

Ron Jeremy: The Hardest (Working) Man In Showbiz: The Life And Times Of A Porn Star

The world knows her as a porn star. . . but it's her way with words that will touch you again and again. Asa Akira's perceptive, funny, and straightforward writings on love, sex, death, marriage and celebrity come together in a surprising book of essays. Personally revealing as well as universal, Dirty Thirty marks the coming of age of a new literary star.

The incredible, uncensored full story of the number one male porn star and legend, told in his own words. Here's the long and the short of it. Porn legend Ron Jeremy is known all over the world as a true icon of the porn industry, and as the most recognizable personality in the history of adult films. Ron Jeremy has been through every era of the industry's development and he has only grown in stature. And just like he does in his films, he delivers the goods in his book by dishing the dirt on over 20 years of Hollywood scandal, telling about the inner workings of the porn industry, and revealing a life filled with celebrities, gossip and international fame. Ron Jeremy is a born storyteller. In this uncensored memoir he tells the naked truth about his life, his career, and his adventures in Hollywood and around the world. He has also had a lot of success outside the XXX world, and he has stories on every major Hollywood celebrity. He does have a policy, however - "First you show me yours and then I'll show you mine. No exceptions." In addition to starring in over 1700 films, and directing 250 of them, Ron Jeremy has starred in the UK-based reality show The Farm, was on VH1 with The Surreal Life, has acted in mainstream films like Detroit Rock City, Orgazmo, Rodney Dangerfield's Meet Wally Sparks, and Rules of Attraction. He has appeared on Fox's The Family Guy, Just Shoot Me, The Weakest Link, and Nash Bridges. Ron had a hit single with DJ PoLo ("Freak of the Week"), which spent 25 weeks on the Billboard charts. Pornstar, the documentary based on his life, met with huge critical acclaim.

Rather than being mailed from England to the United States, Jeremy, a handmade toy rabbit, sets off to make his own way to a new home, with the toymaker's blessing to keep him safe through a series of adventures.

A hilarious and heartwarming memoir from one of Britain's best-loved comedians and Women's Prize longlisted author, Dawn French. Dawn French is one of the greatest comedy actresses of our time with a career that has spanned nearly four decades. Loved for her irreverent humour, Dawn has achieved massive mainstream success while continuing to push boundaries and challenge stereotypes. Here, she describes the journey that would eventually establish her as a perhaps unlikely, but nevertheless genuine, national treasure. As part of the much loved duo French and Saunders, Dawn helped create a repertoire of brilliantly observed characters, impersonating everything from Madonna and Harry Potter to The Exorcist. Dawn's iconic role in the Vicar of Dibley showcased not only her talent but also her ability to take a controversial and topical issue and make it mainstream - and very funny. From her early years as an RAF child and her flat-sharing antics with Jennifer Saunders, to her outspoken views on sizism and her marriage to Lenny Henry, Dear Fatty chronicles the extraordinary and hilarious rise of a complex, dynamic and unstoppable woman.

For the first time ever, 20 year adult film legend Steven St. Croix opens up about what it's really like to be a male performer in the adult business. With honesty and brevity, he answers questions long asked by fans and others curious as to the inner workings of the adult star's life. Questions ranging from his rise in the industry, what happens on set when shooting, his films, his co-stars, crazy sex on and off camera, the myth of fluffers, plastic surgery nightmares, drug use, mafia control, HIV and STD's, how cheaply the films are made and the recent mandatory condom law passed in Los Angeles and how performers are perceived by the industry as a whole.All this and much more are all answered here in a shockingly raw, insightful but respectful manner.

How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. WWith never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

Punk artist and icon Zak Smith made a name for himself by visually interpreting Thomas Pynchon's Gravity's Rainbow and drawing pictures of girls in the "naked girl business." His artistic pedigree and acute observation landed him in high-profile shows from the Whitney to the San Francisco Museum of Modern Art. Somewhere along the line, Smith went from the observer to the observed, from the guy in the corner with a sketchpad to the guy on-screen doing the unnamable for anyone eighteen or older to see. We Did Porn follows Zak Smith (or Zak Sabbath) from the New York art scene to Los Angeles's seedy, yet colorful, underbelly—the world of alt porn. Smith narrates his own foray into pornography and gives his readers a new understanding of the industry, its players, and its audience.

