Make Christianity Great Again

A landmark volume which looks at the multifaceted spheres that informed the composer's life and works and represents a new departure in the study of his music. In this volume, for the first time, the world's leading Lutoslawski scholars consider the full range of his musical output and the biographical, cultural and historical contexts in which those musics were created. It contends that all of Lutoslawski's worlds are equally worthy of study, because each represents an opportunity better to understand the life and music of a figure of paramount importance to the critical and cultural history of twentieth-century music.

"I am a collector of hopes and peregrine truths, a shepherd of thoughts, ideas, projects and dreams too important not to be realized. I'm an abstract concept that has no body, no smell, no boundaries, no shape and no color. I am the Omnilogos." So it is forged, a Science Fiction saga that gave birth to a legend, a tale about the life of a man with one project that will change mankind's future forever. Ten stories about his life, his sorrow, and his quest to gather the resources and the people needed to claim our place among the stars. This is Wei's story. This is the world of the Omnilogos. New Extended Edition! With extra material including an additional chapter plus an exclusive sneak preview of the upcoming sequel Pelargonium, book two of the Omnilogos Series!

A Magical Romantic Comedy (with a Body Count)

This book contains something for everyone. Contained herein are stories that are bemusing, bewitching, bewildering and sometimes downright bizarre. All human emotions are here, including hate, love, anger, fear, envy, jealousy, bullying, greed, lust and pathological loneliness. John Orr makes the bizarre believable, fills the space between man and his environment and makes the reading an enjoyable pleasure. "

Time doesn't heal all wounds. It makes them deeper. Alfred White's only concern in life is his career. Until he meets Pacific, a mysterious man who questions Alfred's obedience to a system designed to harvest people's time. Yes. Time. Pacific seems to know the inner truth behind time, and he will share this knowledge—if Alfred will accept his mentorship for one day. But Alfred soon learns that the road to temporal knowledge is paved with death and destruction. And, as the day continues, Alfred discovers another truth: there is nothing Pacific wouldn't do for more time.

The instant New York Times bestseller featuring everyone's favorite family—the Baxters—in a deeply emotional novel "faithful fans will no doubt relish" (Publishers Weekly). When John Baxter is asked to relive his long-ago love story with his wife Elizabeth for his grandson Cole's heritage school project, he's not sure he can do it. The sadness might simply be too great—after a storybook romance that lasted almost thirty years, beginning when the two were in college, Elizabeth tragically died of cancer. But John can't say no to his grandson and in the process of telling his love story, he finally allows his heart and soul to go places they haven't gone in decades. Back to the breathless first moments, but also to the secret heartbreak that brought John and Elizabeth together... Cole's report on his grandparents touches the hearts of the entire family—and causes Cole to better understand his own beginning. Whether you're meeting the Baxter family for the first time or finding them all over again, Love Story will stir your heart and remind you of the generational impact of love and the eternal bond of family.

Lost Girl

Studies in Popular Music

Every girl wants the reassurance from his parents that she is special, loved and an important part of the family. Through fanciful rhyming expressions of love and whimsical illustrations, Love From My Heart captures all the fun and unique ways that parents can describe the important role the child plays as a family member. When a parent and child cuddle up to read becomes a special and memorable bonding moment.

Made in Japan serves as a comprehensive and rigorous introduction to the history, sociology, and musicology of contemporary Japanese popular music. Each essay, written by a leading scholar of Japanese music, covers the major figures, styles, and social contexts of pop music in Japan and provides adequate context so readers understand why the figure or genre book first presents a general description of the history and background of popular music, followed by essays organized into thematic sections: Putting Japanese Popular Music in Perspective: Rockin' Japan; and Japanese Popular Music and Visual Arts.

Fowl Play

An Adult and Kids Coloring Book of Horses, Coloring Horses for Stress Relieving and Relaxation

Warning: contains humor, romance, magic, puns, bodies, and a short detour from reality. No plots were harmed in the making of this story. Instead of a quiet dance retreat where she could escape the insanity of being the daughter of an angel, a succubus, and a lycanthrope, Emma Sansaul plummets into the middle of murder, mayhem, and mischief. As becoming the next victim of a crazed serial killer is not on her itinerary, she's left with no choice but to join forces with Agent Kenneth Bernard to find the murderer, the one man on Earth capable of making her hissing mad one second and in need of a cold shower the next.

If you love horses then this book perfect for you to express your creativity, relax and have fun. This book is specially designed to relieve the stress through coloring. David Garza did not set out to be a serial killer. The first victim fell into an accident because David did not know that his father's pistol had a hair trigger. With that under his belt, it seemed natural in a rage to take the life of one who had offended him. The third victim, a law officer, fell to a vicious cutthroat attack made in what he perceived to be self-defense. It easier each time.
