My First French Book (French Edition)

Synopsis coming soon.....
In this counting book a starfish with five arms illustrates the number five, eight reindeer the figure eight, eighteen crayons the number eighteen, and so on.
This fun and colorful, small format introduction to essential words in English is ideal for little hands. Each spread features colorful pictures which illustrate words from a popular theme, including numbers, colors, clothes, toys, food, parties, indoors, playground, animals, transport, and weather. An alphabet game is included on the cover flaps.
Excerpt from Second French Book The first french book was drawn up according to the best continental methods, of which the above quotation admirably expresses the aim. An eminent critic said of my first french book that it is arranged so that the Old-fashioned teacher can use it, and so that he will not be old-fashioned any longer when he has used it. The second french book is intended to follow on the same lines. Upon the practical suggestion of a colleague, I have fused the second and third french books into one: the first french book with its 30 'lessons' takes an average School one year and a half to get through; the second french book with its 40 'lessons' will pro bably occupy two years and a half if not three, especially as the Lessons are more condensed. It was thought preferable to have only two French Books 'for Preparatory Schools or the Junior forms of any schools. I have endeavoured to make this second french book as self-contained and independent of the first as possible. I have given a little less guidance to the teacher. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. The Everything Learning French Book
Illustrated by award winning artist Nick Sharratt, this fabulous dictionary is designed to teach young children simple word and picture association, and to help them develop their language skills -- an essential stage in learning to read. My First Picture Dictionary contains a selection of common everyday words, grouped in familiar themes such as In the Park, At the Seaside, and Things We Like to Eat. Each word is accompanied by a bold, colourful illustration, and many spreads also feature an action-packed scene incorporating the words. A special feature of the dictionary is the questions posed by the cat, the dog and the family of children who appear throughout the book. These questions help parents and teachers to share the book with their children, encouraging them to look closely at the words and pictures, and talk about what they see. The dictionary opens with an introduction for adults, explaining how to get the most out of the book, and ends with a range of fun spreads that explore simple concepts such as colour, numbers and 'doing' words. Age 2-4
A comprehensive introduction to the French language that offers effective strategies, exercises, and advice on learning how to speak, write, and understand basic French.
Dictionnaire bilingue illustre pour les enfants. Bilingual french-english picture dictionary for children.
This simple, colorful picture dictionary is perfect for young readers. Here are more than 350 useful words in English, organized by topic, including school, sports, park, beach, house, street, farm, and wild animals. Each word is clearly illustrated for easy learning, and there is a full alphabetical list of words at the end of the book. A handy format, colorful illustrations, and simple, clear layout make this book ideal for early readers.

First Start French
My First Book of Spanish Words
A bilingual first words collection with a twist: this unique book combines storytelling with English and French vocabulary building. Young readers follow the adventures of a busy family as they go about their day and prepare for a special celebration.
My First 100 Words in French and English - this book is a great way to introduce second language! This is an ideal book for developing vocabulary and language skills for toddlers and young little kids. It is also good for anybody of any age who is interested in learning French! Colorful and beautiful images illustrate every word. This makes it easier to memorize a new language and vocabulary. The words are classified by themes. There is a fairy figure who conjures up different categories of words, for example: nature, food, house, vehicles, clothes, animals or toys. There are pages with fairy who presents a category of words and pages with words for each category- two pictures per page. All the French words are translated in English. This book allows children to build their understanding of both languages and discover new ways to communicate and express themselves. It's a great gift for Birthday or Christmas! Help your child develop language skills and add My First 100 Words in French and English to your home library!
Featuring over 2,000 common words, this is the ideal first Spanish dictionary for kids just starting out on their language learning journey. Each Spanish word is supported by a photo, encouraging visual learning, and a pronunciation, so that children aged 6 and up can get to grips with Spanish. First Spanish Dictionary includes subjects relevant to children, such as school, pets, and sports. Learn how to say la cocina, los hobbys, and de compras and understand their meanings with a handy vocabulary section and plenty of pictures. First Spanish Dictionary is essential for parents and teachers who are keen to teach kids Spanish as a second language. Sections covered: All about Me, Clothes, Home and Garden, City Life, In the Park, Hobbies, Food, Shopping, Animals, Nature, Beach, School, Sports, Colours and Shapes, Opposites, and Weather. Previous ISBN 9781405311229
Travel around the world in 1000 words in this fun search-and-find vocabulary-building book Action-packed illustrations introduce your eager young language learners to essential words in English--plus a few fun ones. From having breakfast together to visiting the zoo or a fantastic art gallery to learn about colors and shapes, these characters will bring new words to life on the page and reinforce those words that you already know. Speak, Write, and Understand Basic French in No Time

