In this full-color sequel to his Landscape Painting in Watercolor, Zoltan Szabo shows that there is an abundance of ways to paint a landscape. This internationally acclaimed watercolorist demonstrates how to paint virtually every component of a landscape in a number of ways. He paints a rock, for example, with a split dry brush, with the palette knife, wet-in-wet,

with a series of glazes, by scratching and scraping, by texturing with sponges-and by combining several of these techniques. The book contains three helpful sections. The first section, "Notes on Landscape Painting," describes how the artist selects and mixes colors, analyzes the many techniques for which Szabo is famous, and then demonstrates how to paint the seven most common landscape subjects. In these seven segments, Szabo makes valuable

historic roots. This volume profiles sixty individual living artists whose contributions distinguish important aspects of the genre and address land use, nature appreciation, and ecology through landscape painting.

Encompassing every style from traditional realism (with a contemporary edge) to abstraction and non-objectivity, these contemporary artists range from today's art stars to emerging or regionally recognized talent in the eastern, western, and southwestern regions of the nation. An additional chapter addresses urban landscapes nationally. The range of styles and reputations presented creates an encompassing survey of the trends and enduring elements in this genre of painting and the art market today.

Secrets to Painting Beautiful

Landscapes Painting the landscape can be fun and rewarding--if you make the right decisions as you paint. After all, it is the artist's greatest challenge to somehow capture a sense of it all--the grandness, the majesty, the splendor of nature--with just a few strokes of paint on a canvas. Popular art instructor Johannes Vloothuis makes the process a whole lot easier with the essential techniques, key concepts and expert advice he shares in this book. • Learn straightforward strategies to make your paintings more interesting and dramatic, such as simplifying the foreground, composing with abstract shapes and harmonizing colors. • Discover speci?c techniques for painting landscape elements including

Online Library Painting Without Paint: Landscapes With Your Tablet

mountains, water, foliage, snow and more. • 9 step-by-step demonstrations walk you through all the techniques necessary to create successful landscape paintings. Landscape Painting Essentials is packed with practical information. You'll make the critical shift from painting what you see to painting as an artist sees. You'll learn to strategically edit shapes, rearrange elements and enhance color. You'll gain a better understanding of what to include in your painting, what to change and what to leave out. Most importantly, you'll gain the skills necessary to turn nature's bounty of inspiration into original, stunning landscape paintings.

"Terry Harrison shows how to paint landscapes in acrylics using a range of simple brush techniques, and the author's own range of brushes. He introduces the brushes, which he has designed to carry out specific techniques, and also explains which other materials are required, including using a limited palette of paint colours. He then describes what each of the brushes is suitable for, before going on to explain acrylic painting techniques such as painting a tree close-up, painting reflections and snow, creating distance and using texture pastes, glaze medium and palette knives. There are six beautiful demonstrations with easy to follow
