*Book Praise & Reviews: "As a how-to guide, this book connects everything you need to know to turn your passions into profits..." Bill Bartmann (Billionaire entrepreneur, author, speaker, educator) Read & Give Program A portion of the sale of this book is donated to charity. Book Description Are you unhappy in your job? Are you tired of living paycheck to paycheck and feel like you just don't have enough money, skills, or education to turn your life around? Even if you're not sure you know what it is you like to do, you can change your life and get rich doing it, says author Duane Harden in his wise and entertaining new book, 5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It. Turning your passion into a profitable business is easy, fast, and fun, says Harden, and you can become rich in just five easy steps. First, start by saying yes to financial freedom. Attitude is everything and as the Law of Attraction states, what you put out into the universe is often what you attract. If you imagine yourself financially secure and happy, you will be. Imagining a new life for yourself is the inspiration you need to go out and do the concrete things to turn your dreams into a reality. Conversationally written and filled with humorous drawings, helpful worksheets, and key tips, 5 Easy Steps to Financial Freedom also offers a 90-day action plan that includes blueprints for success that Harden himself used to build his wealth. His own journey included the purchase of numerous real-estate properties, opening a restaurant, starting a music company, and much more. Harden gives you "Life Assignments" that get you thinking and acting differently. Beware of what he calls the "crabs in a pot" mentality, where everyone is trying to pull everyone else down in order to struggle to the top. Instead, he advises, think positively. Stay away from the naysayers and feed your dream. Soon you will realize that your inner life is reflected in your outer life. Harden helps you to discover the real you, what you want, and how much money you want to be there for you now and in the future. He explains how the real difference between rich people and poor people is fear and an unwillingness to keep an open mind to new opportunities. Rich people are not afraid to take risks, and well-planned risks almost always pay off. Success, he reminds you, is your birthright and it's your job to claim it. Review your credit and your financial house. Clean up the clutter in your life, whether it is the wrong way of thinking or a messy desk. Discover what really makes you tick because when you love what you do it's never really work, and when passion is present the money will miraculously follow. Keep daily positive reminders taped where you can see them, or even have a vision board filled with photographs of where you want to be in life. Write your resignation letter to your boss, but don't send it yet. Just the act of writing it puts you in the right frame of mind for moving on to something much better. "You are what you think and will become what you dream," says Harden. You'll learn to be a PIG (passive income generator) Farmer, which requires little work but makes you tons of money. 5 Easy Steps to Financial Freedom shows you how to go from rags to riches and is understandable and easy to read. This invaluable guide will change your life!*

Get Money Saving Tips and Practical Financial Advice You Can Start Applying to Your Life Today Here's just 4 money tips (money management strategies) included in this incredible financial guide from Christian counselor, June Hunt. Money Tip #1: Identify and Assess Your Financial Situation Take inventory of your assets: What do you own? (car, house, property, insurance policy—large items)? Identify your income: How much money do you make? Detail your debts: What/who do you owe? When is it due? What interest rates are you paying on each debt? Approximate your monthly bills: What do you pay for rent/mortgage, utilities, gasoline/transportation, phone, food, clothing, insurance, entertainment? Financial Freedom shows you how to go from rags to riches and is understandable and easy to read. This invaluable guide will change your life!*

