

## **Return Of The Pharaoh: Memoir In Nasir's Prison**

Filled with intrigue, surprises, and the author's original illustrations, this novel skillfully weaves history with a personal story full of heartache and family tensions that will entice and enthrall readers. When Talibah and her younger brother, Adom, accompany their father to Egypt, they become involved in a mystery surrounding an ancient, lost pharaoh—a rare queen ruler. Someone has tried to make it appear as if she never existed! The queen needs Talibah to help her and her high priest, Senenmut, reclaim their rightful place in history. Exotic locales, mysterious strangers, and a sinister archaeologist round out an adventure that is full of riddles, old tales, and, most surprisingly of all, a link to Talibah's and Adom's mother, who died mysteriously. F&P level: W

A respected Egyptologist examines the compelling mystery behind the death of King Tutankhamen. Today, Tutankhamen is the most famous of the ancient Egyptian pharaohs. After his death at the age of nineteen, "King Tut" was forgotten from history, until the discovery of his tomb in 1922 propelled him to worldwide fame. But the circumstances of his death remain shrouded in mystery.... X-rays of Tutankhamen's skull suggest a violent death. Was it accident or murder? Several members of his family died around the same time—was is coincidence? Why did Tutankhamen's widow send desperate messages to the Hittite king, requesting marriage to one of his sons? And who murdered the Hittite prince on his journey to Egypt? Who ordered the removal of Tutankhamen's name from all monuments and temples, and thus from Egyptian history? This fascinating, painstakingly researched book is the first to explore in depth the questionable circumstances of Tutankhamen's demise—and to present a shocking scenario of betrayal, ambition, and murder. In *The Murder of Tutankhamen*, renowned Egyptologist Bob Brier reveals an exciting journey into ancient history—and a 3,000 year-old mystery that still compels us today. "Brier's 3,000-year-old mystery steadily draws the reader into the curious and exotic world of Egyptology."—*The New York Times*

**INCLUDES 16 PAGES OF PHOTOS**

At the center of the most vital human-plant relationship in history, Papyrus evokes the mysteries of the ancient world while holding the key to the world's wetlands and atmospheric stability. From ancient Pharaohs to twenty-first century water wars, papyrus is a unique plant that is still one of the fastest growing plant species on earth. It produces its own "soil"—a peaty, matrix that floats on water—and its stems inspired the fluted columns of the ancient Greeks. In ancient Egypt, the papyrus bounty from the Nile delta provided not just paper for record keeping—instrumental to the development of civilization—but food, fuel and boats. Disastrous weather in the sixth century caused famines and plagues that almost wiped out civilization in the west, but it was papyrus paper in

scrolls and codices that kept the record of our early days and allowed the thread of history to remain unbroken. The sworn enemy of oblivion and the guardian of our immortality, it came to our rescue then and will again. Today, it is not just a curious relic of our ancient past, but a rescuing force for modern ecological and societal blight.

Throughout history women have caused wars, defied the rules, and brought men to their knees. The famous and the infamous, queens, divorcées, actresses, and outlaws have created a ruckus during their lifetimes-turning heads while making waves. Scandalous Women tells the stories of the risk takers who have flouted convention, beaten the odds, and determined the course of world events. \*When Cleopatra (69 BC-30 BC) wasn't bathing in asses' milk, the last pharaoh of the Ptolemaic dynasty ruled Egypt and forged an important political alliance with Rome against her enemies-until her dalliance with Marc Antony turned the empire against her. \*Emilie du Châtelet (1706-1748), a mathematician, physicist, author, and paramour of one of the greatest minds in France, Voltaire, shocked society with her unorthodox lifestyle and intellectual prowess-and became a leader in the study of theoretical physics in France at a time when the sciences were ruled by men. \*Long before Rosa Parks refused to give up her seat on the bus, Ida B. Wells-Barnett (1862-1928) fought to end discrimination and the terrible crime of lynching and helped found the NAACP, but became known as a difficult woman for her refusal to compromise and was largely lost in the annals of history. \*Gertrude Bell (1868-1926) had a passion for archaeology and languages, and left her privileged world behind to become one of the foremost chroniclers of British imperialism in the Middle East, and one of the architects of the modern nation of Iraq.

