*INSTANT NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER "As exciting as any spy novel" (Daily News, New York), The Princess Spy follows the hidden history of an ordinary American girl who became one of the OSS's most daring World War II spies before marrying into European nobility. Perfect for fans of A Woman of No Importance and Code Girls. When Aline Griffith was born in a quiet suburban New York hamlet, no one had any idea that she would go on to live "a life of glamour and danger that Ingrid Bergman only played at in Notorious" (Time). As the United States enters the Second World War, the young college graduate is desperate to aid in the war effort, but no one is interested in a bright-eyed young woman whose only career experience is modeling clothes. Aline's life changes when, at a dinner party, she meets a man named Frank Ryan and reveals how desperately she wants to do her part for her country. Within a few weeks, he helps her join the Office of Strategic Services—forerunner of the CIA. With a code name and expert training under her belt, she is sent to Spain to be a coder, but is soon given the additional assignment of infiltrating the upper echelons of society, mingling with high-ranking officials, diplomats, and titled Europeans. Against this glamorous backdrop of galas and dinner parties, she recruits sub-agents and engages in deep-cover espionage. Even after marrying the Count of Romanones, one of the wealthiest men in Spain, Aline secretly continues her covert activities, being given special assignments when abroad that would benefit from her impeccable pedigree and social connections. "[A] meticulously researched, beautifully crafted work of nonfiction that reads like a James Bond thriller" (Bookreporter), The Princess Spy brings to vivid life the dazzling adventures of a spirited American woman who risked everything to serve her country.*

**Harkness's sparkling debut, *A Discovery of Witches*, has brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*.**

**NEW YORK TIMES BESTSELLER He calls me his Queen of the Night. I'd die for him. I'd kill for him, too. When MacKayla Lane receives a page torn from her dead sister's journal, she is stunned by Alina's desperate words. And now MacKayla knows that her sister's killer is close. But evil is closer. And suddenly the sidhe-seer is on the hunt: For answers. For revenge. And for an ancient book of dark magic so evil that it corrupts anyone who touches it. Mac's quest for the Sinsar Dubh takes her into the mean, shapeshifting streets of Dublin, with a suspicious cop on her tail. Forced into a dangerous triangle of alliance with V'lane, a lethal Fae prince, and Jericho Barrons, a man of deadly secrets, Mac is soon locked in a battle for her body, mind, and soul. Library, she sparked a struggle in which she became bound to long-lived vampire Matthew Clairmont. Now the coexistence of witches, daemons, vampires and humans is dangerously threatened. Seeking safety, Diana and Matthew travel back in time to London, 1590. But they soon realise that the past may not provide a haven. Reclaiming his former identity as poet and spy for Queen Elizabeth, the vampire falls back in with a group of radicals known as the School of Night. Many are unruly daemons, the creative minds of the age, including playwright Christopher Marlowe and mathematician Thomas Harriot. Together Matthew and Diana scour Tudor London for the elusive manuscript Ashmole 782, and search for the witch who will teach Diana how to control her remarkable powers...Praise for Deborah Harkness: 'Rich, thrilling . . . captivating' E L James 'Intelligent and off-the-wall' The Sunday Times 'I could lose myself in here and never want to come out' Manda Scott 'A bubbling cauldron of illicit desire' Daily Mail

The #1 New York Times bestselling third installment of the All Souls series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In *The Book of Life* Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the present--facing new crises and old enemies. At Matthew's ancestral home, Sept-Tours, they reunite with the beloved cast of characters from *A Discovery of Witches*--with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its missing pages takes on even more urgency. In the third volume of the All Souls series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

