Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

The founder of Gigi’s Cupcakes shares her personal success story, her hard-won business acumen, and the life-changing inspiration that has helped her follow her dreams in this warm-hearted and encouraging memoir that “will inspire savvy entrepreneurs to invest in their own dreams” (Daymond John, star of ABC’s Shark Tank). Featuring delicious dessert recipes for cupcakes and more in each chapter. As a young child, Gigi knew that if she wanted to succeed, she had to work hard and offer a service that people wanted to buy. At age seven, she sold eggs out of her little red wagon to neighbors. At age fifteen, she bought cleaning supplies and started a cleaning service out of her rural California home. When she moved to Nashville at nineteen, she had her heart set on becoming a country music star. Cleaning houses by day to support herself for over a decade, she realized that God had other plans for her. If she wouldn’t be a successful singer, she decided she would grow a business that she could be proud of. An extraordinary baker throughout her life, she decided to open a cupcake shop with all the money she could pull together. With the help and support of her family, she was able to open her first store in a prime Nashville location. The news of her cupcakes spread quickly, and the franchise became a huge success. Now, in The Secret Ingredient, Gigi reveals how her failures led her to explore her passion for baking and how she became a successful businesswoman. With spunk, humor, and insight, she weaves her hard-won wisdom and business acumen into the fun, fascinating, and instructive stories of her life. Each inspirational chapter concludes with a treasured family recipe for cupcakes and other scrumptious desserts. For anyone with big dreams, Gigi’s message is simple: believe in yourself, walk with integrity, work hard, and trust in God. Your life may not turn out exactly how you expected or hoped, but it will be so much better than you could have ever imagined. “If you ever need to feel inspired by a dreamer, this is a must read” (Tony Brown, music producer). Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. She is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains’ toddler one night, walking the aisles of their local high-end supermarket. The store’s security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix’s desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix’s past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other. With empathy and piercing social commentary, Such a Fun Age explores the stickiness of transactional relationships, what it means to make someone “family,” and the complicated reality of being a grown up. It is a searing debut for our times.

Fourteen remarkable stories that combine strong Western settings with a subtle and distinct female voice. This critically celebrated debut collection marks the exciting beginning of prize-winner Meloy’s promising career. Lean and controlled in their narration, abundant and moving in their effects, Malle Meloy’s stories introduce a striking talent. Most are set in the modern American West, made vivid and unexpected in Meloy’s unsentimental vision; others take us to Paris, wartime London, and Greece, with the same result: two couples face a complicated grief when one of the four dies. In “Ranch Girl,” the college-bound daughter of a ranch foreman must choose which adult world she wants to occupy. In “A Stakes Horse,” a woman confronts risk and loss at the racetrack and at home. And in “Aqua Boulevard”—winner of the 2001 Aga Khan Prize for Fiction—an elderly Parisian confronts his mortality. Meloy’s command of her characters’ voices is breathtaking; their fears and desires are deftly illuminated. Smart, surprising, and evocative, heart.

Lost in Me is the first book in the Here and Now series, a spin-off of the New York Times and USA Today bestselling New Hope series. This sexy amnesia love triangle is intended for mature readers. The last thing I remember is having drinks at Brady’s and trying to avoid eye-contact with my life-long crush—the gorgeous, unattainable Maximilian Hallowell. They tell me that was a year ago, but I have no memories of anything since then. What I do have is this ring on my finger that Max says he gave me, and this much-thinner body I’ve dreamed of most of my life. Aside from a case of retrograde amnesia, everything seems almost...perfect. But the deeper I immerse myself into this new world of mine—planning a wedding to a man I don’t remember dating, attempting to run a business I don’t remember starting—the clearer it becomes that nothing is as it seems. Do I have the life I’ve always wanted or is it a facade propped up by secrets I don’t even know I have? I need answers before I marry Max, and the only person who seems to have them is the angry, tatted, sexy-as-sin rocker Nate Crane. And Nate wants me for himself. Spanning eras, continents, and genres, CoDex 1962—twenty years in the making—is Sjöin’s epic three-part masterpiece Over the course of four dazzling novels translated into dozens of languages, Sjöin has earned a global reputation as one of the world’s most interesting writers. But what the world has never been able to read is his great trilogy of novels, known collectively as CoDex 1962—now finally complete. Josef Löwe, the narrator, was born in 1962—the same year, the same moment even, as Sjöin. Josef’s story, however, stretches back decades in the form of Leo Löwe—a Jewish fugitive during World War II who has an affair with a German woman; in the end, they form a baby from a piece of clay. If the first volume is a love story, the second is a crime story; Löwe arrives in Iceland with the clay baby inside a bathos, only to be embroiled in a murder mystery—but by the end of the volume, his clay son has come to life. And in the final volume, set in present-day Reykjavik, Josef’s story becomes science fiction as he crosses paths with the outlandish CEO of a biotech company (based closely on reality) who brings the story of genetics and genesis full circle. But the future, according to Sjöin, is not so dark as it seems. In CoDex 1962, Sjöin has woven ancient and modern material and folklore and cosmic myths into a singular masterpiece—encompassing genre fiction, theology, expressionist film, comic strips, forrean studies, genetics, and, of course, the rich tradition of Icelandic storytelling.

James Michener Fellowship winner Joshua Furst’s widely acclaimed debut collection explores the perils and paradoxes of childhood in ten harrowing, moving, and surprising stories, offering a rare and unsentimental depiction of the lives of American youth. In “Red Lobster,” which won the Nelson Algren Award, a gaggle of children try to please the father who has demanded them up from their various homes to take them to a tateful dinner. And in the collection’s climactic story, “Failure to Thrive,” a maternity ward nurse takes compassion too far. Emotionally astute, brilliantly written, these stories mark the arrival of a powerful new voice in American literature.
