privately written for a
five-year-old child and
was later officially
published in 1902. It
remains to be one of
the best selling books
of all time and has
been translated to
over 37 different
languages, spreading
little stories about
woodland animals
around the globe.

Readers have Said:

Why do we read
certain children's
books--and remember
them for the rest of
our lives? There is no
other way to explain
why I have
