School Buses (Wonder Books Level 1 Transportation)

Two children celebrate a wonderful wintry day by playing in the snow, sledding, building snow people, baking cookies, and ice skating.

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! "A must-purchase picture book biography of a figure sure to inspire awe and admiration among readers."—School Library Journal (starred review) Extraordinary illustrations and lyrical text present pioneering African American scientist Ernest Everett Just. Ernest Everett Just was not like other scientists of his time. He saw the

Online Library School Buses (Wonder Books Level 1 Transportation)

whole, where others saw only parts. He noticed details others failed to see. He persisted in his research despite the discrimination and limitations imposed on him as an African American. His keen observations of sea creatures revealed new insights about egg cells and the origins of life. Through stunning illustrations and lyrical prose, this picture book presents the life and accomplishments of this long overlooked scientific pioneer.

Formerly titled *Losing Our Minds: Gifted Children Left Behind*, this book describes differences in developmental stages within the gifted population. The children are classified into five levels of giftedness based on behaviors and developmental milestones, giving parents and educators a reference guide to compare with their own gifted children or students. A child's intellectual level can thus be estimated, after which the book provides different educational

Online Library School Buses (Wonder Books Level 1 Transportation)

approaches and practical advice, including how to find the best type of school for each level.

School Bus has a busy day. He is in charge of taking the children to the zoo on a field trip.

Girl Wonder

Inspired by the life of pioneering female baseball player Alta Weiss, and dramatized by Terry Widener's bold illustrations, Girl Wonder tells the unforgettable story of a true American original. Alta Weiss was born to play baseball, simple as that.

Online Library School Buses (Wonder Books Level 1 Transportation)

From the age of two, when she hurls a corncob at a pesky tomcat, folks in her small Ohio town know one thing for sure: She may be a girl, but she's got some arm. When she's seventeen, Alta hears about a semipro team, the Independents. Here's her big chance! But one look at Alta's long skirts tells Coach all he needs to know—girls can't play baseball! But faster than you can say "strike out," Alta proves him wrong: Girls can play baseball!

Wouldn't it be a disgrace if we lost the brightest students now attending our nation's schools? Dr. Deborah L. Ruf establishes that there are far more highly gifted children than previously imagined, yet large numbers of very bright children are "never discovered" by their schools. Using 78

Online Library School Buses (Wonder Books Level 1 Transportation)

gifted and highly gifted children as her examples, she illustrates five levels of giftedness. Parents will be able to estimate which of the five levels of giftedness their child fits by comparing their own child's developmental milestones to those of the children described in the book. This book contains practical advice for parents, including how to find a school that works for your child. Book jacket.

Little Squirrel

A Tale Told in Ten Blocks

Batman's biggest secret is not Bruce Wayne. Every Batman story is marked with the words "Batman created by Bob Kane." But that isn't the whole truth. A struggling writer named Bill Finger was involved from the beginning. Bill helped invent Batman, from concept to costume to character. He dreamed up Batman's haunting origins and his colorful nemeses. Despite his brilliance, Bill worked in obscurity. It was only after his death that fans went to bat for Bill, calling for acknowledgment that he was co-creator of Batman. Cartoonist and popular Batman artist Ty Templeton brings Marc Tyler Nobleman's exhaustive research to life. Perfect for reluctant readers and those

Online Library School Buses (Wonder Books Level 1 Transportation)

bridging from easy-readers to longer narratives, this classic underdog story will inspire all readers to take ownership of and pride in their work.

How do snow crystals form? What shapes can they take? Are no two snow crystals alike? These questions and more are answered in this visually stunning exploration of the science of snow. Perfect for reading on winter days, the book features photos of real snow crystals in their beautiful diversity. Snowflake-catching instructions are also included. A young boy rides the bus across town with his grandmother and learns to appreciate the beauty in everyday things. By the author of the celebrated picture book *A Nation's Hope: The Story of Boxing Legend Joe Louis*.

