

Scream Street 5: Skull Of The Skeleton

In this gritty urban novel, a pimp named Anthony Davis (AD) and police officer George Pratt wage war with one another on the rain-slicked streets of Seattle. Slave to the Trade is packed with jaded cops, wannabe pimps, hardened prostitutes, gangbanging drug dealers, and several down-and-out drug addicts. The sad but true reality of the streets has never been painted so clearly and colorfully. The novel begins in a police station where Detective Pratt is pestered by the rookie partner about a mysterious piece of paper with a single calendar date on it that has been hanging on the wall for years. Now that the date has arrived, Pratt decides to finally divulge its meaning. He explains that a pimp named AD is being released from prison and needs to be tracked down and watched. When the rookie asks for further information, Pratt becomes irritated and evasive...making it apparent that the beef between the two men would remain a mystery until a later time. Upon his release, AD returns to his former stomping grounds and finds that the power structure of the game has changed dramatically. Where he was once a shot caller, the gangbangers are now firmly in control. AD does his best to make headway with the youngsters, but one of them just so happens to be an aspiring wannabe pimp and decides that AD is a threat that needs to be dealt with. Meanwhile, the mystery of AD and Pratt's past grows in intensity as the rookie and the veteran cruise the streets watching the pimp's every move. However, things get forced to a head when a young runaway girl turns up working the streets. Sadly, without her consent or knowledge, the young girl becomes a pawn in AD and Pratt's personal war of wills. Steamy, gritty, and violent, Slave to the Trade is a work of urban fiction that brims with authenticity. The spitfire dialogue drives the intricate plot as the manipulative pimp and jaded cop head for an inevitable collision that will shake the street game to its very foundation.

This 2nd edition is in black and white, for those who would like a less-expensive version of the book.The Crystal Skull Messenger tells the story of Thelma Daisy Moeran, and introduces the extraordinary "Group of 8" Himalayan crystal skulls. These crystal skulls were discovered in caves in Tibet in 2002, and are believed by some to be ancient, and taken to Tibet before the fall of Atlantis. The book chronicles the meeting of Thelma and Elizabeth HeartStar Keller, and their journey as the guardians of the Himalayan crystal skulls HeartStar and Yangtze, and the work they have done from their homes in Sedona, Arizona and Glastonbury, England. The Crystal Skull Messenger features many photographs, including the "Group of 8" Himalayan crystal skulls, shown for the first time. Thelma is a pure channel, bringing through beautiful inspired poetic messages from the crystal skulls, which allows their story to be told. She has received poetic messages from many crystal skulls, including the Mitchell-Hedges skull, that are shared throughout the book. Here is the first poem channeled to Thelma from the Mitchell-Hedges crystal skull on 11:11:07. All directions flow through me In that I am alone. I unify the Earth with stars, Alignment is my throne. From East to West and North and South, My energies hold fast. I also am a pathway To the future and the past. All tribal children soon will come And gather near a mountain. Pulsating stars will touch their hearts. Expect Unification! A wondrous band of Golden Light Will touch the hearts of all. And God's new time will then emerge To sanctify us All.

The dark side is waiting... Fish N' Chips lead a curious traveler to a sinister island, where the residents are more than they seem. Forbidden occult knowledge strands a pair of friends in a terrifying nexus of evil. And an ancient ice storm forces a wandering tribe to choose between following a bloodthirsty shaman, or the glowing lights in the sky... Venture into new realms of terror with Scare Street's latest bone-chilling collection. This spine-tingling volume contains fifteen ghastly tales of horror and the paranormal. More than enough to while away the hours, as you lose yourself in the shadows of the night. The deeper you plunge into this realm of terror, the farther away the real world seems. But don't worry... just turn the page and stay a bit longer. We're sure you'll be able to find your way back. Just listen for the screams in the darkness. And pray they aren't your own... He plumbs the depths of the human soul, laying bare his many faults and failings, exposing his weaknesses with painful honesty, and seeking as ever to illustrate an important chapter in the story of the human experience. Do you remember your mother telling you when you were little that you'd never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd – He's Just Not That Into You? The two main characters in Winter Interlude either didn't heed their mother's advice or haven't read the book. Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter's best friend for almost as long as Kate, a strong willed antiques dealer, has been dating James Morrison, Paul's brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. Winter Interlude tells the story of their adventure – of how they finally find love. Kate and Paul's story is the first one in a series of four friends caught in a time warp. They can't move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change.Show More Show Less

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

His fellow trainees are other kids competing to prove their worth so they can graduate and contribute to the war effort. But the stifling competition at headquarters isolates Sammy from his peers. Learning to use his incredible abilities powers is difficult enough, but when things go horribly wrong on a routine training mission, he must rely on the other Betas to stay alive. The Silent War is at a tipping point; even one boy can be the difference. But to do so, he must survive.

When Luke Watson turns into a werewolf for the third time, he and his parents are moved to Scream Street, where they and other "unusual lifeforms" are trapped unless Luke and his friends can find six powerful relics hidden by the founding fathers before sinister landlord Sir Otto does.
