Influenced by a deep commitment to music, philosophy, and literature, the world-renowned architect Daniel Libeskind chooses drawing to put his ideas and thoughts into practice, stating that architectural drawing is in itself a creative work. Drawings which constitute "architectural explorations" – from Micromegas to Chamber Works and Sonnets in Babylon – are presented in this book along with those on "real" architecture, documenting the creative process of prestigious projects such as the Jewish Museum in Berlin and the World Trade Center redevelopment in New York.

Paperblanks Nocturnelle Journal, a reproduction of an antique French binding, is based on a cover designed in 1829 by publishers A. & W. Gallgnani for The Poetical Works of Thomas Moore. This notebook cover suggests the fine Moroccan leather, structural sturdiness, careful finishing and ridged spine preferred for bindings of that era

A collection of compelling quotations from a rising star in contemporary art, architecture, and design The work of renowned contemporary artist Daniel Arsham blurs the lines between art, architecture, archeology, and design. In his distinctive style, he takes ancient art works and objects from twentieth-century pop culture and casts sculptures of them in geological materials such as quartz or volcanic ash, colliding past, present, and future in haunted yet playful visions that prompt viewers to question their everyday surroundings. Gathered from interviews and other sources, Arsham-isms is a collection of lively, thought-provoking, and memorable quotations from this exciting young creative talent on a wide range of subjects—including art, architecture, film, design, pop culture, the art world, and what it means to be a globally recognized artist today. Select quotations from the book: "Art needs to be a little dangerous." "You don't have to own the thing to be part of it." "This work for me is not about progress. It is about destruction and growth and where they are able to meet in the middle."

*The ultimate love letter to the world's most magical plant—weed—from the rapper, chef, TV star, and bestselling author of F*ck, That's Delicious. This is an exploration of every corner of the pot galaxy, from highly scientific botanical analyses and the study of pot's medicinal benefits to a guide to the wild world of weed paraphernalia. It's also a very personal tribute to a substance Bronson refers to as life changing, horizon-expanding, a conduit for happiness, a connector. Weed is to Action Bronson what the madeleine was to Proust: the door to true consciousness. Organized loosely as 100 entries, including thirty-five recipes, and packed with illustrations and photos, Stoned Beyond Belief is a trippy and munchie-filled experience as well as an entertainingly valuable resource for weed enthusiasts and scholars. Stoned Beyond Belief will delight Action Bronson fans and pot aficionados all across the universe.*

In a startling change of direction, cult favourite Tao Lin presents a dark and brooding tale of illicit love that is his most sophisticated and mesmerising yet. Named after the real-life writer Richard Yates, but, having nothing to do with him, Lin tracks the illicit affair between a very young writer and his underage lover. As the writer seeks to balance work and love, his young lover becomes ever more self-destructive in a play for his undivided attention. Lin's trademark minimalism takes on a new sharp-edged suspense here, zeroing in on a lacerating narrative.

Before being published as a small book, these "counsels of perfection" and spiritual notes by Blessed Edward Poppe (1890-1924), a Belgian priest whose cause for canonization is under way, had been transcribed a hundred times by hand by those who had tasted their flavor, vigor, and supernatural wisdom. Fresh and luminous, this little book has been a tremendous success in Dutch, French, Italian, and German; it now appears at last in English. Responding well to the needs of the faithful, it will become an inseparable vademecum for all those who wish to live "under the gaze of God."
