

Redemption: A Street Fighter's Path To Peace

Re-energize your faith, become a better person, or save someone's life. Redemption of A Street Fighter is an inspirational book about a miracle at a McDonald's. This great story unfolds when a customer at the restaurant gets to know the maintenance man. The customer notices something special happening at the restaurant, and comes to believe it's connected in some way to the Holy Spirit. Taking time to observe, the customer becomes inspired enough to begin writing a story of the interesting events happening right there in public! Besides elaborating about his encounter with the maintenance man, the story describes the worker's journey through life, including details about his time as a boxer, a street fighter who comes close to death, and then life as a homeless man. The redemption and miracle follows. This must read book contains photographs of the subject, plus quotes from the bible, the Christian writer Clive Staples Lewis, Presidents Washington and Lincoln, as well as others. Major Nght, the fanatic North Vietnamese officer from book 1, is back. This time, he's got many more soldiers under his command, and uses different tactics, which he believes are guaranteed to defeat the Marines and Popular Forces of Combined Action Platoon Tango Niner. He starts by violating the Christmas truce - at a time when the Marines have American women visiting for Christmas dinner! Defeating the North Vietnamese is the toughest job Tango Niner has faced, especially once Major Nghu and his forces begin targeting the civilian population of the hamlets of Bun Hoa village. Step by step, Major Nghu believes he is achieving his ultimate goal of defeating the Marines and PFs of Tango Niner. Step by step, the Marines and PFs find ways to counter him and his forces, until they meet in the ultimate battle for control of the Song Du Ong river valley.

In a novel about the awful price of heroism, rookie pilot John Ellsworth is eager to liberate Vietnam from its Communist oppressors, while Army nurse Kate Moffitt hopes only to rescue John from himself

Angel - Vol. 1: Heroes & Guardian Angels

From the text adventures of Zork, to the arcade game of Pac-Man, to the corridors of Doom, and on to the city streets of Grand Theft Auto IV, the maze has often been used as a space to trap and confuse players in their navigation of gameworlds. However, the maze as a construction on the landscape has a long history before the invention of the videogame. By examining the change in the maze from the landscapes of open spaces and closed gardens through to the screen of the videogame, both mazes and labyrinths are discussed in terms of historical reference, alongside the author's personal experiences of walking and playing these structures. This book shows how our cultural experiences of real world maze landscapes may have changed, and how we negotiate videogame worlds along the various paths and meanings they so often create for us.

ELI This is it. My senior year. My last shot to get called up to play in the National Hockey League. This season is about me. Though every season is about me. I'm the captain of my university's hockey team-the top scorer both on and off the ice-and everyone on campus knows my name. I feel the pressure every single day. I can't afford to get distracted. At least, that's what I keep reminding myself because my mind keeps straying to a certain rethead-my brother's best friend. She is nothing like I had expected. She's beautiful, smart, and too sweet for her own good. But I can't think about her. This is the year to focus on myself and my dream. I need to be selfish like I always am. So, why can't I get her out of my head? LOGAN This year is all about me. I've never put myself first, but for once, I'm going to. I'm in a new city, at a new school, and with my best friend. Everything will be different here. Minnesota is a fresh start for me-I can finally leave my past behind. I don't have to think about anyone else. I shouldn't be thinking about anyone else. Except I've finally met my best friend's brother. He's tall, athletic, and the most gorgeous man I've ever laid eyes on. He's sex on legs and charming as hell. His reputation, though? A glaring red flag, telling me to stay away. But no matter what I do, I just can't stop thinking about him...