Bestselling author Deborah Harkness (*A Discovery of Witches*, *Shadow of Night*) explores the streets, shops, back alleys, and gardens of Elizabethan London, where a boisterous and diverse group of men and women shared a keen interest in the study of nature. These assorted merchants, gardeners, barber-surgeons, midwives, instrument makers, mathematics teachers, engineers, alchemists, and other experimenters, she contends, formed a patchwork scientific community whose practices set the stage for the Scientific Revolution. While Francis Bacon has been widely regarded as the father of modern science, scores of his London contemporaries also deserve a share in this distinction. It was their collaborative, yet often contentious, ethos that helped to develop the ideals of modern scientific research. The book examines six particularly fascinating episodes of scientific inquiry and dispute in sixteenth-century London, bringing to life the individuals involved and the challenges they faced. These men and women experimented and invented, argued and competed, waged wars in the press, and struggled to understand the complexities of the natural world. Together their stories illuminate the blind alleys and surprising twists and turns taken as medieval philosophy gave way to

*the empirical, experimental culture that became a hallmark of the Scientific Revolution.*

*The Race to Save Martin Luther King Jr.'s Life and Win the 1960 Election*

*From Atheist to Bahá'í*

*Strange Stories*

"[A] masterly and often riveting account of King's ordeal and the 1960 'October Surprise' that may have altered the course of modern American political history." —Raymond Arsenault, *The New York Times Book Review* (Editors' Choice) The authors of *Douglass and Lincoln* present fully for the first time the story of Martin Luther King, Jr.'s imprisonment in the days leading up to the 1960 presidential election and the efforts of three of John F. Kennedy's civil rights staffers who went rogue to free him—a move that changed the face of the Democratic Party and propelled Kennedy to the White House. Less than three weeks before the 1960 presidential election, thirty-one-year-old Martin Luther King, Jr. was arrested at a sit-in at Rich's Department Store in Atlanta. That day would lead to the first night King had ever spent in jail—and the time that King's family most feared for his life. An earlier, minor traffic ticket served as a pretext for keeping King locked up, and later for a harrowing nighttime transfer to Reidsville, the notorious Georgia state prison where Black inmates worked on chain gangs overseen by violent white guards. While King's imprisonment was decried as a moral scandal in some quarters and celebrated in others, for the two presidential candidates—John F. Kennedy and Richard Nixon—it was the ultimate October surprise: an emerging and controversial civil rights leader was languishing behind bars, and the two campaigns raced to decide whether, and how, to respond. Stephen and Paul Kendrick's *Nine Days* tells the incredible story of what happened next. In 1960, the Civil Rights Movement was growing increasingly inventive and energized while white politicians favored the corrosive tactics of silence and stalling—but an audacious team in the Kennedy campaign's Civil Rights Section (CRS) decided to act. In an election when Black voters seemed poised to split their votes between the candidates, the CRS convinced Kennedy to agitate for King's release, sometimes even going behind his back in their quest to secure his freedom. Over the course of nine extraordinary October days, the leaders of the CRS—pioneering Black journalist Louis Martin, future Pennsylvania senator Harris Wofford, and Sargent Shriver, the founder of the Peace Corps—worked to tilt a tight election in

Kennedy's favor and bring about a revolution in party affiliation whose consequences are still integral to the practice of politics today. Based on fresh interviews, newspaper accounts, and extensive archival research, *Nine Days* is the first full recounting of an event that changed the course of one of the closest elections in American history. Much more than a political thriller, it is also the story of the first time King refused bail and came to terms with the dangerous course of his mission to change a nation. At once a story of electoral machinations, moral courage, and, ultimately, the triumph of a future president's better angels, *Nine Days* is a gripping tale with important lessons for our own time.

