

Remy The Dinosaur And A New Bike: (Children's Book About A Dinosaur Who Learns That Sharing Is Caring, Bedtime Story, Picture Books, Ages 3 5, Preschool Books, Kids Books, Dinosaur Books)

Originally published: London, England: Walker Books & Co., 2015.

A gripping narrative of a fearless paleontologist, the founding of America's most loved museums, and the race to find the largest dinosaurs on record. In the dust of the Gilded Age Bone Wars, two vastly different men emerge with a mission to fill the empty halls of New York's struggling American Museum of Natural History: Henry Fairfield Osborn, a privileged socialite whose reputation rests on the museum's success, and intrepid Kansas-born fossil hunter Barnum Brown. When Brown unearths the first Tyrannosaurus Rex fossils in the Montana wilderness, forever changing the world of paleontology, Osborn sees a path to save his museum from irrelevancy. With four-foot-long jaws capable of crushing the bones of its prey and hips that powered the animal to run at speeds of 25 miles per hour, the T. Rex suggests a prehistoric ecosystem more complex than anyone imagined. As the public turns out in droves to cower before this bone-chilling giant of the past and wonder at the mysteries of its disappearance, Brown and Osborn together turn dinosaurs from a biological oddity into a beloved part of culture. Vivid and engaging, *The Monster's Bones* journeys from prehistory to present day, from remote Patagonia to the unforgiving badlands of the American West to the penthouses of Manhattan. With a wide-ranging cast of robber barons, eugenicists, and opportunistic cowboys, New York Times best-selling author David K. Randall reveals how a monster of a bygone era ignited a new understanding of our planet and our place within it.

Vincent Rubio, the most hard-boiled reptile detective ever, is back on the case in the third installment of Eric Garcia's cult mystery series about dinosaurs who are still alive and committing crimes in L.A. Rubio's latest assignment: the dinosaur mafia. As fans of *Anonymous Rex* and *Casual Rex* already know, the dinosaurs faked their extinction and live among us, disguising themselves as humans in elaborately designed latex costumes. Anyone could be a dinosaur. Your podiatrist. The crotchety old man who lives next door. Julia Roberts, it is well known, is actually a Stegosaur. When the head of the Raptor mafia asks Vincent Rubio to perform a service, he has no choice but to head for Miami to investigate a team of Hadrosaurs who are muscling in on Raptor territory. It's dangerous business. Make the wrong move and your tail gets chopped off. Eric Garcia's third Rex novel is a wildly entertaining mystery and an instant classic of dinosaur mafia fiction—further proof that this gifted author really knows where the bones are buried. Check out our fun and functional composition notebook collections for all of your writing needs. The large size and colorful covers make great back to school or Christmas gifts for your favorite student who loves to write, draw, or journal. 100 wide ruled pages Sturdy glossy cover Standard composition size at 7 1/2" x 9 3/4"

Composition Book

"What would the world be like if the dinosaurs hadn't gone extinct? As this very funny book shows, for one thing, L.A. would be even weirder than it is now." --Dave Barry Vincent Rubio, a Los Angeles private investigator, is down on his luck: He's out of work. His car's been repossessed. His partner has died under mysterious circumstances. And his tail just won't stay put. Vincent is a dinosaur--a Velociraptor, to be precise. It seems the dinosaurs faked their extinction 65 million years ago and still roam the earth, disguised in convincing latex costumes that help them blend perfectly into human society. A heightened sense of smell allows the dinos to detect one another--Vincent's got an odor like a tasty Cuban cigar. When Vincent is called to investigate a two-bit case of arson at a hip dino nightclub, he discovers something much more sinister, which lures him back to New York City--the scene of his partner's death and a dangerous nexus of dinosaur and human intermingling. Will Vincent solve the mystery of his partner's death? Will a gorgeous blond chanteuse discover his true identity, jeopardizing both their lives? Will Vincent be able to conquer his dangerous addiction to basil, or will he wind up in Herba-holics Anonymous? Will he find true love, or resort to crumpled issues of Stegolicious? Somewhere between Jurassic Park and L.A. Confidential lies Eric Garcia's *Anonymous Rex*, one of the smartest, wittiest, and most entertaining debuts this side of the Ice Age.

It was smelly, dirty and the SCARIEST creature that EVER lived. BUT T. REX\ wasn't the BIGGEST dinosaur ever it wasn't a stupid dinosaur and it wasn't even hungry all the time. NOW YOU KNOW a bit about T.REX, find out ALL the facts inside!

Instagram superstar and New York Times bestselling author of *Juno Valentine* and the *Magical Shoes* Eva Chen embarks on an all-new picture book venture of jurassic proportions, vibrantly brought to life by Matthew Rivera's rainbow watercolors. Dinosaurs are awesome. Unicorns are, too. So what happens when you combine the best parts of each? Roxy the Last Unisaurus Rex! Join Roxy in all her sassy, steak-loving, glittery glory as she learns about the importance of staying true to yourself, celebrating your differences, and finding friends who love you for who you are.