He's a hip-hop icon credited with single-handedly creating gangsta rap. Television viewers know him as Detective Odaffin "Fin" Tutuola on the top-rated drama Law & Order: SVU. But where the hype and the headlines end, the real story of Ice-T—the one few of his millions of fans have ever heard—truly begins. Ice is Ice-T in his own words—raw, uncensored, and unafraid to speak his mind. About his orphan upbringing on the gang-infested streets of South Central, his four-year stint in the U.S. Army, his successful career as a hustler and thief, and his fateful decision to turn away from a life of crime and forge his own path to international stardom. Along the way, Ice shares never-before-told stories about friends such as Tupac, Dick Wolf, Chris Rock, and Flavor Flav, among others. And he offers up candid observations on marriage and monogamy, the current state of hip-hop, and his latest passion: mentoring at-risk youths around the country. With insights into the cutthroat world of the street—and the cutthroat world of Hollywood—Ice is the unforgettable story of a true American original.

In his almost 20 years in the sport, Will Greenwood has achieved just about everything a professional rugby player could ever aspire to, playing an integral role in the World Cup-winning campaign of 2003, and achieving great things with England beyond that at the Six Nations and on tour with the Lions. Never was a man more well placed to write on the sport. From the grass roots to elite professionalism, Greenwood has made his name as the face of intelligent and entertaining rugby writing and punditry. From hilarious character sketches of players to technical discussion of scrummaging and World Cup reminiscences, Greenwood delivers unrivalled writing on the game of rugby.

Street Fighter World Warrior Encyclopedia

Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party, she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. Unlikely Fighter is the incredible story of how God showed up in Greg's life—and how he can show up in yours as well. This is a memoir of violence and mayhem—and how God can transform everything.

Follows the adventures of different Street Fighter characters as they fight each other and attempt to be the best.

If you're like most Americans, you'll find yourself slowing down on the highway near the scene of an accident, hoping to catch a glimpse of the mayhem. You probably also secretly enjoy the fistfights that break out at hockey games or hearing about the lurid details revealed during sensational murder trials. And it's no secret that horror fiction, macabre slasher movies, and brutal video games are solid moneymakers.How do we explain the lurid fascination that most people experience when confronted by real or simulated acts of violence, murder, horror, and crime?This is the subject examined by veteran psychologist Jeffrey A. Kotler in this candid assessment of our dark vicarious thrills. Based on a series of interviews with perpetrators, victims, and consumers of violence, including several celebrities, the author of a best-selling book on serial killers explores what there is about this subject that draws such a wide audience.Unlike most other books that attempt to probe the murky psyches of deviant individuals, this book focuses on normal, average people who, despite themselves, enjoy getting close to the most forbidden, perverse side of destruction and evil. The persons interviewed range from homicide detectives and emergency room personnel to a heavyweight boxer and groups of serial killers on death row.Kotler considers ideas from a variety of theories and research to explain our responses to violence, raises questions about the shifting line between normal and abnormal, evaluates the confusion and ambivalence that many people feel when witnessing others' suffering, and suggests future trends in society's attitudes toward violence.Jeffrey A. Kotler, PhD, is a practicing psychologist, professor of counseling at California State University, Fullerton, and the author of more than seventy-five books, including the New York Times best seller The Last Victim: A True-Life Journey into the Mind of the Serial Killer. He is also head of Empower Nepali Girls, which provides educational scholarships for at-risk, lower-caste girls.

In this beautifully written work, Marjorie Becker reconstructs the cultural encounters which led to Mexico's post-revolutionary government. She sets aside the mythology surrounding president Lázaro Cárdenas to reveal his dilemma: until he and his followers understood peasant culture, they could not govern. This dilemma is vividly illustrated in Michoacán. There, peasants were passionately engaged in a Catholic culture focusing on the Virgin Mary. The Cardenistas, inspired by revolutionary ideas of equality and modernity, were oblivious to the peasants' spirituality and determined to transform them. A series of dramatic conflicts forced Cárdenas to develop a government that embodied some of the peasants' complex culture. Becker brilliantly combines concerns with culture and power and a deep historical empathy to bring to life the men and women of her story. She shows how Mexico's government today owes much of its subtlety to the peasants of Michoacán.

