In this second novel based on DreamWorks Animation's Spirit Riding Free by award-winning author Suzanne Selfors, it's Lucky Prescott's first winter in the West! After Miradero Mel, the town's weather-predicting pig, forecasts that this winter is going to be one of the harshest Miradero's had in decades, Lucky and her best friends, Pru and Abigail, are excited to see what kind of adventures they can have in the snow. Their excitement quickly shifts to concern for the townspeople, who might not have enough food to last the season, and for Miradero's animals, like Lucky's wild stallion Spirit, who has a new foal in his herd. Will they be able to survive the worst that winter has to offer? The cold winter winds are also the winds of change at home for Lucky and her single father, Jim. It seems everyone has an opinion about Jim's marriage prospects. But Lucky likes their new life just the way it is. She isn't ready for a new mom...But what if her dad is ready for a new wife? Lucky's first winter in Miradero promises to be one that she, her best friends, and Spirit will never forget! DreamWorks Spirit Riding Free © 2017 DreamWorks Animation LLC. All Rights Reserved.

Joe Meek is one of the West's irresistible characters dashing, devil-may-care, cheeky, irreverent, more fun than a playful grizzly cub. Unlike so many of the West's other great characters, he comes down to us not as a myth, says the editor, but as "simply a right kind of fella." It is our good luck that Joe knew how to yarn his mountain experiences truly and colorfully and with only a mite of stretching, and that he happened to cross trails with Frances Fuller Victor, who had the sense to see the worth of his tale as Joe told it, in the raw. The first of two volumes of "The River of the West" deals with Joe's years as one of the legendary mountain men, the fur trappers of the Rocky Mountains. A facsimile of the original edition published in 1870, this reissue includes the original illustrations and offers a new introduction, map, notes, bibliography, and index.

Ten year old Edwin is surprised to learn that he will be travelling to America on the famous new Titanic. Even more shocking is that he will be going with grandparents he has never known. Along the way, he also learns secrets about his own family's past. When the ship sinks and Edwin ends up in a lifeboat separated from everyone he knows, he wonders if he has survived the worst only to be abandoned in the middle of the Atlantic.

Boom Broom doesn't think his life could get any worse. Ever since his mother was swept away by a twister, his family has gone crazy. They refuse to leave the house and Boom and his sister Mertyle are looked after by Halvor, the Viking descendant who rents the room over their garage. When Boom finds a baby mermaid who seems to grant unlimited wishes, he thinks his luck has turned around. That is, until his sister is hit by the curse of the merfolk. Now Boom and his best friend Winger must find a way to return the merbaby to its mother and save Mertyle before it is too late.
