

Merciless (Dominion Trilogy Book

The discovery of a strange and superior warship sends Dion, youngest son of the king of Xanthos, and Chloe, a Phalesian princess, on a journey across the sea, where they are confronted by a kingdom far more powerful than they could ever have imagined. But they also find a place in turmoil, for the ruthless sun king, Solon, is dying. In order to gain entrance to heaven, Solon is building a tomb--a pyramid clad in gold--and has scoured his own empire for gold until there's no more to be found. Now Solon's gaze turns to Chloe's homeland, Phalesia, and its famous sacred ark, made of solid gold. The legends say it must never be opened, but Solon has no fear of foreigners' legends or even their armies. And he isn't afraid of the eldren, an ancient race of shape-shifters, long ago driven into the Wilds. For when he gets the gold, Solon knows he will live forever.

Ghost Town is the hottest amusement park in the country, offering state-of-the-art chills and thrills involving the paranormal. The park's main ride is a haunted mansion that promises an encounter with a real ghost. When Maia Peters visits during her senior year of college, she's not expecting to be impressed. Maia grew up as the only child of a pair of world-renowned "ghost hunters," so the paranormal is nothing new. In fact, the ride feels pretty boring until the very end. There, a face appears from the mist. The face of Jordin Cole, a girl who disappeared from campus a year ago. Convinced what she saw wasn't a hoax and desperate to find answers to Jordin's disappearance, Maia launches into a quest for answers. Joined by Jordin's boyfriend--a pastor's kid with very different ideas about the spirit realm--Maia finds herself in a struggle against forces she never expected to confront.

Celaena has survived deadly contests and shattering heartbreak-but at an unspeakable cost. Now, she must travel to a new land to confront her darkest truth . . . a truth about her heritage that could change her life-and her future-forever. Meanwhile, brutal and monstrous forces are gathering on the horizon, intent on enslaving her world. Will Celaena find the strength to not only fight her inner demons, but to take on the evil that is about to be unleashed? The bestselling series that has captured readers all over the world reaches new heights in this sequel to the New York Times best-selling Crown of Midnight. Packed with heart-pounding action, fierce new characters, and swoon-worthy romance, this third book will enthrall readers from start to finish.

Evil has infiltrated our world. His name is Oblivion and his touch is death. He devastates the planet, turning it into a twisted, barren world. A dark world. And Grant Borrows, the one man powerful enough to oppose him, is dead. As Grant's remaining friends learn the ultimate truth behind the events that shaped their lives, they secretly gather for one last battle. This showdown between good and evil will prove to every soul on earth that in the bitterest twilight, all is not lost. The world must never forget that even when life is merciless, it is not hopeless.

2028-at írunk, és a világot egy új megbetegedés sújtja. Eleinte enyhébb emlékeztetéseket, majd később dühkitöréseket, végül elmebajt és halált okoz. A Losian-kórnak elnevezett betegség gyors lefolyású, és a rövid távú modellezések szerint elterjedésében hamarosan meghaladja az Alzheimerét. Dr. Gillian Ryan neuroradiológus a Losian-kór egyik fő kutatója, területének legkiválóbb alakja. Az orvosi elhivatottság mellett különösen nagy a tét számára, hogy megfejtse a betegséget kiváltó okot, és megtalálja az ellenszert: a férjét már elvesztette, és hétéves lányánál is jelentkeztek a tünetek, legfeljebb évei lehetnek hátra. Az áttörés azonban a rengeteg munka és kísérlet ellenére elmarad, és megvonják tőle a kutatási támogatást. Nem sokkal később azonban váratlan megkeresést kap a NASA-tól: az egyik titkos állomásukon felütötte a fejét a Losian-kór. A diagnózis elsőre lehetetlennek tűnik, de a legénységen jelentkező tünetek kizárnak minden más lehetőséget. A szervezet felkéri Ryant, hogy tartson egy speciális alakulattal az úton, és fejtse meg a betegséget. Cserébe a kutatásának korlátlan finanszírozását ígérik neki. Az utazás azonban hamar rémálommá válik, a küldetést megmagyarázhatatlan és érthetetlen események szakítják félbe. Minden kérdésessé válik – a küldetés igazi célja, a legénység indítéka és a végtelen ár gyilkos titkai. Joe Hart a lebilincsel tudományos-fantasztikus kaland és az agyfacsaró lélektani thriller e keverékével nemcsak a világ árnyékait feltárja, hanem az emberi lélekben megbúvó még sötétebb ismeretleneket is.

