British Radio Drama, 1945-1963 reveals the quality and range of the avant-garde radio broadcasts from the 'golden age' of British radio drama. Turning away from the cautious and conservative programming that emerged in the UK immediately after World War II, young generations of radio producers looked to French theatre, introducing writers such as Samuel Beckett and Eugene Ionesco to British radio audiences. This 'theatre of the absurd' triggered a renaissance of writing and production featuring the work of Giles Cooper, Rhys Adrian and Harold Pinter, as well as the launch of the BBC Radiophonic Workshop. Based on primary archival research and interviews with former BBC staff, Hugh Chignell places this high-point in the BBC's history in the broader context of British post-war culture, as norms of morality and behavior were re-negotiated in the shadow of the Cold War, while at once establishing the internationalism of post-war radio and theatre.

This volume collects some of the author's most famous writings, including plays, short stories, and essays.

This important book offers a thematic collection of critical essays, ideal for undergraduate courses on modern British theatre, on Harold Pinter's theatrical works, alongside new interviews with contemporary theatre practitioners. The life and works of Harold Pinter (1930–2008), a pivotal figure in British theatre, have been widely discussed, debated and celebrated internationally. For over five decades, Pinter's work traversed and redefined various forms and genres, constantly in dialogue with, and often impacting the work of, other writers, artists and activists. Combining a reconsideration of key Pinter scholarship with new contexts, voices and theoretical approaches, this book opens up fresh insights into the author's work, politics, collaborations and his enduring status as one of the world's foremost dramatists. Three sections re-contextualize Pinter as a cultural figure; explore and interrogate his influence on contemporary British playwrighting; and offer a series of original interviews with theatre-makers engaging in the staging of Pinter's work today. Reconsiderations of Pinter's relationship to literary and theatrical movements such as Modernism and the Theatre of the Absurd; interrogations of the role of class, elitism and religious and cultural identity sit alongside chapters on Pinter's personal politics, specifically in relation to the Middle East.

Complete Works

A dictionary of playwrights which contains 485 entries, each of which includes biographical information on the playwright, complete lists of published works (with dates of performance) and a bibliography of critical studies on the playwright.

"John Godber is one of the unsung heroes of British theatre, reaching the giddy heights of number three in the most-performed playwrights league table, nestled in behind Shakespeare and Ayckbourn" - Guardian Teechers: "In a class of its own ... Godber takes a hard-hitting look at life in a modern comprehensive where class conflicts, teacher tantrums and cavorting chaos runs riot through the corridors" The Express Happy Jack: "Godber manages with an affectionate and unerringly accurate ear for the tongues of the pit village to turn these two into a Chaucerian kind of celebration of life. At the end of the line the play is a sad, bruised but richly comic love story" Guardian September in the Rain: "The work of a genuinely talented playwright" Evening Standard Salt of the Earth: "John Godber has a special gift for capturing the lives and inner turmoil of the working class ... In the most subtle and incisive ways, he suggests how the combination of innate personality and a changing society determines individual destiny" Chicago Times

Exploring Narrative Episodes in Plays

How do characters tell stories in plays and for what dramatic purpose? This volume provides the first systematic analysis of narrative episodes in drama from an interactional perspective, applying sociolinguistic theories of narrative and insights from conversation analysis to literary dialogue. The aim of the book is to show how narration can become drama and how analysis of the way a character tells a story can be the key to understanding its role in the unfolding action. The book's interactional approach, which analyses the way in which the characteristic features of everyday conversational stories are used by dramatists to create literary effects, offers an additional tool for dramatic criticism. The book should be of interest to scholars and students of narrative research, conversation and discourse analysis, stylistics, dramatic discourse and theatre studies. Winner of 2012 Esse Book Award for Language and Linguistics

A lush, disorienting novel, The Caretaker takes no prisoners as it explores the perils of devotion and the potentially lethal charisma of things Following the death of a renowned and eccentric collectorthe author of Stuff, a seminal philosophical work on the art of accumulationthe fate of the privately endowed museum he cherished falls to a peripatetic stranger who had been his fervent admirer. In his new role as caretaker of The Society for the Preservation of the Legacy of Dr. Charles Morgan, this restive man, in service to an absent master, at last finds his calling. The peculiar institution over which he presides is dedicated to the annihilation of hierarchy: peerless antiquities commune happily with the ignored, the discarded, the undervalued and the valueless. What transpires as the caretaker assumes dominion over this reliquary of voiceless objects and over its visitors is told in a manner at once obsessive and matter-of-fact, and in language both cocooning and expansive. A wry and haunting tale, The Caretaker, like the interplanetary crystal that is one of the museum's treasures, is rare, glistening, and of a compacted inwardness. Kafka or Shirley Jackson may come to mind, and The Caretaker may conjure up various genres/parables, ghost stories, locked-room mysteries—but Doon Arbus draws her phosphorescent water from no other writer's well.