“ Poetic and meditative, this true-life fable about a tree that survived 9/11 commemorates the attack while evoking a resilient spirit and the

Online Library School Buses (Wonder Books Level 1 Transportation)

healing power of nature. Ann Magee ' s spare and lyrical text and Nicole Wong ' s soft-edged art afford ample space for young readers to reflect, to hope and to envision a future where peace takes root. ” —Carole Boston Weatherford, author of Newbery Honor book BOX “ Branches of Hope is a tribute to resilience and hope, a gentle way to talk with our youngest readers about the memory of 9/11. ” —Kate Messner, author of The Brilliant Deep: Rebuilding the World's Coral Reefs The branches of the 9/11 Survivor Tree poked through the rubble at Ground Zero. They were glimpses of hope in the weeks after September 11, 2001. Remember and honor the events of 9/11 and celebrate how hope appears in the midst of hardship. The Survivor Tree found at Ground Zero was rescued, rehabilitated, and then replanted at the 9/11 Memorial site in 2011. This is its story. In this moving tribute to a city and its people, a wordless story of a young

Online Library School Buses (Wonder Books Level 1 Transportation)

child accompanies the tree's history. As the tree heals, the girl grows into an adult, and by the 20th anniversary of 9/11, she has become a firefighter like her first-responder uncle. A life-affirming introduction to how 9/11 affected the United States and how we recovered together.

Imagine starring in commercials and traveling in your own campaign bus! Or seeing your face on bumper stickers and T-shirts! If you ran for president, you would get to do these and other fun things, but you would also have to do a lot of hard work. You would study the nation's problems, tell the American people about your platform, select a running mate, and debate your opponents on live television. Finally, in November, Election Day would arrive. You would keep your fingers crossed and wait for the results—will you be the next president of the United States? A multicultural cast of

Online Library School Buses (Wonder Books Level 1 Transportation)

children imagines what it would be like to run for president. The entertaining yet informative text is a good conversation starter for discussions on the election process. A note about this process accompanies the story.

Follows the activities of two children spending their summer vacation on an island off the coast of Maine.

The Science of Winter's Wonder

One day, Little Squirrel looks up in the sky and sees a lonely cloud floating high above. He decides he must

Online Library School Buses (Wonder Books Level 1 Transportation)

go and catch the cloud so that he can say hello. But no matter how far and how fast he runs, Little Squirrel never seems to get any closer to the lonely cloud. As he goes up the hill and down into the valley, he meets with many others. Water in the clear, cool stream helps him when he is thirsty. Mighty Mountain and the Great Wind quarrel with one another, but with Little Squirrel's help, they learn that they are each important. And the broad oak offers him shelter for the night, since it knows that talents differ and that all of them need each other. But can Little Squirrel finally catch the lonely cloud? Loosely based on Ralph

Online Library School Buses (Wonder Books Level 1 Transportation)

Waldo Emerson's poem "A Fable," this children's story tells the tale of a squirrel who sets out to meet a lonely cloud in the sky and comes across many others along the way.

When the class visits the Hugh Mann Costume Company, they get an informative lesson about the importance of the human skeleton and the various purposes different bones of the body serve. Original. Riya and Abby are: Best friends. Complete opposites. Living on different continents. Currently mad at each other. About to travel around Europe. Riya moved to Berlin, Germany, with her family for junior

Online Library School Buses (Wonder Books Level 1 Transportation)

year, while Abby stayed behind in their small California town. They thought it would be easy to keep up their friendship-it's only a year and they've been best friends since preschool. But instead, they ended up fighting and not being there for the other. So Riya proposes an epic adventure to fix their friendship. Two weeks, six countries, unimaginable fun. But two small catches: They haven't talked in weeks. They've both been keeping secrets. Can Riya and Abby find their way back to each other among lush countrysides and dazzling cities, or does growing up mean growing apart?
