

Perfect Piggies!

Casey will have to do a lot of pet-sitting to earn the money she needs to buy Lightning, a beloved horse. Her hopes of buying Lightning are dashed when she learns that his owner has found a buyer and must sell the horse immediately. Across the street from Casey's house a mystery unfolds as a seldom-seen woman who seems to be able to read minds prepares to host a carnival and a yo-yo contest that boasts a \$1500 prize. Casey's yo-yo is buried in her closet. She has a great talent and a greater case of stage fright.

Sometimes kids just need a good tickle. Maybe your child is grumpy, or frustrated, or looking for a little extra attention. Well, we have the cure. Reach for Tickle Time!—and like magic, everyone’s bright and sunny and giggling again. Based on the wildly popular song from Boynton’s wildly popular Rhinoceros Tap CD, Tickle Time! is pure irrepressible Boynton, lively in tempo, nimble in rhyme, and filled with irresistible fuzzy cats that cavort from page to page. Plus a few birds, who aren’t the cavorting type. Here’s a book to turn to again and again, because it’s guaranteed to elicit giggles: If you’re feeling blue and you don’t know what to do there is nothing like a TICKLE TIME to make you feel like new. Whether you tickle high or tickle low, tickle fast or tickle slow, it’s the gitchy-gitchy-goo that makes everything worthwhile.

When Gerald the elephant and Piggie realize that they are in a book, they decide to have some fun with the reader.

Piggies rock! So does Boynton. Through her eyes, her words, her music, and above all her art, we see the world with whimsy and pleasure, appreciating round noses and curly tails, floppy ears and pleasing plumpness. And we’re lucky to give that gift to our youngest children. A member of the amazing Boynton on Board series that has over 21 million copies in print, Perfect Piggies! also comes with a free downloadable song. Reminiscent of a capella swing, it’s a celebration of the homey—of beauty in the eye of the beholder, of sunshine and fresh air, and a place to put up our hooves when the day is done. And, of course, the catching energy and rhythmic language of a beloved original: We are all perfect piggies and we know what we need. It’s really very simple, very simple indeed: a troughful of food, a place in the sun, and a little bit of comfort when the day is done. That goes for the rest of us, too.

Gerald is careful. Piggie is not. Piggie cannot help smiling. Gerald can. Gerald and Piggie are best friends. In I Am Going!, Piggie ruins a perfectly good day by telling Gerald she is going. If Piggie goes, who will Gerald skip with, play Ping-Pong with, and wear silly hats with? Willems's Geisel Award-winning duo continues to delight readers with their silly shenanigans. Packed full of humor and heart, the Elephant & Piggie Books are vetted by an early-learning specialist and early learners themselves, so they'll be right on target for new readers.

Pigs Make Me Sneeze!

It's pj time at Bedtime Barn, but the piggies want to keep playing! Get your little ones ready for bed with Put on Your PJs, Piggies!, a giggle-inducing story that will convince even the most stubborn bedtime resisters to cuddle up for sleepy time. Children will love the sweet artwork, silly characters, and sparkly glitter on the barn-shaped cover. The playful pigs in Bedtime Barn don't want to go to sleep! Will they ever put on their pjs and settle in? "I want to play!" squeals the litltest pig. "The sun's still shining bright!" "Let's have a chase!" one pig cries out. "We'll never say good night!" Put on your pjs, Piggies! If your little ones insist they aren't sleepy, make bedtime more fun by curling up with this playful story. Once the playful pigs hit the hay, your sleepyheads will realize that bedtime isn't so bad after all.

From Alpaca My Bags author Jenny Goebel comes another heartwarming tale of friendship, loyalty, and finding your voice. Twelve-year-old Grace is desperate for a puppy. All she wants is someone to love -- and to love her back. Someone who won't disappear on her like her dad did. Someone who'll make her new stepfather's house feel like home. Christmas morning, Grace springs out of bed hopeful that her dreams are about to come true. But the present that awaits her isn't soft and furry. It doesn't have padded paws. And instead of a dark, wet nose, there's a flat, pink nose instead. It's not a puppy at all -- it's a PIG. Grace tries to make the best of the situation. She names the pig Bernard and dutifully learns how to care for him. But spending time with him is nothing like being with a dog. Bernard is awful at playing fetch and walking on a leash -- in fact, he's all around terrible at doing the things Grace dreamed of doing with a pet. But when a good friend lands in the hospital, Grace discovers that Bernard might have a special talent for making sick people feel better and that his calling might be as a certified therapy animal. Grace loves the idea of visiting patients with Bernard and bringing a smile to their faces during an otherwise tough time. But can Grace convince her skeptical family to get on board? Or will she and Bernard both end up out in the cold?