Grant Borrows awakens to find his life has been altered and the man staring back from his mirror is a stranger, and as he struggles to adapt to his new life, he becomes the central figure in a web of intrigue.

The Dark Foundations continues the epic story begun in *The Shadow and Night*. Far beyond the tranquility of the Assembly worlds, Nezhuala, Lord-Emperor of the Dominion, is preparing a merciless and crushing attack on Farholme as a prelude to an onslaught on the Assembly. Back on Farholme, Commander Merral D'Avanos recovers from his wounds after the battle at Fallambet where the intruders were destroyed. Yet even as Merral dreams of a return to peace, he receives a warning of imminent war on a massive scale he cannot ignore. Amid the urgent preparations for battle, Merral and his friends realize the inadequacy of their defenses. Then, with weeks to spare before the predicted eve of war, Merral receives an offer of assistance from the strangest of sources. But can it be trusted? As the wave of war finally crashes over Farholme, Merral must find the answer to other questions in the heat of battle: Can Farholme survive the growing internal strains? Who will pay the price for victory? Will his own weaknesses undo both him and his world?

The Shadow and Night

Normal is Never Coming Back Jade is totally confused. As in, "will this be a leg-day or a tail-day?" kind of confused. Even worse, it's been forever since her first kiss with Luke and now—nothing. Not even a text message. Sigh. But Jade doesn't have time to figure out the weirdness of boys and how to use her shiny new tail. (Seriously, being a mermaid should come with a handbook.) She has to come up with a plan to get her missing mermaid mom back on dry land. The only problem is...Jade is afraid of the ocean. But even aqua-phobic mer-girls have to take the plunge sometime... Praise for *Real Mermaids Don't Wear Toe Rings*: "Bravo to Hélène Boudreau for hitting the bull's-eye with a fresh, affectionate, watery twist on the classic coming-of-age-story."—New York Journal of Books "The author keeps suspense high...while tapping straight into young teens' angst about friends, enemies, and boys."—Kirkus

Aboard "The Boundless," the greatest train ever built, on its maiden voyage across Canada, teenaged Will enlists the aid of a traveling circus to save the train from villains.

Leah Buchanan's family has been in service to vampires for five centuries. Even so, Leah wants nothing to do with her family's legacy. But when she's summoned to her Selection by the Vampire Dominion, under familial pressure, she has no choice but to go. Lucien has been living under the strict edicts of the Vampire Dominion for centuries but he's tired of these ancient laws stripping away everything that is the essence of the vampire. So he's taking it back. This is because Lucien has been watching and waiting for decades for Leah to become available for a Selection and he will not be limited with what he can do with her. He will have her, all of her. Therefore, Lucien is going to tame Leah, even if he gets hunted and killed for doing it. What neither Leah nor Lucien expects is the strong bond that will form between them, connecting them on unprecedented levels for mortals or immortals. And what will grow between them means they will challenge their ways of life and their union will begin the Prophecies which makes them one of three couples who will save humanity...or die in the effort.

Nolan Gray is an elite soldier, skilled in all forms of combat. After years fighting on foreign battlefields, witnessing unspeakable evils and atrocities firsthand, a world-weary Nolan returns home to find it just as corrupt as the war zones. Everywhere he looks, there's pain and cruelty. Society is being destroyed by wicked men who don't care who they make suffer or

destroy. Nolan decides to do what no one else can, what no one has ever attempted. He will defend the helpless. He will tear down the wicked. He will wage a one-man war on the heart of man, and he won't stop until the world is the way it should be. The wicked have had their day. Morality's time has come. In a culture starving for a hero, can one extraordinary man make things right?

In the space of a breath, what he thought was his life...shattered. Grant Borrows has been Shifted- in the silence between heartbeats, his whole life fundamentally altered. There's another man in the world wearing his face and living his life. What's more, the man staring back from his mirror is a stranger. But the changes don't stop at skin-level. Inexplicably, he's able to affect objects around him by simply thinking about them. And as he soon learns, he's become the central figure in a vast web of intrigue that stretches from an underground global conspiracy to a prophecy dating back over seven thousand years. Enemies and allies find him at every turn, but one thing they learn all too soon is that you don't want to push Grant Borrows too far... Can destiny be undone? The players are ready. The game is in motion. And the pace is: Relentless. (The Dominion Trilogy Book 1)

The return of NASA's first manned mission to Mars was supposed to be a momentous day. But when the crew loses touch with ground control before entry, things look bleak. Safe after a treacherous landing, the crew emerges to discover the unthinkable--every man, woman, child, and animal has vanished without a trace. Alone now on their home planet, the crew sets out to discover where everyone has gone--and how to get them back--only to discover they may not be as alone as they thought.

