section at the end,
Amazing animal facts.
Journalist Walls grew
up with parents whose
ideals and stubborn
nonconformity were
their curse and their
salvation. Rex and
Rose Mary and their
four children lived like
nomads, moving
among Southwest
desert towns, camping
in the mountains. Rex

Acces PDF Science

was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the

Acces PDF Science

Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of
