Here's what you, the brave reader, need to know. Fire Down Below has a sequel. I know; everyone's super surprised that Amazon allowed me to keep the poop-your-pants book up all this time. In Fire in the Hole, Dove's sausage-loving neighbor has realized he's wildly in love with her lurchingly awkward butt. Johnson is the pharmacist of her dreams until he tells her over Twitter/goddamn-it that he has plans with an ex-girlfriend. Duke scrapes Dove off her apartment floor and takes her to his cousin's wedding. As Pissboy and Cross-eyed Knockers tie the knot, Duke could just kick himself in the balls when he sees Johnson and Beth at the same venue driving Dove insane with jealousy. Will Dove give up everything, even her self-esteem, to get Johnson's johnson between her legs? Or will the scent of spiced meat inspire Dove to rip off Duke's sausage-and-egg underwear forever? Yup. Written for a young audience, this intense memoir explores the harsh realities of life on the streets in contemporary North Korea. Every Falling Star is the memoir of Sungju Lee, who at the age of twelve was forced to live on the streets of North Korea and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to create a new family with his gang, "his brothers," to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

"Wordsworth, Whitman, William Carlos Williams, and the Beats in their respective generations moved poetry toward a more natural language. Bukowski moved it a little farther." –Los Angeles Times Book Review
In what is widely hailed as the best of his many novels, Charles Bukowski details the long, lonely years of his own hardscrabble youth in the raw voice of alter ego Henry Chinaski. From a harrowingly cheerless childhood in Germany through aced-riddled high school years and his adolescent discoveries of alcohol, woman, and the Los Angeles Public Library's collection of D.H. Lawrence, Ham on Rye offers a crude, brutal, and savagely funny portrait of an outcast's coming-of-age during the desperate days of the Great Depression.

In 2003, as an older father, O'Brien resolved to give his young sons what he wished his own father had given to him: a few scraps of paper signed "Love, Dad." Maybe a word of advice. Maybe a sentence or two about some long-ago Christmas Eve. Maybe some scattered glimpses of their aging father, a man they might never really know. In this book, O'Brien moves from soccer games to warfare to risqué lullabies, from alcoholism to magic shows to history lessons to bittersweet bedtime stories, but always returning to a father's soul-saving love for his sons. -- adapted from jacket

Nobody's Fool was made into a movie starring Paul Newman, Bruce Willis, Jessica Tandy, and Melody Griffith.

Legendary football coach and Super Bowl champion with the Denver Broncos, Wade Phillips, recalls his life in football and memories of his father, NFL head coach Bum Phillips, in a book perfect for a Father's Day gift. "Having played for and against Wade Phillips, the first word that comes to my mind is respect. SON OF BUM is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family." Peyton Manning In his memoir Son of Bum, decorated NFL coach Wade Phillips shows that his knowledge came from his father, Bum Phillips. A beloved character in NFL history, Bum taught Wade from the beginning that "coaching isn't bitching," as well as how to have perspective on the game during tough times. These are lessons that apply both on the field and off, and Wade has passed this wisdom down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players to be winners on and off the field. And though his defensive concepts are revolutionary, he would say they begin with common sense. Son of Bum is more than one man's memoir—it's a story of family and football and a father who inspired his son.

**Don't face reality. Create reality! E-Squared could best be described as a lab manual with simple experiments to prove once and for all that reality is malleable, that consciousness trumps matter, and that you shape your life with your mind. Rather than take it on faith, you are invited to conduct nine 48-hour experiments to prove there really is a positive, loving, totally hip force in the universe. Yes, you read that right. The experiments, each of which can be conducted with absolutely no money and very little time expenditure, demonstrate that spiritual principles are as dependable as gravity, as consistent as Newton's laws of motion. For years, you've been hoping and praying that spiritual principles are true. Now, you can know. E-Squared proves the following: 1. There is an invisible energy force or field of infinite possibilities. 2. You impact the field and draw from it according to your beliefs and expectations. 3. You, too, are a field of energy. 4. Whatever you focus on expands. 5. Your connection to the field provides accurate and unlimited guidance. 6. Your thoughts and consciousness impact matter. 7. Your thoughts and consciousness provide the scaffolding for your physical body. 8. You are connected to everything and everyone else in the universe. 9. The universe is limitless, abundant, and strangely accommodating.**

Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? Between the World and Me is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, Between the World and Me clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.**

This is a book on leadership from someone who has never read a book on leadership in his life. While building the Virgin Group over the course of forty years, Richard Branson has never shied away from tackling seemingly outlandish challenges that others (including his own colleagues on many occasions) considered sheer lunacy. He has taken on giants like British Airways and w, and monsters like Coca-Cola and lost. Now Branson gives an inside look at his strikingly different, swashbuckling style of leadership. Learn how fun, family, passion, and the dying art of listening are key components to what his extended family of employees around the world has always dubbed (with a wink) "the Virgin Way." This unique perspective comes from a man who dropped out of school at sixteen, suffers from dyslexia, and has never worked for anyone but himself. He may be famous for thinking outside the box—an expression he despises—but Branson asserts that "you'll never have to think outside the box if you refuse to let anyone build one around you."

From the legendary Oklahoma coach, a candid and inspiring memoir. When Bob Stoops took over as football coach in 1999, the Oklahoma Sooners were in disarray with back-to-back losing seasons. But in just two years' time, Stoops achieved the seemingly impossible: winning a national championship and returning the struggling Sooners to their powerhouse status, turning out NFL talent, Heisman Trophy winners and conference championships, bowl wins and national title runs on a regular basis. During his 18 seasons at OU, his record was a remarkable 190–48. At only age 56, at the peak of his career, he stunned the college football world by walking away. For the first time, Bob opens up about his career alongside the evolution of the game itself. From his unlikely emergence as a star player at the University of Iowa, to his coaching apprenticeships under giants like Hayden Fry, Bill Snyder, and Steve Spurrier, Stoops recounts how the game he fell in love with as a boy has evolved into a billion-dollar business often compromised by recruiting wars, aggressive agents, overzealous boosters and alumni, and the emergence of the CEO head coach rather than mentor and teacher. Bob holds nothing back while explaining why it was time to step away from the game—and players-he still loves. Told with a rare combination of sincerity, vulnerability, and pure heart, No Excuses is both an engaging and eye-opening football memoir and an unprecedented portrait of a coach of one of the greatest legacy programs in the history of the college game.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