The world changed after that terrible day when the sky burned, and now every heart is gripped by fear Earthquakes, fire, disease, and floods pummel the earth, and its citizens watch in horror. But in the darkness there is hope--an anonymous but powerful hero whom the public dubs "Guardian" emerges from the wreckage. He is Grant Borrows, one of a chosen few who walk the earth with extraordinary powers. They travel the globe, helping those in deepest peril and determined to uncover the secret behind this world-shattering cataclysm. But when signs of a dangerous ancient prophecy begin coming true, dark questions arise about secrets Grant might still be harboring. The world teeters on the brink. But some refuse to let it fall. They are: Fearless

First book in the Sand Wars tetralogy, Solar Kill tells of a soldier, left to fight a losing battle against mankind's alien foe, in an alien-alter armor which could transform him into a merciless killing machine. It is the story of his desperate struggle to survive and his determination for justice for the lives and worlds wrongfully destroyed.

Valerie Martin's Property delivers an eerily mesmerizing inquiry into slavery's venomous effects on the owner and the owned. The year is setting a Louisiana sugar plantation where Manon Gaudet, pretty, bitterly intelligent, and monstrously self-absorbed, seethes under the boorish husband. In particular his relationship with her slave Sarah, who is both his victim and his mistress. Exploring the permutations of his own obsession with Sarah against the backdrop of an impending slave rebellion, Property unfolds with the speed and menace of heat lightning, casting a startling light from the past upon the assumptions we still make about the powerful and powerful.

Mighty Lewd Books describes the emergence of a new home-grown English pornography. Through the examination of over 500 pieces of British erotica, this book looks at sex as seen in erotic culture, religion and medicine throughout the long eighteenth-century, and provides a radical new approach to the study of sexuality.

Soldier Nolan Gray, who is disgusted by the cruelty and corruption he sees everywhere around him, fakes his own death so that he can take on the evils that beset society and fight to defend the helpless.

"The framers of our Constitution meant we were to have freedom of religion, not freedom from religion." --Reverend Billy Graham *The Question Is Not If Attempts Will Be Made to Limit Religious Freedoms, But When. And When That Day Comes, Will You Stay Silent?* A storm is coming. The most popular evangelist of his day, John Luther, simply wants to share the Gospel and enjoy a quiet life with his family. He never asked to be at the center of a political controversy, but an ill wind has been blowing through the halls of Congress, and supporters of a new religious-equality bill see Luther's endorsement as critical. But when Luther refuses to lend his support, he unknowingly sets in motion an explosive plan bent on destroying his reputation and undermining everything for which he stands. His once-normal life is turned upside down as he becomes a fugitive left with only one dangerous option--putting everything he holds most dear at risk while he fights to expose the truth. It is a mission that brings him face-to-face with the coming storm of persecution that could threaten the very fabric of our nation's freedoms. Glen Cook, the father of Grimdark, returns to the *Chronicles of the Black Company* with a military fantasy adventure in *Port of Shadows*. The soldiers of the Black Company don't ask questions, they get paid. But being "The Lady's favored" is attracting the wrong kind of attention and has put a target on their backs--and the Company's historian, Croaker, has the biggest target of all. The one person who was taken into The Lady's Tower and returned unchanged has earned the special interest of the court of sorcerers known as The Ten Who Were Taken. Now, he and the company are being asked to seek the aid of their newest member, Mischievous Rain, to break a rebel army. However, Croaker doesn't trust any of the Taken, especially not ones that look so much like The Lady and her sister... *The Chronicles of the Black Company #1 The Chronicles of The Black Company #2 The Books of the South #3 The Return of The Black Company #4 The Many Deaths of the Black Company* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The first book in a series featuring characters from the D&D core rules. Featuring the iconic characters that appeared throughout the third edition of the D&D game, this new series will attract new players and readers to the various worlds featured in the Wizards of the Coast book publishing line. The already familiar characters and D&D-related content will also make this series very approachable to current players.