*Rice Cookbook: 50 Delicious of Rice Cookbook (Rice Recipes, Rice Flour Recipes, Rice Recipes Cookbook, Rice Recipes Cookbooks, Rice Recipes Book) Rice is a part of many traditional cuisines. It is used as a main dish as a side dish or as a decoration for food. People knew about rice a long time ago. It has been part of our meals for 5,000 years. The first information about rice was found in China about 2,800 BC. The rise has been a part of Chinese food tradition. Chinese legends provide information that rise is used so much in the Chinese cuisine thanks to the legendary Emperor of China Shennong who was also the inventor of Chinese agriculture. The rise was spread from East Asia to South Asia and after that in Europe. Also, it was introduced to Americans through the European colonization. Rice comes in many shapes, colors and sizes. There are several types of rice known worldwide. - Long Grain Brown Rice - Long grain rice has a long, slender kernel, four to five times longer than its width. Cooked grains are separate, light and fluffy. - Short Grain Brown Rice - Short grain rice has a short, plump, almost, round kernel. Cooked grains are soft and cling together. - Sweet Brown Rice - Sweet rice is short and plump with a chalky white, opaque kernel. When cooked, sweet rice loses its shape and is very sticky. - Brown Basmati Rice - India is well known for its fragrant Basmati rice, another aromatic long grain rice with a distinct popcorn aroma. - Chinese Black Rice - Chinese Black Rice is a medium grain rice with white kernels inside the black bean. Cooked, it takes on a deep publishing color. Rice is definitely the food we should include in our diet. It is full with nutrients. This food is really good for us, because it is very healthy. Rice contains proteins, iron, B vitamins and folic acid. These nutrition give us a lot of energy and that is why we do not need extra snacks. It is also important to know that the brown rice is whole grain and the white is not. Most of us are aware that we do not get as much fiber as we should. That is why rice is a good choice for our next meal. Whole grains are the healthiest option because they retain all the nutrients from the grain and are high in fiber.*

*NEW YORK TIMES BESTSELLER • Immortal Faerie and ancient feuds, secrets and sacrifices—a thrilling new chapter in the bestselling Fever series begins, featuring Dani, Ryodan, and other beloved characters, as they battle to save Dublin from the rising of a terrifying evil determined to enslave the human race. There is no action without consequence. Dani O'Malley was nine years old when the delusional, sadistic Rowena transformed her into a ruthless killer. Years later, Dani is tough and hardened, yet achingly vulnerable and fiercely compassionate, living alone by her own exacting code. Despite the scars on her body, and driven by deeper ones carved into her soul, no one is more committed to protecting Dublin. By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. When the Faerie Queen used the dangerously powerful Song of Making to heal the world from the damage done by the Hoar Frost King, catastrophic magic seeped deep into the earth, giving rise to horrifying, unforeseen consequences—and now deadly enemies plot in the darkness, preparing to enslave the human race and unleash an ancient reign of Hell on Earth. There is no future without sacrifice. With the lethal, immortal Ryodan at her side, armed with the epic Sword of Light, Dani once again battles to save the world, but her past comes back to haunt her with a vengeance, demanding an unspeakable price for the power she needs to save the human race. And no one—not even Ryodan, who would move the very stars for*

pamreader.blogspot.co.uk A Conversation with Deborah Harkness How did you become interested in the intersection of alchemy, magic, and science? Historically, what do you see as the relationship between science and religion or mysticism? In college, I had a wonderful professor who taught a class on these subjects. To kick off the class, he asked us, 'How do you know what you think you know?' I've spent the last quarter century trying to answer that question. Because the world is a mysterious place and our relationship to it is not always clear, people have often turned to science, faith, and magic for answers. They help people find responses to the questions of, who am I and why am I here? Diana is an appealing heroine, determined, accomplished, and yet aware of her own weaknesses. In what ways, if any, does Diana reflect your own experience or personality? There are some similarities - Diana is also a historian of science, also interested in the history of alchemy, and shares some of my passions (including television cooking programs, tea, and rowing). Really, all the characters have some element of me in them. I think that's how authors create imaginary people who nevertheless feel real. The rest of Diana's character comes from a combination of qualities I admire in others, wish fulfilment, and my completion of the following statement: 'Wouldn't it be great if a heroine in a book was . . . Find out more about Deborah Harkness and read the full conversation in THE ALL SOULS COMPLETE TRILOGY.

The following three tales are adapted from stories told by the peasants in Eastern Europe and Central Asia. They are drawn from some books I found in shops when I visited the former U.S.S.R. in 1988 as part of a citizen diplomacy group. I was intrigued by these folktales, since my paternal grandmother lived for some time in Odessa in the Ukraine.

