An entertaining and moving tribute to big brothers by the author/illustrator of *Meet Me at the Moon* and *Following Papa's Song*. Continuing her picture book stories about family relationships, Gianna Marino introduces Little Giraffe, who adores her big brother. Set in a stunning African landscape, the story begins with a game of hide-and-seek as Little Giraffe looks for her big brother, who's just out

He's taller and faster and braver than her, she tells them. But as the search continues, the other animals insist that Little Giraffe is tall, and fast, and brave, too . . . and best of all, she has a wonderful older brother who looks out for her! Fans of David Almond's *Skellig* and Patrick Ness's *A Monster Calls* will embrace this deeply affecting middle grade novel in which a girl suffering from terrible grief befriends a mysterious wild

Eleven-year-old Kaia, who has felt isolated since her older brother committed suicide more than a year before, befriends a wild boy who mysteriously appears at her London school. Though the boy is mute and can only communicate with a flash of his gray eyes, he might be the friend Kaia needs to bring her through her grief. Zacarias Moussaoui was arrested in the United States in August 2001. He is currently in a federal prison in Virginia, charged with "conspiring with Osama bin Laden and Al-Qaeda to murder thousands of innocent people in New York, Virginia, and Pennsylvania." Moussaoui , who trained to be a pilot in Oklahoma, admits to being a member of Al-Qaeda but denies involvement in the events of

September 11. He has opted to defend himself. Written by his brother, Zacarias, My Brother tells the story of Zac ' s life from birth to the time in 1996 when he broke contact with his family and became deeply involved with Muslim fundamentalists in London. It is a unique document about what it is to grow up a Muslim in Western Europe today and how an extremist is made. In Zacarias, My Brother, author Abd Samad Moussaoui describes the struggle that young Arab men and their families endure in Europe, seeking an education and equal opportunity, only to find most avenues of assimilation

effectively barred to people of color. At the same time, he authoritatively details the techniques of the extremist sects that recruit potential terrorist cadres. Members of the Wahhabi sect have perfected a rhetoric that appeals to the wounded pride of these young Arab men, Moussaoui writes—for example, offering funds to help them complete their education. Moussaoui deplors the route taken by his brother. He is not in any way an apologist for terrorism. Even so, he shows convincingly that normal young men can end up terrorists, and suggests how and why this

happens. Moussaoui shows with gripping clarity how Wahhabism distorts true Islamic faith and the threat it poses to Islam. And his book strongly suggests that the best defense against terrorist groups like the Wahhabi sect in the future is anything people can do to end racism.