*Financial Freedom shows you how to go from rags to riches and is understandable and easy to read. This invaluable guide will change your life! anticipate? (such as schooling, purchasing a home, replacing a car, etc). Consider future career and family changes: Are you considering starting your own business, serving in a ministry, getting married, or starting a family? How will these plans change your financial situation? State your future financial goals: Financially, where do you want to be 5 years from now...10 years? What are realistic expectations money saving goals? Money Tip #1. Take Action with Your Finances Pay extra on your debts and stop feeding your debt through unnecessary habits. Establish a savings plan: How much money are you setting aside for the future? How are you preparing for major emergencies and for retirement so that you don't find yourself in debt again? To help you chart your path to financial freedom, grab a copy of June Hunt's Financial Freedom: How to Handle Your Money Wisely. This tool offers practical help to find financial freedom, including: "Five Principles of Managing Money" and "How to Cancel Debt." What perspective should I have of money? Myth: "If you live a godly, Christian life, you will experience financial gain and prosperity." Truth: According to God's Word, godliness is not a means to financial gain. The Bible calls this "a different doctrine" taught by false teachers. Myth: "Money is the root of all evil." Truth: No, according to the Bible, it is the "love of money" that is a root of evil. (1 Timothy 6:10). Money can be used for great good. Myth: "If I ever have enough money and earthly possessions, I will be happy." Truth: Happiness does not spring from your financial situation nor does it come from possessions. "His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!'" (Matthew 25:23). Finding true financial freedom involves more than having enough money to bask in the comfort of a prosperous lifestyle. It's more than learning to budget expenses, to save regularly, to invest wisely. True financial freedom is being content with what God gives you. And contentment is a matter of the heart! Suze Orman has transformed the concept of personal finance for millions by teaching us how to gain control of our money – so that money does not control us. She goes beyond the nuts and bolts of managing money to explore the psychological, even spiritual power money has in our lives. The 9 Steps to Financial Freedom is the first personal finance book that gives you not only the knowledge of how to handle money, but also the will to break through all the barriers that hold you back. Combining real-life recommendations with the motivation to overcome financial anxieties, Suze Orman offers the keys to providing for yourself and your family, including: • seeing how your past holds the key to your financial future • facing your fears and creating new truths • trusting yourself more than you trust others • being open to receiving all that you are meant to have • understanding the lessons of the money cycle The 9 Steps to Financial Freedom is useful advice and inspiration from the leading voice in personal finance. As Orman shows, managing money is far more than a matter of balancing your checkbook or picking the right investments. It's about redefining financial freedom – and realizing that you are worth far more than your money.

Despite his achievements, David Ricardo's views on money have often been misunderstood and underappreciated. His advanced ideas had to wait until the twentieth century to be applied, and most historians of economic thought continue to consider him as an obsolete orthodox. The last book devoted in tribute to Ricardo as a monetary economist was published more than 25 years ago. Ricardo on Money encompasses the whole of Ricardo's writings on currency, whether in print, unpublished notes, correspondence, or reported parliamentary speeches and evidence. The aim of the book is at rehabilitating Ricardo as an unorthodox theorist on money and suggesting his relevance for modern analysis. It is divided into three parts: history, theory and policy. The first describes the factual and intellectual context of Ricardo's monetary writings. The second part puts the concept of standard centre stage and clarifies how, according to Ricardo, the standard regulated the quantity – and hence the value – of money. The final part shows that Ricardo relied on the active management of paper money rather than on flows of bullion and commodities to produce international adjustment and guarantee the security of the monetary system. Published to coincide with the 200th anniversary of the publication of On the Principles of Political Economy, and Taxation, this book will be of great interest to all historians of economic thought and scholars of monetary economics.

Sure to stir your appetite for your own amazing moments where God comes through for you, these incredible stories will encourage you and lift you up! They will build your faith in a living God who wants to give you your own "Crackerjack Moments" with Him!

Face the truth: Life-changing, life-defining moments mark key points along your own journey. A defining moment happens when you come face-to-face with a truth that invites you to change. And regardless of the choice you make, you will never be the same. In this eight-part companion study guide to theDefining MomentsDVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture—the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever. Story Behind the Book While working to develop a series that would introduce people to a new mind-set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff, church, and through the extended home study groups of North Point Community Church, this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah.