Psychotherapists, counselors, and other health care professionals are increasingly turning to expressive therapies—including art, music, dance/movement, drama, poetry, play, sandtray, and integrative approaches—in their work with clients of all ages. This timely volume offers a comprehensive presentation of these innovative and powerful modalities. Expert contributors present in-depth descriptions of their respective approaches to intervention with children, adults, and groups, giving particular attention to strategies for integrating expressive work with other forms of psychotherapy.

Encyclopedia of British Humorists

Harold Pinter's work forms a cornerstone of the dramatic literature of the contemporary British stage. This book offers a critical examination of his dramatic writing over four decades, from The Room (1957) to Ashes to Ashes (1996).

This volume may serve as a text in a survey course, a seminar, or a clinical program. The materials are in sufficient detail to aid students who are searching for research topics and who are writing papers. It may also prove valuable to students in other disciplines, such as social welfare, psychology, and public health. And this text may also serve practitioners as it contains the relevant canon of Supreme Court cases and certain lower court cases.

New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater,

this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

The Caretaker and The Dumb Waiter

The Broadview Anthology of Drama, Volume 2: The Nineteenth and Twentieth Centuries

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057.

Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

This widely-respected history of British television drama is an indispensable guide to the significant developments in the area; from its beginnings on the BBC in the 1930s and 40s to its position in the twenty-first century, as television enters a multichannel digital era. Embracing the complete spectrum of television drama, Lez Cooke places programmes in their social, political and industrial contexts, and surveys the key dramas, writers, producers and directors. Thoroughly revised and updated, this second edition includes new images and case studies, new material on British television drama before 1936, an expanded bibliography and a substantial new chapter that explores the renaissance in the quality, variety and social ambition of television drama in Britain since 2002. Comprehensive and accessible, this book will be of value to anyone interested in the rich history of British television and modern drama.

Representing the largest expansion between editions, this updated volume of Ottemiller's Index to Plays in Collections is the standard location tool for full-length plays published in collections and anthologies in England and the United States throughout the 20th century and beyond. This new volume lists more than 3,500 new plays and 2,000 new authors, as well as birth and/or death information for hundreds of authors.

Geoffrey Chaucer to John Cleese

The second volume of Harold Pinter's collected work includes The Caretaker. The Caretaker It was with this play that Harold Pinter had his first major success. The obsessive caretaker, Davies, is a classic comic creation, and his uneasy relationship with the enigmatic Aston and Mick a landmark in twentieth-century drama. 'The play remains a masterpiece.' Daily Telegraph The Collection This one-act play for television explores the sexual manoeuvres between two couples in the clothing trade. 'Taps the adrenal flow of contemporary guilt and anxiety.' Time The Lover Richard and Sarah conduct themselves with apparent respectability in the mornings, whilst living out a sequence of erotic rituals in the afternoons. 'Beautifully written... the sexiest play I remember seeing on the television.' Sunday Times The volume also includes Night School and The Dwarfs, plus five revue sketches written during the same period.

Ends and Odds brings together nine short dramatic works by the Nobel Prize-winning author of Waiting for Godot.

Join the author in reliving Sylvania's over 180 years of history from footpaths to expressways and beyond, in volume four of an eight volume set. With 30 years of research she has included every subject imaginable that helped bring Sylvania to where they are today, with excellent schools, over-the-top parks and recreation, rich beautiful homes, commercial and industrial businesses and a quaint historical downtown that looks like it was planned by Norman Rockwell himself. This book is a treasure trove of information for the thousands who have ancestors that once lived and helped Sylvania grow through these years. Located in northwestern Ohio, Sylvania is a suburb of Toledo, Ohio and for many years has been known as "the fastest growing suburb in Lucas County." A once rural farm community, between both the city and township they have grown from a combined 2,220 residents in 1910, to 48,487 in 2010. Over a short period of time the land has transformed into beautiful subdivisions of grand houses, so that now their subdivision names are all that remain to remind them of their once dense forests and sprawling farmlands. No longer can Sylvania be called the "bedroom community" of Toledo, because over the last 50 years they have done a lot more than sleep.