Also, I found these stories share a common theme --the poor peasant is able to succeed despite obstacles against an unfair ruler. He does so by being wise and generous, and having a strong desire to help and protect his family. Generally, the rich merchant or powerful ruler is foiled by his own greed and stupidity. The following stories come from the Ukraine, Latvia, and Turkmen. These are three of my favorite stories.

*A YA horror novel based on Countess Elizabeth Bathory, the infamous, real-life inspiration for Countess Dracula! In 17th-century Hungary, Anna Darvulia has just begun working as a scullery maid for the young and glamorous Countess Elizabeth Bathory. When Elizabeth takes a liking to Anna, she's vaulted to the dream role of chambermaid, a far cry from the filthy servants' quarters below. She receives wages generous enough to provide for her family, and the countess begins to groom Anna as her friend and confidante. It's not long before Anna falls completely under In 17th-century Hungary, Anna Darvulia has just begun working as a scullery maid for the young and glamorous Countess Elizabeth Bathory. When Elizabeth takes a liking to Anna, she's vaulted to the dream role of chambermaid, a far cry from the filthy servants' quarters below. She receives wages generous enough to provide for her family, and the Countess begins to groom Anna as her friend and confidante. It's not long before Anna falls completely under the Countess's spell—and the Countess takes full advantage. Isolated from her former friends, family, and fiancée, Anna realizes she's not a friend but a prisoner of the increasingly cruel Elizabeth. Then come the murders, and Anna knows it's only a matter of time before the Blood Countess turns on her.*

*Discovering a magical manuscript in Oxford's Bodleian Library, scholar Diana Bishop, a descendant of witches who has rejected her heritage, inadvertently unleashes a fantastical underworld of daemons, witches, and vampires whose activities center around an enchanted treasure.*

*This book is about Elizabethan England's most famous 'scientist' or natural philosopher John Dee and his 'conversations with angels'.*

A Discovery of Witches (Movie Tie-In)

Cabala, Alchemy, and the End of Nature

*Dreams do come true... even for a little shelter dog named Gus. It's the night before Christmas and Gus just can't sleep. He lives in a shelter and longs for a home of his very own. Suddenly, he hears a loud noise and looks outside to find Santa Claus. As they ride off into the night sky together Gus has no idea what surprises their trip will bring.*

*From the #1 New York Times bestselling author of A Discovery of Witches—look for the hit TV series “A Discovery of Witches,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! What does it truly take to become a vampire? On the battlefields of the American Revolution, Matthew de Clermont meets Marcus MacNeil, a young surgeon from Massachusetts, during a moment of political awakening when it seems that the world is on the brink of a brighter future. When Matthew offers him a chance at immortality and a new life free from the restraints of his puritanical upbringing, Marcus seizes the opportunity to become a vampire. But his transformation is not an easy one and the ancient traditions and responsibilities of the de Clermont family clash with Marcus's deeply held beliefs in liberty, equality, and brotherhood. Fast-forward to contemporary Paris, where Phoebe Taylor--the young employee at Sotheby's whom Marcus has fallen for--is about to embark on her own journey to immortality. Though the modernized version of the process at first seems uncomplicated, the couple discovers that the challenges facing a human who wishes to be a vampire are no less formidable than they were in the eighteenth century. The shadows that Marcus believed he'd escaped centuries ago may return to haunt them both--forever. A passionate love story and a fascinating exploration of the power of tradition and the possibilities not just for change but for revolution, Time's Convert, the fourth books in the All Souls Series channels the supernatural world-building and slow-burning romance that made the previous books instant bestsellers to illuminate a new and vital moment in history, and a love affair that will bridge centuries.*

*A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in rural Pennsylvania, Emma Hale marries an itinerant*

*treasure-digger, a man who has nothing but a peep-stone in his pocket and a conviction that he can speak directly to God. His name is Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith. While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go. Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict that men should marry as many women as they please. The Mormons' adoption of polygamy only sets them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life.*

*A richly illustrated real-time reading guide that brings to life the world created by Deborah Harkness in *A Discovery of Witches* and *Shadow of Night*, retracing the events of the bestselling novels with illuminating behind-the-scenes details.
