There are build battle ideas, survival strategies and challenges, Story Mode and Realms features and step-by-step guides to recreate builds from your favourite YouTubers' worlds. And you can read about the ways in which Minecraft has changed the world, from the charitable Block-by-Block foundation, to the epic MineCon event. The perfect stocking filler for fans of the Bear of Little Brain. Winnie-the-Pooh is one of the most recognizable children's book characters of all time. Now your child can let everybody's favourite bear help them through the seasons with this winter story book. It's a very snowy day in the Hundred Acre Wood, and Pooh Bear realises that some of the other animals might be snowed in to their houses. With the help of Piglet, he determines to help all of the other animals clear the snow away - and then it's time for a Little Something! After all that, there's just enough time for Christopher Robin to show them all how to make a snowman. If you want something other than the traditional Christmas story to fill your child's stocking this festive season, then Winnie-the-Pooh, Piglet, Eeyore and the rest of the gang will make them feel all warm inside - while it's cold outside.
