New York Times bestselling author, in The Meghan Factor he runs a seasoned eye over the media hype and explains to an American readership that all is not what it seems in the world of princes, courtiers, and palace spin doctors.

The incredible rags-to-riches story of acclaimed actor Brian Cox, best known as Succession’s Logan Roy, from a troubled, working-class upbringing in Scotland to a prolific career across theatre, film and television. From Hannibal Lektor in Manhunter to media magnate Logan Roy in HBO’s Succession, Brian Cox has made his name as an actor of unparalleled distinction and versatility. We are familiar with him on screen, but few know of his extraordinary life story. Growing up in Dundee, Scotland, Cox lost his father when he was just eight years old and was brought up by his three elder sisters in the aftermath of his mother’s nervous breakdowns and ultimate hospitalization. After joining the Dundee Repertory Theatre at the age of fifteen, you could say we rest is history — but that is to overlook the enormous effort that has gone into the making of the legend we know today. Rich in emotion and meaning, with plenty of laughs along the way, this seminal autobiography captures both Cox’s distinctive voice and his very soul.

The follow-up to "Diana's Boys" explores the last twenty years in the lives of Princes William and Harry and the evolution of their relationship as adults, with one brother the designated heir, and the other doomed to life as the spare. Print run 100,000.

Recounts how an improper relationship and broken confidences led to threats of jail, public humiliation, and prejudice in the media

Battle of Brothers

The Untold Life of the Duchess of Windsor, the Woman Who Changed the Monarchy

Diana

Harry and Meghan and the Making of a Modern Royal Family

The Wives of Windsor - 2 Books In 1

On 16 November 2010, the long-awaited engagement of HRH Prince William to Miss Catherine Middleton was formally announced, with a London wedding taking place on April 2011. Andrew Morton, the leading royal biographer famous the world over for his million-copy bestselling, authorized biography of Diana, Princess of Wales, has written a full-length biography of William and his new bride Kate. Morton has followed the prince's life since birth and has unrivalled insight into the royal family.

****A Wall Street Journal bestseller**** This blockbuster narrative provides the first behind-the-scenes, authoritative account of the Duke and Duchess of Sussex's marriage, by the New York Times bestselling author of Diana in Private. The fall from popular grace of Prince Harry, the previously adulated brother of the heir to the British throne, as a consequence of his marriage to the beautiful and dynamic Hollywood actress and "Suits star" Meghan Markle, makes for fascinating reading in this groundbreaking book from Lady Colin Campbell, who is the New York Times bestselling biographer of books on Princess Diana, the Queen Mother, and Queen Elizabeth's marriage. With a unique breadth of insight, Lady Colin Campbell goes behind the scenes, speaking to friends, relations, courtiers, and colleagues on both sides of the Atlantic to reveal the most unexpected royal story since King Edward VIII's abdication. She highlights the dilemmas involved and the issues that lurk beneath the surface, revealing why the couple decided to step down as senior royals. She analyses the implications of the actions of a young and ambitious Duke and Duchess of Sussex, in love with each other and with the empowering lure of fame and fortune, and leads the reader through the maze of contradictions Meghan and Harry have created—while also evoking the Californian culture that has influenced the couple's conduct. Meghan and Harry: The Real Story exposes how the royal couple tried and failed to change the royal system—by adapting it to their own needs and ambitions—and, upon failing, how they decided to create a new system—and life—for themselves.

For fans of the Netflix series The Crown and from the author of the New York Times bestseller 17 Carnations comes a captivating biography of Wallis Simpson, the notorious woman for whom Edward VIII gave up the throne. "You have no idea how hard it is to live out a great romance." -Wallis Simpson Before she became known as the woman who enticed a king from his throne and birthright, Bessie Wallis Warfield was a prудish and particular girl from Baltimore. At turns imaginative, ambitious, and spoiled, Wallis's first words as recalled by her family were "me, me." From that young age, she was in want of nothing but stability, status, and social acceptance as she fought to climb the social ladder and take her place in London society. As irony would have it, she would gain the love and devotion of a king, but only at the cost of his throne and her reputation. In WALLIS IN LOVE, acclaimed biographer Andrew Morton offers a fresh portrait of Wallis Simpson in all her vibrancy and brazenness as she transformed from a hard-nosed gold-digger to charming chataleine. Using diary entries, letters, and other never-before-seen records, Morton takes us through Wallis's romantic adventures in Washington, China, and her entrance into the strange wonderland that is London society. During her journey, we meet an extraordinary array of characters, many of whom smoothed the way for her dalliance with the king of England, Edward VIII. WALLIS IN LOVE goes beyond Wallis's infamous persona and reveals a complex, domineering woman striving to determine her own fate and grapple with matters of the heart.