This fascinating book illustrates how human behavior regarding money is triggered by emotion and powered by our psychic makeup, empowering readers to better understand their own behavior and decision making with your money. • Provides unique insights into the emotional/psychological side of money and discusses how money affects the way we think and behave • Examines how human emotion on an individual level influences much larger economic cycles of boom and bust • Includes worksheets and quizzes to help readers determine their own Money Script and how it was "written" in their own family • Identifies the differences commonly seen between men and women in money attitudes and money management

Audio Version is Now Available with Audible! Exclusive Offer - Includes Free Bonus of Best Selling Book: Conscious Visualization - 5 Simple Steps to Condition Your Mind to Create the Life of Your Dreams You will not achieve fulfillment and happiness until you allow God to be the architect of your reality. Imagine that with a few moments each day, you could begin the powerful transformation toward complete control of your own life and well being through prayer. You will be able to release all fear and doubt simply because you know that God gives you the strength. You can utilize this simple, proven technique to regain the lost comforts of joy, love, and fulfillment in your life. God's gift of life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kinds of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the positive energy that God already has flowing within you. You are exactly who you think you are, and it's up to you to create those thoughts and manifest them as God's creation. No more lack of faith, motivation, and feelings of doubt in your life. No person can find happiness in an environment beyond his or her control. But you can get up, get out, and take control with God. Get what you want and desire from the world like millions of others around the globe using prayer. You are already blessed with the power to assert your own perceptions and transform your thoughts and desires into reality. By using prayer daily, you will unlock that natural potential that God placed inside of you. Prayer starts by creating a cycle of continuous prayers. You must believe and repeat these declarations and prayers each day. If the thoughts and ideas that we affirm are not true in reality, a dynamic tension is created between your perceived reality and your psyche. This presence of dynamic tension causes imbalance between your psyche and perceived reality. Your consciousness will work to get back in tune with the God's vision of the universe to resolve the tension. There are two simple ways to ease this tension. You must work with God's creation in order to make your declarations become true, or you must stop the prayer. As you choose to continue praying, your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth. Sooner than later, you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality. If you want to see positive change now, you'll find the quickest path to fulfillment with prayer through God's love. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested. There is no limit to changes that God can make in your life through the power of creating truth with prayer... Read This Book To Change Your Life Today! Also available in Audiobook & Ebook Format

Because you can, You will be able to release all fear and doubt simply because you know that you can. Utilize this simple, proven technique to regain the lost comforts of joy, love, and fulfillment in your life. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of affirmation can elevate you above any of life's challenges. Life is too short to be exhausted on thousands of everyday anxieties and fears. Sadly, the average person will get to the end of their life and realize that more than half of it was spent struggling with these kind of problems. Because they didn't know what to do, many of these people never found any satisfaction in life. You can and will become bigger than those struggles by enhancing the energy that already flows within you. Too often people are held hostage and limited by a cycle of negative thinking and pessimism. This kind of thinking creates a streak of what many choose to call, "bad luck". I have good news for you. There is no such thing as "bad luck". This phenomenon is merely a cycle of negative affirmation that must be broken and mended with a fresh regimen of positive affirmation and vision. By repeating and remembering these affirmations in times of difficulty, we transform our rigid affirmations of defeat and intimidation into warm, confident manifestations of the world as we choose it to be. Get what you want and desire from the world like millions of others around the globe using affirmations. You already possess the power to assert your own perceptions and transform your thoughts and desires into reality. By using positive affirmations daily, you will unlock that natural potential inside of you. If you want to see positive change now, you'll find the quickest path to fulfillment with positive affirmation and visualization. There is no time to spend on loss, negativity, and defeat when you can be achieving tangible, historically proven results with minimum time and effort invested. There is no limit to changes that can be made through the power of creating truth with affirmation... Read This Book To Change Your Life Today! Also available in Audiobook & Ebook Format

