*Who Put That Hair in My Toothbrush? Sibling rivalry at its finest! Whether it's on the hockey ice, at school, or at home, Greg and Megin just can't seem to get along. She calls him Grosso, he calls her Megamouth. They battle with donuts, cockroaches, and hair. Will it take a tragedy for them to realize how much they actually care for each other?*

*Vico and Naples is an intellectual portrait of the Neapolitan philosopher Giambattista Vico (1668–1744) that reveals the politics and motivations of one of Europe’s first scientists of society. According to the commonplaces of the literature on the Neapolitan, Vico was a solitary figure who, at a remove from the political life of his larger community, steeped himself in the recondite debates of classical scholarship to produce his magnum opus, the New Science. Barbara Ann Naddoo shows, however, that at the outset of his career Vico was deeply engaged in the often-tumultuous life of his great city and that his experiences of civic crises shaped his inquiry into the origins and development of human society. With its attention to Vico’s historical, rhetorical, and jurisprudential texts, this book recovers a Vico who was keenly attuned to the social changes transforming the political culture of his native city. He understood the crisis of the city’s corporate social order and described the new social groupings that would shape its future. In Naddoo’s pages, Vico comes alive as a prescient judge of his city and the political conundrum of Europe’s burgeoning metropolises. He was dedicated to the acknowledgment and juridical remedy of Naples’ vexing social divisions and ills. Naddoo also presents biographical vignettes illuminating Vico’s role as a Professor of Rhetoric at the University of Naples and his bid for the prestigious Morning Chair of Civil Law, which foundered on the directives of the Habsburgs and the politics of his native city. Rich with period detail, this book is a compelling and vivid reconstruction of Vico’s life and times and of the origins of his powerful notion of the social.*

*Do you know what the hardest thing for an Italian learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Italian tongue. How Italian Short Stories for Beginners works: Each story will involve an important lesson of the tools in the Italian language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow a synopsis in Italian and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Italian, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! So look no further! Pick up your copy of Italian Short Stories for Beginners and start learning Italian right now!*

*Enjoying the past and get his life back on track in the process. His deceased mother, Araceli, came from a small Spanish town and married an upper class Italian navy ensign. The idyllic years she spends with her only son, Manuel, are shattered when she contracts an incurable disease and becomes a nymphomaniac. Now 43, Manuel is a unattractive, self loathing, recovering drug addict who works in a dead end job at a small publishing house. He decides to travel back to Spain to search for traces of his mother.*

*The most enjoyable way to learn about an unfamiliar culture is through its stories—especially when they're told in two languages! This book introduces 40 stories from the Philippines through bilingual Tagalog and English texts presented on facing pages. Paired with cultural notes, vocabulary lists, exercises, comprehension questions and free online audio recordings, Tagalog Stories for Language Learners is an excellent resource for intermediate language learners. This compilation includes a mix of traditional folktales retold for a modern audience, as well as several well-known works of contemporary Philippine literature. Along the way, you will meet fabulous mythological characters like the Bagobó goddess Mebuyan and the shape-shifting Aswang. Other characters cope with day-to-day issues, such as the domestic worker who cannot find her keys and a beauty queen who leaves behind her comfortable city life in order to help peasants in the countryside. Four of the rare stories are by well-known Filipino writers and are presented in complete or partially condensed form. These include: Estrangheritis by Inigo Ed. Regalado (1907)—The writer is critical of Filipinos who exalt all things foreign while, in fact, benefitting from their own land but unappreciative of their national culture. Desire by Paz Latorena (1928)—The story of a Filipino Express: Business English*

*honeymoon! Maria Elena Paterno's Sampaguita (1991)—Two popular legends about the Sampaguita (Philippine jasmine flower) which touch on the themes of courage and forbidden love. Stories from different periods are presented so learners get a feel for authentic Filipino texts. This book is an edited collection of papers dealing with some of the main issues in audiovisual translation (AVT) today. As the title indicates, it proposes to take stock of where the discipline stands and to speak of the opportunities and challenges that an ever-changing environment poses to those involved in the field, whether in teaching, researching or working professionally within the industry. The selection of papers provides a detailed overview of the multidisciplinary richness that ch ...*