FOTC is a story about MMA (mixed martial arts) and sports. In a futuristic Brazil, performance-enhancing drugs have gone from behind-the-scenes banned substances to front-and-center game changers. The sports world as we know it has been revolutionized! Nowhere is that more on display than inside Neo-Rio, a mega-city that serves as the home to the Fighters Ultimate Exhibition League (FUEL). Men are becoming monsters in minutes as fighters are putting their lives on the line in the octagon.Our story follows Rex Punga, a down on his luck farmboy-turned-MMA fighter. After a drug-fueled incident that nearly ends his career, Punga will attempt a comeback where he takes on, not only the behemoths in the ring, but the behemoth that is Big Pharma. But this time, he's going to do it all the old school way. Naturally.Evil Pharmaceutical companies! An uphill battle for redemption! The future of Brazilian MMA on the line! This truly will be the FIGHT OF THE CENTURY.

The Fighter in Unit J

The Cage

"Widowed for ten years, now running the family ranch, Adam Miller is no longer the fun-loving guy who married his high school sweetheart the moment they graduated. His bitterness in the aftermath of her death even alienated his closest link to her--Lizzie Taylor, her best friend. But when Adam comes across Lizzie in a dire situation, he's compelled to help--and finds himself with an unusual opportunity to make amends... A struggling single mom, Lizzie had the good fortune to have met Adam when she got pregnant. But now he and his family have decided to fight for custody of her young son. When Adam shocks her by offering to pose as her partner, awkward as it may feel, it's Lizzie's best chance to hold onto her child. And as they strive to present a united front, their old friendship rekindles, sparking an unexpected attraction--along with past hurts and secrets. Soon they realize they'll have to find a way to forgive if they want to move forward--especially with each other." --Amazon.com.

Stephen: I call him Anthony, though everyone else calls him Tony. Why? Because I know there's more to this rude, obnoxious, sullen, sexy man, Anthony totally mesmerizes me. He's like a drug habit I can't quit. I'm a priest. I should know better. We are friends. Or were. I guess he felt safe with me since I'm a priest. But when he learned that my church is welcoming to gays and that it even has gay priests, he backed off. I haven't been totally honest with him about my feelings, but I'm sure he senses them ... Anthony: I like sex, but making love? That's not in the cards for me. If a guy wants more from me than wild, sweaty sex ... I move on. There's plenty of others to choose from. I don't let people in. It never works out. Never. I made a mistake opening up to Stephen when he moved into Mockingbird Place. Why do I like him so much? He's a priest. Father Stephen. And he believes in things I see as fair tales. I have my reasons. I've seen the darkest parts of humanity, and I didn't see any divine light breaking through.

Michael Clarke was a street fighter, an angry, vicious kid. He grew up in the late sixties and early seventies in a rough neighborhood in Manchester, England. He left school at fifteen and began life as a street brawler, eventually ending up in jail. After his release, more trouble followed. Then one night he entered a karate dojo and his life changed forever...Publisher.

Dave's testing your creative property to one media channel. Make the essential leap to transmedia! From film to television to games and beyond, Storytelling Across Worlds gives you the tools to weave a narrative universe across multiple platforms and meet the insatiable demand of today' s audience for its favorite creative property. This, the first primer in the field for both producers and writers, teaches you how to:
• Employ film, television, games, novels, comics, and the web to build rich and immersive transmedia narratives
• Create writing and production bibles for transmedia property
• Monetize your stories across separate media channels
• Manage transmedia brands, marketing, and rights
• Work effectively with writers and producers in different areas of production
• Engage audiences with transmedia storytelling Up-to-date examples of current transmedia and cross-media properties accompany each chapter and highlight this hot but sure-to-be enduring topic in modern media.

