Suzanne McMinn, a former romance writer and founder of the popular blog chickensintheroad.com, shares the story of her search to lead a life of ordinary splendor in Chickens in the Road, her inspiring and funny memoir. Craving a life that would connect her to the earth and her family roots, McMinn packed up her three kids, left her husband and her sterile suburban existence behind, and moved to rural West Virginia. Amid the rough landscape and beauty of this rural mountain country, she pursues a natural lifestyle filled with chickens, goats, sheep—and no pizza delivery. With her new life comes an unexpected new love—“52,” a man as beguiling and enigmatic as his nickname—a turbulent romance that reminds her that peace and fulfillment can be found in the wake of heartbreak. Coping with formidable challenges, including raising a trio of teenagers, milking stubborn cows, being snowed in with no heat, and making her own butter, McMinn realizes that she ' s living a forty-something ' s coming-of-age story. As she dares to become self-reliant and embrace her independence, she reminds us that life is a bold adventure—if we ' re willing to live it. Chickens in the Road includes more than 20 recipes, craft projects, and McMinn ' s photography, and features a special two-color design.

Here for the first time, the famous food of Louisiana is presented in a cookbook written by a great creative chef who is himself world-famous. The extraordinary Cajun and Creole cooking of South Louisiana has roots going back over two hundred years, and today it is the one really vital, growing regional cuisine in America. No one is more responsible than Paul Prudhomme for preserving and expanding the Louisiana tradition, which he inherited from his own Cajun background. Chef Prudhomme's incredibly good food has brought people from all over America and the world to his restaurant, K-Paul's Louisiana Kitchen, in New Orleans. To set down his recipes for home cooks, however, he did not work in the restaurant. In a small test kitchen, equipped with a home-size stove and utensils normal for a home kitchen, he retested every recipe two and three times to get exactly the results he wanted. Logical though this is, it was an unprecedented way for a chef to write a cookbook. But Paul Prudhomme started cooking in his mother's kitchen when he was a youngster. To him, the difference between home and restaurant procedures is obvious and had to be taken into account. So here, in explicit detail, are recipes for the great traditional dishes--gumbos and jambalayas, Shrimp Creole, Turtle Soup, Cajun "Popcorn," Crawfish Etouffee, Pecan Pie, and dozens more--each refined by the skill and genius of Chef Prudhomme so that they are at once authentic and modern in their methods. Chef Paul Prudhomme's Louisiana Kitchen is also full of surprises, for he is unique in the way he has enlarged the repertoire of Cajun and Creole food, creating new dishes and variations within the old traditions. Seafood Stuffed Zucchini with Seafood Cream Sauce, Panted Chicken and Fettucini, Veal and Oyster Crepes, Artichoke Prudhomme--these and many others are newly conceived recipes, but they could have been created only by a Louisiana cook. The most famous of Paul Prudhomme's original recipes is Blackened Redfish, a daringly simple dish of fiery Cajun flavor that is often singled out by food writers as an example of the best of new American regional cooking. For Louisianians and for cooks everywhere in the country, this is the most exciting cookbook to be published in many years.

Counting by Fives

Hunter Clarke wanted one thing for Christmas: to spend it with his dad and his brother. He misses being included in any guy trips since his parents divorced and he went to live with his mom. So he's less than happy when his mother tells him that he won a contest to spend Christmas in West Monroe, Louisiana, with a family named the Robertsons. For some reason, they're supposed to be a big deal. How did he win a contest he didn't enter? Besides, he's never heard of them and sure doesn't want to spend Christmas in a swamp with a bunch of strangers. Korie Robertson is excited to open her heart and home to Hunter and show him what the Christmas season looks like for the Robertson family. And like it or not, Hunter experiences it firsthand. From duck-hunting disasters with the bearded guys, to learning to cook with Miss Kay, Hunter quickly discovers what it's like to live with this boisterous, yet loving family. Putting on his headphones and ignoring them is not an option. Before long, Hunter begins to let his guard down. But with Christmas and the end of his trip fast approaching, will it be too little, too late? Or will Hunter be open to the greatest gift of all?

Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured.

Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n’ roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

A star of the hit A&E show Duck Dynasty brings together his best tall tales, crazy exploits and quirky one-liners in a single raucous collection.

Gymnastics Require Dedication And Skill. See What Goes Into This Exceptional Sport. High Interest Informational Text To Support Rigor And Text Complexity.

This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty® star, from early childhood through the founding of a family business. LIVING THE DREAM Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he’s quick to say, “Faith, family, ducks—in that order.” It isn’t often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil’s is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the “good life” he always wanted. If you ever wind up sitting face-to-face with Phil, you’ll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you’ve watched the exceedingly popular A&E® program Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don’t know is his life before the show. In the pages of this book, you’ll learn of Phil’s colorful past and his wild road to the “happy, happy, happy” life he leads today. Before the “happy,” Phil’s passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of “romping, stomping, and ripping” for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a “called” man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you’ll find stories that will shock you, as well as those that will inspire you. You’ll get to know the man behind the legend, and you’ll come away better for it.