Clive Cussler's New York Times bestselling Blue Gold, now available in ebook, is a heart-pounding thriller in the NUMA adventure series. It navigates the Amazon jungle in search of a legend that could change the path of science—but secretive powers will do anything to stop it. Within the Venezuelan rain forest emanates the legend of a white goddess and a mysterious tribe with startling technical accomplishments. A tribe exists—and even fewer suspect its deity may hold knowledge that can change the course of history. For National Underwater & Marine leader Kurt Austin, an investigation into the sudden deaths of rare whales leads him to the Mexican coast, where someone tries to put him permanently out of commission. Meanwhile, in South America's lush hills, a specially assigned NUMA crew turns up the white-goddess legend.

murderous cadre of bio-pirates intent on stealing medicinal secrets worth millions. Soon Austin and his crew realize they're working the same grand scheme. A billionaire California tycoon is poised to rise to power by monopolizing the earth's vastly depleted freshwater, ultimately dominate the world. Austin has a hunch Venezuela's mythical tribal goddess has some real roots in science, and may be the key to the secret formula that could turn vast amounts of seawater into fresh. But with each step into the bush, he and his NUMA team feel like they must fight a deadly, twisting trail of enemies through a dense jungle of treachery, blackmail, and murder.

"Essential reading for any Star Trek and movie fan." -trekmovie.com When Nicholas Meyer was asked to direct the troubled second Star Trek movie, he was something less than a true believer. A bestselling author and successful director, he had never been a fan of the TV series. But as he became an appeal of Kirk, Spock, et al., he realized that their story was a classical nautical adventure yarn transplanted into space and armed with a mission on his mission: to revitalize Trek.

Zainab al-Ghazali was falsely accused and imprisoned for conspiring to kill Jamal 'Abd al-Nasir the president of Egypt in 1965. While away from home she was subjected to torture. This book presents her ordeal and the inspirational way in which she reacted: with increased determination to her cause and renewed belief in her principles and faith.

**“We weren’t meant to be here.” From the modern classic memoir, In Pharaoh’s Army, a selection by Tobias Wolff portrays the final days of civilian life before boarding the bus that would carry him to the blind carnage of the Tet offensive and the greater War. With his uncanny eye for detail, pitiless candor and mordant wit, Wolff brings to life the tender and transitory hours when nothing had seemed irrevocable and before the sergeant called out the names of the men that would. A Vintage Shorts Vietnam Selection. An ebook short.**

**Collects photographs and letters from teenage girls asked to describe or define themselves and their world.**

**Presents short profiles of famous men throughout history, from King Tut to Crazy Horse to Stan Lee to Shaun White.**

**“Fear is the most fertile ground for faith.” “You will be called Anippe, daughter of the Nile. Do you like it?”**

**Without waiting for a reply, she pulls me into her squishy, round tummy for a hug. I'm trying not to cry.**

**Pharaoh's daughters don't cry. When we make our way down the tiled hall, I try to stop at ummi Kiya's chamber. I know her spirit has flown yet I long for one more moment. Amenia pushes me past so I keep walking and don't**

**look back. Like the waters of the Nile, I will flow. Anippe has grown up in the shadows of Egypt's good god Pharaoh, aware that Anubis, god of the afterlife, may take her or her siblings at any moment. She watched him snatch her mother and infant brother during childbirth, a moment which awakens in her a terrible dread of ever bearing a child. Now she is to become the bride of Sebak, a kind but quick-tempered Captain of Pharaoh Tut's army. In order to provide Sebak the heir he deserves and yet protect herself from the underworld gods, Anippe must launch a series of deceptions, even involving the Hebrew midwives—women ordered by Tut to drown the sons of their own people in the Nile. When she finds a baby floating in a basket on the great river, Anippe believes Egypt's gods have answered her pleas, entrenching her more deeply in deception and placing her and her son Mehy, whom handmaiden Miriam calls Moses, in mortal danger. As bloodshed and savage politics shift the balance of power in Egypt, the gods reveal their fickle natures and Anippe wonders if her son, a boy of Hebrew blood, could one day become king. Or does the god of her Hebrew servants, the one they call El Shaddai, have a different plan—for them all?**