The first in-depth biography of the American actress and humanitarian campaigner who married Prince Harry in May 2018, written by the world's best-known royal biographer. When Meghan Markle and Prince Harry were set up by a mutual friend on a blind date in June 2016, little could they know that just sixteen months later the resulting whirlwind romance would lead to their engagement in November 2017 and marriage in May 2018. Since then, our fascination with the woman who has smashed the royal mould has rocketed. So different to those coy brides of recent history, Meghan is confident, charismatic and poised, her warm and affectionate engagement interview a stark contrast to the stilted and cold exchange between Prince Charles and Lady Diana Spencer. In this first-ever biography of the duchess-to-be, acclaimed royal biographer Andrew Morton goes back to Meghan's roots, interviewing those closest to her to uncover the story of her childhood: growing up in The Valley in LA, studying at an all-girls Catholic school and her breakout into acting. We also delve into her previous marriage and divorce in 2013, her struggles in Hollywood, as her mixed heritage was time and again used against her, and her work as a humanitarian ambassador - so redolent of Princess Diana's passions. Finishing with an account of her romance with Prince Harry, Morton reflects on the impact that Meghan has already made on the rigid traditions of the House of Windsor - not even Kate Middleton was invited to Christmas with the Queen before she had married her prince - and what the future might hold.

Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé, Royals at War, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed Megxit—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial American woman. Dylan Howard, bestselling author of Diana: Case Solved and Epstein: Dead Men Tell No Tales, charts how Meghan's relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Buckingham Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan's lavish expectations would be \$3 million . . . and backed up by British taxpayers. Finally, in a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving up his HRH title, repaying the renovation costs of Frogmore Cottage, abandoning his royal duties, and leaving Britain for good. Buckingham Palace reeled. Howard's unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they've turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, Royals at War answers these questions and more . . . and reveals how Harry's infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid's laser focus on the duchess's every movement—for good or

A behind-the-scenes look into the life of Meghan Markle and her romance with Prince Harry— a dishy, delightful must-read filled with exclusive insights for anyone obsessed with the Royal Family. Leslie Carroll's books on royalty are "an irresistible combination of People Magazine and the History Channel."—Chicago Tribune When Prince Harry of Wales took his American girlfriend, Meghan Markle, to have tea with his grandmother the queen, avid royal watchers had a hunch that a royal wedding was not far off. That prediction came true on November 27, 2017, when the gorgeous, glamorous twosome announced their engagement to the world. As they prepare to tie the knot in a stunning ceremony on May 19, 2018, that will be unprecedented in royal history, people are clamoring to know more about the beautiful American who captured Prince Harry's heart. Born and raised in Los Angeles to a white father of German, English, and Irish descent and an African American mother whose ancestors had been enslaved on a Georgia plantation, Meghan has proudly embraced her biracial heritage. In addition to being a star of the popular television series Suits, she is devoted to her humanitarian work—a passion she shares with Harry. Though Meghan was married once before, Prince Harry is a modern royal, and the United States have welcomed her into the tight-knit clan they call "The Firm." Even a generation ago, it would have been unthinkable, as well as impermissible, for any member of Great Britain's royal family to consider marrying someone like Meghan. Professional actresses were considered scandalous and barely respectable. And the last time a non-royal did the honor of marrying into the Royal Family, it provoked an international crisis! In American Princess, Leslie Carroll provides the context and Meghan's romance by leading readers through centuries of Britain's rule-breaking royal marriages, as well as the love matches that were never permitted to make it to the altar; followed by a never-before-seen glimpse into the little-known life of the woman bringing the Royal Family into the 21st century; and her dazzling, thoroughly modern romance with Prince Harry.

So what are you waiting for? Put on your hat, grab your colouring ink!

When Andrew Morton's world-famous biography, Diana: Her True Story, was first published, it caused a media frenzy, and shook the British Establishment to its foundations. Later revealed as having been written with the Princess's full co-operation, this international bestseller is now widely regarded as her official biography. Yet it was not of its publication, Diana began a journey - a courageous evolution from life as a downtrodden wife and reluctant royal to a self-confident and independent modern woman. Diana: In Pursuit of Love follows this journey, picking up the story where Andrew's first book left off and uses new sources and material as well as a wealth of previously stunning photos. The book reveals the stories of figures such as her renowned lover James Hewitt, her butler Paul Burrell and Prince Charles's valet, Michael Fawcett, while intriguing comments that Diana made to Morton in taped conversations become extremely important in view of subsequent events. In Pursuit of Love is an honest, unflinching and influential figures of our era and the definitive study of Diana.

The Diana Chronicles

In Pursuit of Love

Life, Loss, and Love

Brother, Soldier, Son

An intimate portrait of the Princess of Wales describes her public and private life, reveals details about her marital problems, and discusses her attitudes toward motherhood and public service.