Everyone has had luminous moments — those instances when we experience the beauty and grace of life, whether we're looking into the eyes of a newborn or watching the sun set over the ocean. But those moments are usually brief and difficult to consciously create. Many of us have been successful in attaining personal and professional goals, but we're too exhausted to enjoy what we've accomplished. Or we might walk around in a fog, feeling vaguely frustrated, resigned, or cynical and asking all the wrong questions about how to make our lives better. In either case, we miss the purpose of being alive: to wake up and fully become ourselves, to allow others to contribute to us and, in turn, to contribute our gifts to the world — fully savoring the journey along the way. This fascinating new book gives us specific methods for bringing luminosity into our lives on a consistent basis, allowing us to view the world with much younger, more vibrant eyes. Mastering Life's Energies shows us how to use all the energies of our lives — physical vitality, creativity, time, money, enjoyment, and relationship — to realize our goals and dreams and, even more important, live a luminous life, filled with possibility and promise.

5 Easy Steps to Financial Freedom

A Pathway to Riches

A Story of Real Boys

*Bert Whitehead, named one of the "Best 60 Financial Advisors in America" by Worth magazine, has a unique "behavioral finance" approach that goes beyond mere number crunching to help people understand and overcome the complex psychological baggage they bring to their financial decisions. Tested and confirmed by hundreds of Bert's clients--including celebrities such as Andrew Weil, MD, who wrote the foreword for the book--this system shows readers how to identify areas of financial dysfunction, and offers specific strategies designed to help different personality types achieve financial freedom by working with their own natural inclinations.*

*We are in desperate need of moments of truth. Truth that can shine through the clutter of modern life. Truth that we can welcome without hesitation. Truth that is good for our souls. The Bible is the only source for such truth, and pastor John MacArthur is absolutely committed to sharing and illuminating God's truth for us. From creation to parenting, leadership to the end times, Moments of Truth addresses practical and foundational subjects in bite-size pieces. Day by day, MacArthur quotes Scripture and helps us apply it to our lives with eye-opening lessons and probing questions that are relevant to the season. Spend time each day with Moments of Truth, and see how God uses the truth to set you free.*

*You Don't Need to Make Millions to Get Rich. Believe Me. This comprehensive 8-step guide provides the blueprint to achieve financial freedom at a young age, regardless of income. No B.S., just answers. In Get Rich Action Plan, you will learn the lifelong habits to become financially independent sooner than you thought possible. Do we really need another personal finance book? YES. The outdated status quo advice of "Save 10% for 40+ years" simply doesn't work. It's time to rethink the conventional wisdom that only serves to continue the vicious cycle of wage slavery and the "live to work" mentality. In an age of globalization and abundance, I'm here to tell you there is another way! It is time to change how we think about personal finance, budgeting, and investing.*

*The 8 steps in this book each work in unison to create a rapid snowball effect that will make your money work for you immediately, so you can afford time off of work or even retire in your 30's. From saving money to investing to growing your income, all of the specifics are covered in this action plan. Get Started on the Right Foot and Change How You Think About Finances I have never made much money by Western standards. In fact, I have never made more than a middle class income. But by employing these strategies, I was able to increase my net worth dramatically at a very young age. It took only 6 years of full-time employment to build an "FU money" fund of hundreds of thousands of dollars, providing me the freedom to travel and take time off of work to pursue other interests. I was able to do this by quickly taking action and ignoring conventional advice. After years of trial and error, I have developed a strategy and philosophy that simply works. And I want to share with you everything I have done to build this large nest egg. I have nothing to hide. The truth is that the path to wealth is not complicated, and you do not need to make millions to get there. More and more of us are realizing that financial freedom is possible in 10 years or less. But the media will never tell you this. Your politicians will never tell you this. They want you to live to work instead of work to live. Now is the time to flip the script and live free! The Time To Take Action Was Yesterday. The Next Best Time is Now. Whether you are in your 20's and looking for sound advice to get started, or you're later in your career and haven't really thought about financial freedom, it's not too late to start! Once you put these systems in place, financial independence will no longer be a lifelong battle. Ditch the 40-year plan and live the life you want to live. Get started today!