SOMETIMES YOU CHOOSE YOUR BATTLES. AND SOMETIMES, THEY CHOOSE YOU... Once, Max dreamed of a career, a home, a loving family. Now all she wants is freedom...and revenge. A witch named Giselle transformed Max into a warrior with extraordinary strength, speed, and endurance. Bound by spellcraft, Max has no choice but to fight as Giselle's personal magic weapon -- a Shadowblade -- and she's lethally good at it. But her skills are about to be put to the test as they never have before.... The ancient Guardians of the earth are preparing to unleash widespread destruction on the mortal world, and they want the witches to help them. If the witches refuse, their covens will be destroyed, including Horngate, the place Max has grudgingly come to think of as home. Max thinks she can find a way to help Horngate stand against the Guardians, but doing so will mean forging dangerous alliances -- including one with a rival witch's

Shadowblade, who is as drawn to Max as she is to him -- and standing with the witch she despises. Max will have to choose between the old life she still dreams of and the warrior she has become, and take her place on the side of right -- if she survives long enough to figure out which side that is....

Although millions know of Sherlock Holmes through the chronicles of his exploits written by Dr. Watson, it is now that the full biography and facts of his life can be brought before the public. This volume brings together for the first time every known fact that can be fully authenticated about the life of one of the world's most extraordinary men, and reveals much more about him that has not been heretofore generally known. From twenty years' research into every possible source, the author has written as definitive an account as could ever be assembled.

Returning to Egypt amid rumors of murder and treason, Chief Amerotke is directed to solve a mystery involving a sinister cult in order to stave off a threat of imminent war. By the author of *The Poisoner of Ptah*.

*When Ariel Levy left for a reporting trip to Mongolia in 2012, she was pregnant, married, financially secure, and successful on her own terms. A month later, none of that was true.*

*From the internationally bestselling author of Sarah comes the riveting story of the remarkable woman who walked beside Moses.*

*Although she is a Cushite by birth—one of the people of the lands to the south—Zipporah grew up as the beloved daughter of Jethro, high priest and sage of the Midianites. But the color of Zipporah's skin sets her apart, making her an outsider to the men of her adopted tribe, who do not want her as a wife. Then one day while drawing water from a well, she meets a handsome young stranger. Like her, he is an outsider. A Hebrew raised in the house of the Egyptian Pharaoh, Moses is a fugitive, forced to flee his homeland. Zipporah realizes that this man will be the husband and partner she never thought she would have. Moses wants nothing more than a peaceful life with the Midianites, but Zipporah won't let Moses forget his past—or turn away from his true destiny. She refuses to marry him until he returns to Egypt to free his people. When God reveals himself to Moses in a burning bush, his words echo Zipporah's, and Moses returns to Egypt with his passionate and generous wife by his side. A woman ahead of her time, Zipporah leaps from the pages of this remarkable novel. Bold, independent, and a true survivor, she is a captivating heroine, and her world of deserts, temples, and ancient wonders is a fitting*

*backdrop to an epic tale.*

*Presents conclusive evidence that ancient Egypt was originally the remnant of an earlier, highly sophisticated civilization • Supports earlier speculations based on myth and esoteric sources with scientific proof from the fields of genetics, engineering, and geology • Provides further proof of the connection between the Mayans and ancient Egyptians • Links the mystery of Cro-Magnon man to the rise and fall of this ancient civilization In the late nineteenth century, French explorer Augustus Le Plongeon, after years of research in Mexico's Yucatán Peninsula, concluded that the Mayan and Egyptian civilizations were related--as remnants of a once greater and highly sophisticated culture. The discoveries of modern researchers over the last two decades now support this once derided speculation with evidence revealing that the Sphinx is thousands of years older than Egyptologists have claimed, that the pyramids were not tombs but geomechanical power plants, and that the megaliths of the Nabta Playa reveal complex astronomical star maps that existed 4,000 years before conventional historians deemed such knowledge possible. Much of the past support for prehistoric civilization has relied on esoteric traditions and mythic narrative. Using hard scientific evidence from the fields of archaeology, genetics, engineering, and geology, as well as sacred and religious texts, Malkowski shows that these mythic narratives are based on actual events and that a highly sophisticated civilization did once exist prior to those of Egypt and Sumer. Tying its cataclysmic fall to the mysterious disappearance of Cro-Magnon culture, *Before the Pharaohs* offers a compelling new view of humanity's past.*