From the Gamma Quadrant they came, hordes of merciless Jem'Hadar soldiers commanded by the shape-changing Founders, who seek to conquer both the United Federation of Planets and the Klingon™ Empire. Now that the Dominion has joined forces with the Cardassians, and claimed Deep Space Nine™ as their prize, Starfleet is running out of time. As a secret military project nears completion, the destiny of the entire Alpha Quadrant depends on the courage of a few. In the Federation's time of greatest peril, as the Starship Enterprise™ readies itself for battle, Captain Jean-Luc Picard leads a desperate mission of espionage deep into the heart of the hostile Cardassian Empire. Unless they can prevent the Dominion from creating an artificial wormhole, hordes of fresh Jem'Hadar warriors and Changelings will pour into the Alpha Quadrant, dooming the Federation to unconditional surrender. But there may be a traitor along on the mission and Picard finds he cannot trust even his closest allies.

When he is assigned to protect and deliver Bella MacDuff to the king's coronation, Lachlan "Viper" MacRuairi, a warrior who is only loyal to his purse, agrees to help the countess reclaim her daughter and her freedom--for a price.

A conclusion to the Japanese dystopian steampunk series that began with Stormdancer finds Yukiko and Buruu taking leadership of the rebellion when the Lotus Guild unleashes a mechanical goliath and a new enemy joins the war. Map(s).

In this revealing autobiography, Canada's first lady of song, for the first time, tells the whole story of her astonishing 40-year career in show biz. It is a candid retrospective of the extraordinary success achieved, and the prices that had to be paid. "After 'Snowbird' hit, I was swept up like Dorothy in The Wizard of Oz, and catapulted into a strange new universe ... If I thought for a moment that I was really in control of events, I was deluded." Anne Murray An unflinching self-portrait of Canada's first great female recording artist, All of Me documents the life of Anne Murray, from her humble origins in the tragedy-plagued coal-mining town of Springhill, Nova Scotia, to her arrival on the world stage. Anne recounts her story: the battles with her record companies over singles and albums; the struggle with drug- and alcohol-ridden band members; the terrible guilt and loneliness of being away from her two young children; her divorce from the man who helped launch her career, Bill Langstroth; and the deaths of two of her closest confidantes. The result is a must-read autobiography by Canada's beloved songbird. In 1993 at a top secret facility conducting telekinetic research, something dangerous escaped. Now the government wants it back. Jim Thorpe Pennsylvania is a quiet little tourist town where nothing exciting ever really happens. All of that changes when a young woman is found brutally murdered and a local boy vanishes without a trace. Fearful for his safety and led by Keenan Braddock, a clairvoyant haunted by visions of an elusive killer, a group of teenagers set out to find their missing friend and confront an unstoppable enemy. Now, years later, that same group has returned home for the funeral of friend. Together they recount the terrifying story of their youth and a hidden secret buried deep within the past. In a time when young heroes make a stand and face off against the worst of childhood fears, J.L. Davis constructs a haunting thriller where forces converge in a battle of good verses evil and the clock isn't just ticking. It's about to run out.

Co-author of the Dune sequels, Kevin J. Anderson's Gods and Dragons marks his triumphant return to epic fantasy, featuring a politically charged adventure of swords, sorcery, vengeance, and the awakening of sleeping giants. Two continents at war: the Three Kingdoms and Ishara have been in conflict for a thousand years. But when an outside threat arises—the reawakening of a powerful ancient race that wants to remake the world—the two warring nations must somehow set aside generations of hatred to form an alliance against a far more deadly enemy. This collection bundles Chris Walley ' s entire epic Lamb among the Stars series into one e-book for a great value! #1 The Shadow and Night In the first book in the epic Lamb among the Stars series, author Chris Walley weaves the worlds of science and the spirit, technology and supernatural into something unique in science fiction. Twelve thousand years into the future, the human race has spread across the galaxy to hundreds of terraformed worlds. The effects of the Fall have been diminished by the Great Intervention, and peace and contentment reign under the gentle rule of the Assembly. But suddenly, almost imperceptibly, things begin to change. On the remotest planet of Farholme, Forester Merral D ' Avanos hears one simple . . . lie. Slowly a handful of men and women begin to realize that evil has returned and must be fought. What will this mean for a people to whom war and evil are ancient history? Thus begins the epic that has been described as " If C. S. Lewis and Tolkien had written Star Wars. " The Shadow and Night was previously published in two volumes: The Shadow at Evening and The Power of the Night. #2 The Dark Foundations The Dark Foundations continues the epic story begun in The Shadow and Night. Far beyond the tranquility of the Assembly worlds, Nezhuala, Lord-Emperor of the Dominion, is preparing a merciless and crushing attack on Farholme as a prelude to an onslaught on the Assembly. Back on Farholme, Commander Merral D ' Avanos recovers from his wounds after the battle at Fallambet where the intruders were destroyed. Yet even as Merral dreams of a return to peace, he receives a warning of imminent war on a massive scale he cannot ignore. Amid the urgent preparations for battle, Merral and his friends realize the inadequacy of their defenses. Then, with weeks to spare before the predicted eve of war, Merral receives an offer of assistance from the strangest of sources. But can it be trusted? As the wave of war finally crashes over Farholme, Merral must find the answer to other questions in the heat of battle: Can Farholme survive the growing internal strains? Who will pay the price for victory? Will his own weaknesses undo both him and his world? #3 The Infinite Day " Vero, you remember you once said there were people who would follow me to the gates of hell? " / " A figure of speech. " / " We ' d better find them. That ' s where we ' re going. " / After the defeat of the evil Dominion forces at Farholme, Commander Merral D ' Avanos prepares a task force to rescue thirty hostages captured by the fleeing Margrave Lezaroth. Merral ' s only hope is that he can get to the hostages before they ' re taken to Lord-Emperor Nezhuala at the Blade of Night—the nexus of the Dominion ' s power. But in order to get there, Merral and his crew will have to survive a perilous trip through Below Space. Meanwhile, news of the Dominion ' s defeat at Farholme reaches Ancient Earth but is tempered by the sobering truth of the enemy ' s growth and strength. It is now clear that an attack on the Assembly is imminent, but how far should the Assembly go to stop it? And does the real danger lie in the Dominion or in the subtle evil that has arrived at the heart of the Assembly itself? The Infinite Day is the thrilling conclusion to the epic Lamb among the Stars series that has readers and critics raving.