And Other Painfully True Stories

How does a girl go from being a shy, awkward bookworm to the biggest porn star in the world? In Sinner Takes All, Tera Patrick reveals all, including: her career as an international model; losing her virginity at fourteen to a thirtysomething photographer; learning oral sex techniques backstage at a Guns N' Roses concert; having an orgy with a team of firefighters; her unglamorous job in a nursing home; her first forays into the adult movie business; and how, with her husband's help, she launched her own multimillion-dollar empire. Along the way, she dishes on the emotional side of being Tera Patrick, writing candidly about her battles with depression and anxiety. She also discusses finding true love and building a healthy marriage, achievements that many consider to be impossible in the world of porn. Featuring hundreds of photos, plus diary pages and scintillating sidebars, Sinner Takes All takes the tell-all to raunchy new heights. In a tie-in to a one-man show that will be touring the United States in Fall 2010, a comedian offers a charming, funny memoir about first love, denial, sleepwalking and the perils and pitfalls of being ... himself.

Autobiography of the KING of PORN In the world of adult cinema, one name stands out above all others: John Holmes. For nearly 20 years, from 1967 to 1987, Holmes reigned as the undisputed king of X-rated films, having appeared in a record 2,200 plus productions, from the landmark Johnny Wadd movies (one of which became the first adult motion picture to gross over \$1 million) to the legendary Insatiable with Marilyn Chambers. To a legion of fans world-wide, he was known as "Mr. Big." To industry insiders, he was "Mr. Nice Guy." Yet for all of his fame and notoriety, Holmes remained an intensely private person and a mystery man. - that is, until now. In a startlingly frank autobiography, PORN KING was written in large part prior to his death (with new material added by his widow, Laurie). Holmes tells the story of his incredible life. This is not a typical celebrity story, filled with bright lights and glamor, giant sound stages and movie moguls. It is, instead, a rare portrait of a young man drawn into an unknown Hollywood, a secret, forbidden Hollywood, and the parallels between his astounding career and the sexual revolution in American films. Holmes knew his subject better than anyone. Holmes candidly tells of a lucrative but often harrowing "other" life as a male prostitute to the rich and famous, a shattering fall into drugs and his side of the grisly Wonderland Murders and his desperate cross-country right afterwards. From start to finish, in this newly revised edition, complete with never-before-seen candid photos of Holmes in his private life, PORN KING is a sizzling, sensuous, fast-paced story laced with controversy. If ever there was an untold story, PORN KING is it. Website address: www.johnholmes.com

Marilyn Chambers

To My Dear Civilians, with Love

An award-winning, popular actress in the porn industry describes her unusual life and discusses her views on women and sexuality as well as offering an inside look into the porn industry and her relationships with other actors, including her husband.

"The Mount Rushmore of Adult Entertainment has four heads: John Holmes, Marilyn Chambers, Jenna Jameson, and Seka. That's it; there ain't no more." - Bill Margold, famed adult film actor, agent, producer, director, and activist Seka-The Platinum Princess, the Marilyn Monroe of Porn, the queen of XXX cinema's Golden Age, and John Holmes' favorite leading lady. Seka is a legendary performer in the annals of adult cinema, and many would say the greatest. Seka's name was so big in XXX that her name above the title was not enough-her name had to be in the title! Seka's real life story, though, is as enigmatic as her screen persona. She was never a victim-on-screen or off. This is no tale of remorse, abuse, or self-destructive behavior. Seka was post-feminist before the term was born. Inside Seka is the story of a survivor, a trailblazer, and an icon-still one of the most popular and famous porn stars ever; the last of the natural beauties.

"Before the Jennas, the Bree Olsons, or the Savannas, the undisputed blonde bombshell of XXX movies was Seka, which makes her story so important in the history of adult entertainment." - Ron Jeremy, porn legend, holder of the Guinness Book of World Records for "Most Appearances in Adult Films." "From calling the shots in a film genre in the days when it was completely controlled by men, to standing and being heard at the infamous Meese Commission, Seka shatters the myth of the poor little victim who lost her way. Don't expect excuses and apologies. This is one blonde bombshell who lives by her own rules." - Candida Royalle, author, entrepreneur, and erotic film pioneer "She was one of the hottest girls in the XXX business, able to seduce any man she wanted. So it should come as no surprise that her story is riveting." - Larry Flynt, Hustler magazine Kerry Zukus is the author, co-author, or ghostwriter of over 40 books, including From Harvard to Hell and Back, the upcoming Inside the Hotel Rwanda, and Book of the Month Club Feature Selection The Fourth House.