*This beautifully illustrated book is full of ancient secrets, glittering gold, priceless treasures, and Egyptian stories from more than 3,000 years ago. Stunning artworks and intriguing facts combine to mesmerize. This stunning book will lead you on a thrilling journey back in time to the land of the ancient Egyptians. Meet mighty pharaohs and powerful queens. Awaken mythical gods and magical goddesses. Watch everyday life along the River Nile. Every spread reveals a fabulous treasure and its unique story. Unwrap a pharaoh's mummy, decipher hieroglyphics, discover why an amulet is lucky, and what gruesomeness hides inside a canopic jar. Perfect for explorers of all ages, and a treasure to revisit time and again. **BEAUTIFULLY ILLUSTRATED:** Vibrant, detailed images of the art, objects, people, and icons of Ancient Egypt. **FASCINATING FACTS:** Includes hundreds of fascinating facts about dozens of Ancient Egyptian treasures in an easy-to-read format that will enthrall amateur Egyptologists of all ages. **CLASSROOM TO COFFEE TABLE:** This beautiful volume is equally at home on a school bookshelf to support student learning as in a living room to be enjoyed by the whole family. **COLLECT THE SERIES:** More fascinating compendiums for all ages include *The Magnificent Book of Birds*, *The Magnificent Book of Horses*, *The Magnificent Book of Sharks*, and more!*

Thebes, Upper Egypt. 1324 BC The last living male descendant of the Amarna line, Pharaoh Tutankhamun, has died suddenly under mysterious circumstances. His wife, Queen Ankhesenamen, is left without a male heir. The ambitious vipers Ay and Horemheb are nipping at her heels in their bid to seize power. Queen Ankhe has but one hope to maintain her hold on the throne - an alliance with the Hittites. With Ay and Horemheb watching her every move, there is only one person she can trust to save her and her line - a girl, a slave - Ida. This title is a historical novella.

An intrepid girl must return a magical artifact to its rightful home in this archeological fantasy adventure for young readers. Eleven-year-old Theodosia Throckmorton is once again setting off for Egypt—this time to return an Emerald Tablet that contains some of the ancient world's most guarded secrets. Accompanied by her cat, Isis (smuggled along in a basket), Theo plans to return the artifact, then explore the mysteries surrounding her own birth and oh, yes—help her mother dig up treasures on her archeological expedition. But nothing ever works out as planned, especially when a precious treasure suddenly appears, and then just as suddenly disappears . . . When the Serpents of Chaos get involved, Theo finds she's digging up more trouble than she expected!

The protagonist of Tobias Wolff's shrewdly—and at times devastatingly—observed first novel is a boy at an elite prep school in 1960. He is an outsider who has learned to mimic the negligent manner of his more privileged classmates. Like many of them, he wants more than anything on earth to become a writer. But to do that he must first learn to tell the truth about himself. The agency of revelation is the school literary contest, whose winner will be awarded an audience with the most legendary writer of his time. As the fever of competition infects the boy and his classmates, fraying alliances, exposing weaknesses, *Old School* explores the ensuing deceptions and betrayals with an unblinking eye and a bottomless store of empathy. The result is further evidence that Wolff is an authentic American master.

Bestselling novelist Margaret George brings to life the glittering kingdom of Cleopatra, Queen of the Nile, in this lush, sweeping, and richly detailed saga. Told in Cleopatra's own voice, *The Memoirs of Cleopatra* is a mesmerizing tale of ambition, passion, and betrayal in the

ancient Egyptian world, which begins when the twenty-year-old queen seeks out the most powerful man in the world, Julius Caesar, and does not end until, having survived the assassination of Caesar and the defeat of the second man she loves, Marc Antony, she plots her own death rather than be paraded in triumph through the streets of Rome. Most of all, in its richness and authenticity, it is an irresistible story that reveals why Margaret George's work has been widely acclaimed as "the best kind of historical novel, one the reader can't wait to get lost in." (San Francisco Chronicle).