Photographs and labels of familiar objects grouped thematically provide an introductory French-vocabulary reference.
The book as the subject of a distinct historical discipline dates from the landmark publication of L'Apparition du livre by Lucien Febvre and Henri-Jean Martin in 1958. In this further contribution to his pathbreaking work with Febvre, eminent French historian Henri-Jean Martin explores the role of the book and book industry in early modern France. Martin begins with a sweeping look at the revolutionary role played by the new technology of printing in Europe of the Renaissance and Reformation. Shifting the focus to France, he then examines the political implications of publishing in the reign of Francis I, including such topics as the founding of royal and university libraries, the role of church-state relations, Richelieu's cultural program, and censorship. In revealing case studies of Rouen and Grenoble, Martin pinpoints precisely which books were sold and to which social groups, and explains why the initially successful printers of Rouen were eventually forced out of business by the Parisian courts. Martin also casts a discerning eye on early graphic design--from the first illustrated "coffee table" books purchased by the newly rich to the invention of the paragraph to facilitate reading. And he shows how attempts by the French government to suppress and control publication were eventually thwarted by free market forces from Amsterdam and Neufchatel. This is a book that will be of interest to those who study the history of the book, intellectual history of early modern Europe, and the relation between politics and ideas.
Follow "Annabelle" as she takes you on various adventures, and ends up teaching you a new skill. Annabelle is a world traveler who is always fashionably dressed, and will not let anyone tell her what to do with her big bouncy hair. Her first task? Teaching you how to speak French! http: //www.theannabelleseries.com

Tell your friends, "Let's go outdoors" ("On va dehors") Express your feelings ("Exprimer mes sentiments") Talk about school ("Mon école") and your classes ("Mes cours") Dozens of puzzles and activities--plus an English-French Dictionary--make learning this exciting new language easy, fast, and fun!
More than 100 useful words beautifully illustrated with bright, cheerful pictures, and cuddly teddy bears. This large, durable format perfect for sharing with little ones to start their first steps in French, and is ideal for kindergarten.
“A delightful and courageous tale and a romping good read. Voila!” —Mark Greenside, author of I’ll Never Be French (No Matter What I Do) William Alexander is more than a Francophile. He wants to be French. There’s one small obstacle though: he doesn’t speak la langue française. In Flirting with French, Alexander sets out to conquer the language he loves. But will it love him back? Alexander eats, breathes, and sleeps French (even conjugating in his dreams). He travels to France, where mistranslations send him bicycling off in all sorts of wrong directions, and he nearly drowns in an immersion class in Provence, where, faced with the riddle of masculine breasts, feminine beards, and a turkey cutlet of uncertain gender, he starts to wonder whether he should’ve taken up golf instead of French. While playing hooky from grammar lessons and memory techniques, Alexander reports on the riotous workings of the Académie française, the four-hundred-year-old institution charged with keeping the language pure; explores the science of human communication, learning why it’s harder for fifty-year-olds to learn a second language than it is for five-year-olds; and, frustrated with his progress, explores an IBM research lab, where he trades barbs with a futuristic hand-held translator. Does he succeed in becoming fluent? Readers will be as surprised as Alexander is to discover that, in a fascinating twist, studying French may have had a far greater impact on his life than actually learning to speak it ever would. “A blend of passion and neuroscience, this literary love affair offers surprise insights into the human brain and the benefits of learning a second language. Reading William Alexander’s book is akin to having an MRI of the soul.” —Laura Shaine Cunningham, author of Sleeping Arrangements “Alexander proves that learning a new language is an adventure of its own--with all the unexpected obstacles, surprising breakthroughs and moments of sublime pleasure traveling brings.” —Julie Barlow, author of Sixty Million Frenchmen Can’t Be Wrong
Upon determining that a pharmacist did not commit suicide but was murdered, Chief of Police Nico Sirsky and his homicide team follow a trail of clues that points to several other possibly related deaths.

First French Words
My First Italian Lesson
Learning the Alphabet with Annabelle
Illustrations captioned in English and Arabic present the different things that happen during the course of the day, like brushing teeth, playing, and eating breakfast.
There are over 270 familiar words in this delightfully illustrated book. Themes include animals, food, farm noises, and things that go.
*The Vocabulary of Modern French provides a fresh insight into contemporary French. With this book, Hilary Wise offers the first comprehensive overview of the modern French vocabulary: its historical sources, formal organisation and social and stylistic functions. Topics covered include: * external influences on the language * word formation * semantic change * style and register In addition, the author looks at the relationship between social and lexical change and examines attempts at intervention in the development of the language. Each chapter is concluded by notes for further reading, and by suggestions for project work which are designed to increase awareness of specific lexical phenomena and enable the student-reader to use lexicographic databases of all kinds. The Vocabulary of Modern French is an accessible and fascinating study of the relationship between a nation and its language, as well as providing a key text for all students of modern French.*
"Simple text paired with themed photos invite the reader to learn to speak Spanish"--Provided by publisher.

The Everything Kids' Learning French Book
Why does everything sound better if it's said in French? That fascination is at the heart of The Story of French, the first history of one of the most beautiful languages in the world that was, at one time, the pre-eminent language of literature, science and diplomacy. In a captivating narrative that spans the ages, from Charlemagne to Cirque du Soleil, Jean-Benoît Nadeau and Julie Barlow unravel the mysteries of a language that has maintained its global influence despite the rise of English. As in any good story, The Story of French has spectacular failures, unexpected successes and bears traces of some of history's greatest figures: the tenacity of William the Conqueror, the staunchness of Cardinal Richelieu, and the endurance of the Lewis and Clark expedition. Through this colorful history, Nadeau and Barlow illustrate how French acquired its own peculiar culture, revealing how the culture of the language spread among francophones the world over and yet remains curiously centered in Paris. In fact, French is not only thriving—it still has a surprisingly strong influence on other languages. As lively as it is fascinating, The Story of French challenges long held assumptions about French and shows why it is still the world's other global language.
