

## Più Che Sacro, Più Che Profano

In 1578, a fourteen-foot linen sheet bearing the faint bloodstained imprint of a human corpse was presented to tens of thousands of worshippers in Turin, Italy, as one of the original shrouds used to prepare Jesus Christ's body for entombment. From that year into the next century, the Shroud of Turin emerged as Christianity's preeminent religious artifact. In an unprecedented new look, Andrew R. Casper sheds new light on one of the world's most famous and controversial religious objects. Since the early twentieth century, scores of scientists and forensic investigators have attributed the Shroud's mysterious images to painterly, natural, or even supernatural forces. Casper, however, shows that this modern opposition of artifice and authenticity does not align with the cloth's historical conception as an object of religious devotion. Examining the period of the Shroud's most enthusiastic following, from the late 1500s through the 1600s, he reveals how it came to be considered an artful relic—a divine painting attributed to God's artistry that contains traces of Christ's body. Through probing analyses of materials created to perpetuate the Shroud's cult following—including devotional, historical, and theological treatises as well as printed and painted reproductions—Casper uncovers historicized connections to late Renaissance and Baroque artistic cultures that frame an understanding of the Shroud's bloodied corporeal impressions as an alloy of material authenticity and divine artifice. This groundbreaking book

introduces rich, new material about the Shroud ' s emergence as a sacred artifact. It will appeal to art historians specializing in religious and material studies, historians of religion, and to general readers interested in the Shroud of Turin.

**Firsthand perspectives on the past, present, and future of contemporary Italian philosophy. Through conversations with twenty-three leading Italian philosophers representing a variety of scholarly concerns and methodologies, this volume offers an informal overview of the background, breadth, and distinctiveness of contemporary Italian philosophy as a tradition. The conversations begin with general questions addressing issues of provenance, domestic and foreign influences, and lineages. Next, each scholar discusses the main tenets, theoretical originality, and timeliness of their work. The interviews conclude with thoughts about what directions each philosopher sees the discipline heading in the future. Every conversation is a testimony to the differences that**

"The Sacred Liturgy is not a hobby for specialists. It is central to all our endeavors as disciples of Jesus Christ. This profound reality cannot be over emphasized. We must recognize the primacy of grace in our Christian life and work, and we must respect the reality that in this life the optimal encounter with Christ is in the Sacred Liturgy." With these words Bishop Dominique Rey of Fréjus-Toulon, France, opened Sacra Liturgia 2013, an international conference in which he brought together over twenty leading liturgists, cardinals, bishops and other scholars from around the world to emphasize the centrality of liturgical formation and celebration in the life and mission of the Church.

of the Church. "The New Evangelization must be founded on the faithful and fruitful celebration of the Sacred Liturgy as given to us by the Church in her tradition - Western and Eastern," Bishop Rey asserted. Sacra Liturgia 2013 - the proceedings of which this book publishes - examines questions of liturgical art, architecture, music, the ars celebrandi, the importance of ritual in human psychology, truly pastoral liturgy, the place of the older liturgical rites in the New Evangelization, liturgical formation, liturgical law, the role of the diocesan bishop in respect of liturgy, and more. Sacred Liturgy - The Source and Summit of the Life and Mission of the Church is an important resource in ongoing liturgical formation for clergy, religious and laity, and makes a significant contribution to that renewal promoted in the Pontificate of Benedict XVI. That is a renewal which embraces the riches of liturgical tradition as valuable treasures, seeks to read the Second Vatican Council according to a hermeneutic of continuity, not rupture, and is in no doubt that, as Joseph Cardinal Ratzinger once wrote, "the true celebration of the Sacred Liturgy as the center of any renewal of the Church."

Enea Bianchi provides the first in-depth introduction to the pioneering thought of 20th-century Italian philosopher, Mario Perniola. Examining Perniola's entire oeuvre, this book also pushes his philosophy into new directions by investigating the connection between his aesthetics and the philosophical underpinnings of dandyism. Rich in influences, from ancient Stoicism to Roman ritualism, Baroque literature and avant-garde revolutionary movements, Perniola's philosophy is wide-ranging. This book highlights and explores numerous notions pivotal to understanding Perniola's thought, including: the “sex appeal of the inorganic”, the “enigma”, “strategic beauty” and the “artistic shadow”. Combining these concepts with three exemplar dandies – George Brummell, Charles Baudelaire and Oscar Wilde – Bianchi demonstrates not only the close relationship between their principles and Perniola's aesthetics, but their shared, and timely, opposition to the status quo. A dandy philosophy emerges, which challenges the individual not only to refute the ongoing commodification of tastes,

emotions and lifestyles, but also to develop a welcoming and loving disposition with respect to the enigma of our prismatic world.