**Over 1 million sold in series! "The Egyptians believe that whoever opens a tomb will be cursed!" The hot sun and sand of ancient Egypt await Patrick and Beth in their next Imagination Station adventure. The cousins are caught between a terrible ruler and a nation bound for slavery. To help their new friend Tabitha, the cousins must seek out a great secret—one that will give hope to her family and future generations. Their search takes them to an ancient burial vault and . . . a mummy! But the vault is a confusing maze, filled with traps and mysterious symbols. Will the cousins ever get out again to share a life-changing hope?**

**"In *Laughing at Myself*, Dan Glickman—a Jewish kid from Wichita, Kansas, descended from Russian and Eastern European immigrants—tells the story of his life in public service as a principled moderate driven by the values of pragmatism and civility. After leaving the Republican Party in 1974, he represented the 4th Congressional District of Kansas as a Democrat in the US House of Representatives for eighteen years. He went on to become the US Secretary of Agriculture in the Clinton administration and later served as Chairman of the Motion Picture Association of America, Inc. In the midst of a highly polarized and partisan political climate, Glickman's life highlights the value of building bridges between rivals, rather than making enemies. Told with self-deprecating humor and a belief in the "better angels of our nature," *Laughing at Myself* encourages people to see that common sense and moderation are the keys to a meaningful life in service to the common good. *Laughing at Myself* is a regional trade manuscript that reflects the University Press of Kansas's aim to serve the Kansas and**

***wider Midwestern and Great Plains regions. As a memoir by a former Congressman and presidential cabinet member, the book also advances the Press's interest in the fields of American politics and US history. Dan Glickman's story will resonate especially for Kansans while also offering perspectives on important political moments that will be of interest to a wider audience of informed readers"--***

***With the international bestseller *The Seven-Per-Cent Solution*, Nicholas Meyer brought to light a previously unpublished case of Sherlock Holmes, as recorded by Dr. John H. Watson. Now Meyer returns with a shocking discovery—an unknown case drawn from a recently unearthed Watson journal. January 1905: Holmes and Watson are summoned by Holmes' brother Mycroft to undertake a clandestine investigation. An agent of the British Secret Service has been found floating in the Thames, carrying a manuscript smuggled into England at the cost of her life. The pages purport to be the minutes of a meeting of a secret group intent on nothing less than taking over the world. Based on real events, the adventure takes the famed duo—in the company of a bewitching woman—aboard the Orient Express from Paris into the heart of Tsarist Russia, where Holmes and Watson attempt to trace the origins of this explosive document. On their heels are desperate men of unknown allegiance, determined to prevent them from achieving their task. And what they uncover is a conspiracy so vast as to challenge Sherlock Holmes as never before.***

**Throughout antiquity Egypt was a land of hundreds of tiny villages, with constantly warring tribes, loosely divided between Upper and Lower Egypt. Then, in the space of a few extraordinary decades, the impossible happened. An incredible man, King Narmer (also known as Menes), united Upper and Lower Egypt. The First Pharaoh is the story of Narmer and his epic journey, seen through his eyes and those of his Chief Scribe, the shaman Anhotek. We experience the culture Narmer lived in and shaped, the battles he fought to unite his people, the woman he loved and nearly lost, the enemies even in his own court who plotted against him, and his**

many successes and painful failures. Above all, we see how Narmer's loving relationship with Anhotek defined his personal vision for his country and its people. Written on a huge tapestry, *The First Pharaoh* allows us to share Narmer's far-reaching visions for Egypt's future that were so compelling and that ultimately proved so enduring. *The First Pharaoh* tells the inspiring story of the mythic journey of the visionary hero, through obstacles and triumphs, wars and peace, love and hate, to launch the greatest civilization ever to appear on earth.