MEGHAN MARKLE: A Meghan Markle BiographyIn 2017, American cable television actress Meghan Markle topped Google's annual list of the most searched actors of the year. This would be her second year in a row. She bested, for example, the likes of box office record-breaking Wonder Woman, Gal Gadot, and the living legend herself, multiple Academy Award winner Meryl Streep. Compared to these two names, Ms. Markle's acting resume is thin. As a matter of fact, for many people, she seemed to have come out of nowhere. Only a handful of things can propel a person from relative obscurity to a name in lights. Even little girls all over the world would know the answer to this - a dashing Prince Charming must have found his Cinderella against all odds. They will marry in a beautiful, lavish ceremony before an adoring public and live happily ever after. Indeed, Meghan Markle's climb to the top of this list and in the minds of the international public is largely credited to her relationship with the United Kingdom's beloved Prince Harry - a romance confirmed on November 2016, and with an engagement announced a year later on November 2017. This biography is her true story.

*** Instant NEW YORK TIMES and USA TODAY bestseller ** GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more!**
*** What happens when America's First Son falls in love with the Prince of Wales? For his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six**

Literary ombudsman John Carse never met an important book he didn't like to deconstruct. From Salman Rushdie to John Grisham, Carse retells the big books in just 500 biting satirical words, pointing his pen at the clunky plots, stylistic ticks and pretensions to Big Ideas, as he turns publishers golden dream books into dross. In the grand tradition of Tom Lehrer and Stan Freberg, Carse takes the books that produce the most media hype and retells each story in its authors inimitable style. Philip Roth, Don DeLillo, Margaret Drabble, Paul Auster, Alice Sebold, John Updike, Tom Wolfe, Ruth Rendell, A.S. Byatt, John LeCarre, Michael Crichton and Ian McEwan all emerge delightfully scathed in this book that makes it easy to talk knowingly about books you've never bothered to read or, for that matter, should have.

The Real Story

Iron Princess

Perfect for fans of the Crown, this captivating biography from a New York Times bestselling author follows Queen Elizabeth II and her sister Margaret as they navigate life in the royal spotlight. They were the closest of sisters and the best of friends. But when, in a quixotic twist of fate, their uncle Edward VIII decided to abdicate the throne, the dynamic between Elizabeth and Margaret was dramatically altered. Forever more Margaret would have to curtsy to the sister she called "Lilibet." And how to her wishes. Elizabeth would always look upon her younger sister's antics with a kind of stoical amusement, but Margaret's struggle to find a place and position inside the royal system—and her fraught relationship with its expectations—was often a source of tension. Famously, the Queen had to inform Margaret that the Church and government would not countenance her marrying a divorced Group Captain Peter Townsend, forcing Margaret to choose between keeping her title and royal allowances or her divorcee lover. From the idyll of their cloistered early life, through their hidden war-time lives, into the divergent paths they took following their father's death and Elizabeth's ascension to the throne, this book explores their relationship over the years. Andrew Morton's latest biography offers unique insight into these two drastically different sisters—one resigned to duty and responsibility, the other resistant to it—and the lasting impact they have had on the Crown, the royal family, and the ways it adapted to the changing mores of the 20th century.

Meghan Misunderstood is a pioneering book that sets the record straight on the most talked about, unfairly vilified and misrepresented woman in the world.

This beautifully illustrated biography of Meghan covers her early years, Hollywood career, fairytale wedding to Prince Harry, and new role as duchess and mother. This book features images of the couple's newborn son, Archie Harrison Mountbatten-Windsor. In 2018 a new kind of royal joined the House of Windsor. Her name was Meghan Markle and the country fell in love with her. Following her marriage to Prince Harry, bi-racial American Meghan Markle has come to represent the changing face of the modern Royal Family. Like her husband, she communicates an issues of importance to the family reinvented itself after the traumatic years of Meghan's extraordinary life so far. Following her journey from the suburbs of Los Angeles where she grew up in a single-parent household to her life as a modern-day princess within one of the world's most important royal families. It describes her days as a successful film and television actress in the U.S. Looks at her humanitarian work and discusses the 'Meghan effect', a direct result of her enormous popularity on both sides of the Atlantic. It also records, with stunning photos, her beautiful wedding to Prince Harry, a truly global celebration that attracted around 2 billion television viewers worldwide. Post-wedding, we bring this royal love story up to date, defining Meghan's role as an ambassador for the Royal Family, looking in detail at her first year as Duchess of Sussex - and celebrating her new role as a mother.