The sassy, country-cookin’ matriarch of the Robertson clan and star of A&E®'s Duck Dynasty® dishes up her fabulous recipes and stories in this irresistible family cookbook. Writing a cookbook for people who love good food has been a lifelong dream for me—and I’m so happy to be sharing some of our family’s favorite recipes with you! In this book you’ll find everything from Jase’s Favorite Sweet Potato Pie to Phil’s own special recipes, like his scrumptious Crawfish Fettuccine. There’s “girly” food for a gathering of your best girlfriends, like Aunt Judy’s Cranberry Salad, as well as dishes straight from the hunt like Boiled Squirrel and Dumplings. In addition to more than one hundred specially chosen recipes, I’ve included old family snapshots of the days before the Duck Dynasty® series on A&E® and stories of our family and how we live. The dinner table has long been one of our favorite places for telling stories, and there’s always competition to see who can dish out the wildest story. We believe that food and cooking bring people together—it’s brought our family together for generations, and it can do the same for yours. Gather your family around the table and serve up delicious home-cooked meals with recipes like . . . • Willie’s Famous Chicken Strips • Melt-in-Your-Mouth Biscuits • Cheesy Corn Casserole • Fresh Strawberry Pie • Best Brisket Ever • Crawfish Balls • Creamy Green Grape Salad • Papaw Phil’s Homemade Ice Cream Join with our family as we create lasting family traditions that will warm the hearts and bellies of those you love. Let’s do it together.

My Life and Legacy as the Duck Commander

A Moving Story of Redemption and Second Chances Jep Robertson, the youngest son of Duck Commander Phil Robertson, and his wife, Jessica, open up about their personal trials, their early years together, and the challenges that might have destroyed them both had the grace of God not intervened. Jep describes being molested as a child and his reluctance to tell anyone until only a few years ago, his downward spiral into drug and alcohol abuse, and the eventual intervention of his family. Jessica shares about the difficult failure of her first marriage while still a teenager and the hurt that came along with it, much of it from the church. Her insecurities spun out of control as she wondered whether she would ever be good enough or pretty enough. This book is their love story but, more importantly, their love story for God. “We are desperate to let people know that no matter what you’ve done; no matter what you’ve lived through, you can come out of it. You can be washed clean. You are redeemed.”

This special boxed set includes three bestsellers from the stars of the hit A&E® program Duck Dynasty®: The Duck Commander Family, Si-Cology, and Happy, Happy, Happy. The Duck Commander Family Willie and Korie tell their behind-the-scenes story—a story that’s wrapped in one of their favorite things: food! In chapters like “Chicken Strips,” you’ll read how Willie married Korie when she was only eighteen, and in “Duck Gumbo” you’ll see how lessons from his early life set Willie up to be CEO of Duck Commander and Buck Commander. Si-Cology Uncle Si shares riotous tales about his colorful life, including his childhood as the youngest Robertson brother, his short stint in college, his days in Vietnam, his passion for hunting, and the stronghold of his faith. In this book, which includes family photos and famous one-liners, Si shares his life in his own quirky style. Happy, Happy, Happy In this revealing book, Phil shares fourteen rules for living, including “Don’t let your grandkids grow up to be nerds,” “Never sell yourself short,” and “It’s cheaper to hire your relatives.” You’ll get insights into what made Phil the man he is today and how he answered the call to be a man of faith and ducks.

Alan and Lisa Robertson, members of America’s favorite back woods family and the Duck Commander Clan, take on the topic of relationships as they share the secrets that saved their marriage. Infidelity, deceit, distrust, and shame. Unfortunately, these are recurring themes in many of today’s marriages in America—even in the family-values-promoting, Christian-based Robertson family. With a romance that began in junior high, the couple got off to a rocky start but soon settled into married life and had two baby girls. Alan became a pastor in the church where his family had been members for years. Then, when Lisa had an affair, the heartache and the tension was very public. But this is not a book about a marriage gone wrong. It is a candid story of rescued love and renewed commitment. After nearly getting divorced, Alan and Lisa came to terms with what went wrong in their marriage and both began the hard work of making it right. Now married for twenty-nine years, Alan and Lisa counsel couples in trouble and speak across the country—openly sharing their hardships, their journey to renewed commitment, and a thriving marriage.

Win the War for Your Own Integrity After Phil Robertson quoted Scripture in an interview with a national magazine, his hit show, Duck Dynasty, put him on “indefinite hiatus.” Phil immediately knew what had happened: he had become a target of cancel culture. Since that time, Phil has spoken out against public shaming, strategic campaigns to get Bible-believing employees fired, and other tactics that are wreaking havoc in our society. In a deeply divided country, with so many bent on condemning and silencing others, Phil calls for us to carry out the unifying message of Jesus Christ. In Uncanceled, Phil shares his own experiences with cancel culture as he encourages us to turn to Scripture as we navigate politics, personal relationships, and conversations, and new cultural norms; helps us see the psychological and political motivations behind silencing conservative voices; reminds us that the goal is not to convince others to like us but to win the war for our own integrity by refusing to bow down to the god of political correctness; and shows us how to trade retaliation for the love and forgiveness that God offers. Uncanceled is a blueprint for standing up for the truth of Jesus Christ in a culture that has forgotten how to have respectful conversations. As Phil reminds us, when we embrace the truth that Jesus Christ already paid an enormous debt to cancel our sins, we find a path to redemption, a way to forgiveness, and a means for godly connection.