"A humorous behind-the-scenes account of the pornographic film industry, as seen through the eyes of one of its writers."--Provided by the publisher.

This is the hardback version. The intimate, uncensored erotobiography that is pure-as-Ivory Snow. The sexy girl next door who turned on the world talks openly in detail about her fantasies and what turns her on. Twenty-six pages of personal photos of the star of Behind the Green Door and The Resurrection of Eve.

"Marilyn was a legend in porn before her time. She set the gold standard that all other actresses attempted to emulate." - Larry Flynt "Marilyn Chambers was by far a stunningly beautiful woman inside and out. Though I never worked with her on film I did work with her in other ways. She was sweet, engaging, thoughtful to her fans and just a real down to earth woman. I miss her very much." - Seka "With her starring role is Rabid, her Ivory Snow escapade, and her incredibly HOT performances in Adult with her naturally slender, muscular physique, Marilyn rose to fame quickly. She was the only actress in porn that hired her directors, they did not hire her. Marilyn hired you, you did not hire her. She owned her roles and was not hired help." - Ron Jeremy

*NATIONAL BESTSELLER “Magnificent.” —The New York Times * “Beguiling, observant, and howlingly funny.” —San Francisco Chronicle * “Spectacular.” —Star Tribune (Minneapolis) * “Full of astonishments.” —The Boston Globe Susan Orlean—the beloved New Yorker staff writer hailed as “a national treasure” by The Washington Post and the author of the New York Times bestseller The Library Book—gathers a lifetime of musings, meditations, and in-depth profiles about animals. “How we interact with animals has preoccupied philosophers, poets, and naturalists for ages,” writes Susan Orlean. Since the age of six, when Orlean wrote and illustrated a book called Herbert the Near-Sighted Pigeon, she’s been drawn to stories about how we live with animals, and how they abide by us. Now, in On Animals, she examines animal-human relationships through the compelling tales she has written over the course of her celebrated career. These stories consider a range of creatures—the household pets we dote on, the animals we raise to end up as meat on our plates, the creatures who could eat us for dinner, the various tamed and untamed animals we share our planet with who are central to human life. In her own backyard, Orlean discovers the delights of keeping chickens. In a different backyard, in New Jersey, she meets a woman who has twenty-three pet tigers—something none of her neighbors knew about until one of the tigers escapes. In Iceland, the world’s most famous whale resists the efforts to set him free; in Morocco, the world’s hardest-working donkeys find respite at a special clinic. We meet a show dog and a lost dog and a pigeon who knows exactly how to get home. Equal parts delightful and profound, enriched by Orlean’s stylish prose and precise research, these stories celebrate the meaningful cross-species connections that grace our collective existence.*

The personal life story of the former Golden Gloves boxer and actor describes his coming of age on the streets of New York, presidency of the Hell’s Angels, experiences as a celebrity bodyguard, and television career. Reprint. 35,000 first printing.

In an uncensored memoir, Hollywood’s leading porn star reflects on two decades of filmdom scandal, the inner workings of the adult film industry, celebrity encounters, gossip, and fame, offering an unexpurgated account of his life and career.

With laugh-out-loud funny parenting observations, the New York Times bestselling author and award-winning comedian delivers a book that is perfect for anyone who has ever raised a child, been a child, or refuses to stop acting like one. In 2016 comedian Mike Birbiglia and poet Jennifer Hope Stein took their fourteen-month-old daughter Oona to the Nantucket Film Festival. When the festival director picked them up at the airport she asked Mike if he would perform at the storytelling night. She said, “The theme of the stories is jealousy.” Jen quipped, “You’re jealous of Oona. You should talk about that.” And so Mike began sharing some of his darkest and funniest thoughts about the decision to have a child. Jen and Mike revealed to each other their sides of what had gone down during Jen’s pregnancy and that first year with their child. Over the next couple years, these stories evolved into a Broadway show, and the more Mike performed it the more he heard how it resonated—not just with parents but also people who resist all kinds of change. So he pored over his journals, dug deeper, and created this book: The New One: Painfully True Stories From a Reluctant Dad. Along with hilarious and poignant stories he has never shared before, these pages are sprinkled with poetry Jen wrote as she navigated the same rocky shores of new parenthood. So here it is. This book is an experiment—sort of like a family.