The definitive account of the love affair that has captured the nation - Prince Harry and Meghan Markle. After much speculation in the national media, Prince Harry finally confirmed the rumours about his relationship with American actress Meghan Markle. Now, on the news of their much-anticipated engagement, prominent columnist Emily Herbert tells the exclusive story of how the American actress stole the heart of a much-loved British Prince. From how they met, their courtship and how they fell in love, as well as insight into Ms. Markle's upbringing in America, readers will learn exactly how the Prince's heart was finally won. Revealing the truth behind the headlines and the media speculation, Harry & Meghan: The Love Story lets readers into the heart of a thoroughly modern royal love affair.

Inside the House of Windsor-- The Truth and the Turmoil

William, Harry and the Inside Story of a Family in Turmoil

Harry & Meghan - The Love Story

The Untold Story of Harry and Meghan's Shocking Split with the House of Windsor

Loverland

The most intimate and informative portrait yet of Prince Harry, from royal expert Katie Nicholl, author of the bestselling William and Harry and Kate. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world. In Harry, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. Harry: Life, Loss, and Love features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl explores Harry's relationship with his family, in particular, the Queen, his father, stepmother, and brother, and reveals his secret "second family" in Botswana. She uncovers new information about his former girlfriends and chronicles his romance and engagement to American actress Meghan Markle. Harry is a compelling portrait of one of the most popular members of the royal family, and reveals the inside story of the most intriguing royal romance in a decade.

The authoritative biography of Prince Harry by noted royal biographer Penny Juno, author of Prince William: The Man Who Will Be King and The Firm: The Troubled Life of the House of Windsor. Prince Harry, one of the most popular members of the British royal family, has had a colorful life. After losing his mother at 12 years old, he spent his teenage years making questionable choices under intense international media scrutiny. He shocked the world with red hair, and the occasional not-so-royal indiscretion. As he's grown, he has distinguished himself through military service, flying helicopters for the RAF, his service in Afghanistan and continued to devote himself to his military career. He is also following in his mother's footsteps with charity work—he is the founder of Sentebale, a charity to help orphans in Lesotho, and works with many other charitable organizations to help young people in society and to conserve natural resources. As he reaches his thirtieth birthday, Prince Harry is proving himself a prince of the people. With unprecedented access to the most important figures in his life, Penny Juno is able get the truth about who this mercurial and fascinating royal son really is. A modern biography of a modern prince, this book offers an insider's look at the life of the man who is fourth in line to Britain's throne.

Awakening on a flight to purgatory after hurting her beloved younger sister, Bea is charged with saving thousands of souls to secure her place in heaven before discovering that one of her first assignments involves helping the boy who caused her fatal accident.

NEW YORK TIMES BESTSELLER **D** The "addictively readable" (The Washington Post) inside story of the British royal family's battle to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises "The beach read of the summer. . . . Diana, a satisfying entertainment." —Town & Country "Never again" became Queen Elizabeth II's mantra shortly after Princess Diana's tragic death. More specifically, there could never be "another Diana" among the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown's masterful The Diana Chronicles left off, The Palace Papers reveals how the royal family reinvented itself after the traumatic years when the world's most intensely scrutinized celebrity repped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen's stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and how she triumphs in her best years even as family troubles rage around her. Brown explores Prince Charles's determination to make Camilla Parker Bowles his wife, the tension between William and Harry on "different paths," the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan's stunning decision to step back as senior royals. Despite the fragile monarchy's best efforts, "never again" seems far from achieved. Tina Brown has been observing and chronicling the British monarchy for three decades, and her sensing account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal insiders. Stylish, witty, and erudite, The Palace Papers will irrevocably change how the world perceives and understands the royal family.

#1 NEW YORK TIMES BESTSELLER • Years after her death, Princess Diana remains a mystery. This "insanely readable and improbably profound" biography (Chicago Tribune) reveals the truth as only famed journalist Tina Brown could tell it. "The best book on Diana." —The New Yorker "Was she "the people's" princess," who electrified the world with her beauty and humanitarian missions? Or was she manipulative and media-savvy and nearly brought down the monarchy? Tina Brown, former Editor-in-Chief of Tatler, England's glossiest gossip magazine, Vanity Fair, and The New Yorker gives us the answers. Tina knew Diana personally and has far-reaching insight into the royals and the Queen herself. In The Diana Chronicles, you will meet a formidable female cast and understand as never before the society that shaped them: Diana's sexually charged mother, her scheming grandmother, the stepmother she hated but finally came to terms with, and bad-girl Fergie, her sister-in-law, who concealed wounds of her own. Most formidable of them all was her mother-in-law, the Queen, whose admiration Diana sought till the day she died. Add Camilla Parker-Bowles, the ultimate "other woman" into this combustible mix, and it's no wonder that Diana broke out of her royal cage into celebrity culture, where she found her own power and used it to devastating effect.
