William Wegman's whimsical photographs of his Weimaraner dogs have been celebrated in the art world and enjoyed by pet lovers for nearly four decades. In this entirely new volume, renowned photography curator William A. Ewing presents more than 300 images from the artist's personal archive, unearthing previously unseen gems alongside the iconic images that have made Wegman—along with dressed-up dogs Man Ray, Fay Ray, and others—beloved worldwide. Presented in sixteen thematic chapters, William Wegman: Being Human foregrounds the photographer's penchant for play and his evergreen ability to create images that are at once funny, striking, and surreal. Audiences of all ages will fall in love—for the first time, or all over again—with Wegman and his friends.

A collection of 100 postcards, each featuring a striking cover from American Vogue. From early aspirational illustrations to modern celebrity photography, this is a stunning selection of Vogue's most dazzling images. Since its launch in 1892, Vogue has brought sophistication to its readers around the world. Early illustrations from artists including George Wolfe Plank, Olive Tilton, Pierre Brissaud, and Eduardo Garcia Benito saw ethereal figures of fantasy develop into red-lipped flappers, and as colour photographs began to appear, the women transformed again: from Surrealist images by Horst P. Horst to 'women in the life of the moment', captured by Irving Penn. From the fifties onwards, Vogue women became more accessible still, as models and stars like Elizabeth Taylor, Goldie Hawn, Cindy Crawford, and Cher, with their own distinct personalities, appeared through the lenses of Richard Avedon and Snowdon. Vogue covers now are the epitome of style and beauty, with such illustrious photographers as Mario Testino, Annie Leibovitz, Steven Klein, and Patrick Demarchelier photographing stars like Lady Gaga, Kirsten Dunst, and Kate Moss, celebrating female icons across modern culture.

William Wegman: Being Human

Wild Animals of the World

During the mid-1960s avant-garde artists in New York developed a multimedia art form devoted to ideas instead of objects. A history of the movement can be traced back to the minimal art and the earlier works of Marcel Duchamp, the black paintings of Ad Reinhardt and the philosophy of Ludwig Wittgenstein. By 1965, such artists as Mel Bochner and Joseph Kosuth were turning away from conventional art and viewing art as a concept, based primarily upon language.

Dieter Schwarz, Harold Rosenberg, Marian Goodman, Samuel Wagstaff Jr.

As a director, writer, and producer, Christopher Nolan has substantially impacted contemporary cinema through avant garde films, such as Following and Memento, and his contribution to wider pop culture with his Dark Knight trilogy. His latest film, Interstellar, delivered the same visual qualities and complex, thought-provoking plotlines his audience anticipates. The Philosophy of Christopher Nolan collects sixteen essays, written by professional philosophers and film theorists, discussing themes such as self-identity and self-destruction, moral choice and moral doubt, the nature of truth and its value, whether we can trust our perceptions of what’s “real,” the political psychology of heroes and villains, and what it means to be a “viewer” of Nolan’s films. Whether his protagonists are squashing themselves like a bug, struggling to create an identity and moral purpose for themselves, suffering from their own duplicitous plots, donning a mask that both strikes fear and reveals their true nature, or having to weigh the lives of those they love against the greater good, there are no simple solutions to the questions Nolan’s films provoke; exploring these questions yields its own reward.

Take time to breathe. Take time to create. Take time to reflect, take time to let go. A book that's unique in the way it mixes reading and doing. A Book That Takes Its Time is like a mindfulness retreat between two covers. Created in partnership with Flow, the groundbreaking international magazine that celebrates creativity, beautiful illustration, a love of paper, and life's little pleasures. A Book That Takes Its Time mixes articles, inspiring quotes, and what the editors call “goodies”—bound-in cards, mini-journals, stickers, posters, blank papers for collaging, and more—giving it a distinctly handcrafted, collectible feeling. Read about the benefits of not multitasking, then turn to “The Joy of One Thing at a Time Notebook” tucked into the pages. After a short piece on the power of slowing down, fill in the designed notecards for a Beautiful Moments jar. Make a personal timeline. Learn the art of hand-lettering. Dig into your Beginner’s Mind. Embrace the art of quitting. Take the writing cure. And always smile. Move slowly and with intention through A Book That Takes Its Time, and discover that sweet place where life can be both thoughtful and playful.

