

Pattini E Scarpette Ediz Illustrata

This exciting adventure story follows a family of slaves in the USA in 1860 as they escape from a cotton plantation via the legendary Underground Railroad. An enthralling story of courage and resilience, centring on 10-year-old Tommy, it will fascinate children who might not know much about this secret escape route into Canada that was used by as many as 100,000 people. Ten-year-old Tommy roams the cotton fields of Alabama owned by the notorious Captain Archer. Intimidating guards with fierce dogs protect the land to prevent any slaves from leaving. That is until a supernatural spirit visits Tommy offering a way out. With his banjo slung over his shoulder, Peg Leg Joe guides Tommy, his family and other slaves out of Southern USA, and into Canada through the legendary Underground Railroads. Stretched for miles across the country's vastness, the network famously facilitated more than 100,000 slaves to a new life. For Tommy and his family, the escape is far from an easy ride. The young boy is forced to mature through this testing period and allow his strong will to guide himself and others to safety under the guidance of Peg Leg Joe. Set in the 19th century, D'Adamo's well-constructed novel tells a story distant in time, remains grounded in a reality that still exists today. Millions of people across the globe continue to be enslaved, including children.

The hermit of the hills -- Cushamee -- Captain George, the drummer boy -- The golden gate -- Po-no-kah -- Brave Robby and the skeleton -- The artist and the newsboy -- The boys' battle-song.

Welcome to Harmony ... In this acclaimed inaugural volume in the Harmony series, master American storyteller Philip Gulley draws us into the charming world of minister Sam Gardner in his first year back in his hometown, capturing the essence of small-town life with humor and wisdom.

'The mentally ill suffer unnameable persecutions, no one knows why. They assume the role of the saint in today's society, since it is presumed that they, rarefied by their own madness, do not suffer like everyone else.' -- Alda Merini. *'In these pages, everything that is touched, even the most painful theme, is transformed into poetry. Every word is a key that finds organ pipes ready to amplify and sublimate the desperation. It's like finding one's self in front of a phenomenon of unconscious lyric power.'* -- Ambrogio Borsani, from the Afterword.

In this graphic novel, presented in English for the first time, the Italian "Crumb" portrays a lost generation of late

1970s/early 1980s teenagers coping with family problems, school, sex, and drugs. A true visionary, with a fluid line and an uncanny sense of color and composition, Paziienza's innovative graphic style served up stories that were iconoclastic, outrageous, humorous, and deeply personal, often based on himself and his microcosm of friends and collaborators. Paziienza was a revolutionary cartoonist who ushered an underground sensibility to Italian and European comics, breaking from the more staid tradition of genteel adult (and children's) graphic albums.

This book is a narrative history of the Austrian Monarchy from 1790 to its break-up in 1918. Its theme is the hundred year struggle between the venerable dynastic empire which ruled Central Europe, and the new national, political and social forces in conflict with it, an with one another. The author starts with the death of Emperor Joseph II in 1790, the event which he takes as marking the turn of the tide in the struggle between autocracy and centralisation on the one side, and the new forces on the other; but he prefixes his narrative with a brief account of Joseph's own reign, and with a comprehensive picture of the old monarchy on the threshold of the new age. C. A. Macartney takes his subject as comprising the monarchy as a whole, every people, class and province in it. He thus brings and makes intelligible the diversity within the unity, and the unity synthesising the diversity, which give the history of the Austrian Monarchy its special and unique character. The author was long acquainted with the countries and peoples that were once part of the Habsburg Empire and it was this experience, combined with linguistic accomplishments that enabled him to draw on an exceptionally wide range of sources. The result is a work of monumental scholarship written with unique insight and understanding.

The Wonderful Wizard of Oz

Those long summer days and weekends spent with our best friends can be among the happiest memories of childhood. But the art of making friends isn't a skill that is taught in most schools. Teaching children how to be good friends and cultivate healthy friendships is the work of parents, teachers, coaches, ministers, and caring adults. In *How to Be a Friend: A Book about Friendship . . . Just for Me!*, author, Molly Wigand, introduces children to those values that make for good friendships—loyalty, trust, and honesty—and to how they can become a good friend to others.

Fans of *Vampirina* and the *Princess in Black* series will love *Isadora Moon*: half-fairy, half-vampire, totally unique—and totally outdoorsy! Camping is full of surprises when you're a vampire-fairy! When *Isadora Moon* and her family go on a camping trip to the beach, they're just like everybody else. They roast marshmallows and build sand castles and sleep in a tent! But in a magical family, anything can happen. And when *Isadora* goes on a nighttime adventure, she makes an unusual friend under the sea. . . . Sink your fangs into all of *Isadora's* adventures!

Isadora Moon Has a Birthday

Arnaldo Momigliano traces the growth of ancient biography from the fifth century to the first century B.C. He asks new questions about the origins and development of Greek biography, and makes full use of new evidence uncovered in recent decades from papyri and other sources. By clarifying the social and intellectual implication of the fact that the Greeks kept biography and autobiography distinct from historiography, he contributes to an understanding of a basic dichotomy in the Western tradition of historical writing. *The Development of Greek Biography* is fully annotated, and includes a bibliography designed to serve as an introduction to the study of biography in general.

A sweet and simple interactive boardbook that offers a charming new bedtime ritual.

Jules has a plan, a wild plan. He wants a pet, but first he has to convince his reluctant mum. Jules asks for a lion! Then he tries for a hippo. He even says he wants a goat. 'OK, so what about a parrot?' Jules asks ... Mark Janssen's noisy, boisterous illustrations bring this romping story to life. Animals from Jules' imagination swing and stomp on to the page, from a grinning gorilla to a huge hippo with yellow teeth. Children will love the fun premise of the book. And it won't be long before parents are asked, 'Please may I have a pet lion?'

Robinson Crusoe

Rhymes and Jingles

The Complete Limited Editions Guide

Rog-Schwitz

In Robinson Crusoe, Crusoe washes up on an uninhabited island on the North American coast. He lives there for twenty-eight years, documenting his physical and spiritual growth in his journal. Then one day a British ship sails by the island, and he is rescued. In the mid 17th century, Robinson Crusoe begins his career as a sailor, against the wishes of his parents, who would prefer him to go into law. Crusoe survives a deadly shipwreck in the Caribbean and manages to set up a camp for himself on an uninhabited island. Much of the story follows the time Crusoe spent building his shelter and other things to make his life more comfortable. He documents his gardening, goat raising, and hunting, as well as his religious reflections.
