

No Hitting, Henry (You Choose!)

Readers will be delighted by colorful illustrations as they immerse themselves in Sam’s story and try to make the right decisions. Sam finds himself in several situations that make him sad: his hamster dies, his best friend moves away, and his parents pay more attention to his little sister than to him. There are three ways Sam can act in every situation. The reader can compare Sam’s choices to the ones he or she would have made and gain a deeper understanding of the central lesson.

* Instant NEW YORK TIMES and USA TODAY bestseller * * GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 * * BEST BOOK OF THE YEAR* for VOGUE, NPR, VANITY FAIR, and more! * What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the unbeatable hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagrammable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience Red, White & Royal Blue for the first time!" - Christina Lauren, New York Times bestselling author of The Unhoneymooners "Red, White & Royal Blue is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second." - Taylor Jenkins Reid, New York Times bestselling author of Daisy Jones & The Six

It's not safe for anyone alone in the woods. But the woman in the red jacket has no choice. Not since the Crisis came, decimated the population, and sent those who survived fleeing into quarantine camps. She is just a woman trying not to get killed in a world that doesn't look anything like the one she grew up in. There are worse threats in the woods. Sometimes there are men. Men with dark desires, weak wills, and evil intents. Une réécriture du Petit chaperon rouge.

In Six Volumes. With the Corrections & Illustrations of Various Commentators. To which are Added, Notes

Help Hungry Henry Deal with Anger

An Interactive Picture Book About Anger Management

Red, White & Royal Blue

Croton: Journey Into the Afterlife

The One-Minute Temper Tantrum Solution

Keys for establishing healthy boundaries--the bedrock of good relationships, maturity, safety, and growth for children and adults.To help their children grow into healthy adults, parents need to teach them how to take responsibility for their behavior, their values, and their lives. The authors of the Gold Medallion Award-winning book Boundaries bring their biblically-based principles to bear on the challenging task of child rearing, showing parents: " how to bring control to an out-of-control family life" how to set limits and still be loving parents" how to define legitimate boundaries for the family" how to instill in children a godly character

Does your toddler or preschooler seem out of control sometimes? Handling big emotions like anger is hard for our little ones. Hungry Henry knows all about big feelings - he gets angry a lot. And he needs YOUR child's help to calm down! Join the little dinosaur as he builds an amazing rocket... that isn't going quite as planned. Through interactive elements, kids get a chance to help Hungry Henry not only to build his awesome rocket, but also to help him calm down. This book is a good starting point to teach about emotions, especially for the ever-shifting moods of preschool kids. Together with Hungry Henry, kids will discover a set of tools that will help them cope when they're feeling overwhelmed. Tools such as: Recognizing when they are feeling angry Using conscious breathing techniques (Rocket Breathing) Counting to calm down Using positive growth mindset mantras And much more! This book encourages a multi-sensory approach to teach these skills. Some pages instruct the reader to swipe a telescope picture to discover the reason for the journey into the universe, find hidden picture snacks for Hungry Henry, and finally...BLAST OFF by pressing the final button to launch the rocket into the sky! A fun and engaging experience similar to Herve Tullet (Press Here or Mix it Up). An excellent resource for counselors, parents, and teachers alike. Get it NOW and help your kids learn the tools to deal with anger and frustration.

Whimsical illustrations and simple, engaging narrative guide readers through different situations Annie faces that cause her to get angry. She becomes frustrated when her dog drawing comes out poorly. Her mother will not allow her to have a cookie before tea. Her little brother is not playing a game correctly. Annie chooses one out of three behaviors for each situation, and the consequences of that choice is explained. A How to Use This Book Section for both parents and children shows how to apply these lessons to real life.

NATIONAL BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. A NATIONAL BOOK AWARD FINALIST • A MAN Booker PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unseparable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s new novel, To Paradise, coming in January 2022.

A Classic Ghost Story “Of course I was under the spell, and the wonderful part is that, even at the time, I perfectly knew I was.” ? Henry James, The Turn of the Screw The Turn of the Screw by Henry James is a ghost story novella originally published in 1898. A boy is expelled from school due to a horrible secret. This ambiguous story has been studied and adapted extensively and still makes for an intriguing read. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

This series looks at child-centred social issues such as hitting, being fat, getting angry, and feeling sad. The right and wrong decisions are explored in each situation.

Boundaries with Kids

This resource examines developmental, situational, physical, and temperamental factors that can trigger tantrums and provides effective interventions to help teachers avoid long-term negative consequences for children.