"Lowell Dingus and Mark Norell have produced a highly readable, comprehensive account of the life and scientific work of Barnum Brown, arguably the most intrepid and successful collector of dinosaurs and other prehistoric vertebrates ever. Their story goes beyond the sensationalism of earlier accounts to flesh out Brown as not only an intrepid explorer but an important contributor to American science."--Kevin Padian, University of California, Berkeley "In *Barnum Brown* an engrossing narrative and a treasury of firsthand field notes and letters combine to form a true epic: the life of a great paleontologist and an all-too-human, and therefore fascinating, man. Indispensable reading for anyone interested in fossils and the people who hunt them."--Michael Novacek, author of *Terra* "'The greatest dinosaur hunter of all time,' a fitting title for the man who shipped more than 1200 crates of fossilized bones to New York from far flung localities around the globe. In this superb, first-ever biography of Barnum Brown, Dingus and Norell paint a vivid portrait of an intrepid field worker, accomplished researcher, and popularizer of dinosaurs--a larger-than-life character who left a deep and indelible mark on the field of paleontology."--Scott D. Sampson, author of *Dinosaur Odyssey: Fossil Threads in the Web of Life* "Without a doubt the most popular and well-known dinosaur in the world, *Tyrannosaurus rex* has inspired millions of people worldwide through fact and fiction. Similarly, just about every vertebrate palaeontologist has been affected by the amazing career of Barnum Brown. But there has never been a biography written by scientists . . . until now! Here at last is an intimate look at the man who discovered the beast and turned our imaginations loose."--Philip J. Currie, author of *Encyclopedia of Dinosaurs*

Get your toothbrush ready and make brushing fun with your favorite dinosaur buddies Remy and Trixie! From the author of top-selling children's book Remy the Dinosaur and a New Bike, join Remy once again in learning a valuable lesson from his family and a new friend! Remy the dinosaur is back and ready to expand your dinosaur books collection! His relationship with Trixie is better than ever as they ride together as best friends. Remy has his bike and Trixie has her scooter. However, Remy is still young dino with much to learn about life. He does not believe in brushing his teeth and not even his loving mother and father can change his mind. Trixie, on the other hand, loves brushing her teeth but leading by example simply is not enough for Remy, who finds brushing to be very boring. Discover how Remy's short adventure with Trixie changed his perspective. Meet Mr. Beaver, a new character who Remy meets along the way and has a set of teeth strong enough to build a house! The way Remy realizes the importance of brushing his teeth will surprise you and will surely influence all kids ages 3-5 to be like Remy. Remy the Dinosaur Learns to Brush His Teeth is another dive into the young dino's fun family life and a perfect companion to Remy the Dinosaur and a New Bike and other dinosaur fiction books. Nadin Solntseva once again drew the watercolor visuals by hand and the simple verses once again appeals to bedtime story lovers. Make brushing teeth fun with 5 full-sized coloring pages that come FREE with your purchase. Remy and friends are all there to remind you of the joy of brushing your teeth! Brush teeth books for toddlers are always best read at night so they can brush their teeth afterwards and Remy's picture book is a great way to build up the habit. Brush your teeth alongside your child and make him or her feel as loved as Remy! Purchase a paper copy of Remy the Dinosaur Learns to Brush his Teeth and get the Kindle version, FREE!

Rex wants to honk the horn of his shiny dino-car—to warn the speeding driver to slow down, to say hello to a friend, and to reprimand a litterbug. All bad reasons. "No honking allowed," says his friend Stego. When Rex finally comes up with a good reason to honk his horn, there ' s no stopping him! Children will enjoy the rhyming text and high-energy art, and will sympathize with Rex ' s halfhearted attempts at self-regulation.

Rex Wrecks It!

Dinosaur Club: the T-Rex Attack

Tiny T. Rex and the Impossible Hug

Tiny T. Rex has a HUGE problem. His friend Pointy needs cheering up and only a hug will do. But with his short stature and teeny T. Rex arms, is a hug impossible? Not if Tiny has anything to say about it! Join this plucky little dinosaur in his very first adventure—a warm and funny tale that proves the best hugs come from the biggest hearts. Introducing an unforgettable character on the picture book scene, Tiny T. Rex will stomp into the hearts of readers in this winning new series.

What would happen if you showed a T-Rex a book? Well, she wouldn't know what to do with it . . . would she? A madcap, super silly adventure story rooted in the transformative power of books, created by incredible new picture-book duo Rashmi Sirdeshpande and Diane Ewen

After a trip to the museum, Max writes a letter to his favourite dinosaur, the mighty T. Rex - and the T. Rex writes back! As Max and T. Rex learn about each other's lives, a very unusual friendship develops in this funny and touching story from an award-winning duo. Dinosaur fans will love this interactive picture book with letters and cards to open, and dinosaur facts to discover along the way.