Assisting a friend in a search for a kidnapped woman, detective Charlie Parker links the abduction to a church of bones in Eastern Europe, a 1944 slaughter at a French monastery, and the myth of an object known as the Black Angel.

Princess Alera of Hytanica resents that she is duty-bound to wed Steldor, the arrogant and hot-tempered suitor her father has chosen as successor to the throne, but the more she learns of palace intrigue and ancient feuds, the less sure she is of right and wrong.

"This series is one of the best "historical" vampire series I've read." -- Bitten by Books Daumia Velde will be paying for his brother's death for the rest of his life. Not because he is guilty, but because those who are guilty need a scapegoat. Daumia would be dead himself were it not for the assistance of Sunaria, a mysterious woman appearing in the nick of time from the ghostly night of the graveyard. After years of serving the corrupt Roelle at his ranch in Spain, Daumia at last begins to think of his freedom - of paying back the men who accused him and finding a way to rise in the world. What he cannot foresee is the extent of his danger or the depth of the depravity of those who would

hide their own crimes behind his ignorance. Freeing himself from their deceptions may take more than Daumia is prepared to give. It may, in fact, require his very life. In this sweeping saga of betrayal and corruption in 15th century Spain, VMK Fewings introduces us to her epic Stone Masters Vampire Series. This is the story of the man who would become one of the most powerful vampires in history. Behind the legendary Orpheus is the history of a conflicted man fighting for his place in the world - and before that, a young boy who was not meant to survive the graveyard.

Jason logs into Awaken Online fed-up with reality. He's in desperate need of an escape, and this game is his ticket to finally feeling the type of power and freedom that's so sorely lacking in his real life. Awaken Online is a brand new virtual reality game that just hit the market, promising an unprecedented level of immersion. Yet Jason quickly finds himself pushed down a path he didn't expect. In this game, he isn't the hero. There are no damsels to save. There are no bad guys to vanquish. In fact, he might just be the villain. (This novel contains graphic violence and language. If books had ratings, it would be rated "M" for Mature)

Her story begins on a train. The year is 1956, and the Axis powers of the Third Reich and Imperial Japan rule. To commemorate their Great Victory, they host the Axis Tour: an annual motorcycle race across their conjoined continents. The prize? An audience with the highly reclusive Adolf Hitler at the Victor's ball in Tokyo. Yael, a former death camp prisoner, has witnessed too much suffering, and the five wolves tattooed on her arm are a constant reminder of the loved ones she lost. The resistance has given Yael one goal: Win the race and kill Hitler. A survivor of painful human experimentation, Yael has the power to skinshift and must complete her mission by impersonating last year's only female racer, Adele Wolfe. This deception becomes more difficult when Felix, Adele's twin brother, and Luka, her former love interest, enter the race and watch Yael's every move. But as Yael grows closer to the other competitors, can she be as ruthless as she needs to be to avoid discovery and stay true to her mission? From the author of The Walled City comes a fast-paced and innovative novel that will leave you breathless.