Unlikely Fighter

NEW YORK TIMES BESTSELLER • An “extraordinary, unforgettable” (Michelle Alexander, author of The New Jim Crow) memoir of redemption and second chances amidst America’s mass incarceration epidemic, from a member of Oprah’s SuperSoul 100 Shaka Senghor was raised in a middle-class neighborhood on Detroit’s east side during the height of the 1980s crack epidemic. An honor roll student and a natural leader, he dreamt of becoming a doctor—but at age eleven, his parents’ marriage began to unravel, and beatings from his mother worsened, which sent him on a downward spiral. He ran away from home, turned to drug dealing to survive, and ended up in prison for murder at the age of nineteen, full of anger and despair. Writing My Wrongs is the story of what came next. During his nineteen-year incarceration, seven of which were spent in solitary confinement, Senghor discovered literature, meditation, self-examination, and the kindness of others—tools he used to confront the demons of his past, forgive the people who hurt him, and begin atoning for the wrongs he had committed. Upon his release at age thirty-eight, Senghor became an activist and mentor to young men and women facing circumstances like his. His work in the community and the courage to share his story led him to fellowships at the MIT Media Lab and the Kellogg Foundation and invitations to speak at events like TED and the Aspen Ideas Festival. In equal turns, Writing My Wrongs is a page-turning portrait of life in the shadow of poverty, violence, and fear: an unforgettable story of redemption; and a compelling witness to our country’s need for rethinking its approach to crime, prison, and the men and women sent there.

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader’s Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—Unbroken is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the burly adjectives we normally try to avoid. It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing. . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful. . . a startling narrative and an inspirational book.”—The New York Times Book Review “Magnificent . . . incredible. . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds: this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times.”—The Dallas Morning News “An astonishing testament to the superhuman power of tenacity.”—Entertainment Weekly “A tale of triumph and redemption . . . astonishingly detailed.”—O: The Oprah Magazine “[A] masterfully told true story . . . nothing less than a marvel.”—Washington “[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Hillenbrand [is] one of our best writers of narrative history. You don’t have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling.”—Rebecca Skloot, author of The Immortal Life of Henrietta Lacks

This story depicts a young woman with hero tendencies and bossy ways. Her zeal gets her not to react to things before she studies them. Shannon is patient in her field of career but not patient with people. She meets a guy who puts her on her path to redemption and discovery. Shannon is not uncomfortable in any surrounding and adapts quickly. She misses her dad who died suddenly in a car accident which changed her dramatically. After his death, Shannon started to have warrior dreams although not a historian Shannon's dreams take her to various historical battles. Shannon is fighting and defeating her foes but never satisfied, at last, she is in a fight that she believes she can't win her imagination, and fears. I'm a fighter! I fought to survive on the streets after running away at seventeen. I did what I had to, and I make no apologies for it! I fought and clawed my way up from illegal street fighting to a UFC contender.I fought my fear and came back to this wretched place, where my stepfather made me so miserable eleven years ago.I could fight how much I want my stepsister, who's suddenly all grown up.I could fight to keep my secrets hidden.I could fight.If I wanted to..Couldn't I?This is a standalone novella, approximately 35,000 words, with no cliffhanger.Be prepared for dark moments,

haunting secrets, pain, redemption, and sexy times ahead. For adults only.

Transmedia for Creatives and Producers

Third series

A World War II Story of Survival, Resilience, and Redemption

Street Fighter

Redemption

This is a book that's long overdue: One that provides information that has never before been published, compiled or analyzed in a way that's designed to help fighters. This is a guide to the science of kicking and punching that can settle the debates about which techniques are the most effective and why. It will help a fighter to fight, an instructor to teach and martial artists to advance by working things out for themselves. There is no magic involved in the martial arts. The force and power that is displayed by an expert fighter is the consequence of rigorous training in the accurate application of physical laws. Understanding how to use these laws of physics to create massive impact forces will provide a personal insight into the practice of correct technique and form. This unique piece of work will act as a technical reference that provides the facts and figures that fighters seek, including records of the maximum force and speed achieved by some of the best present day warriors, helping to answer many of the most difficult questions in the martial arts.
