

Paddington Pop Up London: Movie Tie In: Collector's Edition (Paddington 2)

Child development specialists have shown that children learn best when they acquire knowledge through multiple senses. Not only sight and sound, but touch as well, are critical elements in their development. Children love learning to name objects, and they are in for a multisensory treat with this big book containing 150 words and 30 touch-and-feel elements. Featuring many things familiar in a young child's world—a soft blanket, the smooth skin of a dolphin, a rough-textured sack—this generously oversized volume helps young readers build vocabulary and develop picture and word associations. The perfect baby shower gift!

The story of the wonderful new Paddington movie, told with lots of pictures for younger readers.

Introducing the first concept book in the new Pop Magic series, an exciting line of preschool books from pop-up wizard Matthew Reinhart that makes learning fun! A stunning, hands-on exploration of colors for the very youngest readers! Pull a tab so yellow ducklings pop up to the surface of the pond, lift a flap to reveal a blue whale, and open the final spread for a big pop-up rainbow surprise! Bestselling paper engineer Matthew Reinhart brings his creative genius to this innovative preschool pop-up, connecting basic concepts to interactive elements that will delight and

I Love You

The New York Pop-up Book

From renowned pop-up masters Robert Sabuda and Matthew Reinhart comes an awe-inspiring tribute to the world's most beloved extinct animals and their 180-million-year reign on our planet. Open this book and a massive T. REX springs out, flashing a startling jawful of jagged teeth. Turn the next spread and a ravishing raptor unfurls and appears to fly off the edge of the page. Inside the amazing ENCYCLOPEDIA PREHISTORICA: DINOSAURS are "shield bearers" in full-body armor, creatures with frilly headgear, and weighty, long-necked giants. There are even amusing tidbits on the history of paleontology itself – like a pop-up version of a Victorian New Year's dinner in the belly of a dinosaur model, or a pair of scientists locked in a literal

Read Book Paddington Pop Up London: Movie Tie In: Collector's Edition (Paddington 2)

tug-of-war over bones. Full of fascinating facts and lighthearted good humor, this breathtaking book includes fascinating, up-to-the-minute information about popular dinosaurs as well as many lesser-known varieties. With each of six spreads featuring one spectacular, large pop-up as well as booklets of smaller pop-ups and text, ENCYCLOPEDIA PREHISTORICA: DINOSAURS is a magnificent display of paper engineering and creativity – an astonishing book that will be read, admired, and treasured forever.

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In Everything Is Cinema, critic Richard Brody has amassed hundreds

Read Book Paddington Pop Up London: Movie Tie In: Collector's Edition (Paddington 2)

of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with Breathless, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. Everything Is Cinema confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

A gorgeously escapist Christmas romance set in magical NYC from the bestselling author of the ESCAPE TO ITALY and ESCAPE TO THE ISLANDS series. Grab a mug of hot chocolate, sit back and escape to New York this Christmas.... When Londoner Penny decides to visit her best friend Kate in New York for Christmas, the surprise appearance of a previous suitor sends her plans for a relaxing, carefree visit into complete disarray. When she and Mike last saw each other, the timing couldn't have been worse. But when Mike decides to show Penny the very best of what a snowy, festive, New York has to offer at Christmastime -

resolving to make it a trip to remember - will she be able to resist his charms this time round?

Movies are not a waste of time if you're intentional about watching the movie you're viewing. Reel Leadership speaks to leaders and movie lovers who want to look at leadership and personal development in a new way. Author Joseph Lalonde wants leaders to enjoy entertainment without feeling guilty. When he began his own personal development journey, Lalonde discovered how leadership gurus try to dissuade people from enjoying regular forms of entertainment because they see it as a waste of time. He fell in line and believed this lie; that entertainment, especially movies, held no real value. Over time, he realized each movie provides a story with a moral premise or leadership lesson. In this book, you'll read about: David Hayter (the writer of X-Men 1 and 2) and how he dealt with a demanding director on set. Daniel Knudsen and how every great movie should have a moral premise. Marty Himmel and how he overcame fear because of the movies he watched. Through Reel Leadership, you'll discover how movies provide more than just a quick escape. They are powerful tools for communicating leadership

"A side-by-side textual comparison of the three surviving typescript revisions of "Pioneer Girl" that uses the texts themselves to draw inferences about Laura Ingalls Wilder's authorial and Rose Wilder Lane's editorial processes and intentions, as well as about the working relationship between the two women during their attempts to market "Pioneer Girl" as adult nonfiction, prior to the publication of Wilder's Little House novels that are based on these original manuscripts"--