From the New York Times bestselling author of The Seven Husbands of Evelyn Hugo A People Magazine Pick * US Weekly "Must* Pick * Named "Best Book of the Summer" by Glamour * Good Housekeeping * USA TODAY * Cosmopolitan * PopSugar * Working Mother * Bustle * Goodreads A breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame: in alternating chapters, we see two possible scenarios unfold—with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby’s guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend, Ethan. Just after midnight, Gabby asks Hannah if she’s ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale consequences for Hannah, as well as the people around her. As the two alternate realities run their course, Maybe in Another Life raises questions about fate and true love: Is anything meant to be? How much in our life is determined by chance? And perhaps, most compellingly: Is there such a thing as a soul mate? Hannah believes there is. And, in both worlds, she believes she’s found him.

Go back to the beginning with this NEIGHBORLY AFFECTION SERIES PREQUEL from a USA TODAY bestselling author. From rescue to romance... Teach a wounded submissive the value of his service. The task ought to be an easy one for an experienced dominant like Henry Webb. But novice Jay Kress challenges his teacher like no other. Still bearing the bruises of an encounter outside the bounds of safe consensual play, Jay is desperate to submit to the man who saved him—and shamed by his desires. Henry recognizes the dangers of a relationship built on hero worship. He'll teach Jay how to stay safe, that's all. He won't take advantage of the younger man's trust. He won't share his fantasies about his dark-haired, athletic student. He'll never claim this submissive for his own...

The Wonderful Story of Henry Sugar

The Secret History

Children will follow Henry as he deals with his feelings of anger and his bad habit of hitting through various situations involving friends and family. His big brother Ben cheats at hide-and-seek. A group of children playing in the park leave him out of their game. His father asks him to behave while they shop. Readers are given a description of the situation, three choices, the action chosen by the character, and consequences of that choice. The interactive question-and-answer approach engages the reader in real-life situations while the charming, colorful illustrations keep the tone of the book whimsical and playful.

Seven superb short stories from the bestselling author of Charlie and the Chocolate Factory and The BFG! Meet the boy who can talk to animals and the man who can see with his eyes closed. And find out about the treasure buried deep underground. A clever mix of fact and fiction, this collection also includes how master storyteller Roald Dahl became a writer. With Roald Dahl, you can never be sure where reality ends and fantasy begins. "All the tales are entrancing inventions." —Publishers Weekly

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has led him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Neighborhood Affection Book 4

Don't Hurt

You've finally reached the pivotal moment in your life to get clean and sober. I welcome you to join me as I share my quest for addiction recovery and sobriety. This book is hopeful and encouraging. It is a must read for the fellow addict that deserves a new chapter in life. I wrote this book with the burning desire and a passion for reaching out to fellow addicts as a resource for them to possibly utilize some of my experiences and methods for recovery and relapse prevention. The book encompasses my life journey from my early teen years into adulthood as an addict, which details some of the painful aspects that encouraged me to turn to substance abuse as a coping mechanism. This book also alludes to my experience with the recovery process which I share many of the self-researched and time-tested techniques that helped me cultivate my successful rehabilitation process. Addiction exerts a long and powerful influence on the brain that manifests in three distinct ways: craving for the object of addiction, loss of control over its use, and continuing involvement with it despite adverse consequences. While overcoming addiction is possible, the process is often long, slow, and complicated. The word "addiction" is derived from a Latin term for "enslaved by" or "bound to." Anyone who has struggled to overcome an addiction - or has tried to help someone else to do so - understands why, and ultimately, we can understand that addiction is a "dis-ease". From my experience, addiction is also a disease of isolation. The question of whether addiction is a disease or not has perplexed clinicians and scholars and researchers for decades. At one point, addiction was easily called the disease. At other points in time, there was considerable debate about how to classify these phenomena. I think it's best to talk about the disease of addiction. The word "addiction" is derived from a Latin term for "enslaved by" or "bound to." Anyone who has struggled to overcome an addiction - or has tried to help someone else to do so - understands why, and ultimately, we can understand that addiction is a "dis-ease". From my experience, addiction is also a disease of isolation. The question of whether addiction is a disease or not has perplexed clinicians and scholars and researchers for decades. At one point, addiction was easily called the disease. At other points in time, there was considerable debate about how to classify these phenomena. I think it's best to talk about the disease of addiction. My story is like so many others who chose to foolishly abuse alcohol and drugs...most of us were unaware that we had these addictions that are conveniently labeled as a "disease." However, the fact is that each one of us is a unique individual with our own story to tell. Usually, the suffering alcoholic/ addict hits a point called "rock bottom" in their lives where they choose to get better or turn for the worse. When this happens, life-changing events usually transpire to test the person's character and integrity. Hitting "rock bottom" was my personal alarm clock for realizing I had a serious substance abuse problem. There was a defining moment in my life that turned a page, sending me in a new direction. Making the transition from being actively addicted to being in recovery is a complex physical and psychological process. There is a lot to learn in recovery and we have to make a lot of changes internally and externally. Writing this book has given me a wholesome and hopeful perspective on life and the world we live in. I find that I spend more time embraced in bold prayer and meditation which grants me the influence to believe in miracles for others. I trust that there are great people in this world that contribute to making a significant difference, consequently making the world a better place for all of us to live in. Composing this book was my contribution to 'pay it forward' in a positive way. I am honored.