The idea of The Fingerprint Sourcebook originated during a meeting in April 2002. Individuals representing the fingerprint, academic, and scientific communities met in Chicago, Illinois, for a day and a half to discuss the state of fingerprint identification with a view toward the challenges raised by Daubert issues. The meeting was a joint project between the International Association for Identification (IAI) and West Virginia University (WVU). One recommendation that came out of that meeting was a suggestion to create a sourcebook for friction ridge examiners, that is, a single source of researched information regarding the subject. This sourcebook would provide educational, training, and research information for the international scientific community.

Fluxus was an art movement of the 1960s and 70s that set out to abolish the canonized art idioms of the day. Pioneers of Conceptual Art and Minimalism, the Fluxus artists were known for their environments, performance art and mass-producible objects. This book is a study of the Fluxus movement.

With this beginner-friendly guide, “crafting with dye doesn’t have to be messy or impossible to conquer”—but it “might turn into an all-consuming passion” (Booklist, starred review). This modern introduction to indigo and fiber-reactive dye offers everything you need know to create stylish, richly colored and patterned pieces. Natural materials and classic techniques like shibori make these projects beautiful and accessible, even for the beginner. Items such as an elegant robe, a duvet cover set, drum lampshades, and even a hammock will invite a new generation of design lovers and style mavens to fall in love with this traditional, magical, and surprisingly straightforward process. Anna Joyce is the perfect instructor to teach the skills needed to create more than twenty-five masterpieces for the home and wardrobe that readers will want to wear, live with, and most importantly, make by hand.

2018 Christian Book Award® This Journey Is as Perennial as the Seasons GraceLaced is about more than pretty florals and fanciful brushwork—it’s about flourishing. With carefully crafted intention, this beautiful volume of 32 seasonal devotions from artist and author Ruth Chou Simons encourages readers in any circumstance to become deeply rooted in God’s faithful promises. GraceLaced extends a soul-stirring invitation to draw close to God while... resting in who He is rehearsing the truth He says about you responding in faith to those truths remembering His provision to sustain you, time and time again More than 800 individual pieces of art came together in the crafting of this book, including dozens of new, hand-painted Scripture vignettes that Ruth is known for. Who we are and who God is never changes, even though everything else rarely stays the same. Let this book point you to truth as you journey through the changing seasons of your heart.

An all-new collection of must-have recipes and surprising food facts from Alton Brown, drawn from the return of the beloved Good Eats television series, including never-before aired material This long-anticipated fourth and final volume in the bestselling Good Eats series of cookbooks draws on two reboots of the beloved television show by the inimitable Alton Brown—Good Eats Reloaded and Good Eats: The Return. With more than 150 new and improved recipes for everything from chicken parm to bibimbap and cold brew to corn dogs, accompanied by mouthwatering original photography, The Final Years is the most sumptuous and satisfying of the Good Eats books yet. Brown’s surefire recipes are temptation enough: the headnotes, tips, and sidebars that support them make each recipe a journey into culinary technique, flavor exploration, and edible history. Striking photography showcases finished dishes and highlights key ingredients, and handwritten notes on the pages capture Brown’s unique mix of madcap and methodical. The distinctive high-energy and information-intensive dynamic of Good Eats comes to life on every page, making this a must-have cookbook for die-hard fans and newcomers alike.

***Out of print for a number of years, this facsimile of Marcel Duchamp’s Manual of Instructions was prepared by the artist for the disassembly of Etant donnés in his New York studio and its reassembly at the Philadelphia Museum of Art. First published more than twenty years ago, the manual has had far-reaching ramifications for the study of Etant donnés and Duchamp. Illustrated with 116 black-and-white Polaroids taken by the artist and 35 pages of his handwritten notes and sketches, the revised edition includes a new essay by Michael R. Taylor on the pivotal importance of the manual to an understanding of Duchamp’s artistic practice as well as the first English translation of the artist’s text.” --Book Jacket.**

Artist Deborah Schenck finds inspiration for her photographs while taking countryside walks and exploring antique shops near her home in Vermont. Originally from England, where she worked as a professional photographer with a passion for historical photographs, she was drawn several years ago to the old print look of Polaroid transfers, a process by which a photographic image is transferred to watercolor paper rather than photographic paper. Her images, which she further enhances with paints, capture the simple and subdued beauty of flowers, seashells, and antique objects, and are among Chronicle Books’ best-selling notecards. The Deborah Schenck line is a tribute to the delicate colors, nostalgic imagery, and the textured look and feel of handmade objects that Deborah strives for in her photographs.
