

**Front**, a company that teaches these same leadership principles to businesses and organizations. From promising startups to Fortune 500 companies, Babin and Willink have helped scores of clients across a broad range of industries build their own high-performance teams and dominate their battlefields. Now, detailing the mind-set and principles that enable SEAL units to accomplish the most difficult missions in combat, *Extreme Ownership* shows how to apply them to any team, family or organization. Each chapter focuses on a specific topic such as Cover and Move, Decentralized Command, and Leading Up the Chain, explaining what they are, why they are important, and how to implement them in any leadership environment. A compelling narrative with powerful instruction and direct application, *Extreme Ownership* revolutionizes business management and challenges leaders everywhere to fulfill their ultimate purpose: lead and win.

Winner of the International Book Awards for General Business Winner of the Readers' Favorite International Book Award for Non-Fiction Business It's been over a decade since Verne Harnish's best-selling book *Mastering the Rockefeller Habits* was first released. *Scaling Up (Rockefeller Habits 2.0)* is the first major revision of this business classic which details practical tools and techniques for building an industry-dominating business. This book is written so everyone -- from frontline employees to senior executives -- can get aligned in contributing to the growth of a firm. *Scaling Up* focuses on the four major decision areas every company must get right: People, Strategy, Execution, and Cash. The book includes a series of new one-page tools including the updated *One-Page Strategic Plan* and the *Rockefeller Habits Checklist™*, which more than 40,000 firms around the globe have used to scale their companies successfully -- many to \$10 million, \$100 million, and \$1 billion and beyond - while enjoying the climb!

If You Knew What Can Happen In The Next 52 Mondays It Would Take Your Breath Away" Stop and think about it. If you had started something new and worked on it every week since one year ago, what might you have been able to accomplish? Twelve months, after all, is plenty of time to start accruing success.

A dazzling, lyrical YA retelling of Greek myth, from Jessie Burton, internationally bestselling author of *The Miniaturist* and *The Muse*. "A powerfully feminist, elegiac, and original twist on this old story." --Madeline Miller, bestselling author of *The Song of Achilles* If I told you that I'd killed a man with a glance, would you wait to hear the rest? The why, the how, what happened next? Exiled to a far-flung island by the whims of the gods, Medusa has little company except the snakes that adorn her head instead of hair. But when a charmed, beautiful boy called Perseus arrives on the island, her lonely existence is disrupted with the force of a supernova, unleashing desire, love, betrayal . . . and destiny itself. With stunning, full-color illustrations and a first person narrative illuminating the fierce, vulnerable, determined girl behind the myth, this astonishing retelling is perfect for readers of *Circe*, and brings the story of Medusa to life for a new generation.