This accessible value education title explores the story of an impatient child named Tilly who does not like waiting or letting others have their turn. She wants to play the video game her brother is playing. She wants to go on the seesaw her friends are on. She wants to tell her parents about her swimming lesson in the middle of their conversation. Tilly chooses one out of three behaviors for each situation, and the consequences of each choice is explained. The interactive question-and-answer approach engages the reader in real-life situations, while the charming, colorful illustrations keep the tone of the book whimsical and playful.

From Tyler Henry, celebrated medium, comes the ultimate self-help guide detailing the insights the departed have communicated about how to live our best, most meaningful lives. Do you want to live more meaningfully, and in turn fulfill your life's potential? Do you want to have the capability to transform your life and make it infinitely better, by paying attention to what those who have lived and died have come to understand about the meaning of life itself? As one of the world's most accomplished mediums, Tyler Henry has had thousands of communications with those who've already gone through humanity's final frontier: physical death. The life lessons he's learned from those conversations have been truly transformative. In Here & Hereafter Tyler explains that by listening and learning from the departed, following their guidance, and paying attention to what they might have done differently, we can get more fulfillment and purpose from our own lives. Here & Hereafter will shed light on the most powerful understandings Tyler has gained from modern day mediumship—and explain how those understandings can lead us to live a more meaningful life.

The Girl in Red

Henry the Duck makes a humongous and hilarious mess in the kitchen in his latest merry mis-adventure in this fresh and lively picture book from beloved author Robert Quackenbush! Henry the Duck has invited his good friend Clara to his home for a delicious dinner! But as he starts the preparations, he sees an annoying ant in his kitchen. “The ant must go!” says Henry. But as he quickly learns, one tiny little ant turns into huge and hilarious trouble! Children and parents alike will love following disaster-prone Henry through his adventures in travel, cleverly written and illustrated by Robert Quackenbush.

“A must-read for anyone interested in moving from inspiration to action.” –Cal Newport, author of So Good They Can't Ignore You Most of us fill our days with frantic activity, bouncing from task to task, scrambling to make deadlines and chase the next promotion. But by the end of each day we're often left wondering if any of it really mattered. We feel the ticking of the clock, but we're unsure of the path forward. Die Empty is a tool for people who aren't willing to put off their most important work for another day. Todd Henry explains the forces that lead to stagnation and introduces practices that will keep you on a true and steady course. The key is embracing the idea that time is finite, so you should focus on the unique contribution to the world that only you can make. Henry shows how to sustain your enthusiasm, push through mental barriers, and unleash your best work each day.

Gives examples of how young readers may channel their anger away from hitting people.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Henry is a middle-aged man in the 20th Century living happily married to his beloved wife, Rose. Due to a sudden heart attack, Henry finds himself in the unknown realm of the afterlife. Lost, alone and confused, he meets Croton. As they embark on their journey together, Croton opens Henry 's eyes to all the beauty of his new reality and all the exploring that awaits him. But not everything is rainbows and sunshine - Henry learns who Croton really is. And so, their adventure begins.

Never before has an expert defined the steps toward self-fulfillment and satisfying relationships with such clear, insightful, and easy-to-follow guidelines. In Changes That Heal, Dr. Henry Cloud, a renowned clinical psychologist, combines his expertise, well-developed faith, and keen understanding of human nature in a four-step program of healing and growth. Dr. Cloud's down-to-earth plan shows you how to: bond with others to form truly intimate relationships, separate from others and develop a sense of self, understand the good and bad in yourself and others, and grow emotionally and spiritually toward adulthood. Filled with fascinating case studies and helpful, easy-to-adopt techniques, Changes That Heal offers sound advice that helps you get the most out of your life, heal the wounds of your past, and build lasting, loving relationships.