Most people might, understandably, predict that the world ’ s first porn star was a woman, but they would be wrong. John Curtis Holmes was just a simple country boy from Ohio when he moved to California in 1964. It was the infancy of hardcore, so in Holmes' wildest dreams, he could not have predicted the turbulent ride on which he had embarked by publicizing his private parts. With the fame he achieved by playing his most famous character - a gun toting detective named Johnny Wadd - came money. Holmes was pleased to spend it on his wife and mistresses, but soon was in over his head after he became addicted to cocaine. Unfortunately for Holmes, in the years that followed, his addiction led him into several desperate choices - including setting up a robbery at the home of Ed Nash, a powerful L.A. nightclub owner. The robbery resulted in one of the most gruesome, unsolved, multiple-murders in Hollywood history. Amazingly, before his untimely death in 1988, Holmes regained his momentum, remarried and rebuilt his life and career. However, the grave consequences of his addiction, his association with the Wonderland murders, and his AIDS-related death made him an infamous figure in pop culture. Digging past the stigmas, John Holmes: A Life Measured in Inches - the first biography about John C. Holmes - nearths the human being behind the penis and proves that there was more to him than could be measured in inches. This biography includes material from the authors' new interviews with: Laurie Holmes, Bill Amerson, Bob Chinn, Julia St. Vincent, Detective Tom Lange, Detective Frank Tomlinson, Paul Thomas, Ron Jeremy, Seka, Marilyn Chambers, Candida Royalle, Rhonda Jo Petty, Dr. Sharon Mitchell, Bill Margold, and many others! John Holmes: A Life Measured in Inches also includes 114 reviews of John's most notable feature films, 86 loops synopses, 3 photos sections with rare nudes, and a 21 page comprehensive filmography. "The tree of life represents the roots of man. The branches are the different directions a man can take, live or exist. When you’re dead, those that you leave behind will put you in a part of that tree. It represents what was, what is and what will be. It's eternal." -- John Holmes

Use the author's 20 years of experience in the adult industry to find out everything you ever needed to know about how to actually become a porn star (both males and females). This book covers how to pick a name, how to get an agent and even important information on how to build your brand once you get into the industry.

From Pulitzer Prize-winning journalist and bestselling author Ron Suskind comes a startling look at how America and the West lost their way, and at the struggles of their respective governments to reclaim the moral authority on which their survival depends. From the White House to Downing Street, and from the fault-line countries of South Asia tothe sands of Guantanamo, Suskind offers an astonishing story that connects world leaders to the forces waging today’s shadow wars and to the next generation of global citizens. Tracking down truth and hope, Suskind delivers historic disclosures with this emotionally stirring and strikingly original portrait of the post 9-11 world.

A Hudson Booksellers Best Non-Fiction Book of the Year, with foreword by Wilco’s Jeff Tweedy High Fidelity meets Killing Yourself to Live when one man searches for his lost record collection. As he finds himself within spitting distance of middle-age, journalist Eric Spitznagel feels acutely the loss of... something. Freedom? Maybe. Coolness? Could be. The records he sold in a financial pinch? Definitely. To find out for sure, he sets out on a quest to find the original vinyl artifacts from his past. Not just copies. The exact same records: The Bon Jovi record with his first girlfriend’s phone number scrawled on the front sleeve. The KISS Alive II he once shared with his little brother. The Replacements Let It Be he’s pretty sure, 20 years later, would still smell like weed. As he embarks on his hero’s journey, he reminisces about the actual records, the music, and the people he listened to it with—old girlfriends, his high school pals, and, most poignantly, his father and his young son. He explores the magic of music and memory as he interweaves his adventures in record-culture with questions about our connection to our past, the possibility of ever recapturing it, and whether we would want to if we could. “Memories are far more indelible when married to the physical world, and Spitznagel proves the point in this vivid book. We love vinyl records because they combine the tactile, the visual, the seeable effects of age and care and carelessness. When he searches for the records he lost and sold, Spitznagel is trying to return to a tangible past, and he details that process with great sensitivity and impact.”—Dave Eggers, New York Times bestselling author of The Circle