*Year of the Hyenas* is a brilliant, original, and unique murder mystery, set in ancient Egypt at the height of that kingdom's glory and power. It is at once a strikingly insightful portrait of a mysterious, complex, and sophisticated society, reminiscent of Norman Mailer's *American Past* in its wonderful detail and feel for the past, and a fast-paced detective story that reads like the best of twenty-first-century thrillers. From the oldest known court transcripts in history, Egyptologists have long known about the mysterious death of Ramses III, involving intrigue, ambition, greed, and crimes of passion on a huge, though hidden, scale. In *Year of the Hyenas*, Brad Geagley takes this event -- a struggle that nearly brought ancient Egypt to its knees -- as the backdrop for a story that is every bit as captivating as the distant civilization it resurrects. At the heart of the novel is Semerket, the so-called Clerk of Investigations and Secrets, a detective half-paralyzed by problems of his own, with a reputation for heavy drinking and tactless behavior toward the great, the powerful, and the holy, a kind of Sam Spade of the ancient world, deeply (and dangerously) addicted to the truth. Hard-bitten, deeply flawed, he is retained by the authorities to investigate what is considered an insignificant murder of an elderly, insignificant Theban priestess. They fail to inform him, however, that they don't expect him to solve the case. In fact, they don't want him to. But Semerket is not so easily fooled, and this is hardly an "insignificant" murder. As he delves deeper for the elusive truth, he uncovers a web of corruption so vast that it threatens the life of the last great Pharaoh, Ramses III, and the stability of the kingdom. Even worse, uncovering the conspiracy means more than just putting his own life on the line -- for, unbeknownst to Semerket, his adored ex-wife Naia has fallen afoul of those who would bring down the reign of Ramses, and he soon finds himself having to choose between saving her and saving Egypt.... Merging historical fact and speculation with a nail-biting crime story that could be taking place in the present, *Year of the Hyenas* is a riveting and remarkable achievement.

Lawgiver and liberator. Seer and prophet. The only human permitted to converse with God "face-to-face." Moses is the most commanding presence in the Old Testament. Yet as Jonathan Kirsch shows in this brilliant, stunningly original volume, Moses was also an enigmatic and mysterious figure--at once a good shepherd and a ruthless warrior, a spiritual leader and a magician, a lawgiver who broke his own laws, God's chosen friend and hounded victim. Now, in *Moses: A Life*, Kirsch accomplishes the wondrous feat of revealing the real Moses, a

**strikingly modern figure who steps out from behind the facade of Sunday school lessons and movie matinees. Drawing on the biblical text and a treasury of both scholarship and storytelling, Kirsch examines all that is known and all that has been imagined of Moses. In these vivid pages, we see the marvels and mysteries of Moses's life in a new light--his rescue in infancy and adoption by an Egyptian princess; his reluctant assumption of the role of liberator; his struggles to wrest his people from the pharaoh's dominion; his desperate vigil on Mount Sinai. Here too is the darker, more ominous Moses--the sorcerer, the husband of a pagan woman, the military commander who cold-bloodedly ordered the slaying of innocent people; the beloved of God whom God sought twice to murder. Jonathan Kirsch brings both prodigious knowledge and a keen imagination to one of the most compelling stories of the Bible, and the results are fascinating. A figure of mystery, passion, and contradiction, Moses emerges from this book very much a hero for our time.**

*NEW YORK TIMES BESTSELLER* *The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama*