A History

Storytelling and Drama

The Broadview Anthology of Drama: Plays from the Western Theatre is a chronological presentation of 43 plays in two volumes, ranging from the ancient theatre world to the present day. Each chapter focuses on a specific period and begins with an insightful introduction sketching the historical and theatrical landscape of that period. Contextualization for each play is provided through a thorough account of the literary and dramatic background of the play along with clear and comprehensive annotation. In addition, the editors have provided a glossary of terms used in the anthology to better equip students with a vocabulary for discussing the world of the stage.

This study examines the historical relationship between tragicomedy in the modernist theatre and the performative culture of Western consumer societies. While discussing a wide range of playwrights, it focusses specifically on the work of Samuel Beckett, Harold Pinter and Sam Shepard. Their plays, it is argued, illuminate the forms of pleasure, fear, performance and corruption which dominate our daily lives. Tragicomedy is seen as unique becuae of the existential playfulness and confusion of its protagonists, and because of its muted vision of apocalypse in the nuclear age.

In 1953, Samuel Beckett's Waiting for Godot premiered at a tiny avant-garde theatre in Paris; within five years, it had been translated into more than twenty languages and seen by more than a million spectators. Its startling popularity marked the emergence of a new type of theatre whose proponents–Beckett, Ionesco, Genet, Pinter, and others–shattered dramatic conventions and paid scant attention to psychological realism, while highlighting their characters’ inability to understand one another. In 1961, Martin Esslin gave a name to the phenomenon in his groundbreaking study of these playwrights who dramatized the absurdity at the core of the human condition. Over four decades after its initial publication, Esslin’s landmark book has lost none of its freshness. The questions these dramatists raise about the struggle for meaning in a purposeless world are still as incisive and necessary today as they were when Beckett’s tramps first waited beneath a dying tree on a lonely country road for a mysterious benefactor who would never show. Authoritative, engaging, and eminently readable, The Theatre of the Absurd is nothing short of a classic: vital reading for anyone with an interest in the theatre.

Waterstone's Guide to Books

THE STORY: The New York Times comments: An old bum receives shelter in a cluttered room of an abandoned house. His samaritan is a gentle young man whose kindness is so casual that he seems almost indifferent. Dirty, tattered, unkempt, itching and

Approaches the problems of obscurities, ambiguities, and interrelationships in Pinter's plays through the mechanisms of the dream and shows that the plays group around the oedipal wish.

Research in child abuse has expanded dramatically since the first controlled studies were started in the mid-1970s. The fields of developmental psychology and clinical child psychology have progressed in tandem, resulting in theoretical richness and increased methodological sophistication. With these advances, it is now commonly recognized that child abuse

use of longitudinal research methods --difficult, expensive, and time-consuming though their application may be. THE EFFECTS OF CHILD ABUSE AND NEGLECT reviews the findings from current longitudinal research and also serves as an authoritative guide to the complex methodologic issues involved in conducting such studies. The book's introductory chapter

transmission of abusive behavior and its adult sequelae. In-depth analyses of three innovative longitudinal investigations follow: the first focuses on the value of an at-risk approach to research in this area; the second evaluates structural equations modeling, a relatively new statistical method; and the third demonstrates the usefulness of a transactional app

maltreatment. Other contributions focus specifically on the interpretation of existing research and on conducting future studies. Provocative discussions on crucial definitional issues are complemented by equally trenchant analyses of as-yet unresolved design considerations. The remaining chapters deal with basic measurement issues, especially the assessm

psychological abuse, parental childrearing belief systems, parent-child attachment and other domains of parent-child interaction, and the impact of maltreatment on physical and emotional development. An effective synthesis of practical and research issues, THE EFFECTS OF CHILD ABUSE AND NEGLECT is essential reading for all child development, psychiatry, c

work, pediatric, nursing, and other human services professionals responsible for recognizing, treating, and preventing child abuse as well as for ameliorating its long-term consequences.