The classic novel about Paddington—who's now a major movie star! Paddington Bear had traveled all the way from Peru when the Browns first met him in Paddington Station. Since then, their lives have never been quite the same . . . for ordinary things become extraordinary when a bear called Paddington is involved. First published in 1958, *A Bear Called Paddington* is the first novel by Michael Bond, chronicling the adventures of this lovable bear. Paddington has charmed readers for generations with his earnest good intentions and humorous misadventures. This brand-new edition of the classic novel contains the original text by Michael Bond and illustrations by Peggy Fortnum. Paddington Bear arrives at Paddington Station from deepest, darkest Peru and is taken home by the Brown family.

Michael Bond never intended to be a children's writer. Though an avid reader, he was by no means a model student and quit school at 14. He repaired rooftop radio transmitters during the bombing of Britain in World War II and later joined the army. He wrote about the war and more, selling stories here and there. One day, while searching for inspiration at his typewriter, hoping for a big story that would allow him to write full time, a stuffed bear on top of the shelf—a Christmas present for his wife—suddenly caught his eye. Bond poured his personal feelings about the events of his era—the refugee children his family had hosted in the countryside, a war-torn country in recovery, the bustling immigrant neighborhood where he lived—into the story of a little bear from Peru who tries very, very hard to do things right. The result was *A Bear Called Paddington*. An incredible true tale, *More than Marmalade: Michael Bond and the Story of Paddington Bear* is the first biography about the writer behind the beloved series. Author Rosanne Tolin reveals how world history, Bond's life, and 1950s immigrant culture were embedded into Paddington's creation, bringing middle-grade readers a delightful, informative, and engaging book with a timely message of acceptance.

want. This time, Lennon's interactive book immerses children in a fun and unique journey where they can: Bring medicine to people in need! Dive below the ocean to bleached coral reefs! Visit the city to cultivate green spaces! Help the rain forest return and give its animals a home! Explore the planet, meet new people, and help make the world a better place! The Flier's mission is to transport readers around the world, to engage them in helping to save the environment, and to teach one and all to love our planet. Just press a button printed on the page, and point the plane up in the air to fly, or down to land it! An inspiring, lyrical story, rooted in Lennon's life and work, *Heal the Earth* is filled with beautiful illustrations that bring the faraway world closer to young children. The book includes words to a new, special poem written by Julian Lennon, specifically for *Heal the Earth*. A portion of the proceeds from book sales will go to support the environmental and humanitarian efforts of the White Feather Foundation, the global environmental and humanitarian organization that Lennon founded to promote education, health, conservation, and the protection of indigenous culture.

The Perfect Christmas Escape

Heal the Earth

Everything Is Cinema

Harry Potter: A Pop-Up Guide to Hogwarts

Paddington at Large

New York Times bestselling author Joy Fielding tells an unforgettable story of a newly divorced woman attempting to heal her heartache, only to find herself on a desperate search for her daughter. Fifty-year-old Marcy Taggart 's life is in shambles. Two years ago, her twenty-one-year-old daughter, Devon, perished in a canoeing accident. Her

Read Book Paddington Pop Up London: Movie Tie In: Collector's Edition (Paddington 2)

body was never found in the icy waters of Georgian Bay, and as a result Marcy has never fully accepted her death. She continues to see the young woman's face in crowds and has even stopped strangers on the street, certain she has finally discovered her long lost daughter. Now in Ireland, on what was originally intended to be a celebration of her twenty-fifth wedding anniversary—if, that is, her husband had not left her for another woman—Marcy yet again thinks she sees her daughter, casually strolling past her on the sidewalk. So begins Marcy's desperate search to find Devon, to find herself, and to find the disturbing truth that might, in the end, be her only salvation. Now You See Her vividly displays Fielding's rare talent for creating the kind of tension, suspense, and compelling heroines readers crave. Riveting from start to finish, it's one fans won't want to miss.

Recounts many adventures of a small bear, from the day the Browns find him at London's Paddington railway station, to the day they buy him a ticket to return to Peru for his Aunt Lucy's hundredth birthday.

Leaves rustle, critters scurry, and mushrooms pop up from the forest floor in this lyrical, three-dimensional look at an autumn woodland.