*and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.*

*In Nicholas Meyer's The Return of the Pharaoh, Sherlock Holmes returns in an adventure that takes him to Egypt in search of a missing nobleman, a previously undiscovered pharaoh's tomb, and a conspiracy that threatens his very life. With his international bestseller, The Seven Per Cent Solution, Nicholas Meyer brought to light a previously unpublished case of Sherlock Holmes that reinvigorated the world's interest in the first consulting detective. Now, many years later, Meyer is given exclusive access to Dr. Watson's unpublished journal, wherein he details a previously unknown case. In 1910, Dr. John Watson travels to Egypt with his wife Juliet. Her tuberculosis has returned and her doctor recommends a stay at a sanitarium in a dry climate. But while his wife undergoes treatment, Dr. Watson bumps into an old friend--Sherlock Holmes, in disguise and on a case. An English Duke with a penchant for egyptology has disappeared, leading to enquiries from his wife and the Home Office. Holmes has discovered that the missing duke has indeed vanished from his lavish rooms in Cairo and that he was on the trail of a previous undiscovered and unopened tomb. And that he's only the latest Egyptologist to die or disappear under odd circumstances. With the help of Howard Carter, Holmes and Watson are on the trail of something much bigger, more important, and more sinister than an errant lord. Whether he is evoking the blind carnage of the Tet offensive, the theatrics of his fellow Americans, or the unraveling of his own illusions, Wolff brings to this work the same uncanny eye for detail, pitiless candor and mordant wit that made This Boy's Life a modern classic.*

*For four thousand years, the lavish crypt of the Pharaoh Mamose has never been found-- until the beautiful Egyptologist Royan Al Simma finds a tantalizing clue to its location in the Seventh Scroll, a cryptic document written by the slave Taita. But the location of the crypt and its treasure is a secret others would kill to possess. Only one step ahead of assassins, Royan runs for her life and into the arms of the only man she can trust, Sir Nicholas Quenton-Harper-- a daring man who will stake his fortune and his life to join her hunt for the king's tomb. Together, they will embark on a breathtaking journey to the most exotic locale on earth, where the greatest mystery of ancient Egypt, a chilling danger, and an explosive passion are waiting. Steeped in ancient mystery, drama, and action, Wilbur Smith's The Seventh Scroll will pull you in for an adventure of a lifetime.*

#### ***The Return of the Pharaoh***

A book that verifies the existence of secret underground chambers beneath the Sphinx and demonstrates its origins as the Egyptian god of the dead, Anubis • Includes an anthology of eyewitness accounts from early travelers who explored the secret chambers before they were sealed in 1926 • Reveals that the Sphinx was originally carved as a monumental crouching Anubis, the Egyptian jackal god of the necropolis Shrouded in mystery for centuries, the Sphinx of Giza has frustrated many who have attempted to discover its original purpose. Accounts exist of the Sphinx as an oracle, as a king's burial chamber, and as a temple for initiation into the Hermetic Mysteries. Egyptologists have argued for decades about whether there are secret chambers underneath the Sphinx, why the head-to-body ratio is out of proportion, and whose face adorns it. In *The Sphinx Mystery*, Robert Temple addresses the many mysteries of the Sphinx. He presents eyewitness accounts, published over a period of 281 years, of people who saw the secret chambers and even went inside them before they were sealed in 1926--accounts that had been forgotten until the author rediscovered them. He also describes his own exploration of a tunnel at the rear of the Sphinx, perhaps used for obtaining sacred divinatory dreams. Robert Temple reveals that the Sphinx was originally a monumental Anubis, the Egyptian jackal god, and that its face is that of a Middle Kingdom Pharaoh, Amenemhet II, which was a later re-carving. In addition, he provides photographic evidence of ancient sluice gate traces to demonstrate that, during the Old Kingdom, the Sphinx as Anubis sat surrounded by a moat filled with water--called Jackal Lake in the ancient Pyramid Texts--where religious ceremonies were held. He also provides evidence that the exact size and position of the Sphinx were geometrically determined in relation to the pyramids of Cheops and Chephren and that it was part of a pharaonic resurrection cult.

Located by a computer in the bowels of a major university, this missing manuscript by Dr. Watson, Sherlock Holmes's biographer and friend, reveals hitherto unknown adventures of the Great Detective--while he was employed, incognito, as a violinist in the Paris Opera. As the detective matches wits with a musical maniac--the Phantom of the Opera--in a death struggle for the body and soul of Christine Daae, the miraculous soprano for whom the Ghost serves as a mesmerizing "Canary Trainer," we are treated to an adventure unlike any other in the Holmes archive. Nicholas Meyer also "edited" the two-million-copy bestseller *The Seven-Per-Cent Solution* and *The West End Horror*, both of which are available in paperback from Norton. Meyer is a novelist, screenwriter, and director as well as a Holmes scholar.