Hugh Murphy's T-Rex Trying is a charming collection of 100 drawings from his wildly popular Tumblr feed of the same name. Though the T-Rex may struggle, you'll never struggle with finding dinosaur gifts again! This hilarious and perfectly giftable book is perfect for anyone who has ever wondered how a T-Rex could get anything done with such tiny arms. T-Rex Trying depicts the stubby-armed tyrant in a range of hilarious—yet pathos-inducing—activities that we humans take for granted. Murphy's 100 drawings include: T-Rex Trying to Paint His House T-Rex Trying to Use a Drive-Through ATM T-Rex Trying to Apply Sunscreen T-Rex Trying to Break Into a Vending Machine T-Rex Trying to Ask for a New Roll of Toilet Paper from the Next Stall It's hard to be the Lizard King when you can't even change a light bulb. Looks like the ancient beast isn't so tough after all. No matter whether you're looking for:

- White elephant gifts
- Dinosaur gifts
- Funny gifts
- Gifts for mom
- Gifts for dad
- Gifts for children
- Gifts for coworkers

—this T-Rex will be sure to put a smile on the faces of your friends and family!

Pinky and Rex

Where's the Dinosaur? Is full of the most amazing facts about the colossal prehistoric animals that used to roam the Earth, with dinosaurs and other creatures to search and find on every page.

Look out! Here comes Rex! Children who love to construct and those who love to destroy will relate to this kid-pleasing tale that builds to a smashing finale. Gizmo, Sprinkles, and Wild are fed up. Every time they build something with their blocks, Rex wrecks it! Whether it's an out-of-this-world rocket, a magical heart, or the biggest, strongest, most awesomerific castle ever, Rex sends it crashing down with a ""Rawr!" "(and sometimes a sheepish""Rawr!""?). Isn't there "any "way to make playtime fun for "everyone"? With Rex-size humor, Ben Clanton explores the challenges of friendship, the benefits of working together, and the joys of destruction.

"I'm Remy and I Know It" Funny T-Rex Dinosaur Design makes a great gift for men and women who love pun jokes, especially if they are celebrating a birthday, father's day, dad's day, or any day you want to put a smile on their face. This lined 6 x 9" journal is perfect for writing notes, goals, inspirational quotes and diary entries fits easily in a bag -- or Christmas stocking. Makes a great sketchbook for drawing.

The intersection between science, myth, and popular culture is explored in through the story of T. Rex, from the nineteenth-century discovery of his fossil remains to his glorification in popular culture.

When a mysterious carnival arrives in a small town, three boys discover that a rare miniature dinosaur from the carnival has followed them home. The boys realize the dinosaur might be stolen, and that it has special abilities. When they try to hide it, and keep it as a pet a dangerous one-eyed murderer called the "Pirate" from the carnival comes looking for it. The brothers, their friend, and their sister must find a way to get the dinosaur safely away from the Pirate before they all are hurt or worse.

Fans can discover the beginnings of one of "Jurassic World's" most beloved characters--Claire Dearing (played by Bryce Dallas Howard)--in this original action-packed novel that fills in the gaps of Claire's past.

Rex the big dinosaur wants to play with the other little dinosaurs in the jungle, but they find him far too loud and scary! Is there any way that Rex can convince the little dinosaurs that he's a good friend to have around? Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. The wide range of classic fairy tales, favourite characters and exciting modern stories in the Read it yourself series appeal to all children, whatever their interests, and have bright, detailed pictures to help support the text. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Rex the Big Dinosaur is a Level 1 Read it yourself title, suitable for very early readers who have had some initial reading instruction and are ready to take their first steps in reading real stories. Each story is told very simply, using a small number of frequently repeated words.

Friendship, sharing, generosity. These morals are all about to be tested as Remy meets his neighbor Trixie. Remy is a dinosaur who's very friendly and easily gets excited. His excitement reached an all-time high after his parents bought him a new gift - a shiny red bicycle. Eager to try it out, Remy put on his helmet and rode around his yard enjoying himself to the fullest. While riding, Remy encountered his neighbor Trixie. Remy's shiny bike immediately caught Trixie's attention and wanted to ride it for herself. Overly protective with his brand new bike, Remy refused. He didn't want to share! Find out exactly how Trixie handled Remy's attitude and what influenced him to open up to his neighbor. Did Remy

realize his selfishness shortly after? Did his parents have anything to do with it? What surprise awaited Rexy for showing that sharing is caring? Rexy the Dinosaur and a New Bike is a terrific story that highlights the value of sharing. Tell it in front of a class or read it as a nice bedtime story to your children. Witness Rexy, his bicycle, and his lush yard in detailed, hand-drawn watercolor illustrations by notable picture books artist Nadin Solntseva. The story and dialogue are written for kids ages 3-5 in mind. Add Rexy's story to your dinosaur books collection right now for access to Rexy's coloring book. This completely FREE coloring book comes with 5 full-sized printable pages featuring Rexy, Trixie, and the shiny red bicycle. Sharing is a very important trait to have and is best to teach them while they are young. You are sure to win friends like Rexy did and more. You can only have more for yourself by giving it away to others. Purchase a paper copy of Rexy the Dinosaur and a New Bike and get the Kindle version, FREE!
