Traditional strategic management frameworks often fail

in this context.

Therefore, we present "scenario-based strategic planning" as a framework for strategic management in an uncertain world.

Previous

different. By designing appropriate tools and integrating scenario planning into strategic planning, we have made our approach less complex and easier for firms to apply. We illustrate the approach with examples from

Read Book Scenario

different industries.

What increasingly affects all of us, whether professional planners or individuals preparing for a better future, is not the tangibles of life—bottom-line numbers, for instance—but the intangibles: our hopes and fears, our

Read Book Scenario

beliefs and dreams.

Only stories—scenarios—and our ability

to visualize different kinds of futures

adequately capture these intangibles. In

The Art of the Long View, now for the

Guide To The
Future

prepare for
uncertainties posed
by climate change,
pandemics,
automation, and
other unprecedented
twenty-first-century
challenges. This
manual is a
comprehensive
resource for anyone
interested in using
this emergent

Read Book Scenario

Planning: A Field
Guide To The
Future

planning approach,
which is effective at
the local, regional, or
organizational level.

Through the XSP
process, stakeholders
envision and develop
various potential
futures (i.e.,
scenarios) and
consider how to
measure and prepare
for each, rather than

Read Book Scenario

working toward a
single shared vision
for the future.

Through instructive
case studies,
recommendations,
sample workshop
agendas, and more,
this manual equips
would-be
practitioners with
the background
knowledge,