*For fans of Elena Ferrante and Paulo Coelho comes a moving and elegant novel about the friendship between two young Italian boys from different backgrounds and how their connection evolves and challenges them throughout their lives. “Few books have so accurately described the way stony heights can define one’s sense of joy and rightness...an exquisite unfolding of the deep way humans may love one another” (Annie Proulx). Pietro is a lonely boy living in Milan. With his parents becoming more distant each day, the only thing the family shares is their love for the mountains that surround Italy. While on vacation at the foot of the Aosta Valley, Pietro meets Bruno, an adventurous, spirited local boy. Together they spend many summers exploring the mountains’ meadows and peaks and discover the similarities and differences in their lives, their backgrounds, and their futures. The two boys come to find the true meaning of friendship and camaraderie, even as their divergent paths in life—Bruno’s in the mountains, Pietro’s across the world—test the strength and meaning of their connection. “A slim novel of startling expansion that subtly echoes its setting” (Vogue). The Eight Mountains is a lyrical coming-of-age story about the power of male friendships and the enduring bond between fathers and sons. “There are no more universal themes than those of the landscape, friendship, and becoming adults, and Cognetti’s writing becomes classical (and elegant) to best tell this story...a true novel by a great writer” (Rolling Stone Italia).*

*Verbs and verb conjugations are the basic building blocks when learning a foreign language. Light, compact, and easy to carry wherever students go, books in this series offer approximately 300 frequently-used verbs that are presented in easy-to-read verb conjugation tables. Each verb includes its English equivalent, sample sentences, and related words and expressions. These books also include general instruction in verb usage. Titles in Barron’s Verbs series are shorter versions of Barron’s 501 Verbs books. This smaller-format book is a handy reference sources for students taking Italian, as well as for Italian language teachers, and translators.*

*One relentless summer, six children explore the scorched wheatfields that surround their tiny community in the Italian countryside, while the adults shelter indoors. But when the gang chances on a tumbledown farmhouse, nine-year-old Michele Amirano makes a discovery so momentous he dare not tell anyone about it. I'm Not Scared is a devastatingly authentic portrayal of childhood, and Michele must summon all of his imaginative resources to deal with his terrible secret. This is an enthralling and terrifying story about friendship and betrayal, guilt and innocence, which drives us inexorably to its tragic climax.*

*This atlas presents normal and pathologic findings observed on CT angiography with 3D reconstruction in a diverse range of clinical applications, including the imaging of cerebral, carotid, thoracic, coronary, abdominal and peripheral vessels. The superb illustrations display the excellent anatomic detail obtained with CT angiography and depict the precise location of affected structures and lesion severity. Careful comparisons between normal imaging features and pathologic appearances will assist the reader in image interpretation and treatment planning and the described cases include some very rare pathologies. In addition, the technical principles of the modality are clearly explained and guidance provided on imaging protocols. This atlas will be of value both to those in training and to more experienced practitioners within not only radiology but also cardiovascular surgery, neurosurgery, cardiology and neurology. Presents sample questions and answers for nine full-length SAT practice tests.*

*Mood mapping simply involves plotting how you feel against your energy levels, to determine your current mood. Dr Liz Miller then gives you the tools you need to lift your low mood, so improving your mental health and wellbeing. Dr Miller developed this technique as a result of her own diagnosis of bipolar disorder (manic depression), and of overcoming it, leading her to seek ways to improve the mental health of others. This innovative book illustrates: · The Five Keys to Moods: learn to identify the physical or emotional factors that affect your moods · The Miller Mood Map: learn to visually map your mood to increase self-awareness · Practical ways to implement change to alleviate low mood Mood mapping is an essential life skill; by giving an innovative perspective to your life, it enables you to be happier, calmer and to bring positivity to your own life and to those around you. “A gloriously accessible read from a truly unique voice” Mary O’Hara, Guardian ‘It’s great to have such accessible and positive advice about our moods, which, after all, govern everything we do. I love the idea of MoodMapping’ Dr Phil Hammond ‘Can help you find calm and take the edge off your anxieties’ Evening Standard ‘MoodMapping is a fantastic tool for managing your mental health and taking control of your life’ Jonathan Naess, Founder of Stand to Reason*

*Vincenzo Malinconico is a wildly unsuccessful lawyer who spends most of his time at the office trying to look busy. His wife has left him. His teenage children worry him to death. And he suffers from a chronic inability to control his sentence structure. When he is asked to fill in as the public defender for alleged Mafioso Mimmo lo Burzone, Malinconico seizes the opportunity to turn his life around. Without dwelling too long on what it might mean to be employed by the mob, he rushes to re-learn the Italian criminal code, all the while attempting to resist any further advances from his employers. Malinconico’s life becomes a comical battle to finish what he has started without falling further into the clutches of the mafia. I Hadn’t Understood is one of the subtlest and most cunning accounts of the mafia’s influence on everyday life in recent decades. And it is certainly the most entertaining. Written with a neurotic’s love of detail and wry humor, I Hadn’t Understood is an engaging story of family, fatherhood, and the perils of navigating the Italian legal system.*
